## **ARTICLE VIII - IMPEACHMENT AND REMOVAL FROM OFFICE**

### **Section 1. Impeachment powers.**

The house of representatives has the sole power of impeachment through a concurrence of a majority of all its members. All impeachments shall be tried by the senate. When sitting for that purpose, senators shall be upon oath or affirmation to do justice according to law and evidence. No person shall be convicted without the concurrence of two-thirds of the senators present.

### **Sec. 2. Officers subject to impeachment; grounds; judgment.**

The governor, secretary of state, treasurer, auditor, attorney general and the judges of the supreme court, court of appeals and district courts may be impeached for corrupt conduct in office or for crimes and misdemeanors; but judgment shall not extend further than to removal from office and disqualification to hold and enjoy an office of honor, trust or profit in this state. The party convicted shall also be subject to indictment, trial, judgment and punishment according to law. [Amended, November 2, 1982]

### **Sec. 5. Removal of inferior officers.**

The legislature of this state may provide for the removal of inferior officers for malfeasance or nonfeasance in the performance of their duties.

### **Sec. 6. Recall.**

A member of the senate or the house of representatives, an executive officer of the state identified in section 1 of article V of the constitution, or a judge of the supreme court, the court of appeals, or a district court is subject to recall from office by the voters. The grounds for recall of a judge shall be established by the supreme court. The grounds for recall of an officer other than a judge are serious malfeasance or nonfeasance during the term of office in the performance of the duties of the office or conviction during the term of office of a serious crime. A petition for recall must set forth the specific conduct that may warrant recall. A petition may not be issued until the supreme court has determined that the facts alleged in the petition are true and are sufficient grounds for issuing a recall petition. A petition must be signed by a number of eligible voters who reside in the district where the officer serves and who number not less than 25 percent of the number of votes cast for the office at the most recent general election. Upon a determination by the secretary of state that a petition has been signed by at least the minimum number of eligible voters, a recall election must be conducted in the manner provided by law. A recall election may not occur less than six months before the end of the officer's term. An officer who is removed from office by a recall election or who resigns from office after a petition for recall issues may not be appointed to fill the vacancy that is created. [Adopted, November 5, 1996]

## **NOTES AND DECISIONS**

### **ARTICLE VIII - Section 5**

Willful violations of Open Meeting Law may justify removal from office. *Claude v. Collins*, 518 N.W.2d 836 (Minn. 1994).

Power of legislature to provide manner for removal of officers is exclusive. *State ex rel. Todd v. Essling*, 268 Minn. 151, 128 N.W.2d 307 (1964).

This section is applicable to removal of elective municipal officers by recall, and they may not be so removed except for malfeasance or nonfeasance in office. *Jacobsen v. Nagel*, 255 Minn. 300, 96 N.W.2d 569 (1959).

To constitute malfeasance or nonfeasance in office, such as will warrant removal of public officer, conduct must be such as affects performance of official duties, rather than conduct which affects official's personal character as private individual, and, although affecting performance of official duties, conduct must relate to something of substantial nature directly affecting rights and interest of public. Id.

Recall of an elected public officer is essentially a form of removal by which final determination is left to elector, and hence process of recall is governed by provisions applicable to removal. Id.

## ARTICLE IX - AMENDMENTS TO THE CONSTITUTION

### Section 1. **Amendments; ratification.**

A majority of the members elected to each house of the legislature may propose amendments to this constitution. Proposed amendments shall be published with the laws passed at the same session and submitted to the people for their approval or rejection at a general election. If a majority of all the electors voting at the election vote to ratify an amendment, it becomes a part of this constitution. If two or more amendments are submitted at the same time, voters shall vote for or against each separately.

### Sec. 2. **Constitutional convention.**

Two-thirds of the members elected to each house of the legislature may submit to the electors at the next general election the question of calling a convention to revise this constitution. If a majority of all the electors voting at the election vote for a convention, the legislature at its next session, shall provide by law for calling the convention. The convention shall consist of as many delegates as there are members of the house of representatives. Delegates shall be chosen in the same manner as members of the house of representatives and shall meet within three months after their election. Section 5 of Article IV of the constitution does not apply to election to the convention.

### Sec. 3. **Submission to people of constitution drafted at convention.**

A convention called to revise this constitution shall submit any revision to the people for approval or rejection at the next general election held not less than 90 days after submission of the revision. If three-fifths of all the electors voting on the question vote to ratify the revision, it becomes a new constitution of the state of Minnesota.

The criminal penalties in the election-eligibility statute (section 201.014) and the unlawful-voting statute (section 204C.14) do not apply to the caucus-eligibility statute (section 202A.16). *Minn. Democratic-Farmer-Labor Party by Martin v. Simon*, 970 N.W.2d 689 (Minn. Ct. App. 2022).

Provision of Minnesota Constitution prohibiting a person under guardianship from voting at any election in the state did not violate the Equal Protection Clauses of the U.S. and Minnesota Constitutions, since pursuant to Minnesota statute, persons under guardianship were presumed to retain the right to vote, and the constitutional prohibition against voting based on guardianship status applied only when there had been an individualized judicial finding of incapacity to vote. *Minnesota Voters Alliance v. Ritchie*, 890 F. Supp.2d 1106 (D. Minn. 2012).

A district court has ruled that a person who is eighteen years old, a citizen of the United States and a resident of Minnesota for twenty days is qualified to vote. The decision was not appealed. *Erdahl v. Spannaus, et. al.*, No. 393442, Ramsey District Court, May 9, 1974. The notice must be in the form provided by the secretary of state.

### NOTES AND DECISIONS

#### 201.054

Conclusory allegations of registered voters and organizations representing registered voters, that various Minnesota state and county officials responsible for election administration or enforcement of election laws had taken insufficient steps to ensure that election day registrants were eligible to vote and that defendants violated the rights of eligible voters by diluting their votes with the votes of ineligible EDRs, were insufficient to state claims for violations of the First, Fifth, Ninth, and Fourteenth Amendments, and the Minnesota Constitution, in the absence of allegations that defendants had denied the right of citizens to vote for reasons of race, or fraudulent interference with a free election by stuffing of the ballot box, or other unlawful conduct which interfered with the right to vote or other constitutionally protected right. *Minnesota Voters Alliance v. Ritchie*, 890 F. Supp. 2d 1106 (D. Minn. 2012).

#### 201.056 SIGNATURE OF REGISTERED VOTER; MARKS ALLOWED.

An individual who is unable to write the individual's name shall be required to sign a registration application in the manner provided by section 645.44, subdivision 14. #### 201.061 REGISTRATION ON OR BEFORE ELECTION DAY.

Chapter 34 added subd. 1b is effective June 1, 2023.

Chapter 62 amendments to subds. 1 & 3 are effective July 1, 2023.

Chapter 62 added subd. 3a is effective July 1, 2023.

Subdivision 1. **Prior to election day.** (a) At any time except during the 20 days immediately preceding any regularly scheduled election, an eligible voter or any individual who will be an eligible voter at the time of the next election may register to vote in the precinct in which the voter maintains residence by completing a voter registration application as described in section 201.071, subdivision 1. A completed application may be submitted:

(1) in person or by mail to the county auditor of that county or to the Secretary of State's Office; or

(2) electronically through a secure Web site that shall be maintained by the secretary of state for this purpose, if the applicant has an e-mail address and provides the applicant's verifiable Minnesota driver's license number, Minnesota state identification card number, or the last four digits of the applicant's Social Security number.

(b) A registration that is received in person or by mail no later than 5:00 p.m. on the 21st day preceding any election, or a registration received electronically through the secretary of state's secure website no later than 11:59 p.m. on the 21st day preceding any election, shall be accepted. An improperly addressed or delivered registration application shall be forwarded within two working days after receipt to the county auditor of the county where the voter maintains residence. A state or local agency or an individual that accepts completed voter registration applications from a voter must submit the completed applications to the secretary of state or the appropriate county auditor within ten calendar days after the applications are dated by the voter.

(c) An application submitted electronically under paragraph (a), clause (2), may only be transmitted to the county auditor for processing if the secretary of state has verified the application information matches the information in a government database associated with the applicant's driver's license number, state identification card number, or Social Security number. The secretary of state must review all unverifiable voter registration

## 2023 MINNESOTA ELECTION LAWS

applications submitted electronically for evidence of suspicious activity and must forward any such application to an appropriate law enforcement agency for investigation.

(d) An individual may not electronically submit a voter registration application on behalf of any other individual, except that the secretary of state may provide features on the secure website established under paragraph (a), clause (2), that allow third parties to connect application programming interfaces that facilitate an individual's submission of voter registration information while interacting with the third party.

~~(e)~~ (e) For purposes of this section, mail registration is defined as a voter registration application delivered to the secretary of state, county auditor, or municipal clerk by the United States Postal Service or a commercial carrier.

Subd. 1a. **Incomplete registration by mail.** If the county auditor determines that a voter who has submitted a voter registration application by mail has not previously voted in this state for a federal office and has also not presented a document authorized for election day registration in section 201.061, subdivision 3, to the auditor, and the county auditor is unable to verify the voter's driver's license, state identification, or last four digits of the voter's Social Security number as provided by the voter on the voter registration application, then the county auditor must notify the voter that the registration is incomplete and to complete registration by using one of the following methods:

(1) presenting to the auditor more than 20 days before the election a document authorized for election day registration in section 201.061, subdivision 3;

(2) registering in person before or on election day;

(3) if voting by absentee ballot or by mail, following election day registration procedures for absentee voters as described in section 203B.04, subdivision 4; or

(4) providing proof of residence by any of the methods authorized for election day registration in section 201.061, subdivision 3.

Subd. 1b. **Preregistration.** An individual who is under the age of 18, but who is at least 16 years of age and meets all requirements for eligibility in section 201.014, except for age, may submit a voter registration application or be automatically registered under section 201.061 at the address in which the voter maintains residence pursuant to subdivision 1. Nothing in this section shall be construed to entitle an individual to appear on a polling place roster or cast a ballot at an election if the individual does not meet all eligibility requirements for voting, including age.

### **Subd. 2. [Repealed, 1990 c 585 s 34]**

Subd. 3. **Election day registration.** (a) An individual who is eligible to vote may register on election day by appearing in person at the polling place for the precinct in which the individual maintains residence, by completing a registration application, making an oath in the form prescribed by the secretary of state and providing proof of residence. An individual may prove residence for purposes of registering by:

(1) presenting a driver's license or Minnesota identification card issued pursuant to section 171.07;

(2) presenting any document approved by the secretary of state as proper identification;

(3) presenting one of the following:

(i) a current valid student identification card from a postsecondary educational institution in Minnesota, if a list of students from that institution has been prepared under section 135A.17 and certified to the county auditor in the manner provided in rules of the secretary of state; or

(ii) a current student fee statement that contains the student's valid address in the precinct together with a picture identification card; or

(4) having a voter who is registered to vote in the precinct, or an employee employed by and working in a residential facility in the precinct and vouching for a resident in the facility, sign an oath in the presence of the election judge vouching that the voter or employee personally knows that the individual is a resident of the

## 2023 MINNESOTA ELECTION LAWS

precinct. A voter who has been vouched for on election day may not sign a proof of residence oath vouching for any other individual on that election day. A voter who is registered to vote in the precinct may sign up to eight proof-of-residence oaths on any election day. This limitation does not apply to an employee of a residential facility described in this clause. The secretary of state shall provide a form for election judges to use in recording the number of individuals for whom a voter signs proof-of-residence oaths on election day. The form must include space for the maximum number of individuals for whom a voter may sign proof-of-residence oaths. For each proof-of-residence oath, the form must include a statement that the individual: (i) is registered to vote in the precinct or is an employee of a residential facility in the precinct, (ii) personally knows that the voter is a resident of the precinct, and (iii) is making the statement on oath. The form must include a space for the voter's printed name, signature, telephone number, and address.

(b) The operator of a residential facility shall prepare a list of the names of its employees currently working in the residential facility and the address of the residential facility. The operator shall certify the list and provide it to the appropriate county auditor no less than 20 days before each election for use in election day registration.

(c) "Residential facility" means transitional housing as defined in section 256E.33, subdivision 1; a supervised living facility licensed by the commissioner of health under section 144.50, subdivision 6; a nursing home as defined in section 144A.01, subdivision 5; ~~a residence registered with the commissioner of health as a housing with services establishment as defined in section 144D.01, subdivision 4~~ an assisted living facility licensed by the commissioner of health under chapter 144G; a veterans home operated by the board of directors of the Minnesota Veterans Homes under chapter 198; a residence licensed by the commissioner of human services to provide a residential program as defined in section 245A.02, subdivision 14; a residential facility for persons with a developmental disability licensed by the commissioner of human services under section 252.28; setting authorized to provide housing support as defined in section 256I.03, subdivision 3; a shelter for battered women as defined in section 611A.37, subdivision 4; ~~or a supervised publicly or privately operated shelter or dwelling designed to provide temporary living accommodations for the homeless;~~ a facility where a provider operates a residential treatment program as defined in section 245.462, subdivision 23; or a facility where a provider operates an adult foster care program as defined in section 245A.02, subdivision 6c.

(d) For tribal band members, an individual may prove residence for purposes of registering by:

(1) presenting an identification card issued by the tribal government of a tribe recognized by the Bureau of Indian Affairs, United States Department of the Interior, that contains the name, address, signature, and picture of the individual; or

(2) presenting an identification card issued by the tribal government of a tribe recognized by the Bureau of Indian Affairs, United States Department of the Interior, that contains the name, signature, and picture of the individual and also presenting one of the documents listed in Minnesota Rules, part 8200.5100, subpart 2, item B.

(e) A county, school district, or municipality may require that an election judge responsible for election day registration initial each completed registration application.

**Subd. 3a. Additional proofs of residence permitted for students.** (a) An eligible voter may prove residence by presenting a current valid photo identification issued by a postsecondary educational institution in Minnesota if the voter's name; student identification number, if available; and address within the precinct appear on a current residential housing list under section 135A.17, certified to the county auditor by the postsecondary educational institution.

(b) This additional proof of residence for students must not be allowed unless the postsecondary educational institution submits to the county auditor no later than 60 days prior to the election a written agreement that the postsecondary educational institution will certify for use at the election accurate updated residential housing lists under section 135A.17. A written agreement is effective for the election and all subsequent elections held in that calendar year, including the November general election.

## 2023 MINNESOTA ELECTION LAWS

(c) The additional proof of residence for students must be allowed on an equal basis for voters who reside in housing meeting the requirements of section 135A.17, if the residential housing lists certified by the postsecondary educational institution meet the requirements of this subdivision.

(d) An updated residential housing list must be certified to the county auditor no earlier than 20 days prior to each election. The certification must be dated and signed by the chief officer or designee of the postsecondary educational institution and must state that the list is current and accurate and includes only the names of persons residing as of the date of the certification.

(e) The county auditor shall instruct the election judges of the precinct in procedures for use of the list in conjunction with photo identification. The auditor shall supply a list to the election judges with the election supplies for the precinct.

(f) The county auditor shall notify all postsecondary educational institutions in the county of the provisions of this subdivision.

**Subd. 4. Registration by election judges; procedures.** Registration at the polling place on election day shall be conducted by the election judges. Before registering an individual to vote at the polling place, the election judge must review any list of absentee election day registrants provided by the county auditor or municipal clerk to see if the person has already voted by absentee ballot. If the person's name appears on the list, the election judge must not allow the individual to register or to vote in the polling place. The election judge who registers an individual at the polling place on election day shall not handle that voter's ballots at any time prior to the opening of the ballot box after the voting ends. Registration applications and forms for oaths shall be available at each polling place. If an individual who registers on election day proves residence by oath of a registered voter, the form containing the oath shall be attached to the individual's registration application. Registration applications completed on election day shall be forwarded to the county auditor who shall add the name of each voter to the registration system unless the information forwarded is substantially deficient. A county auditor who finds an election day registration substantially deficient shall give written notice to the individual whose registration is found deficient. An election day registration shall not be found deficient solely because the individual who provided proof of residence was ineligible to do so.

**Subd. 5. Unregistered voters; penalty.** No election judge in any precinct in which registration is required may receive the vote at any election of any individual whose name is not registered in a manner specified in section 201.054, subdivision 1 or not recorded under section 203B.19. A violation of this subdivision is a felony.

**Subd. 6. Precinct map.** Except as otherwise provided by this subdivision, the county auditor shall provide each precinct with an accurate precinct map or precinct finder to assist the election judges in determining whether an address is located in that precinct. A county auditor may delegate this responsibility as provided in section 201.221, subdivision 4, to a municipal or school district clerk who prepares precinct maps as provided in section 204B.14, subdivision 5.

**Subd. 7. Record of attempted registrations.** The election judge responsible for election day registration shall attempt to keep a record of the number of individuals who attempt to register on election day but who cannot provide proof of residence as required by this section. The record shall be forwarded to the county auditor with the election returns for that precinct.

**Subd. 8. Web site security.** (a) The secretary of state shall maintain a log of each Internet Protocol address used to submit a voter registration application electronically under subdivision 1, paragraph (a), clause (2), and must monitor the log, volume of Web site use, and other appropriate indicators for suspicious activity. Evidence of suspicious activity that cannot be resolved by the secretary of state must be forwarded to an appropriate law enforcement agency for investigation.

(b) The electronic registration system must be secure. The Web site shall maintain the confidentiality of all users and preserve the integrity of the data submitted. The secretary of state shall employ security measures to ensure the accuracy and integrity of voter registration applications submitted electronically pursuant to this section. All data sent and received through the Web site must be encrypted.

## 2023 MINNESOTA ELECTION LAWS

(c) The secretary of state must provide ongoing testing and monitoring to ensure continued security. The secretary of state must work with the chief information officer as defined in section 16E.01, subdivision 1, or another security expert to annually assess the security of the system. The security assessment must include a certification signed by the secretary of state that states that adequate security measures are in place. The certification must also be signed by the chief information officer or another security expert affirming that the assessment is accurate. The secretary of state must submit the security assessment to the legislative auditor and to the chairs and ranking minority members of the committees in the senate and house of representatives with primary jurisdiction over elections by January 1 of each year, except that the first annual security assessment must be submitted by September 30, 2014, and no report is required for January 1, 2015.

(d) In developing the electronic voter registration system, the secretary of state must consult with the chief information officer or the chief's designee to ensure the site is secure.

The paper registration application may include the voter's e-mail address, if provided by the voter. The electronic voter registration application must include the voter's e-mail address. The registration application may include the voter's interest in serving as an election judge, if indicated by the voter. The application must also contain the following certification of voter eligibility:

"(2) ~~Will you be 18 years old on or before election day?~~ Are you at least 16 years old and will you be at least 18 years old on or before the day of the election in which you intend to vote?"

And the instruction:

"If you checked 'no' to either of these questions, do not complete this form."

The form of the voter registration application and the certification of voter eligibility must be as provided in this subdivision and approved by the secretary of state. Voter registration forms authorized by the National Voter Registration Act must also be accepted as valid. The federal postcard application form must also be accepted as valid if it is not deficient and the voter is eligible to register in Minnesota.

**Subd. 2. Instructions.** (a) A registration application shall be accompanied by instructions specifying the manner and method of registration, the qualifications for voting, the penalties for false registration, and the availability of registration and voting assistance for elderly and handicapped individuals and residents of health care facilities and hospitals.

(b) The instructions must indicate that the voter must provide a valid Minnesota driver's license or identification card number, or the last four digits of the voter's Social Security number, unless the voter has not been issued one of those numbers.

(c) If, prior to election day, a person requests the instructions in Braille, audio format, or in a version printed in 16-point bold type with 24-point leading, the county auditor shall provide them in the form requested. number, the last four digits of the voter's Social Security number, if the voter has been issued a Social Security number, prior registration, if any, and signature. The absence of a zip code number does not cause the registration to be deficient. Failure to check a box on an application form that a voter has certified to be true does not cause the registration to be deficient. The election judges shall request an individual to correct a voter registration application if it is deficient or illegible. No eligible voter may be prevented from voting unless the voter's registration application is deficient or the voter is duly and successfully challenged in accordance with section 201.195 or 204C.12.

A voter registration application accepted prior to August 1, 1983, is not deficient for lack of date of birth. The county or municipality may attempt to obtain the date of birth for a voter registration application accepted prior to August 1, 1983, by a request to the voter at any time except at the polling place. Failure by the voter to comply with this request does not make the registration deficient.

A voter registration application accepted before January 1, 2004, is not deficient for lack of a valid Minnesota driver's license or state identification number or the last four digits of a Social Security number. A voter registration application submitted by a voter who does not have a Minnesota driver's license or state identification number, or a Social Security number, is not deficient for lack of any of these numbers.

**Subd. 4. A county auditor who receives a registration application or notification requiring a change of registration records under this subdivision as a result of an election day registration shall also check the statewide registration system to determine whether the individual voted in more than one precinct in the most recent election.

Conclusory allegations of registered voters and organizations representing registered voters, that various Minnesota state and county officials responsible for election administration or enforcement of election laws had taken insufficient steps to ensure that election day registrants were eligible to vote and that defendants violated the rights of eligible voters by diluting their votes with the votes of ineligible persons, were insufficient to state claims for violations of the First, Fifth, Ninth, and Fourteenth Amendments, and the Minnesota Constitution, in the absence of allegations that defendants had denied the right of citizens to vote for reasons of race, or fraudulent interference with a free election by stuffing of the ballot box, or other unlawful conduct which interfered with the right to vote or other constitutionally protected right. *Minnesota Voters Alliance v. Ritchie*, 890 F. Supp. 2d 1106 (D. Minn. 2012).

The list must not include the party choice of any voter who voted in a presidential nomination primary. The telephone number must be included on the list if provided by the voter. The public information list may also include information on voting districts. The county auditor may adopt reasonable rules governing access to the list. No individual inspecting the public information list shall tamper with or alter it in any manner. No individual who inspects the public information list or who acquires a list of registered voters prepared from the public information list may use any information contained in the list for purposes unrelated to elections, political activities, or law enforcement. The secretary of state may provide copies of the public information lists and other information from the statewide registration system for uses related to elections, political activities, or in response to a law enforcement inquiry from a public official concerning a failure to comply with any criminal statute or any state or local tax statute.

Before inspecting the public information list or obtaining a list of voters or other information from the list, the individual shall provide identification to the public official having custody of the public information list and shall state in writing that any information obtained from the list will not be used for purposes unrelated to elections, political activities, or law enforcement. Requests to examine or obtain information from the public information lists or the statewide registration system must be made and processed in the manner provided in the rules of the secretary of state.

Upon receipt of a statement signed by the voter that withholding the voter's name from the public information list is required for the safety of the voter or the voter's family, the secretary of state and county auditor must withhold from the public information list the name of a registered voter.

An adequate supply of registration applications and instructions must be maintained at each designated location, and a designated individual must be available there to accept registration applications and transmit them to the county auditor.

A person who, because of handicap, needs assistance in order to determine eligibility or to register must be assisted by a designated individual. Statute restricts access to data contained in statewide voter registration system; access is limited to public information lists and to information provided by secretary of state. Secretary of state was not required to disclose voter status, reasons for challenges to voter registration, or information related to individuals who were not currently registered voters. *Cilek v. Office of Minn. Sec'y of State*, 941 N.W.2d 411 (Minn. 2020).

Statute restricts access to registered voter list, which includes all information that makes up list. *Cilek v. Office of the Minn. Sec'y of State*, 941 N.W.2d 411 (Minn. 2020).

"Voter history" as used in election statutes, means whether and when a registered voter has voted in the past; it does not include voter status or the reasons for challenges to voter registration. *Cilek v. Office of the Minn. Sec'y of State*, 941 N.W.2d 411 (Minn. 2020).

Under Minnesota law, voters' e-mail addresses were not part of the public information list containing the name and registration information of every legally registered voter, and thus, unsuccessful third-party candidate for the United States House of Representatives did not have a property interest protected by the Due Process Clause in obtaining the e-mail addresses; refusal of Minnesota Secretary of State and agency official to provide e-mail addresses to candidate, who purchased public information list with the name and registration information of every legally registered voter in the congressional district, also did not violate candidate's First Amendment rights to freedom of speech and association. *Carlson v. Ritchie*, 960 F.Supp.2d 943 (D. Minn. 2013), *aff'd* 573 Fed.Appx. 608 (8<sup>th</sup> Cir. 2014).

