Advisory Committee to the Program Committee of the Health Professionals Services Program

Legal Basis: M.S. 214.32

Health Professionals Services Programs

St Paul, MN 55108

Telephone: (612) 317-3060

Compensation: Public members cannot be regulated by the Minnesota health-related licensing boards and must meet provisions defined in Minnesota Statute 214.02.

Powers and Duties include: The Health Professionals Services Program (HPSP) monitors the practice, treatment and continuing care of regulated health professionals who may be unable to practice with reasonable skill and safety, if their illness is not appropriately managed. The enabling legislation provides a non-disciplinary method for health licensing boards to address health professionals with illnesses who recognize their illness and the need for continuing care and/or practice limitations. The committee will provide input to the program committee, program and board staff.

Member Restrictions include:

MISSION: The Health Professionals Services Program (HPSP) is a program of the Minnesota health related licensing boards that provides monitoring services to health professionals with illnesses that may impact their ability to practice safely.

An advisory committee is established to advise the program committee consisting of: (1) one member appointed by each of the following: the Minnesota Academy of Physician Assistants, Minnesota Dental Association, Minnesota Chiropractic Association, Minnesota Licensed Practical Nurse Association, Minnesota Medical Association, Minnesota Nurses Association, and Minnesota Podiatric Medicine Association; (2) one member appointed by each of the professional associations of the other professions regulated by a participating board not specified in clause (1); and (3) two public members, as defined by section 214.02. Members of the advisory committee shall be appointed for two years and members may be reappointed.

Additional Information on how appointments are made:

Biennial Notice of Appointments to Program Manager. Biennially on November 1 of odd-numbered years the program manager will notify each participating association of the need to make a new appointment or confirm the continuation of the current appointee by the coming January 15. Each participating association must notify the program manager in writing on or before January 1st of the even-numbered year of who their representative is and who their alternate is (if they use an alternate). HPSP does not offer members a per-diem (payment) for participating on the committee. Participation on the committee is voluntary. "Public member" means a person who is not or never was, a member of the profession or occupation being licensed or regulated or the spouse of any such person, or a person who does not have or has never had, a material financial interest in either the providing of the professional service being licensed or regulated or an activity directly related to the profession or occupation being licensed or regulated.

Summary of Activities include: The HPSP is invested in obtaining public member participation on the advisory committee to the program committee. Public members must meet the definition described in Minnesota Statutes 214.02. Ideally, public members are interested in enhancing public safety in health care by promoting early intervention, diagnosis, and treatment of health professionals with potentially impairing illnesses; and by providing monitoring services as an alternative to board discipline. Please note that Minnesota Statutes 214.02 restricts many interested persons from being appointed as a public member. In fiscal year 2017, the Advisory Committee was instrumental in updating program forms.

Meetings are held at: 2829 University Avenue, Minneapolis.

Early Intensive Developmental and Behavioral Intervention (EIDBI) Benefit Advisory Group

Legal Basis: M.S. 256B.0949

PO Box 64967

St. Paul, MN 55164-0967

Telephone: (651) 431-4894

Compensation:

Powers and Duties include:

The Early Intensive Developmental and Behavioral Intervention (EIDBI) benefit is a medical benefit first offered in 2016 under Medicaid. EIDBI is available to people under age 21 with a diagnosis of Autism Spectrum Disorder (ASD) and/or related conditions. Related conditions include, but are not limited to, Asperger's Syndrome, Fetal Alcohol Spectrum disorders, pervasive Developmental Disorder - Not Otherwise Specified (PDD-NOS), and Rett Syndrome.

The advisory group meets four times per year; it is consulted on the ongoing development of EIDBI policies and standards and on the implementation of the EIDBI benefit. Members are expected to share information with and seek input from organizations and networks they are affiliated with that support persons with autism and related conditions.

The EIDBI Advisory Group was created by the Department of Human Services (DHS) in 2017; its 32 members serve two-year terms and may serve two successive terms. Membership categories include people with ASD or a related condition, parents of people under age 21 with ASD or a related condition, current or potential EIDBI providers, psychologists, behavior professionals, licensed professionals, academics, county/tribe/managed care representatives, and state agency representatives.

