Minnesota Secretary  
of State

Elections Division  
February 2024

This map shows the Congressional and Legislative Districts ordered by the Special Redistricting Panel in the matter of Watson, et al. v. Simon, et al. No. A21-0243 and A21-0546, on February 15, 2022, as corrected under Minnesota Statutes 2.91, subd. 2 or adjusted under Minnesota Statutes 204B.146, subd. 3. House districts that fall in the same Senate district use different shades of the same color. Statewide precinct boundaries are not yet available from Secretary of State but will be available for download at the Minnesota Geospatial Commons: <https://gisdata.mn.gov>. Municipal boundaries from LCC-GIS, derived from U.S. Census, and may not align with the unorganized territory boundaries used by counties. Boundaries are current as of the date shown. Visit the Secretary of State's Polling Place Finder for definitive precinct and district information for a particular address: <https://pollfinder.sos.mn.gov>. Road data is from MnDOT and U.S. Census (Statewide) and Ncompress (Metro). Water data is from MN DNR.