The county auditor may impose reasonable requirements to preserve the security and integrity of the system. The county auditor and the school district shall provide by agreement for the details of the use of the system by the school district. Subdivision 1. **Notice of registration.** To prevent fraudulent voting and to eliminate excess names, the county auditor may mail to any registered voter a notice stating the voter's name and address as they appear in the registration files. The notice shall request the voter to notify the county auditor if there is any mistake in the information.

Subd. 2. **Moved within state.** If any nonforwardable mailing from an election official is returned as undeliverable but with a permanent forwarding address in this state, the county auditor may change the voter's status to "inactive" in the statewide registration system and shall transmit a copy of the mailing to the auditor of the county in which the new address is located. If an election is scheduled to occur in the precinct in which the voter ~~resides~~ maintains residence in the next 47 days, the county auditor shall promptly update the voter's address in the statewide voter registration system. If there is not an election scheduled, the auditor may wait to update the voter's address until after the next list of address changes is received from the secretary of state. Once updated, the county auditor shall mail to the voter a notice stating the voter's name, address, precinct, and polling place, except that if the voter's record is challenged due to a felony conviction, noncitizenship, name change, incompetence, or a court's revocation of voting rights of individuals under guardianship, the auditor must not mail the notice. The notice must advise the voter that the voter's voting address has been changed and that the voter must notify the county auditor within 21 days if the new address is not the voter's address of residence. The notice must state that it must be returned if it is not deliverable to the voter at the named address.

Subd. 3. **Moved out of state.** If any nonforwardable mailing from an election official is returned as undeliverable but with a permanent forwarding address outside this state, the county auditor shall promptly mail to the voter at the voter's new address a notice advising the voter that the voter's status in the statewide voter registration system will be changed to "inactive" unless the voter notifies the county auditor within 21 days that the voter is retaining the former address as the voter's address of residence. If the voter's record is challenged due to a felony conviction, lack of United States citizenship, legal incompetence, or court-ordered revocation of voting rights of persons under guardianship, the county auditor must not mail this notice. If the notice is not received by the deadline, the county auditor shall change the voter's status to "inactive" in the statewide voter registration system.

Subd. 4. **Challenges.** If any nonforwardable mailing from an election official is returned as undeliverable but with no forwarding address, the county auditor shall change the registrant's status to "challenged" in the statewide voter registration system. An individual challenged in accordance with this subdivision shall comply with the provisions of section 204C.12, before being allowed to vote. If a notice mailed at least 60 days after the return of the first nonforwardable mailing is also returned by the postal service, the county auditor shall change the registrant's status to "inactive" in the statewide voter registration system.

Voter registration applications completed on election day must be

Upon receipt of a notification under this paragraph, the secretary of state must extend the deadline for that county auditor by an additional 28 days. The secretary of state may waive a county's obligations under this paragraph if, on good cause shown, the county demonstrates its permanent inability to comply.

The secretary of state must post data on each county's compliance with this paragraph on the secretary of state's Web site including, as applicable, the date each county fully complied or the deadline by which a county's compliance must be complete.

(b) Upon receiving a completed voter registration application, the secretary of state may electronically transmit the information on the application to the appropriate county auditor as soon as possible for review by the county auditor before final entry into the statewide registration system. The secretary of state may mail the voter registration application to the county auditor.

(c) Within ten days after the county auditor has entered information from a voter registration application into the statewide registration system, the secretary of state shall compare the voter's name, date of birth, and driver's license number, state identification number, or the last four digits of the Social Security number with the same information contained in the Department of Public Safety database.

(d) The secretary of state shall provide a report to the county auditor on a weekly basis that includes a list of voters whose name, date of birth, or identification number have been compared with the same information in the Department of Public Safety database and cannot be verified as provided in this subdivision. The report must list separately those voters who have submitted a voter registration application by mail and have not voted in a federal election in this state.

(e) The county auditor shall compile a list of voters for whom the county auditor and the secretary of state are unable to conclude that information on the voter registration application and the corresponding information in the Department of Public Safety database relate to the same person.

(f) The county auditor shall send a notice of incomplete registration to any voter whose name appears on the list and change the voter's status to ~~"incomplete."~~ "challenged." A voter who receives a notice of incomplete registration from the county auditor may either provide the information required to ~~complete the registration~~ clear the challenge at least 21 days before the next election or at the polling place on election day.

**Subd. 2. Notice of registration; challenges.** The county auditor shall mail a notice indicating the individual's name, address, precinct and polling place to each registered voter. The notice shall indicate that it must be returned if it is not deliverable to the voter at the named address. Upon return of the notice by the postal service, the county auditor shall change the registrant's status to "challenged" in the statewide registration system. An individual challenged in accordance with this subdivision shall comply with the provisions of section 204C.12, before being allowed to vote.

**Subd. 3. Postelection sampling.** (a) Within ten days after an election, the county auditor shall send the notice required by subdivision 2 to a random sampling of the individuals registered on election day. The random sampling shall be determined in accordance with the rules of the secretary of state. As soon as practicable after the election, the county auditor shall mail the notice required by subdivision 2 to all other individuals registered on election day. If a notice is returned as not deliverable, the county auditor shall attempt to determine the reason for the return. A county auditor who does not receive or obtain satisfactory proof of an individual's eligibility to vote shall immediately notify the county attorney of all of the relevant information. By February 15 of each year, the county auditor must notify the secretary of state of the following information for each election held in the previous year by each precinct:

- (1) the total number of all notices that were returned as nondeliverable;
- (2) the total number of nondeliverable notices that the county auditor was able to determine the reason for the return along with the reason for each return; and

(3) the total number of individuals for whom the county auditor does not receive or obtain satisfactory proof of an individual's eligibility to vote.

(b) By March 1 of every year, the secretary of state shall report to the chair and ranking minority members of the legislative committees with jurisdiction over elections the following information for each election held in the previous year by each precinct and each county:

(1) the total number of all notices that were returned as nondeliverable;

(2) the total number of nondeliverable notices that a county auditor was able to determine the reason for the return along with the reason for each return; and

### 201.13 REPORT OF DECEASED VOTERS; CHANGES TO VOTER RECORDS.

Amendments to subd. 3 are effective July 1, 2023.

Subdivision 1. **Commissioner of health, reports of deceased residents.** Pursuant to the Help America Vote Act of 2002, Public Law 107-252, the commissioner of health shall report monthly by electronic means to the secretary of state the name, address, date of birth, and county of residence of each individual 18 years of age or older who has died while maintaining residence in Minnesota since the last previous report. The secretary of state shall determine if any of the persons listed in the report are registered to vote and shall prepare a list of those registrants for each county auditor. Within 60 days after receiving the list from the secretary of state, the county auditor shall change the status of those registrants to "deceased" in the statewide voter registration system.

Subd. 1a. **Social Security Administration; other reports of deceased residents.** The secretary of state may determine if any of the persons listed on the Social Security Death Index or reported as deceased by the vital records department of another state are registered to vote and prepare a list of those registrants for each county auditor. The county auditor shall change the status of those registrants to "deceased" in the statewide voter registration system.

Subd. 2. **Deceased nonresidents.** After receiving notice of death of a voter who has died outside the county, the county auditor shall change the voter's status to "deceased." Notice must be in the form of a printed obituary or a written statement signed by a registered Minnesota voter.

Subd. 3. **Use of change of address system.** (a) At least once each month the secretary of state shall obtain a list of individuals registered to vote in this state who have filed with the United States Postal Service a change of their permanent address. The secretary of state may also periodically obtain a list of individuals with driver's licenses or state identification cards to identify those who are registered to vote who have applied to the Department of Public Safety for a replacement driver's license or state identification card with a different address, and a list of individuals for whom the Department of Public Safety received notification of a driver's license or state identification card cancellation due to a change of residency out of state. However, the secretary of state shall not load data derived from these lists into the statewide voter registration system within the 47 days before the state primary or 47 days before a November general election.

(b) If the address is changed to another address in this state, the secretary of state shall locate the precinct in which the voter resides maintains residence, if possible. If the secretary of state is able to locate the precinct in which the voter resides maintains residence, the secretary must transmit the information about the changed address by electronic means to the county auditor of the county in which the new address is located. For

## 2023 MINNESOTA ELECTION LAWS

addresses for which the secretary of state is unable to determine the precinct, the secretary of state may forward information to the appropriate county auditors for individual review. If the voter has not voted or submitted a voter registration application since the address change, upon receipt of the information, the county auditor shall update the voter's address in the statewide voter registration system. The county auditor shall mail to the voter a notice stating the voter's name, address, precinct, and polling place, unless the voter's record is challenged due to a felony conviction, noncitizenship, name change, incompetence, or a court's revocation of voting rights of individuals under guardianship, in which case the auditor must not mail the notice. The notice must advise the voter that the voter's voting address has been changed and that the voter must notify the county auditor within 21 days if the new address is not the voter's address of residence. The notice must state that it must be returned if it is not deliverable to the voter at the named address.

(c) If the change of permanent address is to an address outside this state, the secretary of state shall notify by electronic means the auditor of the county where the voter formerly ~~resided~~ maintained residence that the voter has moved to another state. If the voter has not voted or submitted a voter registration application since the address change, the county auditor shall promptly mail to the voter at the voter's new address a notice advising the voter that the voter's status in the statewide voter registration system will be changed to "inactive" unless the voter notifies the county auditor within 21 days that the voter is retaining the former address as the voter's address of residence, except that if the voter's record is challenged due to a felony conviction, noncitizenship, name change, incompetence, or a court's revocation of voting rights of individuals under guardianship, the auditor must not mail the notice. If the notice is not received by the deadline, the county auditor shall change the voter's status to "inactive" in the statewide voter registration system.

(d) If, in order to maintain voter registration records, the secretary of state enters an agreement to share information or data with an organization governed exclusively by a group of states, the secretary must first determine that the data security protocols are sufficient to safeguard the information or data shared. If required by such an agreement, the secretary of state may share the following data from the statewide voter registration system and data released to the secretary of state under section 171.12, subdivision 7a:

- (1) name;
- (2) date of birth;
- (3) address;
- (4) driver's license or state identification number;
- (5) the last four digits of an individual's Social Security number; and
- (6) the date that an individual's record was last updated.

If the secretary of state enters into such an agreement, the secretary and county auditors must process changes to voter records based upon the data in accordance with this section. Except as otherwise provided in this subdivision, when data is shared with the secretary of state by another state, the secretary of state must maintain the same data classification that the data had while it was in the possession of the state providing data.

**Subd. 4. Request for removal of voter record.** If a voter makes a written request for removal of the voter's record, the county auditor shall inactivate the record of the voter in the statewide voter registration system.

**History:** 1975 c 5 s 2; 1981 c 29 art 7 s 4; 1986 c 444; 1986 c 475 s 5

#### NOTES AND DECISIONS

##### 202A.11

Party name protection law applies only to names of major political parties. *Scofield v. Kiffmeyer*, 620 N.W.2d 24 (Minn. 2000).

A nonparty candidate for state senator could be designated as "Independent" on the ballot even though one of the political parties within the state used the word "Independent" in its name. *Shaw v Johnson*, 247 N.W. 2d 921 (Minn. 1976).

In determining whether prohibition of the Party Name Protection act should be applied to a nonparty candidate, court will examine whether confusion would result from the designation desired by the nonparty candidate. *Id.*

Democratic-Farmer-Labor Party*, 287 F. Supp. 794 (D. Minn.), *aff'd*, 399 F.2d 119 (8th Cir. 1968).

In the event that there is only one suitable meeting place in the precinct polling place and the major political parties cannot agree as to its use, the county auditor shall decide by lot prior to January 15, 1970, the party which is to receive the use of the meeting place in years evenly divisible by four and which party shall receive the use of the meeting place in other years in which a state general election is held. The report of such selections by lot in the county shall be filed by the auditor with the county board which shall publish the same as a part of the minutes of the board meeting at which the report is filed.

A precinct caucus must be held at a place that meets the accessibility standards for precinct polling places specified in section 204B.16, subdivision 5. If there are not enough places within a precinct that are or can be made accessible as provided by this subdivision and section 204B.16, subdivision 5, for each major party to hold its precinct caucus, a major party may hold its caucus at a place outside one of the boundaries of the precinct in order to comply with accessibility requirements.

If only one place satisfies the accessibility and location requirements of this subdivision, the major parties shall alternate use of the place. Prior to January 1, 1990, the county auditor shall decide by lot which party is to use the accessible place in years evenly divisible by four and which party is to use the place in other years when a state general election is held.

The state central committee of the major political party shall determine the process for reimbursing interpreters.

A visually impaired individual may notify the county or legislative district committee of the major political party whose precinct caucus the individual plans to attend, that the individual requires caucus materials in audio tape, Braille, or large type format. **NOTES AND DECISIONS**

**202A.16**

State political party and party member did not establish credible threat of prosecution should they violate statute, and thus, party and party member’s claims that statute violated their First Amendment freedom-of-association rights were not ripe for review; statute had never been enforced in more than 40 years since enactment, no past secretaries of state ever threatened enforcement for violation of statute, current secretary of state asserted that he did not have authority to enforce statute, and there were no criminal penalties for violation of statute. *Minn. Democratic-Farmer-Labor Party by Martin v. Simon*, 970 N.W.2d 689 (Minn. Ct. App. 2022).

The criminal penalties in the election-eligibility statute (section 201.014) and the unlawful-voting statute (section 204C.14) do not apply to the caucus-eligibility statute (section 202A.16). *Minn. Democratic-Farmer-Labor Party Martin v. Simon*, 970 N.W.2d 689 (Minn. Ct. App. 2022).

See Minn. Const. art VII, s 1, and notes to M.S. 201.014.

Candidate’s post-election claim that precinct caucus participation statute violated the First Amendment was barred by doctrine of laches. *Carlson v. Ritchie*, 830 N.W.2d 887 (Minn. 2013).

“One man-one vote” principle would not be extended to alleviate alleged malapportionment in state delegation to National Democratic Convention where malapportionment, if any, had come about by action of properly elected precinct delegates to the county conventions and by action in party structure after county conventions. *Irish v. Democratic-Farmer-Labor Party*, 399 F2d 119 (8th Cir. 1968), *aff’g*, 287 F.Supp. 794 (D. Minn. 1968).

#### NOTES AND DECISIONS

##### 203B.12

Trial court order in contest of election for United States Senator, rejecting certain absentee ballots on basis that ballots did not strictly comply with one or more of the statutory requirements for voting by absentee ballot, did not violate contestant's substantive due process rights, because order did not represent a post election change in standards by which the validity of absentee ballots were to be determined; strict compliance with the statutory requirements for absentee voting had always been required, because voting by absentee ballot was a privilege granted by the legislature. Order also did

Chapter 62 amendments to subd. 4 are effective June 1, 2023.

**Subdivision 1. Establishment; applicable laws.** (a) The governing body of each county, municipality, and school district with responsibility to accept and reject absentee ballots or to administer early voting must, by ordinance or resolution, establish a ballot board. The board must consist of a sufficient number of election judges appointed as provided in sections 204B.19 to 204B.22. The board may include deputy county auditors or deputy city clerks who have received training in the processing and counting of absentee ballots. Each member of the ballot board must be provided adequate training on the processing and counting of absentee ballots, including but not limited to instruction on accepting and rejecting absentee ballots, storage of absentee ballots, timelines and deadlines, the role of the ballot board, procedures for opening absentee ballot envelopes, procedures for counting absentee ballots, and procedures for reporting absentee ballot totals.

(b) Each jurisdiction must pay a reasonable compensation to each member of that jurisdiction's ballot board for services rendered during an election.

(c) Except as otherwise provided by this section, all provisions of the Minnesota Election Law apply to a ballot board.

**Subd. 2. Duties of ballot board; absentee ballots.** (a) The members of the ballot board shall take possession of all signature envelopes delivered to them in accordance with section 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk, two or more members of the ballot board shall examine each signature envelope and shall mark it accepted or rejected in the manner provided in this subdivision. Election judges performing the duties in this section must be of different major political parties, unless they are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10, subdivision 2.

(b) The members of the ballot board shall mark the signature envelope "Accepted" and initial or sign the signature envelope below the word "Accepted" if a majority of the members of the ballot board examining the envelope are satisfied that:

(1) the voter's name and address on the signature envelope are the same as the information provided on the absentee ballot application or voter record;

## 2023 MINNESOTA ELECTION LAWS

(2) the voter signed the certification on the envelope;

(3) the voter's Minnesota driver's license, state identification number, or the last four digits of the voter's Social Security number are the same as a number on the voter's absentee ballot application or voter record. If the number does not match, the election judges must compare the signature provided by the applicant to determine whether the ballots were returned by the same person to whom they were transmitted;

(4) the voter is registered and eligible to vote in the precinct or has included a properly completed voter registration application in the signature envelope;

(5) the certificate has been completed as prescribed in the directions for casting an absentee ballot; and

(6) the voter has not already voted at that election, either in person or, if it is after the close of business on the ~~seventh~~ 19th day before the election, by ~~absentee ballot as provided by section 203B.081~~.

The signature envelope from accepted ballots must be preserved and returned to the county auditor.

(c)(1) If a majority of the members of the ballot board examining a signature envelope find that an absentee voter has failed to meet one of the requirements provided in paragraph (b), they shall mark the signature envelope "Rejected," initial or sign it below the word "Rejected," list the reason for the rejection on the envelope, and return it to the county auditor. There is no other reason for rejecting an absentee ballot beyond those permitted by this section. Failure to place the ballot within the ~~secrecy~~ ballot envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

(2) If an envelope has been rejected at least five days before the election, the envelope must remain sealed and the official in charge of the ballot board shall provide the voter with a replacement absentee ballot and signature envelope in place of the rejected ballot.

(3) If an envelope is rejected within five days of the election, the envelope must remain sealed and the official in charge of the ballot board must attempt to contact the voter ~~by telephone or e-mail~~ to notify the voter that the voter's ballot has been rejected. The ballot board must contact the voter by the method or methods of communication provided by the voter on the voter's application for an absentee ballot or voter registration. The official must document the attempts made to contact the voter.

(d) The official in charge of the absentee ballot board must mail the voter a written notice of absentee ballot rejection between six and ten weeks following the election. If the official determines that the voter has otherwise cast a ballot in the election, no notice is required. If an absentee ballot arrives after the deadline for submission provided by this chapter, the notice must be provided between six to ten weeks after receipt of the ballot. A notice of absentee ballot rejection must contain the following information:

(1) the date on which the absentee ballot was rejected or, if the ballot was received after the required deadline for submission, the date on which the ballot was received;

(2) the reason for rejection; and

(3) the name of the appropriate election official to whom the voter may direct further questions, along with appropriate contact information.

(e) An absentee ballot signature envelope marked "Rejected" may not be opened or subject to further review except in an election contest filed pursuant to chapter 209.

Subd. 3. **Record of voting.** (a) When applicable, the county auditor or municipal clerk must immediately record that a voter's absentee ballot has been accepted or that the voter has cast a ballot pursuant to the early voting procedures provided in this chapter. After the close of business on the ~~seventh~~ 19th day before the election, a voter whose record indicates that an absentee ballot has been accepted or that the voter has cast an early ballot must not be permitted to cast another ballot at that election. In a state primary, general, or state special election for federal, ~~or state,~~ or county office, the auditor or clerk must also record this information in the statewide voter registration system.

## 2023 MINNESOTA ELECTION LAWS

(b) The roster must be marked, and a supplemental report of absentee and early voters who submitted a voter registration application with their ballot must be created, no later than the start of voting on election day to indicate the voters that have already cast a ballot at the election. The roster may be marked either:

- (1) by the county auditor or municipal clerk before election day;
- (2) by the ballot board before election day; or
- (3) by the election judges at the polling place on election day.

~~The record of a voter whose absentee ballot was received after the close of business on the seventh day before the election is not required to be marked on the roster or contained in a supplemental report as required by this paragraph.~~

Subd. 4. **Opening of envelopes.** After the close of business on the ~~seventh~~ 19th day before the election, the ballots from secrecy envelopes within the signature envelopes marked "Accepted" may be opened, duplicated as needed in the manner provided in section 206.86, subdivision 5, initialed by the members of the ballot board, and deposited in the appropriate ballot box. If more than one voted ballot is enclosed in the ballot envelope, the ballots must be returned in the manner provided by section 204C.25 for return of spoiled ballots, and may not be counted.

Subd. 5. **Storage and counting of absentee ballots.** (a) On a day on which absentee ballots are inserted into a ballot box, two members of the ballot board must:

- (1) remove the ballots from the ballot box at the end of the day;
- (2) without inspecting the ballots, ensure that the number of ballots removed from the ballot box is equal to the number of voters whose absentee ballots were accepted that day; and
- (3) seal and secure all voted and unvoted ballots present in that location at the end of the day.

(b) After the polls have closed on election day, two members of the ballot board must count the ballots, tabulating the vote in a manner that indicates each vote of the voter and total votes cast for each candidate or question. In state primary and state general elections, the results must indicate the total votes cast for each candidate or question in each precinct and report the vote totals tabulated for each precinct. The count must be recorded on a summary statement in substantially the same format as provided in section 204C.26. The ballot board shall submit at least one completed summary statement to the county auditor or municipal clerk. The county auditor or municipal clerk may require the ballot board to submit a sufficient number of completed summary statements to comply with the provisions of section 204C.27, or the county auditor or municipal clerk may certify reports containing the details of the ballot board summary statement to the recipients of the summary statements designated in section 204C.27.

In state primary and state general elections, these vote totals shall be added to the vote totals on the summary statements of the returns for the appropriate precinct. In other elections, these vote totals may be added to the vote totals on the summary statement of returns for the appropriate precinct or may be reported as a separate total.

The count shall be public. No vote totals from ballots may be made public before the close of voting on election day.

(c) In addition to the requirements of paragraphs (a) and (b), if the task has not been completed previously, the members of the ballot board must verify as soon as possible, but no later than 24 hours after the end of the hours for voting, that voters whose absentee ballots arrived after the rosters were marked or supplemental reports were generated and whose ballots were accepted did not vote in person on election day. An absentee ballot submitted by a voter who has voted in person on election day must be rejected. All other accepted absentee ballots must be opened, duplicated if necessary, and counted by members of the ballot board. The vote totals from these ballots must be incorporated into the totals with the other absentee ballots and handled according to paragraph (b).

### NOTES AND DECISIONS

#### 203B.121

Deputy county auditors were not election judges under ballot board statute, statute did not require counties to follow same procedure for appointing election judges when appointing deputy county auditor, counties did not violate duty to appoint “a sufficient number of election judges” under statute, and statute did not restrict ballot board membership to a limited group of “bona fide” deputy county auditors. *Minn. Voters All. v. Cnty. Of Ramsey*, 971 N.W.2d 269 (Minn. 2022).

The word “sufficient,” in ballot board statute requiring that a board contain a “sufficient number of election judges,” did not mean “sufficient to do all of the ballot board’s work”; statute left counties with discretion to decide what constituted a “sufficient number” of election judges and to otherwise appoint deputy county auditors. *Minn. Voters All. v. Cnty. of Ramsey*, 971 N.W.2d 269 (Minn. 2022).

Local governing bodies did not violate official duty clearly imposed by law by (1) not requiring deputy county auditors or deputy city clerks appointed to ballot boards to disclose party affiliation or non-affiliation, (2) appointing deputies who were not authorized to perform the full duties of a county auditor or city clerk, or (3) appointing deputies to ballot boards before exhausting partisan lists of election-judge candidates. *Minn. Voters All. v. Cnty. of Ramsey*, 962 N.W.2d 667 (Minn. Ct. App. 2021).

## 2023 MINNESOTA ELECTION LAWS

(1) it must be of sufficient size to contain ~~an additional~~ a signature envelope that when and when the return envelope is sealed, it conceals the signature, identification, and other information; or

(2) it must ~~be the signature envelope and~~ provide an additional flap that when sealed, conceals the signature, identification, and other information.