Member Restrictions include:

Summary of Activities include:

In 2019, the EIDBI Advisory Council:

1. Began coordination between DHS/EIDBI and Department of Education (MDE). This led the two agencies to hold community focus groups and virtual meetings to learn where families needed greater collaboration between the agencies.
2. Gave feedback to DHS on variances to provider qualifications to address a provider shortage. These variances and other policy suggestions from the advisory group led to a doubling of the number of EIDBI providers--which has doubled children's and young people's access to services.
3. Participated with DHS staff in local and remotely accessible meetings for parents, potential providers, and college students. The meetings' purposes were to publicize the EIDBI benefit, recruit providers, and encourage college students to pursue courses for direct care and professional positions serving people with ASD and related conditions.
4. Provided input to DHS on the Minnesota Autism Portal website.
5. Made suggestions to EIDBI staff on revising the legislative language regarding EIDBI treatment modalities (methods) found in statute--important, as this field is evolving quickly.

Members also heard presentations from private-sector and state experts on the prevalence of autism and the status of treatment in Minnesota, such as the use of cannabis for people with ASD and learnings from tele-health outreach.

Meetings are held at: Beginning in 2019: Minnesota Department of Education Conference Center, 1500 Hwy 36 West, Roseville, MN

The brochure is ordered through the Department of Public Safety by health care providers, and child passenger advocates across the state providing information to parents on proper use of child restraints. The brochure was downsized mostly by deleting pictures and inserting web site address for resources in place of text.

The promotion of child safety, instructing of courses, mentoring of other advocates, inspection of individual seats, hosting clinics, planning and executing the child passenger seat learning track at the state wide Toward Zero Death conference.

Powers and Duties include:

The Minnesota Legislature established the Board of Nursing in 1907 to protect the public's health and welfare by overseeing and assuring the safe practice of nursing in Minnesota. The Board holds nurses accountable for conduct based on legal, ethical, and professional standards. The Board regulates nursing practice through the following:

- • Data – perform data analytics to provide licensure, education and disciplinary data for purposes of emergency preparedness, assurance of the authority of a nurse to practice, education and workforce planning, and efficiency of government services

Member Restrictions include:

The Board of Nursing is comprised of 16 members, eight registered nurses, four licensed practical nurses and four public members. The Governor appoints members to a four-year term ending the first Monday in January; however members serve until their successors are appointed and qualify. A member may be reappointed but may not serve more than two consecutive terms. The appointments are reflective of the geography of the state and a broad mix of practice types and sites of nurses practicing in Minnesota. All members must be a resident of the State of Minnesota and file the constitutional oath of office with the Secretary of State before beginning the term of office.

All of the nurses must have graduated from an approved school of nursing, be licensed and registered as a nurse in Minnesota, have had at least five years of nursing practice experience immediately preceding appointment and be actively engaged in the practice of nursing at the time of appointment.

Five of the eight registered nurses have additional specific requirements:

1. One registered nurse must have had at least two years executive or teaching experience in a board approved baccalaureate degree nursing education program during the five years immediately preceding appointment.

Any nurse on the Board who during incumbency permanently ceases to be actively engaged in the practice of nursing or otherwise becomes disqualified for board membership is automatically removed, and the governor shall fill the vacancy.

Public members must not be, or never have been, a nurse or the spouse of a nurse, or have or never have had a material financial interest in either the providing of nurse services or an activity directly related to nursing.

Summary of Activities include: The Board of Nursing's mission is to protect the public's health and safety through the regulation of nursing education, licensure and practice.

Public Engagement Advisory Task Force - Capitol Area Architectural and Planning Board

Legal Basis: CAAPB Resolution

50 Sherburne Ave, #204

St. Paul, MN 55155

Telephone: (651) 757-1500

Compensation: 0.00

Powers and Duties include:

The Task Force will create space for members of the public to share experiences about what the Capitol means to them and feedback on the monuments, memorials, and works of art on the Capitol grounds and in the interior of the State Capitol. As conditions allow, this may include socially distanced public input meetings throughout Minnesota in addition to online meetings.

After receiving public input, the Task Force will prepare a report to the CAAPB. The report will include key themes that emerged from public input on what the State Capitol means to Minnesotans and input on the monuments, memorials, and works of art on Capitol grounds and in the State Capitol. The report will also include recommendations, including process and procedural suggestions, for how to ensure that the public knows what the CAAPB is, how it makes decisions, and how members of the public can engage in that process. The report will also address how the CAAPB can ensure proactive and meaningful public engagement in its decisions. The Task Force will not be focused on making specific recommendations about specific monuments, memorials, or works of art.

