2017 for Unveil.Social saw lots of product development. We are crafting an honest social discovery platform that incentives vulnerability and deep meaningful connection--rather shallow shouting and broadcasting of our competitors (Facebook, Twitter). We remain in development, and hope to beta test our database and early versions of the product summer 2018.

4. I, the undersigned, certify that I am the chief executive officer of this public benefit corporation. I further certify that I have signed this document no more than 30 days before the document is delivered to the secretary of state for filing, and that this document is current when signed.
