BUREAU OF MEDIATION SERVICES

Commissioner: Janet Johnson

1380 Energy Lane, Suite 2, St. Paul 55108

Phone: (651) 649-5421 **TTY:** (800) 627-3529

Website: mn.gov/admin/bms **Email:** janet.johnson@state.mn.us

Commissioner Johnson is a long-term employee of the State of Minnesota in the Bureau of Mediation Services. She joined the Bureau in 1976 as a Hearing Reporter in the Representation Section. Since that time, she has served as a Representation Specialist, Hearing Officer, Mediator, Facilitator, and Labor Mediation Manager until her appointment as the first female Commissioner of the Bureau. Janet believes in preserving the neutrality of the Bureau in labor relation matters, strengthening the relationships between the Bureau and the representatives of labor and management, and ensuring that the Bureau's services are available and provided to all geographic areas of Minnesota. University of Nebraska (B.A.)

Law provides: The mission of the bureau is to promote stable and constructive labor-management relations and the use of alternative dispute resolution and collaborative process in areas other than labor-management. There are three program areas: mediation, representation, and labor-management cooperation. These programs assist parties in resolving collective bargaining, and public policy disputes; resolve questions of labor union representation and bargaining unit structure; support, train, and facilitate area and worksite joint labor-management committees; provide related technical training and information; and develop and maintain a roster of labor arbitrators. (*Minnesota Statutes*, 179, 179A)

DEPARTMENT OF ADMINISTRATION

Commissioner: Alice Roberts-Davis

Salary: \$144,991

Appointed: 2019

Commissioner Roberts-Davis previously served as the Assistant Commissioner at the Minnesota Department of Administration, responsible for the state's real estate and construction functions, as well as its \$2.5 billion in annual procurement, including the Office of Equity in Procurement and the Procurement Technical Assistance Center. Prior to joining the state, Alice worked for Target Corporation for 12 years in different leadership capacities. University of Illinois (B.A., Communications/Journalism); Florida State

Deputy Commissioner Lenora Madigan

Assistant Commissioners Curtis Yoakum and Erin Campbell

Law provides: The department manages and administers centralized operations of state agencies, including procurement of goods and services, travel and fleet services, building construction and maintenance, real estate leasing and management, and facilities and maintenance services. (*Minnesota Statutes*, 16B, 16C)

Function: The Department of Administration (Admin) provides a broad range of business management, administrative and professional services and resources to state agencies, local governments and the public. The department on an annual basis purchases more than \$2.1 billion in goods and services, manages more than 400 construction projects and 700 property leases, maintains 22 state-owned buildings, including the State Capitol, leases vehicles, sells surplus property and coordinates the state's Enterprise Lean business process improvement program.

Facilities Management Division maintains 22 state buildings with more than four million square feet of space, 32 parking facilities and 25 monuments and memorials and associated grounds, primarily in the State Capitol area; promotes energy conservation opportunities at its 54 facilities; issues permits for special events at the State Capitol and grounds; processes state agency mail and operates Minnesota's Bookstore.

Real Estate and Construction Services is responsible for the inventory, allocation, planning, and leasing of office and storage space in non-state-owned buildings and in state-owned buildings under the custodial control of the Department of Administration. The division acquires and disposes of real property and is the central resource for Minnesota's predesign program, including design, construction, and remodeling needs for most state agencies, administers the statewide facilities management program, and coordinates the state's sustainable building design guidelines program.

Information Policy Analysis Division (IPAD) promotes understanding of and compliance with laws regulating government information. IPAD helps define and interpret decisions about the classification of information as public or not public and answers questions about government data and open meeting laws.

Office of State Procurement is responsible for purchasing more than \$2.1 billion in goods and services for state agencies, including professional and technical services, and operates the nation's two largest multi-state contracting cooperatives.

Office of the State Archaeologist sponsors, conducts, and directs research into the prehistoric and historic archaeology of Minnesota; protects and preserves archaeological sites and objects; and enforces provisions of *Minnesota Statutes*, 138.31-138.42 and 307.08.

Risk Management Division is responsible for the development and operation of the state's risk and insurance management program and manages the state employee workers' compensation program. The division's property and casualty unit seeks to minimize the adverse impacts of risks and losses for state agencies; absorb risk while maintaining a stable financial profile; and ensure the long-term financial security of the state and its agencies. The workers' compensation unit also seeks to reduce work-related injuries through safety and loss control programs.