The flap or the ~~additional return~~ envelope must be perforated to permit election officials to inspect the returned certificate for completeness or to ascertain other information at any time after receiving the returned ballot without opening the ~~return~~ signature envelope.

**Subd. 2. Mailing of ballots; return.** Ballots and instructions for marking them, ballot envelopes, and return envelopes shall be sent by first class mail to addresses within the continental United States and by air mail to addresses outside the continental United States. The ballot envelope and return envelope shall be marked "Official Ballot," and shall contain sufficient postage to assure proper return delivery. The return envelope shall be addressed to comply with any method for return of absentee ballots as authorized under section 203B.08, subdivision 2. The requirements of this subdivision do not apply to ballots and related materials provided under section 203B.225.

**Subd. 3. Back of ~~return~~ signature envelope.** On the back of the ~~return~~ signature envelope a certificate shall appear with space for:

- (1) the voter's address of present or former residence in Minnesota;
- (2) the voter's current e-mail address, if the voter has one;
- (3) a statement indicating the category described in section 203B.16 to which the voter belongs;
- (4) a statement that the voter has not cast and will not cast another absentee ballot in the same election or elections;

The certificate shall also contain a signed oath in the form required by section 705 of the Help America Vote Act, Public Law 107-252, which must read:

"I swear or affirm, under penalty of perjury, that:

I am a member of the uniformed services or merchant marine on active duty or an eligible spouse or dependent of such a member; a United States citizen temporarily residing outside the

United States; or other United States citizen residing outside the United States; and I am a United States citizen, at least 18 years of age (or will be by the date of the election), and I am eligible to vote in the requested jurisdiction; I have not been convicted of a felony, or other disqualifying offense, or been adjudicated mentally incompetent, or, if so, my voting rights have been reinstated; and I am not registering, requesting a ballot, or voting in any other jurisdiction in the United States

except the jurisdiction cited in this voting form. In voting, I have marked and sealed my ballot in private and have not allowed any person to observe the marking of the ballot, except for those authorized to assist voters under state or federal law. I have not been influenced.

The information on this form is true, accurate, and complete to the best of my knowledge. I understand that a material misstatement of fact in completion of this document may constitute grounds for a conviction for perjury."

### 203B.22 TRANSMITTING BALLOTS.

(a) The county auditor shall transmit the appropriate ballots, as promptly as possible, to an absent voter whose application has been recorded under section 203B.19. If the county auditor determines that a voter is not eligible to vote at the primary but will be eligible to vote at the general election, only general election ballots shall be transmitted. Only one set of ballots shall be transmitted to any applicant for any election, except that the county auditor may transmit a replacement ballot to a voter whose ballot has been spoiled or lost in transit or whose mailing address has changed after the date on which the original application was submitted as confirmed by the county auditor. Ballots to be sent outside the United States shall be given priority in transmission. A county auditor may make use of any special service provided by the United States government for the transmission of voting materials under sections 203B.16 to 203B.27.

(b) The county auditor must transmit the appropriate ballots by express mail immediately upon discovery that the ballots were not properly transmitted to the voter as a result of the following circumstances: (1) an application was received by the county auditor by the close of business at least 46 days before the election; (2) the county auditor failed to transmit the appropriate ballots by the 46th day before the election; and (3) the voter did not request that the ballots be electronically transmitted to the voter under section 203B.225, subdivision 1.

**History:** 1981 c 29 art 3 s 22; 2008 c 190 s 7; 2010 c 184 s 9; 2014 c 264 s 13

Upon receipt of a properly completed application requesting electronic transmission, the county auditor shall electronically transmit the requested materials to the voter. The county auditor is not required to provide return postage to voters to whom ballots are transmitted electronically.

Subd. 2. **Returning voted ballots.** The voter must return the voted ballots and the certificate of voter eligibility to the county auditor in a sealed envelope.

**History:** 2008 c 190 s 8; 2010 c 184 s 10

### 203B.227 WRITE-IN ABSENTEE BALLOT.

(a) A voter described in section 203B.16, subdivision 1, may use the federal write-in absentee ballot to vote in any federal, state, or local election. In a state or local election, a vote for a political party without specifying the name of a candidate must not be counted.

(b) If a voter submits a Federal Write-in Absentee Ballot for which a Federal Post Card Application was not received, the Federal Write-in Absentee Ballot serves as a voter registration, for voters who are eligible to register, in lieu of the voter's Federal Post Card Application. If the voter has not already voted and the accompanying certificate is properly completed, the absentee ballot board must accept the Federal Write-in Absentee Ballot.

## 2023 MINNESOTA ELECTION LAWS

board is exempt from sections 204B.19, subdivision 5, and 204C.15, relating to party balance in appointment of judges and to duties to be performed by judges of different major political parties.

Subd. 2. **Duties.** (a) The absentee ballot board must examine all returned absentee ballot envelopes for ballots issued under sections 203B.16 to 203B.27 and accept or reject the absentee ballots in the manner provided in section 203B.24. If the certificate of voter eligibility is not printed on the ~~return or administrative signature~~ envelope, the certificate must be attached to the ballot ~~secrecy~~ envelope.

(b) The absentee ballot board must immediately examine the ~~return~~ signature envelopes or certificates of voter eligibility that are attached to the ballot envelopes and mark them "accepted" or "rejected" during the 45 days before the election. If an envelope has been rejected at least five days before the election, the ballots in the envelope must be considered spoiled ballots and the official in charge of the absentee ballot board must provide the voter with a replacement absentee ballot and ~~return envelope~~ envelopes in place of the spoiled ballot.

(c) If a county has delegated the responsibility for administering absentee balloting to a municipality under section 203B.05, accepted absentee ballots must be delivered to the appropriate municipality's absentee ballot board. The absentee ballot board with the authority to open and count the ballots must do so in accordance with section 203B.121, subdivisions 4 and 5.

### 203B.24 DUTIES OF ELECTION JUDGES.

**Amendments to subd. 1 are effective July 1, 2023.**

Subdivision 1. **Check of voter eligibility; proper execution of certificate.** Upon receipt of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election judges shall compare the voter's name with the names recorded under section 203B.19 in the statewide registration system to insure that the ballot is from a voter eligible to cast an absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the signature envelope "Accepted" and initial or sign the signature envelope below the word "Accepted" if the election judges are satisfied that:

- (1) the voter's name and address on the signature envelope appears in substantially the same form as on the application records provided to the election judges by the county auditor;
- (2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the Help America Vote Act, Public Law 107-252;
- (3) the voter has set forth the same voter's passport number, or Minnesota driver's license or state identification card number, or the last four digits of the voter's social security number as submitted on the application, if the voter has one of these documents;
- (4) the voter is not known to have died; and
- (5) the voter has not already voted at that election, either in person or by absentee ballot.

If the identification number described in clause (3) does not match the number as submitted on the application, the election judges must make a reasonable effort to satisfy themselves through other information provided by the applicant, or by an individual authorized to apply on behalf of the voter, that the ballots were returned by the same person to whom the ballots were transmitted.

## 2023 MINNESOTA ELECTION LAWS

An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the secrecy ballot envelope before placing it in the ~~outer white~~ signature envelope is not a reason to reject an absentee ballot.

Election judges must note the reason for rejection on the back of the envelope in the space provided for that purpose.

Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall not be counted if the certificate on the return signature envelope is not properly executed. In all other respects the provisions of the Minnesota Election Law governing deposit and counting of ballots shall apply. Notwithstanding other provisions of this section, the counting of the absentee ballot of a deceased voter does not invalidate the election.

**Subd. 2. Recording accepted and rejected ballots.** The election judges shall compare the voter's name with the names recorded under section 203B.19 in the statewide registration system. For each returned ballot, the election judges must indicate on the record in the statewide registration system whether the absentee ballot was accepted or rejected.

#### **203B.28 POSTELECTION REPORT TO LEGISLATURE**

By January 15 of every odd-numbered year, the secretary of state shall provide to the chair and ranking minority members of the legislative committees with jurisdiction over elections a statistical report related to absentee voting in the most recent general election cycle. The statistics must be organized by county and include:

- (1) the number of absentee ballots transmitted to voters;
- (2) the number of absentee ballots returned by voters;
- (3) the number of absentee ballots that were rejected, categorized by the reason for rejection;
- (4) the number of absentee ballots submitted pursuant to sections 203B.16 to 203B.27, along with the number of returned ballots that were accepted, rejected, and the reason for any rejections; and
- (5) the number of absentee ballots that were not counted because the ballot return envelope was received after the deadlines provided in this chapter.

### **203B.29 TRANSMISSION OF BALLOTS UNDER CERTAIN CIRCUMSTANCES.**

**New 203B.29 is effective July 1, 2023.**

**Subdivision 1. Emergency response providers.** Any eligible Minnesota voter who is a trained or certified emergency response provider or utility worker who is deployed in response to any state of emergency declared by the President of the United States or any governor of any state within the United States during the time period authorized by law for absentee voting or on election day may request that ballots, instructions, and a certificate of voter eligibility be transmitted to the voter electronically. Upon receipt of a properly completed application requesting electronic transmission, the county auditor must electronically transmit the requested materials to the voter. The county auditor is not required to provide return postage to voters to whom ballots are transmitted electronically.

**Subd. 2. Reasonable accommodation for voter with disability.** Any eligible Minnesota voter with a print disability, including any voter with disabilities that interfere with the effective reading, writing, or use of printed materials, may request that ballots, instructions, and a certificate of voter eligibility be transmitted to the voter electronically in an accessible format that meets Election Assistance Commission minimum accessibility requirements. Upon receipt of a properly completed application requesting electronic transmission, the county auditor shall electronically transmit the requested materials to the voter. The county auditor must also mail the voter materials required under section 203B.07.

**Subd. 3. Returning voted ballots.** A voter receiving a ballot electronically under subdivision 1 or 2 must print and return the voter's voted ballot and the certificate of voter eligibility to the county auditor in a sealed envelope. A voter must not return the ballot or certificate of voter eligibility electronically. A ballot that is returned electronically must be rejected and must not be counted.

### **203B.30 PROCEDURES FOR EARLY VOTING.**

**New 203B.30 is effective upon the revisor of statutes' receipt of the early voting certification and applies to elections held on or after January 1, 2024, or the 85<sup>th</sup> day after the revisor of statutes receives the certification, whichever is later.**

**Subdivision 1. Definition.** For purposes of this section, "early voting official" means the county auditor, city clerk, a deputy of the auditor or clerk, or an election judge.

**Subd. 2. Voting procedure.** (a) When a voter appears in an early voting polling place, the voter must state the voter's name, address, and, if requested, the voter's date of birth to the early voting official. The early voting official must confirm that the voter's registration is current in the statewide voter registration system and that the voter has not already cast a ballot in the election. If the voter's status is challenged, the voter may resolve the challenge as provided in section 204C.12. An individual who is not registered to vote or whose name or address has changed must register in the manner provided in section 201.061, subdivision 3. A voter who has already cast a ballot in the election must not be provided with a ballot.

(b) Each voter must sign the certification provided in section 204C.10. The signature of an individual on the voter's certificate and the issuance of a ballot to the individual is evidence of the intent of the individual to vote at that election. After the voter signs the certification, two early voting officials must initial the ballot and issue it to the voter. The voter must immediately retire to a voting station or other designated location in the polling place to mark the ballot. The voter must not take a ballot from the polling place. If the voter spoils the ballot, the voter may return it to the early voting official in exchange for a new ballot. After completing the ballot, the voter must deposit the ballot into the ballot counter and ballot box. The early voting official must immediately record that the voter has voted in the manner provided in section 203B.121, subdivision 3.

**Subd. 3. Processing of ballots.** The early voting officials must remove and secure ballots cast during the early voting period following the procedures in section 203B.121, subdivision 5, paragraph (a). The absentee ballot board must count the ballots after the polls have closed on election day following the procedures in section 203B.121, subdivision 5, paragraph (b).

Candidates for any partisan office who do not seek the nomination of a major political party shall be nominated by nominating petition as provided in sections 204B.07 and 204B.08, and, except for presidential elector candidates, shall file an affidavit of candidacy as provided in section 204B.06.

#### NOTES AND DECISIONS

##### 204B.03

Write-in candidate was not entitled to have name placed on ballot for general election with no party affiliation following major political party's substitution of a withdrawn candidate with a different party-endorsed candidate following the primary election, where statute required a candidate who did not seek party nomination to be nominated by petition, which criterion candidate failed to meet. *Fosle v. Ritchie*, 824 N.W.2d 618 (Minn. 2012).

Service of a petition seeking to replace withdrawn candidate endorsed by major political party on "all" candidates for an elective office included write-in candidate who had formally requested that write-in votes cast for him be counted, where, as a write-in candidate whose votes were to be counted by the Secretary of State, candidate's interest in the outcome of the underlying litigation was no different than the interest of other candidates on the ballot who were properly served with the petition. *Fosle v. Ritchie*, 824 N.W.2d 618 (Minn. 2012).

Petition requirement was not unconstitutionally burdensome; requirement did not freeze political status quo by locking candidates of non-major parties out of the electoral process, as candidate suggested; and prior decisions stated that such requirements did not violate freedom of speech and association or the right to equal protection. *Beaulieu v. Mack*, 788 N.W. 2d 892 (Minn. 2010).

The requirement that a person filing for office state in his affidavit of candidacy "that he is a qualified voter in the subdivision where he seeks nomination" is not applicable to a person filing for the office of representative in Congress. Affidavit is sufficient insofar as statement of residence is concerned, if, in accordance with the residency qualification of U.S. Constitution, the person filing states in the affidavit that he is a resident of this state. Op. Atty. Gen. 186A, July 24, 1968.

### **Subd. 1a. [Repealed, 1Sp2001 c 10 art 18 s 44]**

Subd. 1b. **Address, electronic mail address, and telephone number.** (a) An affidavit of candidacy must state a telephone number where the candidate can be contacted. An affidavit must also state the candidate's or campaign's nongovernment issued electronic mail address or an attestation that the candidate and the candidate's campaign do not possess an electronic mail address. An affidavit must also state the candidate's address of residence as determined under section 200.031, or at the candidate's request in accordance with paragraph (c), the candidate's campaign contact address. The form for the affidavit of candidacy must allow the candidate to request, if eligible, that the candidate's address of residence be classified as private data, and to provide the certification required under paragraph (c) for classification of that address.

(b) If an affidavit for an office where a residency requirement must be satisfied by the close of the filing period is filed as provided by paragraph (c), the filing officer must, within one business day of receiving the filing, determine whether the address provided in the affidavit of candidacy is within the area represented by the office the candidate is seeking. For all other candidates who filed for an office whose residency requirement must be satisfied by the close of the filing period, a registered voter in this state may request in writing that the filing officer receiving the affidavit of candidacy review the address as provided in this paragraph, at any time up to one day after the last day for filing for office. If requested, the filing officer must determine whether the address provided in the affidavit of candidacy is within the area represented by the office the candidate is seeking. If the filing officer determines that the address is not within the area represented by the office, the filing officer must immediately notify the candidate and the candidate's name must be removed from the ballot for that office. A determination made by a filing officer under this paragraph is subject to judicial review under section 204B.44.

The address of residence provided by a candidate who makes a request for classification on the candidate's affidavit of candidacy and provides the certification required by this paragraph is classified as private data, as defined in section 13.02, subdivision 12, but may be reviewed by the filing officer as provided in this subdivision.

(d) The requirements of this subdivision do not apply to affidavits of candidacy for a candidate for: (1) judicial office; (2) the office of county attorney; or (3) county sheriff.

Subd. 2. **Major party candidates.** A candidate who seeks the nomination of a major political party for a partisan office shall state on the affidavit of candidacy that the candidate either participated in that party's most recent precinct caucus or intends to vote for a majority of that party's candidates at the next ensuing general election.

### NOTES AND DECISIONS

#### 204B.06

Candidate for judicial office was not required to attach a copy of his current attorney license to his affidavit of candidacy; although attaching copy could fulfill statutory requirement to provide license, supplying, without attaching, copy of license also satisfied plain language of statute. *Moulton v. Simon*, 883 N.W.2d 819 (Minn. 2016).

Prohibition on candidate from appearing on ballot as candidate of more than one political party does not violate First Amendment. *Timmons v. Twin Cities Area New Party*, 520 U.S. 351 (1997).

See also Minn. Const. art VII, s 6.

Even if would-be candidate for state senate was told by Secretary of State's Office that affidavit of candidacy was complete, despite the absence of a required phone number, such reliance was not reasonable, where affidavit of candidacy itself stated that a telephone number was required, and statutory requirement that an affidavit of candidacy include a telephone number at which the candidate could be contacted was clear. *In re Pfliger*, 819 N.W.2d 620 (Minn. 2012).

Requirement that affidavit of candidacy include a statement that the name to appear on the ballot is the candidate's true name "or the name by which the candidate is commonly and generally known in the community" requires that an alternate name be one that the candidate has routinely used, before he files his affidavit of candidacy, to identify himself to the public; in addition, the alternate name must, at a minimum, be the name by which candidate is broadly and widely known to members of the public before the candidate submits the affidavit of candidacy at issue. *Weiler v. Ritchie*, 788 N.W. 2d 879 (Minn. 2010) .

A candidate who has not resided in the legislative district for six months immediately preceding election is not qualified to run for state legislative office in that district. *Studer v. Kiffmeyer*, 712 N.W.2d 552 (Minn. 2006); *Melendez v. O'Connor*, 654 N.W.2d 114 (Minn. 2002).

State legislative candidate had sufficient presence in legislative district and intent to reside there to meet residency requirement, despite fact that candidate was living in apartment outside of district while legislature was in session during portion of six months immediately preceding election, where candidate leased apartment in new district, moved his personal belongings into adjacent living space pending departure of holdover tenants, and spent some time there while legislative session continued. *Piepho v. Bruns*, 652 N.W.2d 40 (Minn. 2002).

Officeholders must be 21 years of age when they assume office. *Jude v. Erdahl*, 207 N.W. 2d 715 (Minn. 1973).

The requirement that a person filing for office state in his affidavit of candidacy "that he is qualified voter in the subdivision where he seeks nomination" is not applicable to a person filing for the office of representative in Congress. Affidavit is sufficient insofar as statement of residence is concerned, if, in accordance with the residency qualification of U.S. Constitution, the person filing states in the affidavit that he is a resident of this state. Affidavits of candidacy need not be filed personally by candidate, but the affidavit should be executed during the filing period. Op. Atty. Gen. 437A-6, February 28, 1963.

Candidate for office need not be a registered voter. Op. Atty. Gen. 1841, November 18, 1958.

If affidavit of candidacy omits statement of political subdivision in which candidates are to be voted but such information can be determined from other statements of affidavit, auditor may accept same. Op. Atty. Gen. 28C-11, August 11, 1954.

Affidavit must be signed and sworn by candidate. Op. Atty. Gen. 911i, August 6, 1942.

### 204B.07 NOMINATING PETITIONS.

Subdivision 1. **Form of petition.** A nominating petition may consist of one or more separate pages each of which shall state:

(a) The office sought;

(b) The candidate's name and residence address, including street and number if any; and

## 2023 MINNESOTA ELECTION LAWS

(c) The candidate's political party or political principle expressed in not more than three words. No candidate who files for a partisan office by nominating petition shall use the term "nonpartisan" as a statement of political principle or the name of the candidate's political party. No part of the name of a major political party may be used to designate the political party or principle of a candidate who files for a partisan office by nominating petition, except that the word "independent" may be used to designate the party or principle. A candidate who files an affidavit of candidacy to fill a vacancy in nomination for a nonpartisan office pursuant to section 204B.13, shall not state any political principle or the name of any political party on the petition.

**Subd. 2. Petitions for presidential electors and alternates.** This subdivision does not apply to candidates for presidential elector or alternate nominated by major political parties. Major party candidates for presidential elector or alternate are certified under section 208.03. Other presidential electors or alternates are nominated by petition pursuant to this section. On petitions nominating presidential electors or alternates, the names of the candidates for president and vice-president shall be added to the political party or political principle stated on the petition. One petition may be filed to nominate a slate of presidential electors equal in number to the number of electors to which the state is entitled and an alternate for each elector nominee.

**Subd. 3. Number of candidates nominated.** No nominating petition shall contain the name of more than one candidate except a petition jointly nominating individuals for governor and lieutenant governor or nominating a slate of presidential electors.

**Subd. 4. Oath and address of signer.** Following the information required by subdivisions 1 and 2 and before the space for signing, each separate page that is part of the petition shall include an oath in the following form:

"I solemnly swear (or affirm) that I know the contents and purpose of this petition, that I do not intend to vote at the primary election for the office for which this nominating petition is made, and that I signed this petition of my own free will."

Notarization or certification of the signatures on a nominating petition is not required. Immediately after the signature, the signer shall write on the petition the signer's residence address including street and number, if any, and mailing address if different from residence address.

**Subd. 5. Sample forms.** An official with whom petitions are filed shall make sample forms for nominating petitions available upon request.

**Subd. 6. Penalty.** An individual who, in signing a nominating petition, makes a false oath is guilty of perjury.

**History:** 1981 c 29 art 4 s 7; 1986 c 444; 1986 c 475 s 9,10; 1Sp2001 c 10 art 18 s 17; 2004 c 293 art 2 s 15; 2012 c 187 art 1 s 29; 2015 c 70 art 2 s 1

### NOTES AND DECISIONS

#### 204B.07

Oath requirement was not unreasonable or discriminatory and was supported by sufficiently important regulatory interests; minor political party and its gubernatorial candidate failed to show irreparable harm in absence of preliminary injunction prohibiting Secretary of State from enforcing requirement. *Independence-Alliance Party of Minn. v. Simon*, 603 F.Supp.3d 684 (D. Minn. 2022).

Oath requirement for signers of nominating petitions is constitutional. *Libertarian Party of Minn. V. Simon*, 463 F. Supp. 3d 936 (D. Minn. 2020). *aff'd*. No. 20-2244, 2021 WL 4026159 (8<sup>th</sup> Cir. Sept. 3, 2021).

Statutory oath does not preclude signers of nominating petitions from changing their minds and voting in a primary election. *Libertarian Party of Minn. V. Simon*, 463 F. Supp. 3d 936 (D. Minn. 2020). *aff'd*. No. 20-2244, 2021 WL 4026159 (8<sup>th</sup> Cir. Sept. 3, 2021).

Statement of political party or political principle by would-be candidate for state House of Representatives exceeded the statutory limit of three words, and, therefore, she did not strictly comply with the statutory requirements for filing for elective office. *Anderson v. Ritchie*, 819 N.W.2d 445 (Minn. 2012).

County auditor was neither authorized nor required to consult documents other than nominating petition to confirm that the signers were residents of the district and, thus, auditor did not err in rejecting signatures on a nominating petition for state senate candidate for which the only addresses provided were post office box, city or township, and county; enforcement of residence address requirement did not violate candidate's equal protection rights. *Paquin v. Mack*, 788 N.W. 2d 899 (Minn. 2010)

Party name protection law applies only to names of major political parties. *Scofield v. Kiffmeyer*, 620 N.W.2d 24 (Minn. 2000).

Court will not change political party or principle as stated on presidential elector nominating petition absent showing of significant degree of confusion. Mere similarity of party name is not sufficient. *Id.*

Candidate for U.S. House of Representatives could not be certified on election ballot as "Shelvie Prolife Rettmann" where name not authorized by statute nor was it nickname by which candidate was generally and commonly known. *Clifford v. Hoppe*, 357 N.W. 2d 98 (Minn. 1984).

Subdivision 1. **Time for signing.** Nominating petitions shall be signed during the period when petitions may be filed as provided in section 204B.09.

Subd. 2. **Qualifications of signers.** A nominating petition may be signed only by individuals who are eligible to vote for the candidate who is nominated. No individual may sign more than one nominating petition for candidates for the same office unless more than one candidate is to be elected to that office. If more than one candidate is to be elected to the office, an individual may sign as many petitions as there are candidates to be elected.

