Life Reimagined GBC 2025 Secretary of State Annual Report

Life Reimagined GBC was incorporated on February 3rd, 2023 as a General Benefit Corporation under Minnesota's Public Benefit Corporation Act (The "Act") Pursuant to section 304 A 101 of the Act, the general public benefit purpose as stated in its Articles of Incorporation is : To pursue a net material positive impact from the business and operation of a general Benefit Corporation on society , the environment and the well-being of present and future generations .

Life Reimagined mission as stated in the Corporations Articles:

Life Reimagined was established to provide assistance and support to individuals and families navigating the MNsure marketplace for health insurance coverage. Special focus will be given to Underserved Populations/Communities. Groups that have limited or no access to resources or that are otherwise disenfranchised. These groups will include BIPOC, US Born Black Americans and Indigenous communities.

Board of directors selected the following independent third party: MAC Consulting LLC to perform B Corp annual assessment, utilizing B Impact assessment- Performance Good

In accordance with this third-party standard, Life Reimagined GBC has served the general benefit in the following primary ways:

- The Corporation is Latina woman owned and managed.
- The Corporation is in a marginalized communities and is providing mentorship, skill development and is actively seeking to employ from that community.
- Over 80% of all Life Reimagined GBC clients are from underserved communities

The following is a description of what we accomplished and what hindered our growth for 2025 from achieving the ultimate public benefit purpose, to that extent we did not create the specific public benefit in this reporting year: Life Reimagined GBC experienced limited growth in 2025 . Issues continued with lack of funding to hire workers with benefits. The primary obstacle for Life Reimagined GBC faces continues to be raising funding and awareness of its service and the benefits it provides in order to expand its customer base. Recently it was decided to expand our core services to include comprehensive medical billing including but not limited to: Generating patient statements and invoices for services rendered, coding guidelines, and billing practices to ensure compliance, Provide detailed financial reports to healthcare providers, offering insights into the financial performance of their practices. These services will be marketed primarily to Medium size firms.