Fleet and Surplus Services supplies vehicles to state agencies and political subdivisions for official business, provides support services such as fuel, maintenance and insurance, and assists in the acquisition and disposal of surplus government property (other than real estate).

State Demographic Center estimates, forecasts and investigates changes in the state's population, analyzes census data, and distributes information, and is Minnesota's liaison with the U.S. Census Bureau.

Minnesota Governor's Council on Developmental Disabilities seeks to ensure that people with developmental disabilities receive the necessary support to achieve increased independence, productivity, integration, and inclusion into the community.

A System of Technology to Achieve Results (STAR) seeks to help all Minnesotans gain access to and acquire assistive technology that increases, maintains or improves the functional capabilities of a person with a disability.

Office of Grants Management provides policy leadership and direction to foster consistent, streamlined interaction between executive agencies, funders, and grantees, and coordinates the availability of grants information to the public.

Communications and Planning directs the agency's communications and legislative affairs work. The division oversees the Minnesota Office of Continuous Improvement, which has delivered continuous improvement training to over 4000 public sector employees and coordinated over 300 'kaizen' process improvement events. The division also partners with other public institutions, non-profits, corporations and other key partners to pursue innovative solutions and business efficiencies across state government.

Data Practices Office provides technical assistance and consultation on Minnesota's data practices act, the Open Meeting law, and other information policy laws. The division also works with organizations, individuals, and government entities in drafting, proposing and tracking legislation related to government information policy.

DEPARTMENT OF AGRICULTURE

Commissioner: Thom Petersen

Salary: \$144,991

Appointed: 2019

Commissioner Petersen served as the Director of Government Relations for Minnesota Farmers Union (MFU) since 2002, working on behalf of MFU's farmer-members in both Washington, D.C. and St. Paul. Prior to his work at the Minnesota Farmers Union, Thom spent most of his life working for his family and his own horse and farm business. He has served on the University of Minnesota Extension Citizens Advisory Committee, Farmers Legal Action Group, Citizens Utility Board, Minnesota Ag in the Classroom, Minnesota State Organic Task Force, Minnesota Rural Broadband Coalition, and the Minnesota Fair Plan. Normandale Community College (A.A.)

Deputy Commissioner: Andrea Vaubel

Assistant Commissioner: Patrice Bailey

Assistant Commissioner: Whitney Place

Law provides: The department encourages and promotes agricultural industries, assists in the marketing of farm products, and exercises regulatory powers to ensure the continued high quality of Minnesota agricultural production. (*Minnesota Statutes*, 17.03)

MDA's mission is to enhance Minnesotans' quality of life by ensuring the integrity of our food supply, the health of our environment, and the strength of our agricultural economy.

Marketing and Development Division: Works to strengthen Minnesota's agricultural economy by promoting and marketing local foods, organics, livestock and renewable fuels, as well as develop domestic and international markets for Minnesota agricultural products. The division provides financial and technical assistance to producers and small businesses, supports agricultural education in schools, and promotes land stewardship programs.

Dairy and Food Inspection Division: Protects public health by enforcing state laws and regulations pertaining to the production, processing, and sale of dairy, food, meat, and feed products. The division inspects food manufacturers, retail grocery stores, dairy farms, feed mills and pet food manufacturers to verify quality, condition, labeling and sanitation. It also investigates reports of food contamination to determine cause of foodborne illness outbreaks.

Pesticide and Fertilizer Management Division: Regulates the use of pesticides and fertilizers; licenses applicators; inspects and issues permits to agricultural chemical facilities; develops and promotes best management practices; conducts pesticide misuse investigations; and monitors surface and ground water for agricultural chemicals. The division also has oversight of voluntary cleanups, waste pesticide collection and agricultural chemical site remediation.

Plant Protection Division: Protects Minnesota's crops and native plant species through regulatory programs and support services; certifies, inspects and regulates nursery and apary industries to protect against invasive or exotic pests; provides certification services to nursery stock, bee colonies and related equipment for export requirements; inspects and certifies the seed and seed potato industries; conducts surveys for agricultural and forest pests and diseases; and has overall responsibility for reducing or eliminating exotic and invasive plant pests.

Laboratory Services Division: Provides microbiological and chemical analysis of samples to determine if the samples meet the standards established under law, regulation or label; and performs analyses to fulfill contracts and cooperative agreements with the USDA, FDA, EPA, and other federal and state agencies.

Agricultural Statistics

USDA's National Agricultural Statistics Service (NASS) works in partnership with the MDA to provide Minnesota farmers, agribusinesses, government, and the general public with accurate data on major crops and livestock, farm income, farm costs and returns, and other special agricultural information. The NASS Minnesota Field Office measures the current and potential food supply

by collection, analysis, and publication of agricultural statistics at both the state and county level. Reports are available on the NASS website.