Subd. 3. **Number of signatures.** The number of signatures required on a nominating petition shall be as follows:

(a) For a federal or state office voted on statewide, one percent of the total number of individuals voting in the state at the last preceding state general election, or 2,000, whichever is less;

(b) For a congressional office, five percent of the total number of individuals voting in the district at the last preceding state general election, or 1,000, whichever is less;

## 2023 MINNESOTA ELECTION LAWS

### NOTES AND DECISIONS

#### 204B.08

State senate candidate could not show that signers of nominating petition whose signatures were rejected for lack of a residence address on the petition lived within legislative district and, thus, did not meet his burden to prove that leaving his name off of ballot was an error of which Supreme Court was required to order correction by county auditor, although some signatures listed post office (P.O.) box information; P.O. box provided no information about location of signers' residences, and candidate provided no other evidence that those who listed P.O. box intended city or township and county listed as their residential address. *Paquin v. Mack*, 788 N.W. 2d 899 (Minn. 2010)

Minnesota law bars a candidate for elective office from filing additional signatures on a nominating petition after 5 p.m. on the last day for filing for elective office, and also bars filing additional signatures on a petition filed in place of the required filing fee after said time and date. *Idusogie v. Kiffmeyer*, 721 N.W.2d 283 (Minn. 2006).

Registration does not affect qualification of person to vote. *Eastwood v. Donovan*, 259 Minn. 43, 105 N.W.2d 686 (1960).

## 2023 MINNESOTA ELECTION LAWS

### NOTES AND DECISIONS

#### 204B.09

Statutory fourteen-day period for independent and minor-party candidates to collect signatures for access to general election ballot is constitutional. *Libertarian Party of Minn. v. Simon*, 463 F. Supp. 3d 936 (D. Minn. 2020). *aff'd*. No. 20-2244, 2021 WL 4026159 (8<sup>th</sup> Cir. Sept. 3, 2021).

Requirement to name vice-presidential candidate when requesting that votes cast for write-in presidential candidate be counted did not violate associational rights protected by First Amendment; burden imposed by requirement was at most de minimis, major-party candidates were required to provide same information, and requirement was reasonable regulation that promoted state's interest in orderly administration of election. *Carlson v. Simon*, 888 N.W. 2d 467 (Minn. 2016).

For an affidavit of candidacy to be "properly filed," as required for candidate's name to be placed on primary election ballot, it must be both filed before the deadline and filed with the appropriate election official. *Smith v. Kiffmeyer*, 721 N.W.2d 912 (Minn. 2006).

Candidate had no colorable claim that First Amendment right of association was violated by statutory requirements for signatures in support of nominating petition. The secretary of state is barred from accepting late petitions and affidavits from all candidates, whether they seek the nomination of major political parties, minor political parties, or run as independent candidates. A candidate for elective office may not file additional signatures for a nominating petition and/or a petition filed in place of the required filing fee after 5 p.m. on the last day for filing for elective office. *Idusogie v. Kiffmeyer*, 721 N.W.2d 283 (Minn. 2006).

Filing affidavit of candidacy within deadline is accomplished by actual filing at proper office, and not by mere deposit in the U.S. mail. *Harris v. Donovan*, 269 Minn. 574, 129 N.W. 2d 797 (1964).

Petition for nomination presented after closing time of Secretary of State's Office was not entitled to filing. *Johnson v. Holm*, 198 Minn. 192, 269 N.W. 405 (1936).

Secretary of state may pass upon form and sufficiency of nominating petition, but has no authority to determine whether candidate is qualified to serve. Op. Atty. Gen. 911J, September 15, 1970.

Under former law, write-in votes for presidential candidates whose electors have not been certified as such to the secretary of state under M.S. 208.03 or former 202A.32, would be nullity since the state canvassing board under the authority of M.S. 208.05 determines the election only of electors, but an effective write-in vote would either write in the office of presidential elector and names of as many as ten candidates for a presidential elector, or apply a sticker for the same purpose. Op. Atty. Gen. 28C-5, October 5, 1968.

The requirement that a person filing for office state in his affidavit of candidacy "that he is qualified voter in the subdivision where he seeks nomination" is not applicable to a person filing for the office of representative in Congress. Affidavit is sufficient insofar as statement of residence is concerned, if, in accordance with the residency qualifications of U.S. Constitution, the person filing states in the affidavit that he is a resident of this state. Op. Atty. Gen. 186A, July 24, 1968.

Affidavits of candidacy need not be filed personally by candidate, but the affidavit should be executed during the filing period. Op. Atty. Gen. 437A-6, February 28, 1963.

Ineligibility of candidate receiving highest number of votes, in absence of knowledge by voters of disqualifying facts, will not result in giving the election to the next highest candidate. Op. Atty. Gen. 63A-11, March 23, 1955.

If affidavit of candidacy omits statement of political subdivision in which candidates are to be voted but such information can be determined from other statements in affidavit, auditor may accept same. Op. Atty. Gen. 28C-11, August 11, 1954.

If last day for filing should fall on Monday, February 22, a legal holiday, both Monday, February 22, and Sunday, February 21, are omitted in computation and last day for filing would be Saturday, February 20. Op. Atty. Gen. 911E, February 1, 1954.

Affidavit must be signed and sworn to by candidate. Op. Atty. Gen. 911L, August 6, 1942.

Affidavit could not be accepted for filing on legal holiday. Op. Atty. Gen. 1922, No. 270, p. 216.

#### 204B.10 AFFIDAVITS OF CANDIDACY; NOMINATING PETITIONS; DUTIES.

Subdivision 1. **Affidavits of candidacy; numbering.** The official with whom affidavits of candidacy are filed shall number them in the order received.

Subd. 2. **Nominating petitions; acknowledgment; numbering.** On the day a nominating petition is filed, the election official shall deliver or mail an acknowledgment of the petition to the individual who files it and to the candidate who is to be nominated. Subd. 4. **Certification.** The secretary of state shall certify to the county auditor of each county the names of all candidates nominated by petitions filed with the secretary of state. Certification shall be made at the same time as the secretary of state certifies the names of candidates who are nominated at the primary.

## 2023 MINNESOTA ELECTION LAWS

Subd. 5. **Improper name.** If the filing officer determines that use on the ballot of the candidate's name as written on the affidavit of candidacy would violate section 204B.35, subdivision 2, the filing officer shall immediately notify the candidate and shall certify for the ballot the candidate's true name instead of the name as written on the affidavit.

Subd. 6. **Ineligible voter.** Upon receipt of a certified copy of a final judgment or order of a court of competent jurisdiction that a person who has filed an affidavit of candidacy or who has been nominated by petition:

- (1) has been convicted of treason or a felony and the person's civil rights have not been restored;
- (2) is under guardianship in which the court order revokes the ward's right to vote; or

(3) has been found by a court of law to be legally incompetent; the filing officer shall notify the person by certified mail at the address shown on the affidavit or petition, and, for offices other than President of the United States, Vice President of the United States, United States Senator, and United States Representative in Congress, shall not certify the person's name to be placed on the ballot. The actions of a filing officer under this subdivision are subject to judicial review under section 204B.44.

Secretary of State was not required to review would-be state senate candidate's affidavit of candidacy for completeness; statute establishing duties of election officials with respect to affidavits of candidacy were provided by statute, and statute did not include such a requirement. *In re Pfliger*, 819 N.W.2d 620 (Minn. 2012).

Secretary of state may pass upon form and sufficiency of nominating petition, but has no authority to determine whether candidate is qualified to serve. Op. Atty. Gen., 911, June 14, 1948.

#### 204B.11 CANDIDATES; FILING FEES; PETITION IN PLACE OF FILING FEE.

Subdivision 1. **Amount; dishonored checks; consequences.** Except as provided by subdivision 2, a filing fee shall be paid by each candidate who files an affidavit of candidacy. The fee shall be paid at the time the affidavit is filed. The amount of the filing fee shall vary with the office sought as follows:

(a) for the office of governor, lieutenant governor, attorney general, state auditor, secretary of state, representative in Congress, judge of the Supreme Court, judge of the Court of Appeals, or judge of the district court, \$300;

(b) for the office of senator in Congress, \$400;

(c) for office of senator or representative in the legislature, \$100;

(d) for a county office, \$50; and

(e) for the office of soil and water conservation district supervisor, \$20.

For the office of presidential elector, and for those offices for which no compensation is provided, no filing fee is required.

The filing fees received by the county auditor shall immediately be paid to the county treasurer. The filing fees received by the secretary of state shall immediately be paid to the commissioner of finance.

When an affidavit of candidacy has been filed with the appropriate filing officer and the requisite filing fee has been paid, the filing fee shall not be refunded. If a candidate's filing fee is paid with a check, draft, or similar negotiable instrument for which sufficient funds are not available or that is dishonored, notice to the candidate of the worthless instrument must be sent by the filing officer via registered mail no later than immediately upon the closing of the filing deadline with return receipt requested. The candidate will have five days from the time the filing officer receives proof of receipt to issue a check or other instrument for which sufficient funds are available. The candidate issuing the worthless instrument is liable for a service charge pursuant to section

604.113. If adequate payment is not made, the name of the candidate must not appear on any official ballot and the candidate is liable for all costs incurred by election officials in removing the name from the ballot.

Subd. 2. **Petition in place of filing fee.** At the time of filing an affidavit of candidacy, a candidate may present a petition in place of the filing fee. The petition may be signed by any individual eligible to vote for the candidate. A nominating petition filed pursuant to section 204B.07 is effective as a petition in place of a filing fee if the nominating petition includes a prominent statement informing the signers of the petition that it will be used for that purpose.

The number of signatures on a petition in place of a filing fee shall be as follows:

(a) for a state office voted on statewide, or for president of the United States, or United States senator, 2,000;

(b) for a congressional office, 1,000;

(c) for a county or legislative office, or for the office of district judge, 500; and

(d) for any other office which requires a filing fee as prescribed by law, municipal charter, or ordinance, the lesser of 500 signatures or five percent of the total number of votes cast in the municipality, ward, or other election district at the preceding general election at which that office was on the ballot.

An official with whom petitions are filed shall make sample forms for petitions in place of filing fees available upon request.

**VACANCY IN NOMINATION**

**204B.13 VACANCY IN NOMINATION; PARTISAN OFFICE.**

Addition of subd. 6a is effective July 1, 2023.

Subdivision 1. **Partisan office.** (a) A vacancy in nomination for a partisan office must be filled in the manner provided by this section. A vacancy in nomination exists for a partisan office when a major political party candidate who has been nominated in accordance with section 204D.03, subdivision 3, or 204D.10, subdivision 1:

(1) dies;

(2) withdraws by filing an affidavit of withdrawal, as provided in paragraph (b), at least one day prior to the general election with the same official who received the affidavit of candidacy; or

(3) is determined to be ineligible to hold the office the candidate is seeking, pursuant to a court order issued under section 204B.44.

(b) An affidavit of withdrawal filed under paragraph (a), clause (2), must state that the candidate has been diagnosed with a catastrophic illness that will permanently and continuously incapacitate the candidate and prevent the candidate from performing the duties of the office sought, if elected. The affidavit must be accompanied by a certificate verifying the candidate's illness meets the requirements of this paragraph, signed by at least two licensed physicians. The affidavit and certificate may be filed by the candidate or the candidate's legal guardian.

Subd. 2. **Partisan office; nomination by party; special election.** (a) Except as provided in subdivision 5, a major political party may fill a vacancy in nomination of that party's candidate as defined in subdivision 1, paragraph (a), clause (1), (2), or (3), by filing one nomination certificate with the same official who received the affidavits of candidacy for that office.

A major political party may provide in its governing rules a procedure, including designation of an appropriate committee, to fill a vacancy in nomination for any federal or state partisan office. The nomination certificate shall be prepared under the direction of and executed by the chair and secretary of the political party and filed within the timelines established in this section. When filing the certificate the chair and secretary shall attach an affidavit stating that the newly nominated candidate has been selected under the rules of the party and that the individuals signing the certificate and making the affidavit are the chair and secretary of the party.

The name of the candidate nominated by the party must appear on the general election ballot.

(c) Except as provided in subdivision 5, in the case of a vacancy in nomination for a partisan office that occurs after the 79th day before the general election, the general election ballot shall remain unchanged, but the county and state canvassing boards must not certify the vote totals for that office from the general election, and the office must be filled at a special election held in accordance with this section. Except for the vacancy in nomination, all other candidates whose names appeared on the general election ballot for the office must appear on the special election ballot for the office. New affidavits of candidacy or nominating petitions may not be accepted, and there must not be a primary to fill the vacancy in nomination. The major political party may file a nomination certificate as provided in paragraph (a), no later than seven days after the general election. On the date of the general election, the county auditor or municipal clerk shall post a notice in each precinct affected by a vacancy in nomination under this paragraph, informing voters of the reason for the vacancy in nomination and the procedures for filling the vacancy in nomination and conducting a special election as required by this section. The secretary of state shall prepare and electronically distribute the notice to county auditors in each county affected by a vacancy in nomination.

If a vacancy in nomination for a major political party occurs in the race for lieutenant governor, the candidate for governor shall select the candidate for lieutenant governor.

(b) For a vacancy in nomination for lieutenant governor that occurs on or before the 79th day before the general election, the name of the lieutenant governor candidate must be submitted by the governor candidate to the filing officer no later than 71 days before the general election. (c) When a vacancy in nomination for lieutenant governor occurs after the 79<sup>th</sup> day before the general election, the county auditor or municipal clerk shall post a notice in each precinct affected by the vacancy in nomination. The secretary of state shall prepare and electronically distribute the notice to county auditors. The county auditor must ensure that each precinct in the county receives the notice prior to the opening of the polls on election day. The notice must include:

### NOTES AND DECISIONS

#### 204B.13

Plaintiffs were likely to succeed on merits of claim that statute requiring general election for congressional seat to be postponed when major-party candidate dies within 79 days before election is preempted by federal statute setting day for congressional elections. *Craig v. Simon*, 980 N.W.2d 614 (8<sup>th</sup> Cir. 2020).

When candidate is deemed ineligible, proper relief is in form of special election, rather than removal of major party candidate's name from general election ballot; candidate was ineligible to hold office as he did not meet residency requirement, order declaring candidate ineligible created vacancy in nomination that invoked special election procedures under statute, and county and state canvassing boards were directed to not certify vote totals for office from general election. *Monaghan v. Simon*, 888 N.W.2d 324 (Minn. 2016).

Major political party had statutory authority to fill vacancy in nomination for any partisan office occurring after primary when originally nominated candidate withdrew by filing affidavit of withdrawal, and therefore name of withdrawn candidate was required to be removed from general election ballot and replaced by name of party-endorsed candidate for State Representative; statutes governing substitution of a withdrawn candidate did not limit the procedure outlined to constitutional offices; rather the relevant definition of "vacancy in nomination" included both partisan and nonpartisan candidates. *Martin v. Dicklich*, 823 N.W.2d 336 (Minn. 2012).

After withdrawal of gubernatorial candidate, lieutenant governor candidate not entitled to have name on ballot. *Clark v. Growe*, 461 N.W. 2d 385 (Minn. 1990).

## 2023 MINNESOTA ELECTION LAWS

### NOTES AND DECISIONS

#### 204B.33

Secretary of State was a proper party-respondent on ballot challenge by voter and judicial candidate seeking an order striking name of appointed associate justice of state Supreme Court from primary and general election ballots or, alternatively, striking designation of that associate justice as the incumbent on those ballots; although Secretary of State was not directly responsible for printing and preparation of ballots, ballot challenge concerned office for which voting was conducted statewide and for which the Secretary of State had provided the challenged ballot information to all 87 county auditors. *Clark v. Pawlenty*, 755 N.W.2d 293, (Minn. 2008) *certiorari denied* 129 S.Ct. 2056.

In the absence of fraud or other positive wrongdoing, the failure of election officials to give the required notice is not grounds for invalidating an election. *State ex rel. Maffett v. Turnbull*, 212 Minn. 382, 3 N.W. 2d 674 (1942).

#### 204B.34 NOTICE OF ELECTION.

Subdivision 1. **State elections.** At least 15 days before any state primary or state general election the municipal clerk shall post in the clerk's office a notice stating the offices for which candidates must be nominated or elected, the location of each polling place in the municipality, and the hours for voting. An optional provision of the notice may include municipal offices for which candidates must be nominated or elected. The county auditor shall post a similar notice in the auditor's office including information concerning any polling places in unorganized territory in the county. The governing body of a municipality or county may publish this notice in addition to posting it. Failure to give the notice required in this section shall not invalidate a state primary or state general election.

Subd. 2. **Municipal elections.** Notice of municipal elections shall be given as provided in sections 205.13, subdivision 2; and 205.16, subdivision 1.

Subd. 3. **Judicial elections.** When one or more justices of the supreme court or judges of the court of appeals or of a district court are to be nominated at the same primary or elected at the same general election, the notice of election shall state the name of each justice or judge whose successor is to be nominated or elected.

Subd. 4. **School district elections.** Notice of school district elections shall be given as provided in sections 205A.06, subdivision 2; and 205A.07, subdivision 1.

The name of a candidate shall not appear on a ballot in any way that gives the candidate an advantage over an opponent, including words descriptive of the candidate's occupation, qualifications, principles, or opinions, except as otherwise provided by law.

## 2023 MINNESOTA ELECTION LAWS

Subd. 3. **Number.** The official in charge of preparing ballots shall prepare a sufficient number of ballots:

(a) To fill applications of absentee voters; and

Subd. 4. **Absentee ballots; preparation; delivery.** At least 46 days before an election, ballots necessary to fill applications of absentee voters shall be prepared and delivered to the officials who administer the provisions of chapter 203B, except as provided in this subdivision. Ballots necessary to fill applications of absentee voters for a town general election held in March shall be prepared and delivered to the town clerk at least 30 days before the election.

### NOTES AND DECISIONS

#### 204B.35

The ballot itself and the candidate information on the ballot are intended to assist the voter identifying “easily and accurately” the candidates for whom they wish to vote; the purpose of the election ballot is not to provide a forum for candidates to campaign or advertise. *Weler v. Ritchie*, 788, N.W. 2d 879 (Minn. 2010).

Purpose of statute requiring designation of incumbent judicial candidate on election ballot, namely, to inform the voters, was sufficient to justify minimal intrusion, if any, on First Amendment rights of voter and nonincumbent Supreme Court candidate bringing ballot challenge to that statute. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008) *certiorari denied* 129 S.Ct. 2056.

Any advantage conveyed by placement on election ballot of word “incumbent” after name of judicial candidate who currently holds the seat being sought is a permissible statutory exception to general prohibition against having candidate’s name appear in a way giving an advantage over an opponent. *Clark v. Pawlenty*, 755 N.W. 2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Affidavit of candidate for associate justice of Supreme Court, attesting to her view that the word “incumbent” next to name of a candidate gave any candidate a distinct advantage over an opponent and stating that her view was based on her experience in talking with voters and in running for county commissioner in a race in which the incumbent label was not used, was inadequate to establish as a fact the existence of an advantage based on statute requiring designation of the incumbent, where candidate was not presented as an expert in those matters. *Clark v. Pawlenty* 755 N.W. 2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Studies that assertedly concluded that the name appearing first in a list of candidates attracted a larger than random share of the vote did not support proposition that statute requiring placement of the word “incumbent” after name of judicial candidate who currently held the seat in question attracted a disproportionate share of the vote to that candidate. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Court will not change political party or principle as stated on presidential electors’ nominating petition, notwithstanding dispute over entitlement to use of similar party names, absent showing of significant degree of confusion. *Scofield v. Kiffmeyer*, 620 N.W.2d 24 (Minn. 2000).

Candidate could appear on ballot only under true name or name by which candidate was commonly known. *Clifford v. Hoppe*, 357 N.W.2d 98 (Minn. 1984).

The statutes do not permit endorsed candidates to appear on primary election ballots as a slate or ticket. *Mattson v. McKenna*, 301 Minn. 103, 222 N.W. 2d 273 (1974).

One who intends to question form or contents of official ballot must take timely action or not be permitted to complain. *Marsh v. Holm*, 238 Minn. 25, 55 N.W. 2d 302 (1952).

Use of term “DFL-Endorsed” on ballot next to candidates’ names violated statutory prohibition on ballot designations descriptive of candidate’s occupation, qualifications, principles, or opinions. *Schiff v. Griffin*, 639 N.W.2d 56 (Minn. App. 2002).

Write-in votes are authorized for presidential electors. Op. Atty. Gen. 28C-5, October 5, 1968.

### **204B.36 BALLOTS; FORM.**

Subdivision 1. **Type.** All ballots shall be printed with black ink on paper of sufficient thickness to prevent the printing from being discernible from the back. All ballots shall be printed in easily readable type with suitable lines dividing candidates, offices, instructions and other matter printed on ballots. The same type shall be used for the names of all candidates on the same ballot.

Subd. 2. **Candidates and offices.** The name of each candidate shall be printed at a right angle to the length of the ballot. At a general election the name of the political party or the political principle of each candidate for partisan office shall be printed above or below the name of the candidate. The name of a political party or a political principle shall be printed in capital and lower case letters of the same type, with the capital letters at least one-half the height of the capital letters used for names of the candidates. At a general or special election, blank lines containing the words "write-in, if any" shall be printed below the name of the last candidate for each office, or below the title of the office if no candidate has filed for that office, so that a voter may write in the names of individuals whose names are not on the ballot. One blank line shall be printed for each officer of that kind to be elected. At a primary election, no blank lines shall be provided for writing in the names of individuals whose names do not appear on the primary ballot.

On the left side of the ballot at the same level with the name of each candidate and each blank line shall be printed an oval or similar target shape in which the voter may designate a vote by filling in the oval or similar mark if a different target shape is used. Each oval or target shape shall be the same size. Above the first name on each ballot shall be instructions for voting. Directly underneath the official title of each office shall be printed the words "Vote for one" or "Vote for up to ..." (any greater number to be elected).

Subd. 3. **Question; form of ballot.** When a question is to be submitted to a vote, a concise statement of the nature of the question shall be printed on the ballot. The words, "Yes" and "No" shall be printed to the left of this statement, with an oval or similar target shape to the left of each word so that the voter may indicate by a mark either a negative or affirmative vote. The ballot shall include instructions directing the voter to fill in the oval or similar mark if a different target shape is used, before the word "Yes" if the voter desires to vote for the question, or to fill in the oval or similar mark if a different target shape is used, before the word "No" if the voter desires to vote against the question.

Subd. 4. **Judicial candidates.** The official ballot shall contain the names of all candidates for each judicial office and shall state the number of those candidates for whom a voter may vote. Each seat for an associate justice, associate judge, or judge of the district court must be numbered. The words "Supreme Court," "Court of Appeals," and "(number) District Court" must be printed above the respective judicial office groups on the ballot. The title of each judicial office shall be printed on the official primary and general election ballot as follows:

- (a) In the case of the Supreme Court: "Chief justice"; "Associate justice (number)";
- (b) In the case of the Court of Appeals: "Judge (number)"; or
- (c) In the case of the district court: "Judge (number)."

## 2023 MINNESOTA ELECTION LAWS

Subd. 5. **Designation of incumbent; judicial offices.** If a chief justice, associate justice, or judge is a candidate to succeed again, the word “incumbent” shall be printed after that judge’s name as a candidate.

### NOTES AND DECISIONS

#### 204B.36

Constitutional challenges in § 1983 action by voter and prospective candidates for Minnesota Supreme Court Chief Justice, claiming that Minnesota constitutional provision requiring Governor to fill all judicial vacancies by appointment, Minnesota statute governing incumbency designation for judges, and alleged systematic overuse of vacancies and appointments to avoid elections violated constitutional rights, were barred, under *Rooker-Feldman* doctrine, because challenges were inextricably intertwined with prior state-court claims that were rejected before federal district court challenges were filed by voter and candidates. *Robins v. Ritchie*, 631 F.3d 919 (8<sup>th</sup> Cir. 2011).

Purpose of statute requiring designation of incumbent judicial candidate on Election ballot, namely, to inform the voters, was sufficient to justify minimal intrusion, if any, on First Amendment rights of voter and nonincumbent supreme court candidate bringing ballot challenge to that statute. *Clark v. Pawlenty*, 755 N.W. 2d 293 (Minn. 2008), *certiorari denied* S.Ct. 2056.

