ANNUAL REPORT 2022

PURSUIT OF MISSION

KinoSol made some progress in 2022 and looks forward to expanding on these achievements in 2023.

Many of our activities were limited and restricted due to COVID 19 and lock downs in rural communities. Most of our operations were put on pause for 2022.

- **Social Impact Partnership Program:** Many of KinoSol's partnerships with College and Universities remained paused due to COVID 19. Travel restrictions prevented opportunities to conduct trips to Uganda. We are looking to bring those trips back in 2023 and have been working with our university partners to finalized travel dates.

- **Community Training Sessions:** Only a few community training sessions were held in 2022 by our partners in Uganda and Tanzania. This number is limited due to COVID 19 impacts and the restrictions many of our community partners faced due to lock downs.

IMPACT

KinoSol is creating value for rural communities around the world. Here's how KinoSol is meeting its specific benefit goals:

Global Impact: To date, KinoSol has distributed over 650 Orendas to 42 countries. Most of the dehydrators have been distributed in Uganda and Tanzania, directly impacting the lives of over 5,000 people.

In 2022, we preserved over 62,000 kg, bringing the total amount of food preserved with KinoSol dehydrators to 434,000 kg.

Individual User Impact:

- 96 kg of food preserved in 24 uses of the dehydrator
- 36,706 kcal of additional energy preserved in 24 uses of the dehydrator
- \$132 generated in 24 uses of the dehydrator from selling dehydrated outputs at local markets, increasing a family's annual income by 11%