Rural Finance Authority

The Rural Finance Authority (RFA) partners with local lenders to provide low-interest loan programs to farmers. These include loans for farmers to make improvements, expand livestock operations, respond to disasters, and restructure debt. Loans are also available for beginning farmers to purchase real estate. Ag Best Management Practices (AgBMP) loans provide low-cost funding for projects that help residents comply with local water quality plans.

DEPARTMENT OF COMMERCE

General Counsel: Kathleen Finnegan

Director of Administrative Services: Tim Jahnke

Law provides: The department regulates financial service industries in Minnesota including insurance, state-chartered banks, credit unions, securities, and real estate. The department licenses franchises, collection agencies, and currency exchanges. The department also enforces Public Utilities Commission rules and orders, regulates natural gas and electric public utilities, energy conservation standards, and administers energy information programs, low-income home energy assistance and weatherization, regulation of telephone companies, Telecommunications Access Minnesota (TAM), the Petrofund, and unclaimed property programs. (*Minnesota Statutes*, Chapters; 45-56, 58, 58A, 59A, 59B, 59C, 60A-60C, 61A-B, 62A-V, 64B, 65A-B, 66A, 67A, 69, 70A, 71A, 72A-C, 79, 79A, 80A-C, 81A, 82, 82B-C, 83, 115C, 116J, 123B, 168.66, 216A, 216B, 216C, 216E, 216F, 169, 174, 176, 214, 239, 332; 45, 60-79; 45, 80, 237; 306, 332, 501; 82-83; 345; 115C; Minnesota Rules, 2600-2899, 7600-7602, 7603-7799, 7810-7835).

Function: The Commerce Department's mission is to protect the public interest and advocate for Minnesota's consumers; ensure a strong, competitive, and fair marketplace; strengthen Minnesota's economic future; and serve as a trusted resource for consumers and businesses.

Consumer and Administrative Division oversees the Consumer Services Center, licensing unit, Unclaimed Property Program, Petrofund Program, and provides internal support functions for the department. The Consumer Services Center responds to consumer complaints and requests for information, engages in outreach activities, and provides disaster response services in emergency situations. The division licenses approximately 190,000 professionals in Minnesota. The Unclaimed Property Program ensures compliance with the state's unclaimed property laws and reuniting individuals with their unclaimed properties, such as safe deposit boxes, security-related holdings, savings accounts, uncashed paychecks, traveler's checks, stock, insurance and uncashed tax refunds; and the Petrofund Program, which provides staff assistance to the Petroleum Tank Release Compensation Board and manages petroleum storage tank cleanup.

Energy Resources Division promotes the use of renewable energy and conservation to improve the environment, promote the clean-energy economy, and a strong renewable energy sector. The Division promotes energy-efficient building, conservation, alternative transportation fuels, as well as focuses on accelerating the use of high-efficiency and renewable energy technologies and practices. Additionally, the Division advocates on behalf of consumers and ratepayers in proceedings at the Public Utilities Commission to ensure that rates are justified and that energy service is reliable. For Minnesota consumers, the Division houses the State's Energy Information Line, administers the Low-Income Home Energy Assistance Program and the Weatherization Program.

Enforcement Division ensures compliance and responsible business conduct in Minnesota. The division receives and investigates consumer complaints and market misconduct regarding insurance agents and brokers, stock and investment brokers, real estate agents and brokers, mortgage originators, appraisers, franchises, collection agencies, currency exchanges, and other regulated industries in the state. Additionally, the division houses the Securities Section that reviews applications for common stock, limited partnerships, investment company securities, preferred stock, bonds, and other debt securities, corporate takeovers, subdivided land and franchises. The division also houses the Commerce Fraud Bureau, a law enforcement agency, which conducts criminal investigations and makes arrests in cases of insurance fraud alleged by insurance companies, other law enforcement agencies or consumers.

Financial Institutions Division regulates, examines, and licenses state-chartered banks, credit unions, mortgage companies, finance companies, and other financial institutions. The division analyzes current information on the financial condition and solvency of institutions and provides guidance in taking regulatory action to protect consumers. The Financial Institutions Division is nationally accredited by the Conference of State Bank Supervisors (CSBS).