The Task Force will meet at the call of the chair, but applicants should expect a schedule of approximately two online meetings per month in addition to public input meetings in fall 2020 as conditions allow. The Task Force will work efficiently to prepare a report to the CAAPB. The Chair may dissolve the Task Force after receiving the final report.

Applicants should expect to receive a wide range of input from Minnesotans and engage in a collaborative manner to synthesize the key themes that emerge. As it relates to this work, applicants should also be prepared to explore historical representation and its present-day implications.

Member Restrictions include:

Membership includes 14 members.

Summary of Activities include:

Meetings are held at: Meetings may be virtual meetings, or may be held at yet to be determined locations across Minnesota.

Special Review Board

Legal Basis: M.S. 253B.18 sub 4c & 253B.185 sub 9

444 Lafayette Road N

St Paul, MN 55164-0992

Telephone: (651) 431-2531

Compensation: (1) mileage; (2) the attorney member of each Special Review Board panel receives an additional \$150.00 for preparation of the Board's Findings of Fact and Recommendation.

Powers and Duties include:

The Special Review Board is established by Minnesota Statutes 253B.18, subdivision 4c. Members are appointed by the Commissioner of Human Services.

Prior to each Special Review Board hearing, the panel members receive and review written materials (e.g. petition, reports, treatment records, etc.). During each hearing, which typically lasts approximately 30 minutes, panel members hear presentations by various individuals (e.g. treatment providers, forensic psychologists or psychiatrists, attorneys, the committed person, and/or the committed person's family/friends) and ask questions of the presenters. Following each hearing, the panel members privately deliberate and decide the panel's recommendation.

Following the hearing, the panel's attorney member drafts written Findings of Fact and Recommendation for the consideration of the Commissioner of Human Services (for matters pertaining to persons civilly committed as Mentally Ill and Dangerous) or the Judicial Appeal Panel (for matters pertaining to persons civilly committed as Sexually Dangerous Persons or Sexual Psychopathic Personalities).

Special Review Board hearings are held in blocks of three to five hearings, which are scheduled over the course of a morning or afternoon multiple times per week. The number of hearings heard by each Special Review Board member varies according to the members' schedules and the number of scheduled hearings.

Member Restrictions include:

The Special Review Board hears and makes recommendations on matters affecting the liberty of persons civilly committed as Mentally Ill and Dangerous, a Sexual Psychopathic Personality, and/or Sexually Dangerous Person. Specifically, the Board hears petitions for a reduction in custody filed by or on behalf of these civilly committed persons as well as appeals of provisional discharge revocations and objections to pass plan eligibility.

There are 24 members on the Special Review Board, and each matter is heard by a three-person panel of Board members. Each panel must include a licensed attorney and a licensed psychiatrist or licensed doctoral level psychologist with forensic experience, both of whom must also be experienced in the field of mental illness.

The third member of each panel is a community member who is experienced in the field of mental illness.

Special Review Board members must use technology (e.g. email, internet-based secure file transfer services, etc.) during the course of their Board-related work. Board members must also attend initial training sessions and ongoing training (typically twice per year). Attorney Board members must have excellent writing skills as they are responsible for preparing written Findings of Fact and Recommendations.

Preferred qualifications for all Special Review Board members include professional experience related to sexual abuse or disorders, and experience with the Minnesota Commitment and Treatment Act (Minnesota Statutes Chapter 253B) and/or the Minnesota Commitment and Treatment Act: Sexually Dangerous Persons and Sexual Psychopathic Personalities (Minnesota Statutes Chapter 253D).

Special Review Board members may not be currently affiliated with the Department of Human Services.

Summary of Activities include: Two Hundred hearings - approximately 52 hearing days

Meetings are held at: Dept of Human Services in St. Paul, MN and via ITV

State Historic Preservation Review Board

Legal Basis: Required by Federal law

50 Sherburne Avenue

St. Paul, MN 55155

Telephone: (651) 201-3288

Compensation: Expenses Only

Powers and Duties include:

(5) The Review Board must adopt written procedures governing its operations consistent with the provisions of this section and related guidance that the National Park Services issues.