Statute requiring placement of the word “incumbent” on election ballot after name of judicial candidate who currently held the seat in question did not sufficiently interfere with First Amendment rights of candidates and voters to warrant strict scrutiny; statute did not deny any candidate access to the ballot, rotation system required by another statute ensured that names of each candidate would appear in first ballot position roughly an equal number of times, and incumbent designation did not prevent a voter from voting for any candidate of voter’s choosing. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Statute requiring placement of the “incumbent” on election ballot after name of judicial candidate who currently holds the seat in question does not violate State Constitution based on the asserted advantage provided to an incumbent by that designation on the ballot. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *Certiorari denied* 129 S.Ct. 2056.

Studies that assertedly concluded that the name appearing first in a list of candidates attracted a larger than random share of the vote did not support proposition that statute requiring placement of the word “incumbent” after name of judicial candidate who currently held the seat in question attracted a disproportionate share of the vote to that candidate. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Affidavit of candidate for associate justice of Supreme Court, attesting to her view that the word “incumbent” next to name of a candidate gave any candidate a distinct advantage over an opponent and stating that her view was based on her experience in talking with voters and in running for county commissioner in a race in which the incumbent label was not used, was inadequate to establish as a fact the existence of an advantage based on statute requiring designation of the incumbent, where candidate was not presented as an expert in those matters. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 119 S.Ct. 2056.

Any advantage conveyed by placement on election ballot of word “incumbent” after name of judicial candidate who currently holds the seat being sought is a permissible statutory exception to general prohibition against having candidate’s name appear in a way giving an advantage over an opponent. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Qualification of judicial candidates for the incumbent designation on election ballot under applicable statute is not limited to those who have previously been elected to judicial office. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Amendment that substituted phrase “succeed again” in place of phrase “succeed himself”, in statute requiring that the word “incumbent be printed on election ballot after the name of a chief justice, associate justice or judge who is a candidate to succeed himself, was intended to be only a gender-neutral version of “succeed himself” and was not intended to connote a limitation on the method of attaining office needed to qualify for the incumbent designation. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Appointed associate justice of state Supreme Court who sought election to regular term was a candidate to “succeed again” under statute requiring designation of a chief justice, associate justice, or judge as the incumbent on election ballot; appointed justice was the successor to justice whose resignation created vacancy. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Statute providing for designation of incumbent judges on ballot does not violate equal protection clause. *Peterson v. Stafford*, 490 N.W.2d 418 (Minn. 1992), *cert. denied*, 507 U.S. 1033 (1992).

Former section 203A.33 requiring party-designated candidates’ names to be placed before independent candidates’ names on partisan ballot held constitutional. *Ulland v. Growe*, 262 N.W.2d 412 (Minn. 1978), *cert. denied*, *Berg v. Growe*, 436 U.S. 927 (1978).

The statutes do not permit endorsed candidates to appear on primary election ballots as a slate or ticket. *Mattson v. McKenna*, 222 N.W. 2d 273 (Minn. 1974).

One who intends to question form or contents of official ballot must take timely action or not be permitted to complain. *Marsh v. Holm*, 238 Minn. 25, 55 N.W. 2d 302 (1952).

When the similarity of both the first and last names of two or more candidates for the same office at the same election may cause confusion to voters, up to three additional words may be printed on the ballot after each surname to indicate the candidate’s occupation, office, residence or any combination of them if the candidate furnishes the identifying words to the filing officer by the last day for withdrawal of candidacy.

The substitute ballots shall be prepared in the same form as official ballots as far as practicable. The word “Substitute” shall be printed in brackets immediately above the words “Official Ballot.” When the substitute ballots are delivered to the municipal clerks or election judges they shall be accompanied by an initialed affidavit of the officer preparing them. The affidavit shall state that the substitute ballots have been prepared and furnished in the manner prescribed by this section and shall state the reason why sufficient official ballots were not ready for delivery. The election judges shall include this affidavit with the election returns from that precinct.

**History:** 1981 c 29 art 4 s 39

**204B.40 BALLOTS, ELECTION RECORDS AND OTHER MATERIALS; DISPOSITION; INSPECTION OF BALLOTS.**

The county auditors, municipal clerks, and school district clerks shall retain all election materials returned to them after any election for at least 22 months from the date of that election. All records and materials must be stored in a locked container or other secured and locked space. All election materials involved in a contested election must be retained for 22 months or until the contest has been finally determined, whichever is later. Abstracts filed by canvassing boards shall be retained permanently by any officer with whom those abstracts are filed. Election materials no longer required to be retained pursuant to this section shall be disposed of in accordance with sections 138.163 to 138.21. Sealed envelopes containing voted ballots must be retained unopened, except as provided in this section, in a secure location. The county auditor, municipal clerk, or school district clerk shall not permit any voted ballots to be tampered with or defaced.

After the time for filing a notice of contest for an election has passed, the secretary of state may, for the purpose of monitoring and evaluating election procedures: (1) open the sealed ballot envelopes and inspect the ballots for that election maintained by the county auditors, municipal clerks, or school district clerks; (2) inspect the polling place rosters and completed voter registration applications; or (3) examine other forms required in the Minnesota election laws for use in the polling place. No inspected ballot or document may be marked or identified in any manner. After inspection, all ballots must be returned to the ballot envelope and the ballot envelope must be securely resealed. Any other election materials inspected or examined must be secured or resealed. No polling place roster may be inspected until the voting history for that precinct has been posted. No voter registration application may be inspected until the information on it has been entered into the statewide registration system.

**History:** 1981 c 29 art 4 s 43

**204B.44 ERRORS AND OMISSIONS; REMEDY.**

Any individual may file a petition in the manner provided in this section for the correction of any of the following errors, omissions or wrongful acts which have occurred or are about to occur:

(a) An error or omission in the placement or printing of the name or description of any candidate or any question on any official ballot, including the placement of a candidate on the official ballot who is not eligible to hold the office for which the candidate has filed;

(b) Any other error in preparing or printing any official ballot;

(c) Failure of the chair or secretary of the proper committee of a major political party to execute or file a certificate of nomination;

(d) Any wrongful act, omission, or error of any election judge, municipal clerk, county auditor, canvassing board or any of its members, the secretary of state, or any other individual charged with any duty concerning an election.

The petition shall describe the error, omission or wrongful act and the correction sought by the petitioner. The petition shall be filed with any judge of the supreme court in the case of an election for state or federal office or any judge of the district court in that county in the case of an election for county, municipal, or school district office. The petitioner shall serve a copy of the petition on the officer, board or individual charged with the error, omission or wrongful act, on all candidates for the office in the case of an election for state, federal, county, municipal, or school district office, and on any other party as required by the court. Upon receipt of the petition the court shall immediately set a time for a hearing on the matter and order the officer, board or individual charged with the error, omission or wrongful act to correct the error or wrongful act or perform the duty or show cause for not doing so. In the case of a review of a candidate's eligibility to hold office, the court may order the candidate to appear and present sufficient evidence of the candidate's eligibility. The court shall issue its findings and a final order for appropriate relief as soon as possible after the hearing. Failure to obey the order is contempt of court.

**NOTES AND DECISIONS**

**204B.44**

Petitioner claiming that election officials committed error, omission, or wrongful act bears burden to prove officials made error that requires correction. *Butler v. City of St. Paul*, 936 N.W.2d 478 (Minn. 2019).

Petitioner failed to carry burden of demonstrating city election officials committed error, omission, or wrongful act in refusing to put petition to amend city's charter on ballot where petitioner produced no evidence to demonstrate that city wrongly rejected any signature. *Butler v. City of St. Paul*, 936 N.W.2d 478 (Minn. 2019).

First Amendment's Free Speech Clause permits state to take reasonable steps to exclude some forms of advocacy from polling place to ensure that partisan discord not follow the voter up to the voting booth and distract from a sense of shared civic obligation at the moment it counts the most. *Minn. Voters Alliance v. Mansky*, 138 S.Ct. 1876 (2018).

Contest between citizens and city over citizens' right to place proposed city charter amendment on ballot was justiciable, and therefore Minnesota Supreme Court had jurisdiction to resolve issue of whether city properly directed clerk not to place proposed amendment on ballot. *Bicking v. City of Minneapolis*, 891 N.W.2d 304 (Minn. 2017).

Minnesota Legislature is not proper respondent to petition under statute because it has no duty to complete procedural and mechanical duties for an election. *Carlson v. Simon*, 888 N.W.2d 467 (Minn. 2016).

## 2023 MINNESOTA ELECTION LAWS

Attorney general was not proper respondent to petition under statute where attorney general played no role in events surrounding candidacy, held no duty concerning election, and could not implement relief requested; secretary of state was proper respondent where secretary of state prepared guide for candidates directing candidates for judicial office to “submit a copy of a current Minnesota law license,” county auditor consulted with secretary in deciding to reject candidate’s affidavit of candidacy because copy of his attorney license was not attached to affidavit, and secretary notified election officials in district that seat would not be included on primary ballot. *Moulton v. Simon*, 883 N.W.2d 819 (Minn. 2016).

Even if supreme court had original jurisdiction pursuant to statute authorizing court proceedings to correct wrongful acts by election officials, supreme court would not exercise its jurisdiction over petition asserting that election officials were not taking necessary steps to ensure that ineligible voters were not permitted to vote; petition’s broad challenge relating to all matters on general election ballot could be addressed in district court, which would allow for litigation of factual disputes, and district court proceedings, followed by any needed appellate review, would provide adequate remedy and protect important public interest in ensuring fairness in state elections. *Minnesota Voters Alliance v. Simon*, 885 N.W.2d 660 (Minn. 2016).

Principal purpose of a petition filed with Minnesota Supreme Court to correct “errors, omissions, or wrongful acts” by Secretary of State with respect to elections is to provide a mechanism for correcting errors alleged to have occurred before the election, such as in preparing or printing the official ballot; political party’s challenge to decertification as minor party was not within statute. *Begin v. Ritchie*, 836 N.W.2d 545 (Minn. 2013).

Secretary of State was a proper party to candidate’s petition seeking an order requiring county auditor and Secretary of State to place candidate’s name on the ballot after previously-endorsed candidate withdrew from election, where, although Secretary of State had taken no action on the ballot issues at hand, Secretary’s interests in ballot preparation and election administration were implicated by the candidate and chairman of party’s request for relief. *Martin v. Dicklich*, 823 N.W.2d 336 (Minn. 2012).

State senate candidate had burden to prove that leaving his name off the ballot was an error of which of which Supreme Court was required to order correction by county auditor; candidate could not show that signers of nominating petition whose signatures were rejected for lack of a residence address on the petition lived within legislative district and, thus, did not meet his burden to prove that leaving his name off of ballot was an error of which Supreme Court was required to order correction by county auditor. *Paquin v. Mack*, 788 N.W.2d 899 (Minn. 2010).

Petitioner bore burden of proof, by preponderance of the evidence, in action to challenge name by which candidate for statewide office sought to be listed on election ballot; petitioner did not contest candidate’s eligibility to appear on the ballot, but only the manner in which his name should appear. *Weiler v. Ritchie*, 788 N.W. 2d 879 (Minn. 2010).

Secretary of State was, but governor was not, a necessary or proper party to a ballot challenge petition seeking to require Secretary of State to accept candidate filing for the seat of Supreme Court chief justice and to place the chief justice seat on election ballot. *Clark v. Ritchie*, 787 NW2d 142 (Minn. 2010).

Where candidates and local election officials agreed that certain absentee ballot return envelopes were rejected in error, thereby establishing that correction would have reflected the true vote of the people, local election officials were authorized to correct such errors without awaiting an election contest; local election officials had determined that some absentee ballot return envelopes were rejected in error, and neither candidate alleged, nor was there any evidence to suggest, that those errors were anything but innocent. *Coleman v. Ritchie*. 759 N.W.2d 47 (Minn. 2009).

Contested errors made by county election officials in the acceptance or rejection of absentee ballot return envelopes were not errors in “the counting or recording of the votes” and therefore could not be corrected by a county canvassing board under governing elections statutes, but were instead subject to review and correction in election contest; because erroneous rejection of an absentee ballot envelope was not evident from an examination of the returns and because rejected absentee ballots were neither counted nor recorded, the erroneous rejection of an absentee ballot return envelope was outside the scope of the authority conferred by the legislature on county canvassing boards for identification of “obvious errors” in counting or recording of the votes. *Coleman v. Ritchie*, 759 N.W.2d 47 (Minn. 2009).

Secretary of State was a proper party-respondent on ballot challenge by voter and judicial candidate seeking an order striking name of appointed associate justice of state Supreme Court from primary and general election ballots or, alternatively, striking designation of that associate justice as the incumbent on those ballots; although Secretary of State was not directly responsible for printing and preparation of ballots, ballot challenge concerned office for which voting was conducted statewide and for which the Secretary of State had provided the challenged ballot information to all 87 county auditors. *Clark v. Pawlenty*, 755 N.W.2d 293, (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Governor was neither a proper nor a necessary party on ballot challenge by voter and judicial candidate seeking an order striking name of appointed associate justice of state Supreme Court from primary and general election ballots or, alternatively, striking designation of that associate justice as the incumbent on those ballots; the only actions of governor alleged in petition were appointments to fill judicial vacancies, petition did not and could not seek to bar governor from doing so in the future and governor could not implement any of the relief requested, as he was not responsible in any manner for preparation of ballots. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Laches barred consideration of ballot challenge by voter and Supreme Court candidate, filed less than 30 days before primary election, for order striking from primary ballot the name of appointed associate justice or, alternatively, striking the designation of appointed justice as the incumbent; petitioners unreasonably delayed assertion of arguments that appointed justice was precluded from running for election or being designated the incumbent, and there would be significant potential prejudice to election officials, to appointed justice and other candidates, and to electorate if requested relief were granted. *Clark v. Pawlenty*, 755 N.W. 2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Supreme Court would address merits of claims in ballot challenge by voter and Supreme Court candidate seeking an order striking from general election ballot the name of appointed associate justice holding the seat in question or alternatively, striking the designation of appointed justice as the incumbent; legal and practical deadlines that gave rise to denial on laches grounds of the same claims with respect to primary election ballot had not yet occurred with respect to general election and addressing claims on merits would serve interest of judicial economy and remove uncertainty from election process. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

A candidate who has not resided in the legislative district for six months immediately preceding election is not qualified to run for state legislative office in that district. *Studer v. Kiffmeyer*, 712 N.W.2d 552 (Minn. 2006); *Melendez v. O’Connor*, 654 N.W.2d 114 (Minn. 2002).

Equitable doctrine of laches can prevent party from recovering under terms of statute, when plaintiff has not been diligent in asserting a known right at the expense of one who has been prejudiced by the delay. *Clayton v. ## 2023 MINNESOTA ELECTION LAWS

Election for a seat in the state legislature was an “election for state office,” even if district was situated entirely within one county, and thus, petition challenging placement of candidate’s name on ballot for that seat was properly filed with Supreme Court, and not with the district court. *Lundquist v. Leonard*, 652 N.W.2d 33 (Minn. 2002).

Supreme Court is authorized to correct any error or omission affecting ballots for election, not just procedural or mechanical ones. *Page v. Carlson*, 448 N.W.2d 274 (Minn. 1992).

Former section 203A.18 intended to protect potential candidates for public office from errors and omissions of persons charged with properly completed procedural and mechanical duties attendant to election process. It does not apply to error of applicant who in affidavit of candidacy inadvertently designated legislative district of her residence as “43B” instead of “43A” and who sought order directing county auditor to place her name on primary ballot. *Schroeder v. Johnson*, 252 N.W. 2d 851 (Minn. 1976).

Premeditated attempt to group names of endorsed candidates on primary election ballots would raise inference of unfairness sufficiently serious to constitute an error. *Mattson v. McKenna*, 301 Minn. 103, 222 N.W. 2d 273 (1974).

Candidates not admitted or entitled to be admitted to practice law in state are not eligible for office of associate justice of Supreme Court. In re *Scarrella*, 300 Minn. 500, 221 N.W. 2d 562 (1974).

Application for order preventing placement of candidate’s name on election ballot for any office must be timely made and clearly established; burden upon applicant to establish ineligibility must be heavy one in view of drastic nature of affirmative order and order must be promptly sought. *Moe v. Alsop*, 288 Minn. 323, 180 N.W. 2d 255 (1970).

Reconvened county canvassing board may be compelled under former section 203A.18 and under former section 204A.52, although latter is technically incorrect procedure. *Application of Andersen*, 264 Minn. 257, 119 N.W. 2d 1 (1962).

Former sections 202A.28 to 202A.31, relating to nomination of candidate for election by petition; included by inference in former M.S. 203A.18. *Williams v. Donovan*, 253 Minn. 493, 92 N.W. 2d 915 (1958).

Supreme Court had authority to prevent ballots improperly presenting proposed constitutional amendments. *Winget v. Holm*, 187 Minn. 78, 244 N.W. 331 (1932).

Voters seeking writ of mandamus to order school board to hold election for school board member were not entitled to mandamus relief, because alternative relief was available to voters. *Hauck v. Eastern Carver County Schs.*, 787 N.W.2d 227 (Minn. App. 2010).

Candidates’ allegation of ballot error was sufficient to confer standing under statute, and term “DFL-Endorsed” next to candidates’ names on ballot for city council was not statement of political principle within meaning of city ordinance allowing candidates to state party name or political principle on ballot in three words or less. *Schiff v. Griffin*, 639 N.W.2d 56 (Minn. App. 2002).

ballot board to examine the mail and absentee ballot return envelopes and mark them "accepted" or "rejected" within three days of receipt if there are 14 or fewer days before election day, or within five days of receipt if there are more than 14 days before election day. The board may consist of deputy county auditors or deputy municipal clerks who have received training in the processing and counting of mail ballots, who need not be affiliated with a major political party. Election judges performing the duties in this section must be of different major political parties, unless they are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before the election, the ballots in the envelope must remain sealed and the auditor or clerk shall provide the voter with a replacement ballot and return envelope in place of the spoiled ballot. If the ballot is rejected within five days of the election, the envelope must remain sealed and the official in charge of the ballot board must attempt to contact the voter by telephone or e-mail to notify the voter that the voter's ballot has been rejected. The official must document the attempts made to contact the voter.

If the ballot is accepted, the county auditor or municipal clerk must mark the roster to indicate that the voter has already cast a ballot in that election. After the close of business on the ~~seventh~~ 19th day before the election, the ballots from return envelopes marked "Accepted" may be opened, duplicated as needed in the manner provided by section 206.86, subdivision 5, initialed by the members of the ballot board, and deposited in the ballot box.

In all other respects, the provisions of the Minnesota Election Law governing deposit and counting of ballots apply.

The mail and absentee ballots for a precinct must be counted together and reported as one vote total. No vote totals from mail or absentee ballots may be made public before the close of voting on election day.

The costs of the mailing shall be paid by the election jurisdiction in which the voter ~~resides~~ maintain residence. Any ballot received by 8:00 p.m. on the day of the election must be counted.

Subd. 2a. **Procedure; voting on election day.** (a) The county auditor may make available a ballot counter and ballot box for use during voting hours on election day by the voters voting under this section. If a ballot counter and ballot box is provided on election day, a voter must be given the option to either:

- (1) vote using the procedures provided in subdivision 2; or
- (2) vote in the manner provided in this subdivision.

(b) When a voter appears in the designated polling place, the voter must state the voter's name, address, and, if requested, the voter's date of birth to the mail ballot voting official. The mail ballot voting official must confirm that the voter's registration is current in the statewide voter registration system and that the voter has not already cast a ballot in the election. If the voter's status is challenged, the voter may resolve the challenge as provided in section 204C.12. An individual who is not registered to vote or whose name or address has changed must register in the manner provided in section 201.061, subdivision 3. A voter who has already cast a ballot in the election must not be provided with a ballot.

(c) Each voter must sign the certification provided in section 204C.10. The signature of an individual on the voter's certificate and the issuance of a ballot to the individual is evidence of the intent of the individual to vote at that election. After signing the voter certification, two mail ballot voting officials must initial the ballot and issue it to the voter, and the voter must immediately retire to a voting station or other designated location in the polling place to mark the ballot. The voter must not take the ballot from the polling place. If the voter spoils the ballot, the voter may return it to the mail ballot voting official in exchange for a new ballot. After completing the ballot, the voter must deposit the ballot into the ballot counter and ballot box. The mail ballot voting official must immediately record that the voter has voted in the manner provided in section 203B.121, subdivision 3.

(d) The mail ballot voting official must remove and secure the ballots following the procedures in section 203B.121, subdivision 5, paragraph (a). The ballot board must count the ballots after the polls have closed on election day following the procedures in section 203B.121, subdivision 5, paragraph (b).

## 2023 MINNESOTA ELECTION LAWS

(e) For purposes of this subdivision, "mail ballot voting official" means the county auditor, the city clerk, a deputy of the auditor or clerk, or an election judge assigned by the auditor or clerk.

## 2023 MINNESOTA ELECTION LAWS

### MISCELLANEOUS

#### **204B.47 ALTERNATE ELECTION PROCEDURES; DUTIES OF SECRETARY OF STATE.**

When a provision of the Minnesota Election Law cannot be implemented as a result of an order of a state or federal court, the secretary of state shall adopt alternative election procedures to permit the administration of any election affected by the order. The procedures may include the voting and handling of ballots cast after 8:00 p.m. as a result of a state or federal court order or any other order extending the time established by law for closing the polls. The alternative election procedures remain in effect until the first day of July following the next succeeding final adjournment of the legislature, unless otherwise provided by law or by court order.

**History:** *1997 c 147 s 36; 2004 c 293 art 1 s 29*

#### **NOTES AND DECISIONS**

##### **204B.47**

Plaintiffs were likely to succeed on merits of claim that consent decree entered by state court extending absentee-ballot counting deadline beyond Election Day violated Electors Clause of U.S. Constitution, even though state law authorized Secretary of State to adopt alternative election procedures and extension was granted due to public health concerns during COVID-19 pandemic; Secretary of State had no power to override Minnesota legislature, and his power to adopt alternative procedures was limited to cases where election statute could not be implemented as result of court order. *Carson v. Simon*, 978 F.3d 1051 (8<sup>th</sup> Cir. 2020).

Secretary of State was a proper party-respondent on ballot challenge by voter and judicial candidate seeking an order striking name of appointed associate justice of state Supreme Court from primary and general election ballots or, alternatively, striking designation of that associate justice as the incumbent on those ballots; although Secretary of State was not directly responsible for printing and preparation of ballots, ballot challenge concerned office for which voting was conducted statewide and for which the Secretary of State had provided the challenged ballot information to all 87 county auditors. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008) *certiorari denied* 129 S.Ct. 2056.

#### **204B.49 “I VOTED” STICKERS.**

- (1) has successfully deposited a ballot into a ballot box, ~~under section 203B.081, subdivision 3, or 204C.13, subdivision 5;~~
- (2) is provided an absentee ballot under section 203B.07, subdivision 1, or 203B.21, subdivision 2; or

### NOTES AND DECISIONS

#### 204C.06

First Amendment's Free Speech Clause permits state to take reasonable steps to exclude some forms of advocacy from polling place to ensure that partisan discord not follow the voter up to the voting booth and distract from a sense of shared civic obligation at the moment it counts the most. *Minn. Voters Alliance v. Mansky*, 138 S.Ct. 1876 (2018).

Polling place in Minnesota qualifies as "nonpublic forum" for First Amendment free speech purposes because it is government-controlled property set aside for sole purpose of voting and as such is subject to rules that strictly govern who may be present, for what purpose, and for how long. *Minn. Voters Alliance v. Mansky*, 138 S.Ct. 1876 (2018).

Organization of statute criminalizing intentionally destroying ballots and use of "intentionally" indicates this is general-intent crime; defendant is entitled to jury instruction on defense of reliance on official government statement only if he presents prima facie that he relied on official government source that advised him it was legal to burn ballots. *State v. Shane*, 883 N.W.2d 606 (Minn. Ct. App. 2016).

Statutory violations in the conduct of elections do not of themselves invalidate an election. *Munnell v. Rowlette*, 275 Minn. 92, 145 N.W. 2d (1966).