Insurance Division regulates Minnesota's insurance market and insurance companies. As Minnesota's insurance regulator, the division licenses, examines and regulates domestic and foreign insurance companies for safety and financial solvency to ensure a strong, competitive and fair marketplace. Additionally, the division evaluates insurance policies and rates to ensure fairness and compliance with *Minnesota statutes*. The Insurance Division is nationally accredited by the National Association of Insurance Commissioners (NAIC).

Telecommunications regulates the state's telephone industry to ensure quality, reliable service at fair prices. It represents the public interest before the Public Utilities Commission, has the ability to investigate telecommunication issues and enforces the commission's orders and statutory requirements. The division also manages the Telecommunications Access Minnesota (TAM) program for the deaf and hard of hearing Minnesotans.

Weights and Measures is the state's first consumer protection agency, established in 1885. It ensures the accuracy of all commercial weighing and measuring equipment in Minnesota, from gas pumps to grain elevators to grocery scales. The division also offers precision measurement services, inspects packaged commodities, and monitors the quality and correct labeling of petroleum products.

It also administers state-operated services for persons with chemical dependency, developmental disabilities, and mental illness and operates one center for geriatric patients. (*Minnesota Statutes*, 245–261)

Mission statement: The Minnesota Department of Human Services (DHS) helps people meet their basic needs so they can live in dignity and achieve their highest potential.

Function: Health care programs and economic assistance programs.

Children and Family Services

DHS oversees programs that help keep children safe and provide families with supports to care for their children. This includes child protection services, out-of-home care, permanent homes for children, child support and child development services. DHS also works with counties and tribes to help low-income families with children achieve economic stability through programs such as the Minnesota Family Investment Program, the Diversionary Work Program, food assistance, child care assistance, refugee cash assistance and employment services.

Community Supports

The administration manages programs for Minnesotans in the areas of Behavioral Health, Deaf and Hard of Hearing Services, Disability Services, and Housing and Support Services.

Continuing Care for Older Adults

The administration works to ensure quality care and services for seniors and other adults who need help living as independently as possible.

Direct Care and Treatment

The administration is a highly specialized health care system that serves people with mental illness, developmental disabilities, substance use disorders and other conditions who cannot be treated by other health care providers. It operates psychiatric hospitals and other inpatient mental health and substance abuse treatment facilities, dental clinics, group homes and sex offender treatment facilities. Most patients and clients have been civilly committed by the court.

Health Care

The administration oversees Minnesota Health Care Programs. This includes Medical Assistance, Minnesota's Medicaid program for people with low incomes, and MinnesotaCare for residents who do not have access to affordable health insurance and do not qualify for other publicly funded programs. The administration manages eligibility processing and determination, benefit and payment policies, program development, member and provider relations and outreach, health care payment systems, contract management, research and evaluation, and oversight for the county and tribal administration of health care programs.

Deputy Commissioner: Peter Tester

Assistant Commissioner, Water Policy / Agriculture Liaison: Katrina Kessler

Assistant Commissioner, Legislative: Greta Gauthier

Assistant Commissioner, Air & Climate Policy: Craig McDonnell

Assistant Commissioner, Land Policy & Strategic Initiatives: Kirk Koudelka
Director of Public Engagement & Tribal Liaison: Helen Waqui
Senior Advisor & Director of Communications: Darin Broton

Law provides: That the agency have a commissioner and a nine-member citizens' board to administer the laws relating to preservation of the environment and protection of the public health consistent with the economic welfare of the state. (*Minnesota Statutes*, 116)

Function: The agency's mission is to help Minnesotans protect the environment. The agency measures the quality of the state's environment, develops rules that protect human health and the environment and helps individuals and organizations meet their environmental responsibilities.

Industrial Division administers core regulatory programs affecting large industrial facilities to ensure they comply with air quality, water quality, and hazardous waste regulations, including those related to air and water permitting, waste management, and storage tanks. **Director:** Doug Wetzstein

Municipal Division works with localities to ensure proper management of wastewater, stormwater, and solid waste. Work includes technical assistance, development of rules and policy, permitting, compliance and enforcement. **Director:** Dana Vanderbosch

Remediation Division oversees the process of cleaning up pollution in the soil, water or air from accidental spills or from polluting activities that occur over a long period of time. Programs range from voluntary investigation and cleanup to the emergency response team. The Brownfields program cleans up abandoned land sites contaminated by industry so they can be redeveloped. **Director:** Kathy Sather

Watershed Division delivers environmental programs, products, and services for smaller, dispersed sources of pollution such as small cities, businesses and individuals. Many water quality programs are based in this division, including specific programs such as feedlot permitting, watershed monitoring, assessment and management and other programs targeting nonpoint source pollution. **Director:** Glenn Skuta

