VOTE

What is National Voter Registration Day (NVRD)?

NVRD is a **nonpartisan** holiday that's helped more than 5 million Americans register to vote! With the help of Minnesota schools, organizations, and volunteers working across the state, NVRD is a voting springboard getting communities and individuals **#VoteReady** to vote and use their voice.

NVRD is endorsed by the U.S. Election Assistance Commission and the National Associations of Secretaries of State, State Election Directors, and Election Officials.

MN High School NVRD 2024 Organizers:

Office of Minnesota Secretary of State
League of Women Voters of Minnesota
The Minnesota Major Political Parties:

- Minnesota Democratic-Farmer-Labor Party
- Republican Party of Minnesota

Join us as a partner in this important work, so together, we can reach every student, every school, and every community in Minnesota!