**204C.12 CHALLENGES TO VOTERS; PENALTY.**

Subdivision 1. **Manner of challenging.** An election judge shall, and an authorized challenger or other voter may, challenge an individual based on personal knowledge that the individual is not an eligible voter.

## 2023 MINNESOTA ELECTION LAWS

Subd. 2. **Statement of grounds; oath.** A challenger must be a resident of this state. The secretary of state shall prepare a form that challengers must complete and sign when making a challenge. The form must include space to state the ground for the challenge, a statement that the challenge is based on the challenger's personal knowledge, and a statement that the challenge is made under oath. The form must include a space for the challenger's printed name, signature, telephone number, and address.

An election judge shall administer to the challenged individual the following oath:

"Do you solemnly swear (or affirm) that you will fully and truly answer all questions put to you concerning your eligibility to vote at this election?"

The election judge shall then ask the challenged individual sufficient questions to test that individual's residence and right to vote.

Subd. 3. **Determination of residence.** In determining the legal residence of a challenged individual, the election judges shall be governed by the principles contained in section 200.031. If the challenged individual's answers to the questions show ineligibility to vote in that precinct, the individual shall not be allowed to vote. If the individual has marked ballots but not yet deposited them in the ballot boxes before the election judges determine ineligibility to vote in that precinct, the marked ballots shall be placed unopened with the spoiled ballots. If the answers to the questions fail to show that the individual is not eligible to vote in that precinct and the challenge is not withdrawn, the election judges shall verbally administer the oath on the voter certificate to the individual. After taking the oath and completing and signing the voter certificate, the challenged individual shall be allowed to vote.

Subd. 4. **Refusal to answer questions or sign a polling place roster.** A challenged individual who refuses to answer questions or sign a polling place roster or voter signature certificate as required by this section must not be allowed to vote. A challenged individual who leaves the polling place and returns later willing to answer questions or sign a polling place roster or voter signature certificate must not be allowed to vote.

Subd. 5. **Election judges; penalty.** An election judge who fails to carry out the duties prescribed by this section is guilty of a gross misdemeanor.

**History:** 1981 c 29 art 5 s 12; 1983 c 253 s 13,14; 1986 c 444; 1990 c 585 s 28; 2005 c 156 art 6 s 46; 2010 c 201 s 38; 2014 c 288 art 2 s 6; 2017 c 92 art 1 s 19

### NOTES AND DECISIONS

#### 204C.12

Voting in elections is a constitutional right, and state election officials bear responsibility and duty to enforce constitutional and legislative requirements for exercise of that right. *Minnesota Voters Alliance v. Simon*, 885 N.W.2d 660 (Minn. 2016).

At time of voting only qualifications of voter are subject to challenge. *Bell v. Gannaway*, 303 Minn. 346, 227 N.W.2d 797 (1975).

In the absence of fraud, collusion or participation or consent of the voter, numbers placed on ballots by election officials which could be used to identify the ballots could be counted. *Johnson v. Swenson*, 246 Minn. 449, 119 N.W. 2d 723 (1963).

Before ballot shall be declared defective because of identifying marks thereon there must be evidence that the voter, and not an election judge or some other person, marked the ballot with distinguishing characteristics which evidenced the voter's intent to identify it. *Marshall v. Stepka*, 259 Minn. 533, 108 N.W. 2d 614 (1961).

Procedure for challenging voters as specified in the case of general election under former section 204A.39 would be the proper way for an election judge at an independent school district election to exercise his challenging power. Op. Atty. Gen. 187A-9, May 13, 1970.

The challenge of a voter may not be an automatic response to all seeking a ballot, it must be based on knowledge or reasonable suspicion that the prospective voter is not qualified, and any challenger who demonstrates a pattern of almost continuous challenge of voters would seem to indicate that he is not acting on knowledge or suspicion, but is merely seeking to obstruct voting process in violation of M.S. 210A.07. Op. Atty. Gen. 182, October 26, 1964.

**204C.13 RECEIVING AND MARKING BALLOTS.**

Subdivision 1. **Handing ballot to voter.** When the election judges are satisfied that an individual is eligible to vote in that precinct, the election judge in charge of the ballots shall give the voter only one ballot of each kind that is to be voted upon at that precinct. Each ballot shall be removed separately as needed for each voter from the previously initialed pile of ballots.

Subd. 2. **Voting booths.** One of the election judges shall explain to the voter the proper method of marking the ballots and, during a primary election, the effect of attempting to vote in more than one party's primary. Except as otherwise provided in section 204C.15, the voter shall retire alone to an unoccupied voting booth or, at the voter's discretion, the voter may choose to use another writing surface. The voter shall mark the ballots without undue delay. The voter may take sample ballots into the booth to assist in voting. The election judges may adopt and enforce reasonable rules governing the amount of time a voter may spend in the voting booth marking ballots.

Subd. 3. **Marking ballots.** (a) The voter shall mark each ballot as provided in this subdivision:

(b) The voter shall fill in the oval or similar mark if a different target shape is used, opposite the printed name of each candidate for whom the individual desires to vote, and in the oval or other target shape before the "Yes" or "No" if the individual desires to vote for or against a question.

(c) The voter may write in other names on the lines provided under the printed names of the candidates, except that no names shall be written in on primary ballots.

(d) At a state primary an individual may vote for candidates of only one major political party on the partisan primary ballot. If a partisan primary ballot contains votes for the candidates of more than one major political party, the ballot is totally defective and no vote on the partisan section of the ballot shall be counted.

(e) An individual who spoils a ballot may return it to the election judges and receive another.

**Subd. 4. [Repealed, 2015 c 70 art 1 s 63]**

Subd. 5. **Deposit of ballots in ballot box.** The voter shall then withdraw from the voting booth with the ballots and immediately deposit each ballot in the ballot box. Ballots that have not been initialed by the election judges as provided in section 204C.09, shall not be deposited in the ballot box.

Subd. 6. **Challenge of voter; time limits; disposition of ballots.** At any time before the ballots of any voter are deposited in the ballot boxes, the election judges or any individual who was not present at the time the voter procured the ballots, but not otherwise, may challenge the eligibility of that voter and the deposit of any received absentee ballots in the ballot boxes. The election judges shall determine the eligibility of any voter who is present in the polling place in the manner provided in section 204C.12, and if the voter is found to be not eligible to vote, shall place the ballots of that voter unopened among the spoiled ballots. The election judges shall determine whether to receive or reject the ballots of an absent voter and whether to deposit received absentee ballots in the ballot boxes in the manner provided in sections 203B.121 and 203B.24 and shall dispose of any absentee ballots not received or deposited in the manner provided in section 203B.121. A violation of this subdivision by an election judge is a gross misdemeanor.

Subd. 7. **Leaving the polling place.** An individual who has voted or whose ballot has been rejected shall leave the polling place and shall not return except as provided by section 204C.06 or 204C.07.

**History:** 1981 c 29 art 5 s 13; 1987 c 222 s 1; 2010 c 201 s 39; 2011 c 76 art 1 s 28; 2015 c 70 art 1 s 35-37; 1Sp2021 c 12 art 4 s 11

**NOTES AND DECISIONS**

**204C.13**

Challenge of candidate who was left off of ballot for State Representative in primary election to voter eligibility based on residence address was barred, where challenge only came after the ballots in question had been deposited in the ballot box. *Beaulieu v. Mack*, 788 N.W.2d 892 (Minn. 2010).

Candidate for United States Senator could not challenge legality of absentee ballots after ballots had been deposited in ballot box, and thus absentee ballot return envelopes, which had been opened and the enclosed ballots removed and counted in election, were admissible, in candidate's contest of

Before ballot shall be declared defective because of identifying marks thereon there must be evidence that the voter and not an election judge or some other person, marked the ballot with distinguishing characters which evidenced the voter's intent to identify it. *Marshall v. Stepka*, 259 Minn. 533, 108 N.W. 2d 614 (1961).

In canvassing, object is to give effect to voter intent, where manifested according to statute. *Murray v. Floyd*, 216 Minn. 69, 11 N.W.2d 780 (1943).

Irregular or imperfect mark did not invalidate ballot where mark intended to express voter's choice. *Pye v. Hanzel*, 200 Minn. 135, 273 N.W. 611 (1937).

### 204C.14 UNLAWFUL VOTING; PENALTY.

Subdivision 1. **Violations; penalty.** No individual shall intentionally:

(a) Misrepresent the individual's identity in applying for a ballot, depositing a ballot in a ballot box or attempting to vote by means of a voting machine or electronic voting system;

(b) Vote more than once at the same election;

(c) Put a ballot in a ballot box for any illegal purpose;

(d) Give more than one ballot of the same kind to an election judge to be placed in a ballot box;

(f) Aid, abet, counsel or procure another to do any act in violation of this section.

A violation of this section is a felony.

Subd. 2. **Signature on roster as evidence of intent.** For purposes of proving a violation of this section, the signature of an individual on a polling place roster or voter signature certificate is prima facie evidence of the intent of the individual to vote at that election.

#### NOTES AND DECISIONS

##### 204C.14

The criminal penalties in the election-eligibility statute (section 201.014) and the unlawful-voting statute (section 204C.14) do not apply to the caucus-eligibility statute (section 202A.16). *Minn. Democratic-Farmer-Labor Party by Martin v. Simon*, 970 N.W.2d 689 (Minn. Ct. App. 2022).

### 204C.15 ASSISTANCE TO VOTERS.

Amendments to subd. 1 are effective July 1, 2023.

Subdivision 1. **Physical assistance in marking ballots.** A voter who claims a need for assistance because of inability to read English or physical inability to mark a ballot may obtain the aid of two election judges who are members of different major political parties. The election judges shall mark the ballots as directed by the voter and in as secret a manner as circumstances permit. A voter in need of assistance may alternatively obtain the assistance of any individual the voter chooses. Only the following persons may not provide assistance to a voter: the voter's employer, an agent of the voter's employer, or an officer or agent of the voter's union, ~~or a candidate for election~~. The person who assists the voter shall, unaccompanied by an election judge, retire with that voter to a booth and mark the ballot as directed by the voter. ~~No person who assists another voter as provided in the preceding sentence shall mark the ballots of more than three voters at one election.~~ Before the ballots are deposited, the voter may show them privately to an election judge to ascertain that they are marked as the voter directed. An election judge or other individual assisting a voter shall not in any manner request, persuade, induce, or attempt to persuade or induce the voter to vote for any particular political party or candidate. The election judges or other individuals who assist the voter shall not reveal to anyone the name of any candidate for whom the voter has voted or anything that took place while assisting the voter.

## 2023 MINNESOTA ELECTION LAWS

Subd. 2. **Outside the polling place.** An individual who is unable to enter a polling place where paper ballots or an electronic voting system are used may register and vote without leaving a motor vehicle. Two election judges who are members of different major political parties shall assist the voter to register and to complete a voter's certificate and shall provide the necessary ballots. The voter may request additional assistance in marking ballots as provided in subdivision 1.

**Subd. 2a. [Repealed, 1Sp2001 c 10 art 18 s 44]**

Subd. 3. **Voting lines.** In all polling places two election judges shall assist a disabled voter to enter the polling place and go through the registration and voting lines. The voter may also request the assistance of election judges or any other individual in marking ballots, as provided in subdivision 1.

### NOTES AND DECISIONS

#### 204C.15

Plaintiffs were likely to succeed on merits of claim that statutory provision limiting ballot marking assistant to helping no more than three voters per election was preempted by federal Voting Rights Act. *DSCC v. Simon*, 950 N.W.2d 280 (Minn. 2020).

Federal Voting Rights Act preempts statutory prohibition on a candidate assisting a voter and prohibition on a person assisting more than three voters in an election. Enforcing these prohibitions would violate Supremacy Clause of U.S. Constitution. Op. Atty. Gen. 28a-6 (May 7, 2020).

Former section 204A.34 held to apply to village and town elections. Op. Atty. Gen. 490E, November 19, 1954.

It was not permissible for one of judges of election on election day to take ballot from polling place to home of sick or disabled person, permit such person to mark it and then return it to polling place and cast it in name of such person. Op. Atty. Gen. 28C-1, November 27, 1935.

#### 204C.16 MISMARKING BALLOTS; DISCLOSURE OF MARKINGS BY OTHERS; PENALTY.

An election judge or other individual who marks the ballot of any voter, except as authorized by law and as directed by the voter, or who informs anyone other than the voter how the ballot was marked, is guilty of a gross misdemeanor.

**History:** 1981 c 29 art 5 s 16

#### 204C.17 VOTING; SECRECY.

Except as authorized by section 204C.15, a voter shall not reveal to anyone in the polling place the name of any candidate for whom the voter intends to vote or has voted. A voter shall not ask for or receive assistance in the marking of a ballot from anyone within the polling place except as authorized by section 204C.15. If a voter, after marking a ballot, shows it to anyone except as authorized by law, the election judges shall refuse to deposit the ballot in any ballot box and shall place it among the spoiled ballots. Unless the showing of the ballot was clearly intentional, the voter shall receive another ballot as provided in section 204C.13, subdivision 3, clause (d).

**History:** 1981 c 29 art 5 s 17

#### 204C.18 BALLOTS; SECRECY.

Subdivision 1. **Party preferences; protection of secrecy.** The election judges shall make no entry or notation in the election register or anywhere else showing the political party to which a voter belongs or for which political party the voter voted. No election judge shall knowingly permit anyone in the polling place to make such an entry or notation.

Subd. 2. **Ballots; identifying marks; penalty.** No voter, election judge, or other individual shall place at any time a mark as a means of identification upon any ballot handed to or cast by a voter or upon spoiled or discarded ballots, except the initials authorized by section 204C.09. A violation of this subdivision is a gross misdemeanor.

**History:** 1981 c 29 art 5 s 18; 1986 c 444

Absent proof of intent to identify ballot, mark before blank line would not be a violation. *Murray v. Floyd*, 216 Minn. 69, 11 N.W.2d 780 (1943).

Purpose of prohibition of distinguishing marks on ballots is to preserve secrecy and prevent bribery, fraud and intimidation. *Aura v. Brandt*, 211 Minn. 281, 1 N.W.2d 381 (1942).

Not all marks or irregularities are to be considered violations of this section. *Hanson v. Emanuel*, 210 Minn. 271, 297 N.W. 749 (1941).

## BALLOT COUNTING; SUMMARY STATEMENTS

### 204C.19 COUNTING VOTES; PENALTY.

Subdivision 1. **Procedure.** When the hours for voting have ended and all voting has concluded, the election judges shall immediately count the votes cast at the election. The count shall be held at the polling place and shall be public. It shall be continued without intermission until it is completed and the results are declared, except that the election judges may recess for meals or other necessary purposes. During the count no one except the election judges shall handle the ballots. Any other individual who touches or interferes with ballots during the counting or any election judge who permits such touching or interference is guilty of a misdemeanor.

Subd. 2. **Ballots; order of counting.** Except as otherwise provided in this subdivision, the ballot boxes shall be opened, the votes counted, and the total declared. The election judges on each counting team shall be evenly divided between the major political parties. The numbers entered on the summary sheet shall not be considered final until the ballots in all the boxes have been counted and corrections have been made if ballots have been deposited in the wrong boxes.

Subd. 3. **Premature disclosure of count results.** No count results from any precinct shall be disclosed by any election judge or other individual until all count results from that precinct are available, nor shall the public media disclose any count results from any precinct before the time when voting is scheduled to end in the state.

**History:** 1981 c 29 art 5 s 19; 1987 c 266 art 1 s 38; 1991 c 227 s 17; 2013 c 131 art 2 s 34

### NOTES AND DECISIONS

#### 204C.19

Absentee ballot may not be challenged after deposit in ballot box except for invalidity on the face of the ballot. *Bell v. Gannaway*, 303 Minn. 346, 227 N.W. 2d 797 (1975).

Absentee ballot, which was torn and had been repaired by tape, was properly allowed on theory that it was mutilated ballot presumed to have been torn after it was received and counted by election officers. *Sperl v. Wegwerth*, 265 Minn. 47, 120 N.W. 2d 355 (1963).

It is improper for a clerk who is not a judge to handle ballots while judges are engaged in counting same. Op. Atty. Gen. 28A-3, December 12, 1950.

### 204C.20 BALLOTS; NUMBER TO BE COUNTED

Subdivision 1. **Determination of proper number.** The election judges shall determine the number of ballots to be counted by adding the number of return envelopes from accepted absentee ballots to the number of signed voter's certificates, or to the number of names entered in the election register. The election judges shall then remove all the ballots from the box. Without considering how the ballots are marked, the election judges shall ascertain that each ballot is separate and shall count them to determine whether the number of ballots in the box corresponds with the number of ballots to be counted.

Subd. 2. **Excess ballots.** If two or more ballots are found folded together like a single ballot, the election judges shall lay them aside until all the ballots in the box have been counted. If it is evident from the number of ballots to be counted that the ballots folded together were cast by one voter, the election judges shall preserve but not count them. If the number of ballots in one box exceeds the number to be counted, the election judges shall examine all the ballots in the box to ascertain that all are properly marked with the initials of the election judges. If any ballots are not properly marked with the initials of the election judges, the election judges shall preserve but not count them; however, if the number of ballots does not exceed the number to be counted, the absence of either or both sets of initials of the election judges does not, by itself, disqualify the vote from being counted and must not be the basis of a challenge in a recount. If there is still an excess of properly marked

## 2023 MINNESOTA ELECTION LAWS

ballots, the election judges shall replace them in the box, and one election judge, without looking, shall withdraw from the box a number of ballots equal to the excess. The withdrawn ballots shall not be counted but shall be preserved as provided in subdivision 4.

Subd. 3. **Ballots in wrong box.** If the election judges find in a ballot box any ballots that are not the kind properly belonging in it, they shall lay those ballots aside. If the number of ballots found in any box equals or exceeds the number of ballots to be counted, the ballots which should have been placed in that box, but which are found in another box, shall not be counted. If the number of ballots found in a box is less than the number of ballots to be counted, and a number of ballots equal to or less than the deficiency and properly belonging in that box are found in another box, the latter ballots shall be counted. If the number of ballots found in another box exceeds the deficiency, the excess ballots shall be placed in the proper ballot box and, without looking, an election judge shall withdraw a number of ballots equal to the deficiency and the withdrawn ballots shall then be counted.

Subd. 4. **Ballots not counted; disposition.** When the final count of ballots agrees with the number of ballots to be counted, those ballots not counted shall be attached to a certificate made by the election judges which states why the ballots were not counted. The certificate of uncounted ballots shall be sealed in a separate envelope and returned to the county auditor or municipal or school district clerk from whom they were received.

**History:** 1981 c 29 art 5 s 20; 1987 c 266 art 1 s 39; 2004 c 293 art 2 s 25

### 204C.21 COUNTING BALLOTS; PILING SYSTEM.

Subdivision 1. **Method.** The election judges shall take all the ballots of the same kind and count the votes cast for each office or question, beginning with the first office or question on the ballot. They shall make one pile of the ballots for each candidate who received votes for that office, or one pile for the "Yes" votes and one pile for the "No" votes on a question. They shall make a pile of totally defective ballots and a pile of totally blank ballots. They shall make a pile of ballots that are not totally defective but are defective with respect to the office or question being counted and a pile of ballots that are not totally blank but are blank with respect to the office or question being counted. After the separation into piles, the election judges shall examine each pile and remove and place in the proper pile any ballots that are found in the wrong pile. The election judges shall count the totally blank and totally defective ballots and set them aside until the counting is over for that ballot. In conducting the count of blank ballots, election judges may presume that the total count provided for sealed prepacked ballots is correct. The election judges may pile ballots crosswise in groups of 25 in the same pile to facilitate counting. When their counts agree, the election judges shall announce the number of ballots in each pile, and shall write the number in the proper place on the summary statements.

The election judges shall then return all the counted ballots, and all the partially defective or partially blank ballots, to the original pile to be separated and counted in the same manner for the next office or question.

Subd. 2. **More than one candidate to be elected; piling.** Where more than one candidate is to be elected to an office, the votes for that office shall be counted and canvassed in the manner provided in subdivision 1 as far as practicable.

Subd. 3. **Primary.** At a primary the election judges shall first separate the partisan ballots by major political party and then count the votes for each office as provided in subdivision 1. The nonpartisan primary ballots shall be counted separately after the partisan primary ballots have been counted.

**History:** 1981 c 29 art 5 s 21; 2021 c 31 art 3 s 11

## 204C.22 DETERMINING VOTER'S INTENT

Subdivision 1. **Ballot valid if intent determinable.** A ballot shall not be rejected for a technical error that does not make it impossible to determine the voter's intent. In determining intent the principles contained in this section apply.

Subd. 2. **From face of ballot only.** Intent shall be ascertained only from the face of the ballot.

Subd. 3. **Votes for too many candidates.** If a voter places a mark beside the names of more candidates for an office than are to be elected or nominated, the ballot is defective with respect only to that office. No vote shall be counted for any candidate for that office, but the rest of the ballot shall be counted if possible. At a primary, if a voter has not indicated a party preference and places a mark beside the names of candidates of more than one party on the partisan ballot, the ballot is totally defective and no votes on it shall be counted. If a voter has indicated a party preference at a primary, only votes cast for candidates of that party shall be counted.

Subd. 3a. **Votes yes and no.** If a voter votes both yes and no on a question, no vote may be counted for that question, but the rest of the ballot must be counted if possible.

Subd. 4. **Name written in proper place.** If a voter has written the name of an individual in the proper place on a general or special election ballot a vote shall be counted for that individual whether or not the voter makes a mark in the oval or other target shape opposite the blank.

Subd. 4a. **Write-in vote for candidate team.** A write-in vote cast for a candidate for governor without a write-in vote for a candidate for lieutenant governor must be counted as a vote for the candidate team including the lieutenant governor candidate selected by that candidate for governor.

Subd. 5. **Name written on primary ballot.** If a voter has written the name of an individual on a primary or special primary ballot, a vote shall not be counted for that office.

Subd. 6. **Mark out of place.** If a mark (X) is made out of its proper place, but so near a name or space as to indicate clearly the voter's intent, the vote shall be counted.

Subd. 7. **All written names or marks counted up to limit.** If a number of individuals are to be elected to the same office, the election judges shall count all names written in and all printed names with marks in oval or other target shape opposite them, not exceeding the whole number to be elected. When fewer names than the number to be elected are marked or written in, only the marked or written in names shall be counted. When more names than the number to be elected are marked or written in, the ballot is defective with respect to that office and no vote shall be counted for that office.

Subd. 8. **Misspelling; abbreviations.** Misspelling or abbreviations of the names of write-in candidates shall be disregarded if the individual for whom the vote was intended can be clearly ascertained from the ballot.

Subd. 9. **Votes for only some offices or questions determined.** If the voter's choice for only some of the offices or questions can be determined from a ballot, the ballot shall be counted for those offices or questions only.

Subd. 10. **Different marks.** If a voter uniformly uses a mark that clearly indicates an intent to mark a name or to mark yes or no on a question, and the voter does not use the more standard mark anywhere else on the ballot, a vote shall be counted for each candidate or response to a question marked. If a voter uses two or more distinct marks, such as (X) and some other mark, a vote shall be counted for each candidate or response to a question marked, unless the ballot is marked by distinguishing characteristics that make the entire ballot defective as provided in subdivision 13.

Subd. 11. **Attempted erasures.** If the names of two candidates have been marked, and an attempt has been made to erase or obliterate one of the marks, a vote shall be counted for the remaining marked candidate. If an attempt has been made to obliterate a write-in name a vote shall be counted for the remaining write-in name or marked candidate.

## 2023 MINNESOTA ELECTION LAWS

Subd. 12. **Soil; defacement.** A ballot shall not be rejected merely because it is slightly soiled or defaced.

Subd. 13. **Identifying ballot.** If a ballot is marked by distinguishing characteristics in a manner making it evident that the voter intended to identify the ballot, the entire ballot is defective.

Subd. 14. **No votes for certain offices.** If the number of candidates for an office is equal to the number of individuals to be elected to that office, and the voter has not marked any name, no vote shall be counted for any candidate for that office.

Subd. 15. **Blank ballot for one or more offices valid.** If no name or response to a question is marked and no name is written in, the ballot is blank with respect to that office or question. A ballot that is blank with respect to one or more offices or questions is not defective.

