Office of the Minnesota Secretary of State

Minnesota Public Benefit Corporation / Annual Benefit Report

Minnesota Statutes, Chapter 304A

Read the instructions before completing this form
Must be filed by March 31
Filing Fee: $55 for expedited service in-person or online, $35 if submitted by mail

The Annual Benefit Report covers the 12 month period ending on December 31 of the previous year.
Notice: Failure to file this form by March 31 of this year will result in the revocation of the corporation's public benefit status without further notice from the Secretary of State, pursuant to Minnesota Statutes, Section 304A.301

1. File Number 8200175000 29

2. Corporate Name: (Required) Dark Clouds GBC Inc.

3. The public benefit corporation's board of directors has reviewed and approved this report.

4. In the field below, enter the information required by section 304A.301 subd. 2 or 3 for the period covered by this report, (see instructions for further information): Note: Use additional sheets if needed. (Required)

See attached

5. I, the undersigned, certify that I am the chief executive officer of this public benefit corporation. I further certify that I have signed this document no more than 30 days before the document is delivered to the secretary of state for filing, and that this document is current when signed. I further certify that I have completed all required fields, and that the information in this document is true and correct and in compliance with the applicable chapter of Minnesota Statutes. I understand that by signing this document I am subject to the penalties of perjury as set forth in Section 609.48 as if I had signed this document under oath.

Signature of Public Benefit Corporation's Chief Executive Officer

3/28/2026

Date (Must be dated within 30 days before the report is delivered to the Secretary of State for Filing)

THE WONDERWALL COLLECTIVE

Annual Benefit Statement

Fiscal Year 2025

General Benefit Corporation — State of Minnesota

Introduction

The Wonderwall Collective (Wonderwall) is a Minnesota General Benefit Corporation (GBC) organized to support Minnesota United FC and to foster a vibrant, welcoming, and community-minded soccer supporter culture in the Twin Cities region. As a GBC, the Collective is legally committed to pursuing a general public benefit alongside its organizational interests, and this Annual Benefit Statement fulfills the reporting requirement set forth under Minnesota law. Wonderwall is made up of three component groups: Dark Clouds, Red Loons, and True North Elite.

This statement covers the Collective's activities during fiscal year 2025, as presented at the Annual Membership Meeting held on February 12, 2026. It describes how the Collective has worked to create general public benefit, the extent and nature of that benefit as realized during the year, and any circumstances that limited or hindered those efforts.

(A) How the Corporation Has Pursued General Public Benefit

During fiscal year 2025, the Wonderwall Collective pursued its general public benefit mission through four principal channels: volunteering in our community, charitable fundraising and direct giving, cultural and civic engagement through matchday activities, and outreach to diverse communities across the Twin Cities.

1. Structured Community Volunteerism

Wonderwall maintained an active, organized volunteer program throughout the 2025 season. One such group, the Dark Clouds' Silver Lining volunteer program, mobilized members to serve charitable causes and at community events, collectively contributing approximately 655 hours of service across 77 individual volunteers and 18 events, with nearly $9,000 raised in the process.

Wonderwall also tracked volunteer activity more broadly for the first time in 2025 using a formal volunteer hour tracker, which will continue and be expanded in future years.

Volunteer contributions extended to the Collective's matchday operations. The Thunderwall drumline — Wonderwall's percussion group — contributed an estimated 700 hours of service across the 2025 season, including appearances at Minnesota United FC2 games and community events beyond the walls of Allianz Field. The Tifo volunteer group contributed over 300 hours across six tifo productions during the regular season and playoffs.

2. Charitable Fundraising and Direct Giving

The Collective pursued general public benefit through meaningful charitable giving to organizations serving vulnerable and underserved communities in Minnesota. In fiscal year 2025, the Collective directed a total of $13,628 in charitable donations to the following organizations:

- The Sanneh Foundation
- ISC (Immigrant & Sports Community)
- Avenues for Youth
- The Aliveness Project
- Immigrant Law Center of Minnesota
- Common Bond Communities
- Como Park Soccer
- Central Soccer
- Minneapolis City SC

Included within this total is approximately $4,000 raised through the Dark Clouds End of Year Auction, with proceeds distributed to Como Park Soccer ($1,000), Central Soccer ($1,000), and Minneapolis City SC (over $1,500).

3. Matchday Engagement and Civic Presence

The Collective pursued public benefit through its role as a positive, inclusive, and high-profile civic presence in the Twin Cities soccer community. The Wonderwall's supporter section was recognized in media including Pioneer Press, Star Tribune, MPR, and KARE 11, extending the Collective's community visibility beyond the stadium.