Environmental Analysis and Outcomes Division monitors and evaluates the physical, chemical and biological conditions of Minnesota's environment. This information is used to identify environmental threats and impacts to human and ecosystem health; help set environmental goals and measure progress in achieving them; establish standards; conduct risk assessments and effluent limit evaluations in support of regulatory programs; make data accessible to agency leadership, staff, stakeholders and citizens; and lead strategic planning for the agency. **Director:** Todd Biewen

Operations Division provides goods and services to other MPCA divisions and enables the management of resources (people, dollars and knowledge) to meet the agency's current and future priorities by providing a financial management and reporting framework. Examples of services include funding and budgets, data and performance management systems, human resources, news media/communications center and agency publications. **Director:** Reena Solheid

Resource Management and Assistance Division includes the Customer Assistance Center (CAC) and Small Business Assistance Program (SBAP). CAC staff answer questions from regulated parties and citizens about air quality, water quality, hazardous waste, and storage tanks. The SBAP provides free, non-regulatory, confidential environmental assistance to small businesses. **Director:** Dave Benke

Assistant Commissioner and Chief Technology Officer: Jeff Nyberg

Assistant Commissioner and Chief Information Security Officer: Rohit Tandon

Law provides: The chief information officer is responsible for providing or entering into managed services contracts for the provision, improvement, and development of information technology systems and services to state agencies. The office shall provide oversight, leadership, and direction for information and telecommunications technology policy and the management, delivery, and security of information and telecommunications technology systems and services in Minnesota. The office shall manage strategic investments in information and telecommunications technology systems and services to encourage the development of a technically literate society, to ensure sufficient access to and efficient delivery of government services, and to maximize benefits for the state government as an enterprise. (*Minnesota Statutes*, 16E)

Function: Led by the state chief information officer, the department provides all information technology (IT) services for the executive branch. These services include standard IT services, applications and IT projects. In addition, the department sets state IT standards and policies, and provides an oversight role for IT purchasing and investments, program portfolio management, risk management and security.

OFFICE OF HIGHER EDUCATION SERVICES

Director: Dennis Olson
Appointed: 2019

Salary: \$144,991

Commissioner Olson was most recently the Executive Director of the Minnesota Indian Affairs Council. He also served as the Director of the Office of Indian Education for the Minnesota Department of Education and as Commissioner of Education for the Mille Lacs Band of Ojibwe, and worked nearly 10 years in various capacities for the University of Minnesota – Institute on Community Integration. Deputy Commissioner: Winnie Sullivan

Assistant Commissioner, Operations: Thomas Sanford

Law provides: The office performs several statewide services that support access to post-secondary education, including student financial aid. (*Minnesota Statutes*, 136A.01)

Function: The agency advances the promise of higher education to all Minnesotans and provides information that informs policy decisions. The agency provides financial aid programs to students, including the State Grant program (\$173 million to over 82,000 students), State Work Study program (\$21 million to about 10,800 students), SELF Loan program (\$66 million to about 8,500 students), and other state financial aid programs. The agency administers interstate reciprocity agreements with neighboring states.

The agency encourages families to save for higher education and administers the Minnesota College Savings Plan. Through the federally funded Get Ready program, the agency works in schools and communities with low-income students and families who are navigating higher education for the first time. The agency registers over 214 private and out-of-state public degree granting institutions, and licenses over 132 private institutions that offer non-degree programs in Minnesota.

Minnesota developed the Minnesota Statewide Longitudinal Education Data System (SLEDS), matching student data from pre-kindergarten through completion of postsecondary education and into the workforce. By bridging existing data with other incoming data, a range of education, programmatic and delivery questions can be answered to gauge the effectiveness of current programs and design targeted improvement strategies to help students. The Minnesota P-20 Education Partnership governs the SLEDS system. The project is managed jointly by the Minnesota Office of Higher Education (OHE), Minnesota Departments of Education (MDE) and Employment and Economic Development (DEED).

The agency collects and shares statewide data on enrollments and financial aid and provides reports for the public and policymakers. The agency also oversees Minitex, an information and resource sharing program of the Minnesota Office of Higher Education and the University of Minnesota Libraries. Minitex makes library and information resources accessible to residents by operating the statewide library resource sharing network called MnLINK (Minnesota Library Information Network); administers the Minnesota Digital Library and provides statewide access to ELM, a collection of research and information databases available to students from kindergarten to graduate school and lifelong learners.