(6) Review Board responsibilities include, but are not limited to, the following:

(i) Providing advice to the SHPO on the full range of Historic Preservation Fund-supported activities, that section 101(b)(3) of the Act describes;

(ii) Reviewing and making recommendations on National Register nomination proposals;

(iii) Participating in the review of appeals to National Register nominations; and

(iv) Performing such other duties as may be appropriate.

Member Restrictions include: (1) All Review Board members must have demonstrated competence, interest, or knowledge in historic preservation. A majority of Review Board members must meet "the Secretary of the Interior's (Historic Preservation) Professional Qualifications Standards," which are part of the larger "Secretary's Standards and Guidelines for Archeology and Historic Preservation." The members meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" must include, at a minimum, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for history, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for architectural history, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for historic architecture, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for historic archaeology, and one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for prehistoric archaeology. One individual may meet the Standards for more than one required discipline. The other Review Board members, if any, who comprise the majority meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" may represent, subject to the SHPO's selection, any of the disciplines that those "Standards" describe.

(2) The Secretary will consider proposals from a SHPO for a minimum required Review Board composition that differs from the requirement that paragraph (f)(1) of this section specifies, if the proposal addresses better an appropriate balance of historic property, customer or constituent, and historic preservation needs in that State.

(3) When a required Review Board position becomes vacant, the SHPO must fill the vacancy in a timely manner. In the interim, the SHPO must ensure that the Review Board has access to advice from appropriately qualified individuals. A lapse of more than one year in filling the vacancy is cause for review, comment, and appropriate action by the Secretary.

(4) The Review Board must meet as often as is necessary to complete its work in a timely fashion, but no less often than once a year.

Summary of Activities include: Since 1969 Minnesota's State Historic Preservation Review Board has reviewed properties for nomination to the National Register of Historic Places (NRHP), a federally-managed program recognizing the importance of local, state, and national history as expressed in our built and archaeological environments. The NRHP is one of several historic preservation programs created with passage of the National Historic Preservation Act of 1966, the most comprehensive federal law pertaining to protection of historic resources.

Since its founding, the Review Board has considered and debated numerous properties, and to date more than 1,700 Minnesota properties representing more than 7,000 historic resources have been listed in the NRHP. Many of the properties have employed the tax credits for historic rehabilitation, which are available only to properties listed in the NRHP. This not only brings older, historic buildings back to life but employs numerous individuals in the process. The tax credits for historic rehabilitation program have been an extremely successful endeavor in Minnesota.

Technology First Advisory Task Force

Legal Basis: M.S. 256.01 subd. 6

540 Cedar Street

St. Paul, MN 55155

Telephone: (651) 431-4300

Compensation: 0.00

Powers and Duties include:

This is a task force to advise the commissioner on how to increase the use of technology by people with disabilities.

Member Restrictions include:

Members of this advisory task force are defined in the Laws of MN 2019 with the addition of subject matter expert members as identified by the Commissioner.

Summary of Activities include:

This task force has met quarterly since October 2019 and will continue through June 30, 2021. They approved a charter and created a work plan. The first meetings were about educating the task force on the different kinds of technology available, how people can be assessed for using technology, and how it can be funded. In addition, the task force identified barriers to people using technology.

The April meeting was postponed by one month due to COVID-19 and moved to an on-line platform. The discussion at this meeting changed the trajectory of the task force's planned work to design and communicate a public relations campaign to educate people on the successful use of technology and address the risks people perceived. COVID-19 made everyone adapt to using technology because there was no other choice. The members living with a disability found equity in everyone having to use technology because of the structure of the meeting allowed for them to use prepare their thoughts and not be talked over by others. They also said they could participate more because they did not have to wait for Metro Mobility rides and it saved them a lot of time.

We ended the last meeting in July with a plan on how we would develop and vet the recommendations with the task force. They plan to create categories of recommendations and use small group meetings outside of the task force quarterly meetings to further develop them and bring back to the full group for approval.

There was an annual report to the commissioner due on June 30, 2020. Due the demands of COVID-19 and limited staff resources, we have requested that the commissioner approve us only providing one report at the end of the task force by June 30, 2021.

Meetings are held at: 444 Lafayette Road, St. Paul, MN 55155