Wonderwall also organized and led regular supporter marches to Allianz Field, which continued to grow in participation throughout 2025. These marches serve a civic function by animating public spaces and building community among soccer supporters of diverse backgrounds.

4. Supporting Access and Community Partnerships

The Collective actively supported Minnesota United FC's community events, including Power Soccer tournaments and other adaptive sports programming. Through its administration of the season ticket holder affiliation process, the Collective achieved a higher rate of supporter affiliation than in any prior year under team management — broadening access to the supporter experience and strengthening the connection between Minnesota United FC and its fan base.

(B) The Extent to Which, and the Ways in Which, the Corporation Has Created General Public Benefit

Wonderwall's efforts during fiscal year 2025 produced concrete, measurable public benefit across several dimensions.

1. Volunteer Hours and Community Service

Across all programs and activities, Wonderwall members and affiliated volunteers contributed an estimated 1,200 or more volunteer hours during 2025. This figure encompasses Silver Lining program service (approximately 655 hours), Thunderwall drumline participation (approximately 700 hours), tifo volunteer activity (over 300 hours), and board and administrative operations. This level of volunteer engagement represents a meaningful investment of community time and talent in public-facing activities.

2. Financial Benefit to Community Organizations

A total of $13,628 was directed to nonprofit and community organizations serving populations including immigrants, unhoused youth, people living with HIV/AIDS, low-income families, and youth soccer participants. These funds provided direct support to nine distinct organizations, several of which serve communities with limited access to traditional philanthropic resources.

3. Cultural and Community Enrichment

Through its matchday programming — including tifo displays, drumline performances, and organized supporter marches — Wonderwall created publicly accessible cultural experiences at and around Allianz Field. The Thunderwall drumline extended this contribution to community events beyond professional match days, including Minnesota United FC2 fixtures and local events. Six tifo productions during the season, including one created on an accelerated timeline

for the playoffs, reflect the Collective's ongoing investment in the visual culture of soccer support.

4. Increased Civic Visibility

The Collective's activities received coverage from local media outlets including MPR and KARE 11, elevating the profile of community-oriented soccer culture in Minnesota. In particular, our support for the families of the victims of the Annunciation shooting drew attention and support from outside Minnesota, further extending the reach and impact of our community.

5. Inclusive Community Building

Through the Dark Clouds' Silver Lining program, its accessible matchday events, and its engagement with youth soccer organizations, Wonderwall and its members worked to make supporter culture welcoming and accessible to people of varied backgrounds, including families with children, immigrants, and first-time soccer fans. The record affiliation rate achieved in 2025 suggests this approach is broadening participation in Wonderwall community.

(C) Circumstances That Hindered Efforts to Pursue or Create General Public Benefit

The Collective experienced several circumstances during fiscal year 2025 that presented challenges to its public benefit activities.

1. Operational Demands of the Affiliation Process

After taking over the season ticket holder affiliation process from the team, the Collective's membership volunteers faced a significantly increased administrative workload. While the outcome — a record affiliation rate — was a success, the added burden on volunteers limited capacity for other community-facing activities during peak periods of the season.

2. Uncertainty Surrounding Supporter Marches

The Collective's pre-match marches continued to grow in 2025, but ongoing construction around the stadium and inconsistent communication with the team hindered their growth.

3. Volunteer Tracking in Its First Year

Wonderwall implemented a formal volunteer hour tracking system for the first time in 2025. While this is a positive development for accountability and future planning, the newness of the system means that the figures reported may not fully capture all volunteer contributions made during the year. Total volunteer impact is likely understated in this report as a result.

Conclusion

Fiscal year 2025 was a year of significant community impact for the Wonderwall Collective. Through more than 1,200 volunteer hours, $13,628 in charitable contributions to nine community organizations, and a sustained presence in the civic and cultural life of Twin Cities soccer, Wonderwall made meaningful progress in its mission to create general public benefit alongside its role supporting Minnesota United FC.

Wonderwall acknowledges the operational challenges it faced during the year and is committed to addressing them as it grows. Looking ahead, Wonderwall's 2026 priorities — including deepening community partnerships, expanding tifo and march traditions, and sustaining a diverse and inclusive supporter section — reflect a continued and strengthened commitment to its general public benefit obligations under Minnesota law.

This statement is submitted in accordance with the reporting requirements applicable to General Benefit Corporations organized under the laws of the State of Minnesota.
