I certify that the board of directors has designated a third party organization that is independent and has approved this report as required by the Minn. Statute 304A.301. The board of directors selected B-Lab's B Impact Assessment as its third party standard at the start of Guidance With A Purpose in 2022. Guidance With A Purpose became registered as a General Benefit Corporation as of November 4th 2022 and therefore has not had the chance to exercise and establish its benefit into the community.