**History:** 1981 c 29 art 5 s 22; 1987 c 222 s 2; 1990 c 453 s 7-10; 1991 c 320 s 14; 2015 c 70 art 1 s 38-41

### NOTES AND DECISIONS

#### 204C.22

Mere irregularities in marking of ballots, which neither create uncertainty as to voter's choice nor serve as distinguishing signs violative of secrecy are not cause for rejecting ballot. *Sperl v. Wegwerth*, 265 Minn. 47, 120 N.W. 2d 955 (1963).

Appearance of marks which trial court may reasonably consider to be tentative or accidental should not destroy ballot. Id.

Ballot on which "X" mark was clearly placed in box provided for vote for one candidate was properly allowed, even though another short faint mark apparently made with ball point pen was placed before other candidate's name. Id.

Ballot on which diagonal mark appeared below X and in front of place provided for opposing candidate was properly allowed. Id.

Ballot on which voter made clear mark in box opposite candidate's name was properly allowed even though voter had also used check mark in line above name of such candidate and then had drawn line through it as if to indicate mistake. Id.

Ballot on which voter uniformly used check marks in indicating his choices but on which check marks started out as short downstroke with longer diagonal upstroke, but gradually changed until at one point voter used what appeared to be diagonal or slash-type mark, was properly allowed. Id.

Ballot containing uniform crossmarks in squares opposite names of those for whom voter had cast his vote but which contained word "no" in squares opposite names of two candidates for whom he did not vote was properly counted in election for state representative. *Fitzgerald v. Morlock*, 264 Minn. 520, 120 N.W. 2d 339 (1963).

Although voter's crossmarks were somewhat irregular, since they indicated an attempt by voter to place crossmark in voting space before name of every candidate for which vote was cast and voter's intent could be clearly ascertained, ballot was properly counted. Id.

Ballot which contained heavily penciled line in write-in space for one office was properly counted despite argument that pencil line was a distinguishing mark by voter. Id.

Voting by double "X" for candidate did not of itself constitute an identifying or distinguishing mark and ballot should be counted. Id.

Ballot in which voter wrote in name of candidate for sheriff in write-in space for coroner was valid and would be counted in election for state representative. Id.

Ballot which had crossmarks both before and after several candidates' names did not show voter was attempting to identify ballot and would be counted. Id.

Ballot on which name "jake" was written in the write-in space for coroner did not contain an intentional distinguishing mark and would be counted in election for office of state representative. Id.

Irregularities in marking of ballots which neither create uncertainty as to voter's choice nor serve as distinguishing signs, violative of secrecy, are not course for rejecting ballots. Id.

Ballot on which voter wrote name "anderson" in space for coroner, without further identification of person for whom vote was cast, did not contain an identifying mark intentionally placed there by voter and would be counted in election for state representative. Id.

Person who challenges ballot on ground that voter has placed a distinguishing mark thereon for purpose of identifying ballot must bear burden of proving that voter, not someone else, made identifying marks. Id.

Ballot containing oval mark in upper left hand corner, obviously made by voter in testing writing quality of pen before marking ballot, was properly counted despite claim that oval was an identifying mark. Id.

Marks made by voter on ballot in such a manner that it can reasonably be seen or inferred that they were made in an attempt to indicate his choice or vote for candidates or measures to be voted for, are generally held not to be identifying marks. Id.

Ballots otherwise marked with pencil but on which extraneous numeral "5" in one case and "9" in the other appeared on bottom of face of ballot, apparently written by same hand with ballpoint pen, would be counted in absence of testimony that voters might have placed these marks on the ballots as identifying marks. Id.

Ballot which contained words "anyone else" in write-in space for county surveyor and surname "Phillips" written in space for coroner did not show intent to make an identifying mark and would be counted in election for office of state representative. Id.

Ballot on which voter wrote an identifiable name in write-in space for coroner without any crossmark being placed in voting square was not valid as an attempt to distinguish ballot, and would be counted in election for state representative. Id.

Ballot which contained word "no" and an obliteration before name of one candidate was properly accepted for counting. Id.

## 2023 MINNESOTA ELECTION LAWS

Ballot in which voter had crossed out letter "J" while attempting to write in name of "Dr. Jurgens" for coroner had a mere obliteration and would be counted in election for office of representative. Id.

Ballots which had crossmarks both in pencil and in ink on same ballot were properly counted. Id.

Ballot having uniform crossmarks except for one check mark opposite write-in space for coroner contained a mere irregularity and would be counted in election for state representative. Id.

Ballots which contained superfluous or irregular marks of one kind or another outside voting squares were properly counted and could not be rejected as containing distinguishing or identifying marks. Id.

Ballot whose only irregularity was two crossmarks within voting square for county auditor and from which voter's intent could be clearly ascertained would be counted in election for state representative. Id.

Ballots which contained slightly indistinct crossmarks and which were not exactly uniform were properly counted in election contest where crossmarks closely approximated correct marks. Id.

Ballot in which second type of voting mark used thereon was somewhat indistinct but which fulfilled statutory requirement in that it closely approximated proper crossmark as otherwise uniformly used, should be counted. Id.

Ballot in which voter appeared to have inadvertently placed an extraneous figure "C" in write-in space for county surveyor, but which was otherwise uniformly marked in a clear manner, would be counted in election for state representative. Id.

Ballot which had short perpendicular pencil mark in write-in space for office of coroner but which had all other crossmarks uniform was properly counted in election for office of state representative. Id.

Ballots which contained otherwise uniform crossmarks throughout but which, in one case, had a downstroke in crossmark for sheriff and, in other case, had line drawn across top of crossmark used to vote for commissioner were properly counted in election for state representative. Id.

Ballot in which voter placed a crossmark in voting square opposite write-in space for county treasurer and an additional crossmark before printed name of candidate for treasurer but otherwise used uniform crossmarks throughout ballot was properly counted for office of state representative. Id.

Before ballot shall be declared defective because of identifying marks thereon, there must be evidence that the voter, and not an election judge or some other person, marked the ballot with distinguishing characteristics which evidenced the voter's intent to identify it. *Marshal v. Stepka*, 259 Minn. 533, 108 N.W. 2d 955 (1961).

Where an office is to be filled at an election, the voter may indicate his choice on the ballot although the ballot contains no appropriate blank for such purpose. *Aura v. Brandt*, 211 Minn. 281, 1 N.W. 2d 381 (1942).

Where an office is not filled at an election, but there is an honest belief on part of voters, resting upon reasonable grounds, that there is a vacancy to fill, voter may indicate his choice on the ballot although the ballot contains no appropriate blank for such purpose. Id.

Ballot, on which no pencil mark appeared but on which appeared faint indication of crossmark opposite name of candidate in square after his name which had resulted from pressure exerted on some other piece of paper on which pencil mark was actually made, was properly rejected because not marked with pencil. Id. *Pye v. Hanzel*, 200 Minn. 135, 273 N.W. 611 (1937).

Disqualification of person receiving highest number of votes does not result in election of qualified person receiving next highest number of votes unless voters had knowledge of disqualifications. Op. Atty. Gen. 184M, April 11, 1961.

Spoiled and defective ballots may not be considered in determining whether or not an ordinance requiring a percentage of the vote cast at an election is passed. Op. Atty. Gen. 28A-3, April 14, 1955.

When name is written on ballot and there are two persons in township by same name, parol evidence may be considered in determining intention of voter. Op. Atty. Gen. 28A-3, March 22, 1949.

Spoiled ballots should not be included in determining result of question of public of public importance requiring a percentage of the vote cast at such election. Op. Atty. Gen. 434C-5, April 7, 1948.

Where two justices of the Supreme Court are to be elected, four names appear upon ballot, and ballot contains the instruction "vote for two" a voter may, if he wishes, vote for but one candidate and have his ballot counted, but if voter marks more names than there are candidates to be elected, his ballot shall not be counted for such office, although the rest of his ballot, if properly marked, shall be counted. Op. Atty. Gen. 1948, 42, p. 92.

Where a name is written in on ballot such ballot must be counted whether an "X" appears in the square following the name or not. Op. Atty. Gen. 28A-3, April 18, 1945.

### 204C.23 DEFECTIVE BALLOTS.

A ballot that is defective to the extent that the election judges are unable to determine the voter's intent shall be marked on the back "Defective" if it is totally defective or "Defective as to .....,," naming the office or question if it is defective only in part.

**History:** 1981 c 29 art 5 s 23

**204C.24 ELECTION RETURNS; SUMMARY STATEMENTS.**

**Amendments to subd. 1 are effective July 1, 2023.**

Subdivision 1. **Information requirements.** Precinct summary statements shall be submitted by the election judges in every precinct. For all elections, the election judges shall complete three or more copies of the summary statements, and each copy shall contain the following information for each kind of ballot:

- (1) the number of ballots delivered to the precinct as adjusted by the actual count made by the election judges, the number of unofficial ballots made, and the number of absentee ballots delivered to the precinct;
- (2) the number of votes each candidate received or the number of yes and no votes on each question, the number of undervotes, the number of overvotes, and the number of defective ballots with respect to each office or question;
- (3) the number of spoiled ballots, the number of duplicate ballots made, the number of absentee ballots rejected, and the number of unused ballots, presuming that the total count provided on each package of unopened prepackaged ballots is correct;
- (4) the number of voted ballots indicating only a voter's choices as provided by section 206.80, paragraph (b), clause (2), item (ii);
- ~~(5)~~ (5) the number of individuals who voted at the election in the precinct which must equal the total number of ballots cast in the precinct, as required by sections 204C.20 and 206.86, subdivision 1;
- ~~(5)~~ (6) the number of voters registering on election day in that precinct; ~~and~~
- ~~(6)~~ (7) the signatures of the election judges who counted the ballots certifying that all of the ballots cast were properly piled, checked, and counted; and that the numbers entered by the election judges on the summary statements correctly show the number of votes cast for each candidate and for and against each question;
- (8) the number of election judges that worked in that precinct on election day; and
- (9) the number of voting booths used in that precinct on election day.

At least two copies of the summary statement must be prepared for elections not held on the same day as the state elections.

Subd. 2. **Sealing in envelopes.** The election judges shall place a full set of completed summary statements in each of three separate envelopes and seal them so that the envelopes cannot be opened without leaving evidence that they have been opened. The election judges shall then sign each envelope over the sealed part so that no envelope can be opened without disturbing the continuity of the signatures. Each of the envelopes shall show substantially the following information on its face:

“Summary statements of the returns of the .... election precinct, (Town) or (City) of ....., or (School District Number) ....., in the County of ....., State of Minnesota.”

The number of ballots in each envelope, the name of the town or city, and the name of the precinct shall be plainly written upon the envelopes. #### 204C.28 ELECTION NIGHT; DUTIES OF COUNTY AUDITORS AND MUNICIPAL CLERKS.

**Amendments to subd. 1 are effective July 1, 2023.**

Subdivision 1. **County auditor.** (a) Every county auditor ~~shall~~ must remain at the auditor's office to receive delivery of the returns, to permit public inspection of the summary statements, and to tabulate the votes until all have been tabulated and the results made known, or until 24 hours have elapsed since the end of the hours for voting, whichever occurs first. Every county auditor ~~shall~~ must, in the presence of the municipal clerk or the election judges who deliver the returns, make a record of all materials delivered, the time of delivery, and the names of the municipal clerk or election judges who made delivery. The record must include the number of ballots delivered to the precinct, as certified by section 204B.28, and the total number of ballots returned, as certified by the election judges under section 204C.24. A discrepancy between the number of ballots delivered to the precinct and the number of total ballots returned by election judges that cannot be reconciled by taking into account the adjustments made by the election judge counts and any unofficial ballots must be noted, but does not necessarily require disqualification of the votes from that precinct or invalidation of the election. The county auditor ~~shall~~ must file the record and all envelopes containing ballots in a safe and secure place with envelope seals unbroken. Access to the record and ballots ~~shall~~ must be strictly controlled. Accountability and a record of access ~~shall~~ must be maintained by the county auditor during the period for contesting elections or, if a contest is filed, until the contest has been finally determined. Thereafter, the record ~~shall~~ must be retained in the auditor's office for the same period as the ballots as provided in section 204B.40.

(b) The county auditor ~~shall~~ must file all envelopes containing ballots in a safe place with seals unbroken. If the envelopes ~~were previously~~ are opened by proper authority for examination or recount, as specifically authorized by a court or statute, the county auditor ~~shall~~ must have the envelopes sealed again and signed by the individuals who made the inspection or recount. The envelopes may be opened by the county ~~canvassing~~

~~board auditor~~ if necessary to procure election returns that the election judges inadvertently may have sealed in the envelopes with the ballots. In that case, the envelopes ~~shall~~ must be sealed again and signed in the same manner as otherwise provided in this subdivision.

Subd. 2. **Clerks.** The clerk of every first, second, and third class city shall remain at the clerk's office to receive delivery of returns, or until 24 hours have elapsed since the end of the hours for voting, whichever occurs first. The clerk of every first class city shall keep a book in which, in the presence of the election judges or other individuals who deliver the returns, the clerk shall make a record of all materials delivered, the time of delivery, and the names of the election judges or other individuals who made delivery. The record must include the number of ballots delivered to the precinct, as certified by section 204B.28, and the total number of ballots returned, as certified by the election judges under section 204C.24. A discrepancy between the number of ballots delivered to the precinct and the number of total ballots returned by election judges that cannot be reconciled by taking into account the adjustments made by the election judge counts and any unofficial ballots must be noted, but does not necessarily require disqualification of the votes from that precinct or invalidation of the election. The book shall be retained in the clerk's office for the same period as the ballots as provided in section 204B.40.

Subd. 3. **School district returns and materials.** At a school district election held in conjunction with a state election, the county auditor or municipal clerk shall deliver the summary statements of the school district election returns, all unused and spoiled school district ballots, and the envelope containing the school district ballots from each precinct to the clerk of the appropriate school district within 48 hours after the polls close.

### 204C.29 IMPROPER DELIVERY OF RETURNS.

Subdivision 1. **Failure of election judges to make delivery; penalty.** If the election judges fail to deliver returns as required by section 204C.27, the county auditor or municipal or school district clerk to whom the returns should have been delivered shall dispatch a special messenger to obtain them. The messenger shall receive the same compensation as an election judge would receive for performing the same service and shall be subject to the same penalties as an election judge for violation of any provision of the Minnesota election law.

Subd. 2. **Irregularities in delivery.** An officer to whom election returns are required to be made shall not refuse to receive them because they are delivered in any manner other than that prescribed by law, except that the returns must be sealed. No canvassing board shall refuse to include any returns in its canvass of votes because of any informality in holding the election or making returns. All returns shall be received and the votes canvassed by the canvassing board and included in its statements when there is substantial compliance with the provisions of the Minnesota election law.

Subd. 3. **Damaging returns or preventing delivery; penalty.** No individual who is appointed to carry a report, certificate, or certified copy of election returns shall intentionally mutilate, tear, deface or obliterate any portion of it or do any act to prevent its delivery. No individual shall take or accept from a messenger any report, certificate or certified copy of election returns with intent to prevent its delivery, or having taken or accepted it, shall mutilate, tear, deface, obliterate or destroy any portion of it. Any member of the canvassing board may appoint a designee to appear at the meeting of the board, except that no designee may be a candidate for public office. If one of these individuals fails to appear at the meeting of the canvassing board and in the absence of any selection by the county board from among its own members, the county auditor shall appoint an eligible voter of the county who is not a public official or a candidate for public office to fill the vacancy. (e) The results of the recount must be certified by the canvassing board as soon as possible.

(f) If the winner of the race is changed by the optional recount, the cost of the recount must be paid by the jurisdiction conducting the recount.

(g) If a result of the vote counting in the manual recount is different from the result of the vote counting reported on election day by a margin greater than the standard for acceptable performance of voting systems provided in section 206.89, subdivision 4, the cost of the recount must be paid by the jurisdiction conducting the recount.

Subd. 2a. **Constitutional amendment recount.** In a state general election when the difference between the number of "yes" votes cast on ratification of a proposed constitutional amendment is within one-quarter percent of the number of all other ballots cast as the election, the canvassing board shall manually recount the votes on that question, including the number of "yes" or "no" votes on the question, and the number of ballots that did not cast a vote on the question. The results of the recount must be certified by the canvassing board as soon as possible.

Subd. 3. **Scope of recount.** A recount conducted as provided in this section is limited in scope to the determination of the number of votes validly cast for the office or question to be recounted. Only the ballots cast in the election and the summary statements certified by the election judges may be considered in the recount process. Original ballots that have been duplicated under section 206.86, subdivision 5, are not within the scope of a recount and must not be examined except as provided by a court in an election contest under chapter 209.

Subd. 4. **Filing officer.** For the purpose of this section, the secretary of state is the filing officer for candidates for all federal offices and for state offices voted on in more than one county. The county auditor is the filing officer for state offices voted on in only one county.

Subd. 5. **Challenged ballots.** Notwithstanding any law to the contrary, a canvassing board may direct a recount official to make images of ballots challenged by a candidate in a recount available to the public.

## 2023 MINNESOTA ELECTION LAWS

### NOTES AND DECISIONS

#### 204C.35

During automatic administrative recount, absent a voluntary agreement between local election officials and two candidates for seat in United States Senate that absentee ballots had been rejected in error and that the absentee-ballot envelopes should be opened and the ballots should be counted, resolution of whether the absentee ballots were rejected in error would have to await an election contest proceeding. *Coleman v. Ritchie*, 759 N.W. 2d 47 (Minn. 2009).

A manual administrative recount, which is necessary when the margin of victory in an election is less than one-half of one percent, is intended to ensure that the votes cast in the election were accurately counted. *Coleman v. Ritchie*, 759 N.W.2d 47 (Minn. 2009).

#### 204C.36 RECOUNTS IN COUNTY, SCHOOL DISTRICT, AND MUNICIPAL ELECTIONS.

**Subdivision 1. Publicly funded recounts.** (a) Except as provided in paragraphs (b) and (c), a losing candidate for nomination or election to a county, municipal, or school district office may request a recount of the votes cast for the nomination or election to that office if the difference between the vote cast for that candidate and for a winning candidate for nomination or election is less than one-quarter of one percent of the total votes counted for that office. In case of offices where two or more seats are being filled from among all the candidates for the office, the one-quarter of one percent difference is between the elected candidate with the fewest votes and the candidate with the most votes from among the candidates who were not elected.

(b) A losing candidate for nomination or election to a county, municipal, or school district office may request a recount of the votes cast for nomination or election to that office if the difference between the votes cast for that candidate and for a winning candidate for nomination or election is less than one-half of one percent, and the total number of votes cast for the nomination or election of all candidates is more than 400 but less than 50,000. In cases of offices where two or more seats are being filled from among all the candidates for the office, the one-half of one percent difference is between the elected candidate with the fewest votes and the candidate with the most votes from among the candidates who were not elected.

(c) A losing candidate for nomination or election to a county, municipal, or school district office may request a recount of the votes cast for nomination or election to that office if the difference between the vote cast for that candidate and for a winning candidate for nomination or election is ten votes or less, and the total number of votes cast for the nomination or election of all candidates is no more than 400. In cases of offices where two or more seats are being filled from among all the candidates for the office, the ten vote difference is between the elected candidate with the fewest votes and the candidate with the most votes from among the candidates who were not elected.

(d) Candidates for county offices shall file a written request for the recount with the county auditor. Candidates for municipal or school district offices shall file a written request with the municipal or school district clerk as appropriate. All requests under this paragraph shall be filed ~~by~~ between the close of the canvass of a primary or special primary and 5:00 p.m. on the fifth day after the canvass of a primary or special primary or by between the close of the canvass of a special or general election and 5:00 p.m. on the seventh day of the canvass of a special or general election for which a recount is sought.

(e) Upon receipt of a request made pursuant to this section, the county auditor shall recount the votes for a county office at the expense of the county, the governing body of the municipality shall recount the votes for a municipal office at the expense of the municipality, and the school board of the school district shall recount the votes for a school district office at the expense of the school district.

**Subd. 2. Discretionary candidate recounts.** (a) A losing candidate for nomination or election to a county, municipal, or school district office may request a recount in the manner provided in this section at the candidate's own expense when the vote difference is greater than the difference required by subdivision 1, clauses (a) to (e). The votes shall be manually recounted as provided in this section if the requesting candidate files with the county auditor, municipal clerk, or school district clerk a bond, cash, or surety in an amount set by the governing body of the jurisdiction or the school board of the school district for the payment of the recount expenses.

## 2023 MINNESOTA ELECTION LAWS

(b) The requesting candidate may provide the filing officer with a list of up to three precincts that are to be recounted first and may waive the balance of the recount after these precincts have been counted. If the candidate provides a list the recount official must determine the expenses for those precincts in the manner provided by paragraph (b).

(c) A discretionary recount of a primary must not delay delivery of the notice of nomination to the winning candidate under section 204C.32.

(d) The results of the recount must be certified by the canvassing board as soon as possible.

(e) If the winner of the race is changed by the optional recount, the cost of the recount must be paid by the jurisdiction conducting the recount.

(f) If a result of the vote counting in the manual recount is different from the result of the vote counting reported on election day by a margin greater than the standard for acceptable performance of voting systems provided in section 206.89, subdivision 4, the cost of the recount must be paid by the jurisdiction conducting the recount.

**Subd. 3. Discretionary ballot question recounts.** A recount may be conducted for a ballot question when the difference between the votes for and the votes against the question is less than or equal to the difference provided in subdivision 1. A recount may be requested by any person eligible to vote on the ballot question. A written request for a recount must be filed with the filing officer of the county, municipality, or school district placing the question on the ballot and must be accompanied by a petition containing the signatures of 25 voters eligible to vote on the question. Upon receipt of a written request when the difference between the votes for and the votes against the question is less than or equal to the difference provided in subdivision 1, the county auditor shall recount the votes for a county question at the expense of the county, the governing body of the municipality shall recount the votes for a municipal question at the expense of the municipality, and the school board of the school district shall recount the votes for a school district question at the expense of the school district. If the difference between the votes for and the votes against the question is greater than the difference provided in subdivision 1, the person requesting the recount shall also file with the filing officer of the county, municipality, or school district a bond, cash, or surety in an amount set by the appropriate governing body for the payment of recount expenses. The written request, petition, and any bond, cash, or surety required must be filed during the time for notice of contest for the election for which the recount is requested.

**Subd. 4. Expenses.** In the case of a question, a person, or a candidate requesting a discretionary recount, is responsible for the following expenses: the compensation of the secretary of state, or designees, and any election judge, municipal clerk, county auditor, administrator, or other personnel who participate in the recount; necessary supplies and travel related to the recount; the compensation of the appropriate canvassing board and costs of preparing for the canvass of recount results; and any attorney fees incurred in connection with the recount by the governing body responsible for the recount.

**Subd. 5. Notice of contest.** Time for notice of contest of a nomination or election to a county office which is recounted pursuant to this section shall begin to run upon certification of the results of the recount by the county canvassing board. Time for notice of contest of a nomination or election to a municipal office which is recounted pursuant to this section shall begin to run upon certification of the results by the governing body of the municipality. Time for notice of contest of a school district election that is recounted under this subdivision begins to run on certification of the results of the recount by the school board.

**Subd. 6. Scope of recount.** A recount conducted as provided in this section is limited in scope to the determination of the number of votes validly cast for the office or question to be recounted. Only the ballots cast in the election and the summary statements certified by the election judges may be considered in the recount process.

### NOTES AND DECISIONS

#### 204C.36

Certificate of proper canvassing board declaring election result is prima facie evidence of result and places on contestant burden of showing that person declared elected did not receive majority of votes. *Kearin v. Roach*, 381 N.W. 2d 531 (Minn. Ct. App. 1986).

#### **204C.361 RULES FOR RECOUNTS.**

(a) The secretary of state shall adopt rules according to the Administrative Procedure Act establishing uniform recount procedures. All recounts provided for by sections 204C.35, 204C.36, and 206.88, shall be conducted in accordance with these rules.

(b) Notwithstanding Minnesota Rules, part 8235.0800, the requirement that ballots be recounted by precinct means that a recount official shall maintain the segregation of ballots by precinct but the recount official may recount more than one precinct at a time in physically separate locations within the room in which the recount is administered.

**History:** 1983 c 253 s 18; 1989 c 291 art 1 s 16; 1990 c 426 art 1 s 25; 2004 c 293 art 2 s 29

The copy shall be enclosed in an envelope addressed to the secretary of state, with the county auditor's name and official address and the words "Election Returns" endorsed on the envelope. The copy of the canvassing board report must be sent by express mail or delivered to the secretary of state. If the copy is not received by the secretary of state within ten days following the applicable election, the secretary of state shall immediately notify the county auditor, who shall deliver another copy to the secretary of state by special messenger.

**History:** 1981 c 29 art 5 s 37; 2000 c 467 s 22; 2010 c 201 s 48; 2016 c 161 art 1 s 10

### NOTES AND DECISIONS

#### 204C.37

The function of canvassing election returns is ministerial, and it entails review only of the precinct summary statements of returns, not examination of actual ballots. *Coleman v. Ritchie*, 759 N.W.2d 47 (Minn. 2009).

#### **204C.38 CORRECTION OF OBVIOUS ERRORS; WHEN CANDIDATES AGREE.**

Subdivision 1. **Errors of election judges.** If the candidates for an office unanimously agree in writing that the election judges in any precinct have made an obvious error in the counting or recording of the votes for that office, they shall deliver the agreement to the county auditor of that county who shall reconvene the county canvassing board, if necessary, and present the agreement to it. The county canvassing board shall correct the error as specified in the agreement.

Subd. 2. **Errors of county canvassing board.** If the candidates for an office unanimously agree in writing that the county canvassing board has made an obvious error in the counting and recording of the vote for that office they shall notify the county auditor who shall reconvene the canvassing board. The county canvassing board shall promptly correct the error as specified in the agreement and file an amended report. When an error is corrected pursuant to this subdivision, the county canvassing board and the county auditor shall proceed in accordance with sections 204C.32 to 204C.36.

## 2023 MINNESOTA ELECTION LAWS

Subd. 3. **Errors of state canvassing board.** If the candidates for an office unanimously agree in writing that the state canvassing board has made an obvious error in the counting and recording of the vote for that office they shall deliver the agreement to the secretary of state. If a certificate of election has not been issued, the secretary of state shall reconvene the state canvassing board and present the agreement to it. The board shall promptly correct the error as specified in the agreement and file an amended statement. When an error is corrected pursuant to this subdivision by the state canvassing board, the state canvassing board and the secretary of state shall proceed in accordance with sections 204C.32 to 204C.36.

**History:** 1981 c 29 art 5 s 38

### NOTES AND DECISIONS

#### 204C.38

Improper rejection of an absentee ballot envelope was not within the scope of errors subject to correction under statutory procedure for correction by county canvassing boards of obvious errors in the counting and recording of votes, and therefore county canvassing boards lacked statutory authority to count such ballots on that basis. *Coleman v. Ritchie*, 759 N.W.2d 47 (Minn. 2009).

During automatic administrative recount, absent a voluntary agreement between local election officials and two candidates for seat in United States Senate that absentee ballots had been rejected in error and that the absentee-ballot envelopes should be opened and the ballots should be counted, resolution of whether the absentee ballots were rejected in error would have to await an election contest proceeding. *Coleman v. Ritchie*, 759 N.W.2d 47 (Minn. 2009).

Former section intended to protect potential candidates for public office from errors and omissions of person charged with properly completed procedural and mechanical duties attendant to election process. It does not apply to error of applicant who in affidavit of candidacy inadvertently designated legislative district of her residence as "43B" instead of "43A" and who sought order directing county auditor to place her name on primary election ballot. *Schroeder v. Johnson*, 311 Minn. 144, 252 N.W. 2d 851 (1976).

Candidates not admitted or entitled to be admitted to practice law in state are not eligible for office of associate justice of Supreme Court. In re *Scarrella*, 300 Minn. 500, 221 N.W. 2d 562 (1974).

Premeditated attempt to group names of endorsed candidates on primary election ballots would raise inference of unfairness sufficiently serious to constitute an error. *Mattson v. McKenna*, 301 Minn. 103, 222 N.W. 2d 273 (1974).

Reconvened county canvassing board may be compelled under former section 204A.52, although letter is technically incorrect procedure. *Application of Andersen*, 264 Minn. 257, 119 N.W. 2d 1 (1962).

Candidate for election by petition held included by inference in former section. *Williams v. Donovan*, 253 Minn. 493, 92 N.W., 2d 915 (1958).

#### 204C.39 CORRECTION OF OTHER OBVIOUS ERRORS.

Amendments to subd. 1 are effective July 1, 2023.

Subdivision 1. **Manner of correction.** A county canvassing board may determine by majority vote that the election judges have made an obvious error in counting or recording the votes for an office. The county canvassing board shall then promptly notify all candidates for that office of the determination, including a description of the error. ~~A candidate who receives notification pursuant to this subdivision or any candidate who believes that the election judges in a precinct have made an obvious error in the counting or recording of the votes for an office may~~ The county canvassing board must also instruct the county auditor to apply without unreasonable delay to the district court of the county containing the precinct in which the alleged error was made for an order determining whether or not an obvious error has been made. The ~~applicant~~ auditor shall describe the alleged error in the application and may submit additional evidence as directed by the court. The ~~applicant~~ auditor shall notify the county canvassing board and all candidates for the affected office in the manner directed by the court. If the court finds that the election judges made an obvious error it shall issue an order specifying the error and directing the county canvassing board to inspect the ballots and returns of the precinct in order to correct the error and to proceed further in accordance with this section or otherwise as the court may direct.

Subd. 2. **Inspection; time; place.** The county auditor shall schedule a meeting of the county canvassing board at the auditor's office as soon as practicable after the court issues an order under subdivision 1 and shall give sufficient advance notice of the meeting to the affected candidates. The board, in the presence of all the candidates for the office or their representatives shall inspect the ballots and returns, correct any error and proceed further in accordance with the order of the court. Preparation of the county canvassing board report with respect to other offices on the ballot shall not be delayed because of an inspection required by this section.

## 2023 MINNESOTA ELECTION LAWS

Subd. 3. **Report of canvassing board; addendum.** After the canvassing board has inspected the ballots and returns, it shall promptly submit to the county auditor an addendum to its regular report, which addendum shall contain the following information:

(a) A copy of the order of the court, if any;

(b) The minutes of the meeting showing the time, date, and place of the meeting, the names of the candidates or their representatives who were present, and the action taken by the board;

(c) A copy of the meeting notice given to each candidate and proof of service; and

(d) The names of the candidates for each office for which votes were inspected and the total number of votes received by each candidate for that office in the county and in each precinct.

Subd. 4. **Canvassing board; declaration of results; notification.** The canvassing board shall declare the results of the election upon completing the inspection for the office in question. The report and declaration shall be filed by the county auditor, who shall mail a copy to each candidate for that office. The county auditor shall promptly notify the secretary of state by United States mail and electronic mail of the action of the county canvassing board.

**History:** 1981 c 29 art 5 s 39; 1986 c 444; 2016 c 161 art 1 s 11; 2023 c 62 art 4 s 98

### NOTES AND DECISIONS

#### 204C.39

Improper rejection of an absentee ballot envelope was not within the scope of errors subject to correction under statutory procedure for correction by county canvassing boards of obvious errors in the counting and recording of votes, and therefore county canvassing boards lacked statutory authority to count such ballots on that basis. *Coleman v. Ritchie*, 759 N.W.2d 47 (Minn. 2009).

During automatic administrative recount, absent a voluntary agreement between local election officials and two candidates for seat in United States Senate that absentee ballots had been reflected in error and that the absentee-ballot envelopes should be opened and the ballots should be counted, resolution of whether the absentee ballots were rejected in error would have to await an election contest proceeding. *Coleman v. Ritchie*, 759 N.W.2d 47 (Minn. 2009).

See notes to sections 204C.33, 204C.38.

### 204C.40 CERTIFICATES OF ELECTION.

Subdivision 1. **Preparation; method of delivery.** The county auditor shall prepare an election certificate for every county candidate declared elected by the county canvassing board, and the secretary of state shall prepare a certificate for every state and federal candidate declared elected by either a county canvassing board or the state canvassing board. Except as otherwise provided in this section, the secretary of state or county auditor, as appropriate, shall deliver an election certificate on demand to the elected candidate. In an election for United States representative, the secretary of state shall deliver the original election certificate to the chief clerk of the United States house of representatives. In an election for United States senator, the governor shall prepare an original certificate of election, countersigned by the secretary of state, and deliver it to the secretary of the United States senate. In an election for state representative or state senator, the secretary of state shall deliver the original election certificate to the chief clerk of the house or the secretary of the senate. The chief clerk of the house or the secretary of the senate shall give a copy of the certificate to the representative-elect or senator-elect. Upon taking the oath of office, the representative or senator shall receive the original certificate of election. If a recount is undertaken by a canvassing board pursuant to section 204C.35, no certificate of election shall be prepared or delivered until after the recount is completed. In case of a contest, the court may invalidate and revoke the certificate as provided in chapter 209.

Subd. 2. **Time of issuance; certain offices.** No certificate of election shall be issued until seven days after the canvassing board has declared the result of the election.

**History:** 1981 c 29 art 5 s 40; 1986 c 475 s 15; 1991 c 227 s 18; 1999 c 132 s 24; 2015 c 70 art 1 s 46

## 2023 MINNESOTA ELECTION LAWS

### NOTES AND DECISIONS

#### 204C.40

State statute under which governor was prohibited from issuing a certificate of election to either United States Senate candidate until a state court had finally decided a then-pending election contest did not infringe upon or usurp the authority of United States Senate to determine the “Elections, Returns and Qualifications of its own Members,” as provided by the United States Constitution; election contest under state law could properly be characterized as an integral part of the electoral process within the ambit of the broad powers delegated to the States, and nothing prevented the United States Senate from seating petitioner, the apparent winner, on a provisional or conditional basis. *Franken v. Pawlenty*, 762 N.W. 2d 558 (Minn. 2009).

No federal constitutional or statutory mandate requires governor to issue to petitioner, the apparent winner in election for United States Senate, a certificate of election by the date designated by Congress for commencement of newly-elected Senators’ terms. *Franken v. Pawlenty*, 762 N.W.2d 558 (Minn. 2009).

Provision of state election-contest statute mandating issuance of certificate of election upon completion of recount did not conflict with nor otherwise supersede provision precluding issuance of certificate until state courts had finally decided a pending election contest. *Franken v. Pawlenty*, 762 N.W. 2d 558 (Minn. 2009).

State statute that precluded issuance of certificate of election until state courts had finally decided a pending election contest applied to elections for United States Senate; applicability of statute’s contest tolling provision, under which governor refused to issue certificate, was dependent upon existence of a court of proper jurisdiction which could finally determine the contest, and despite exclusive authority of Senate to decide contests pending in Congress, “contest,” as used in statute, applied to contests initiated pursuant to general election laws of the state, in state courts. *Franken v. Pawlenty*, 762 N.W.2d 558 (Minn. 2009).

Former section held not to apply to election contests pending in the Congress of the United States pursuant to U.S. Const. art 1, s 4, 5. *Odegard v. Olson*, 264 Minn. 439, 119 N.W. 2d 717 (1963).

Certificate of election is *prima facie* evidence against direct challenge to election and conclusive against collateral attack. *Doyle v. Ries*, 205 Minn. 82, 285 N.W. 480 (1939).

Secretary of state has no statutory authority to withhold certificate of election of representative in Congress, but Congress may have authority to direct that procedure be held in abeyance. Op. Atty. Gen. 185B-1, December 4, 1958.

#### 204C.41 NEGLIGENCE OF DUTY; OTHER OFFENSES BY ELECTION OFFICIALS; PENALTY.

An election officer or other individual required by law to safely keep and produce ballots on election day or to perform any other act, who intentionally fails or refuses to perform the act required, or who is required by law to abstain from any act, and intentionally does the act, or who in either of these cases is guilty of fraud, corruption, partiality or misbehavior in conducting or aiding in the conduct of an election, or in counting or making returns of votes, or who wrongfully refuses to make or deliver a certificate of election, or who falsely or corruptly performs any required act, for which a punishment has not been otherwise expressly provided for by law, is guilty of a felony.

Secretary of State was a proper party-respondent on ballot challenge by voter and judicial candidate seeking an order striking name of appointed associate justice of state Supreme Court from primary and general election ballots or, alternatively, striking designation of that associate justice as incumbent on those ballots; although Secretary of State was not directly responsible for printing and preparation of ballots, ballot challenge concerned office for which voting was conducted statewide and for which the Secretary of State had provided the challenged ballot information to all 87 county auditors. *Clark v. Pawlenty*, 755 N.W.2d 293 (Minn. 2008), *certiorari denied* 129 S.Ct. 2056.

Statute requiring placement of the word “incumbent” on election ballot after name of judicial candidate who currently held the seat in question did not sufficiently interfere with First Amendment rights of candidates and voters to warrant strict scrutiny; statute did not deny any candidate access to the ballot, rotation system required by another statute ensured that names of each candidate would appear in first ballot position roughly an equal number of times, and incumbent designation did not prevent a voter from voting for any candidate of voter’s choosing. *Clark v. #### 205.07 CITY GENERAL ELECTION.

Subdivision 1. **Date of election.** The municipal general election in each city shall be held on the first Tuesday after the first Monday in November in every even-numbered year. Notwithstanding any provision of law to the contrary and subject to the provisions of this section, the governing body of a city may, by ordinance passed at a regular meeting held at least 180 calendar days before the first day to file for candidacy in the next municipal election, decide to hold the election on the first Tuesday after the first Monday in November in either an even- or odd-numbered year. A city may hold elections in either the even-numbered year or the odd-numbered year, but not both. When a city changes its elections from one year to another, and does not provide for the expiration of terms by ordinance, the term of an incumbent expiring at a time when no municipal election is held in the months immediately prior to expiration is extended until the date for taking office following the next scheduled municipal election. If the change results in having three council members to be elected at a succeeding election, the two individuals receiving the highest vote shall serve for terms of four years and the individual receiving the third highest number of votes shall serve for a term of two years. To provide an orderly transition to the odd or even year election plan, the governing body of the city may adopt supplementary ordinances regulating initial elections and officers to be chosen at the elections and shortening or lengthening the terms of incumbents and those elected at the initial election. The term of office for the

mayor may be either two or four years. The term of office of council members is four years. Whenever the time of the municipal election is changed, the city clerk immediately shall notify in writing the county auditor and secretary of state of the change of date. Thereafter the municipal general election shall be held on the first Tuesday after the first Monday in November in each odd-numbered or even-numbered year until the ordinance is revoked and notification of the change is made. A municipal general election scheduled to be held in an odd-numbered year may be postponed for inclement weather as provided in section 205.105.

Subd. 1a. **City council members; expiration of terms.** The terms of all city council members of charter cities expire on the first Monday in January of the year in which they expire. All officers of charter cities chosen and qualified shall hold office until their successors qualify.

Subd. 3. **Effect of ordinance; referendum.** An ordinance changing the year of the municipal election is effective 240 days after passage and publication or at a later date fixed in the ordinance. Within 180 days after passage and publication of the ordinance, a petition requesting a referendum on the ordinance may be filed with the city clerk. The petition shall be signed by eligible voters equal in number to ten percent of the total number of votes cast in the city at the last municipal general election. If the requisite petition is filed within the prescribed period, the ordinance shall not become effective until it is approved by a majority of the voters voting on the question at a general or special election held on a date authorized by section 205.10, subdivision 3a. If the petition is filed, the governing body may reconsider its action in adopting the ordinance.

**205.84 REDISTRICTING; CITIES WITH WARDS.**

Subdivision 1. **General provisions.** (a) In a city electing council members by wards, wards shall be as equal in population as practicable and each ward shall be composed of compact, contiguous territory. Each council member shall be a resident of the ward for which elected, but, except as otherwise provided by paragraph (b), a change in ward boundaries does not disqualify a council member from serving for the remainder of a term.

(b) Notwithstanding any home rule charter provision to the contrary, in a city of the first class where council members are elected by ward to serve for four years to terms that are not staggered, if the population of any ward changes by five percent or more, all council members must be elected to new terms at the first municipal general election after ward boundaries are redefined under subdivision 2; provided, however, that if no municipal general election would otherwise occur in the year ending in "2" or the year ending in "3," a municipal general election must be held in one of those years.

Subd. 2. **Effective date.** After the official certification of the federal decennial or special census, the governing body of the city shall either confirm the existing ward boundaries as conforming to the standards of subdivision 1 or redefine ward boundaries to conform to those standards as provided in section 204B.135, subdivision 1. If the governing body of the city fails to take either action within the time required, no further compensation shall be paid to the mayor or council member until the wards of the city are either reconfirmed or redefined as required by this section. An ordinance establishing new ward boundaries pursuant to section 204B.135, subdivision 1, becomes effective on the date of the state primary election in the year ending in two, except that new ward boundaries established by a municipality in a year ending in one are effective on the date of the municipal primary election in the year ending in one.

Subd. 3. **Transition schedule.** The governing body of a city electing more than one council member in each ward may adopt an orderly transition schedule to biennial November elections in which only one council member in each ward is elected in any municipal general election.

## CHAPTER 205A - SCHOOL DISTRICT ELECTIONS

### 205A.01 DEFINITIONS.

Subdivision 1. **Scope.** The definitions in chapter 200 and in this section apply to this chapter.

Subd. 2. **School District.** "School district" means an independent or special school district, as defined in section 120A.05.

**History:** 1987 c 266 art 1 s 48; 1999 c 86 art 1 s 46

### 205A.02 ELECTION LAW APPLICABLE.

Except as provided by law, the Minnesota Election Law applies to school district elections. Elections in common school districts shall be governed by section 123B.94.

**History:** 1987 c 266 art 1 s 49; 2004 c 293 art 2 s 39

### 205A.03 PRIMARIES.

Subdivision 1. **Resolution requiring primary in certain circumstances.** The school board of a school district may, by resolution adopted by April 15 of any year, decide to choose nominees for school board by a primary as provided in this section. The resolution, when adopted, is effective for all ensuing elections of board members in that school district until it is revoked. If the board decides to choose nominees by primary and if there are more than two candidates for a specified school board position or more than twice as many school board candidates as there are at-large school board positions available, the school district must hold a primary.

Subd. 2. **Date.** The school district primary must be held on the second Tuesday in August in the year when the school district general election is held. The clerk shall give notice of the primary in the manner provided in section 205A.07. The date of a school district primary held in an odd-numbered year may be postponed for inclement weather as provided in section 205A.055.

Subd. 3. **Candidates, filing.** The clerk shall place upon the primary ballot without partisan designation the names of individuals whose candidacies have been filed and for whom the proper filing fee has been paid. When not more than twice as many school board candidates as there are at-large school board positions available file for nomination for the office or when not more than two candidates for a specified school board position file for nomination for that office, their names must not be placed upon the primary ballot and must be placed on the school district general election ballot as the nominees for that office. When more than one school board member is to be elected for full terms at the same election, the candidates' name shall be placed under one office on the ballot with the number to be elected to the office specified directly underneath the title and identification of the office.

Subd. 4. **Results.** (a) The school district primary must be conducted and the returns made in the manner provided for the state primary as far as practicable. If the primary is conducted:

(1) only within that school district, a canvass may be conducted on either the second or third day after the primary; or

(2) in conjunction with the state primary, the canvass must be conducted on the third day after the primary, except as otherwise provided in paragraph (b).

The school board of the school district shall canvass the returns, and the two candidates for each specified school board position who receive the highest number of votes, or a number of candidates equal to twice the number of individuals to be elected to at-large school board positions who receive the highest number of votes, are the nominees for the office named. Their names must be certified to the school district clerk who shall place them on the school district general election ballot without partisan designation and without payment of an additional fee.

## 2023 MINNESOTA ELECTION LAWS

(b) following a school district primary as described in paragraph (a), clause (2), a canvass may be conducted on the second day after the primary if the county auditor of each county in which the school district is located agrees to administratively review the school district's primary voting statistics for accuracy and completeness within a time that permits the canvass to be conducted on that day.

**Subd. 5. Recount.** A losing candidate at the school district primary may request a recount of the votes for that nomination subject to section 204C.36.

### 205A.04 GENERAL ELECTION.

Subdivision 1. **School district general election.** The general election in each school district must be held on the first Tuesday after the first Monday in November of either the odd-numbered or the even-numbered year. A general election held in an odd-numbered year may be postponed for inclement weather as provided in section 205A.055.

**Subd. 2. [Repealed, 1994 c 646 s 28]**

Subd. 3. **Change in year of general election.** The school board may, by resolution, change the year in which the school district general election will be held. A plan for the orderly transition to the new election year must be included in the resolution. The terms of school board members may be lengthened or shortened by one year as part of the transition process.

### 205A.05 SPECIAL ELECTIONS.

Subdivision 1. **Questions.** Special elections must be held for a school district on a question on which the voters are authorized by law to pass judgment. The school board may on its own motion call a special election to vote on any matter requiring approval of the voters of a district. Upon petition filed with the school board of 50 or more voters of the school district or five percent of the number of voters voting at the preceding school district general election, whichever is greater, the school board shall by resolution call a special election to vote on any matter requiring approval of the voters of a district. A question is carried only with the majority in its favor required by law. The election officials for a special election are the same as for the most recent school district general election unless changed according to law. Otherwise, special elections must be conducted and the returns made in the manner provided for the school district general election.

Subd. 1a. **Uniform election dates.** (a) Except as allowed in paragraph (b), a special election held in a school district must be held on one of the following dates: the second Tuesday in February, the second Tuesday in April, the second Tuesday in May, the second Tuesday in August, or the first Tuesday after the first Monday in November.

Subd. 2. **Vacancies in school district offices.** Special elections to fill vacancies in elective school district offices shall be held in school districts pursuant to section 123B.09, subdivision 5b. When more than one vacancy exists in an office elected at-large, voters must be instructed to vote for up to the number of vacancies to be filled.

Subd. 3. **Cancellation.** A special election ordered by the school board on its own motion under subdivision 1 may be canceled by motion of the school board, but not less than 74 days before an election held in conjunction with a regularly scheduled election for federal, state, county, city, or school board office or a special election for federal office, or 46 days before any other election.

Subd. 2. **Postponement of election.** (a) In the event of severe or inclement weather, the school district clerk may postpone an election when the National Weather Service or a law enforcement agency has issued storm warnings or travel advisories indicating that the weather conditions would make travel to a polling place difficult or hazardous for voters and election judges. When one or more jurisdictions are holding elections in conjunction with one another, the jurisdiction that covers the largest geographic area has the authority, after consulting with the other auditors and clerks, to make the decision to postpone all of the elections. A decision to postpone an election must apply to every precinct in the jurisdiction.

(b) A decision to postpone an election must be made no later than 6:00 p.m. on the day before the election. The clerk must contact the election judges and notify local media outlets of the postponement. The clerk must also post a notice on the jurisdiction’s Web site, if practicable.

Not more than two school board members shall serve on the canvassing board at one time. Four members constitute a quorum.

The school board shall serve as the school district canvassing board for the election of school board members.

### 205A.11 PRECINCTS; POLLING PLACES.

Subdivision 1. **Established precincts.** School district elections must be conducted in the precincts, or when the school district boundary divides a precinct, parts of precincts that have been established by the county or municipal governing bodies as provided in section 204B.14. If an election other than the school district election is being held in any part of a precinct, all the voters of the precinct must vote at the polling place designated for the precinct as provided in section 204B.14.

Subd. 2. **Combined polling place.** (a) When no other election is being held in a school district, the school board may designate combined polling places at which the voters in those precincts may vote in the school district election.

(b) By December 31 of each year, the school board must designate, by resolution, combined polling places. The combined polling places designated in the resolution are the polling places for the following calendar year, unless a change is made:

- (1) pursuant to section 204B.175; or
- (2) because a polling place has become unavailable.

(c) If the school board designates combined polling places pursuant to this subdivision, polling places must be designated throughout the district, taking into account both geographical distribution and population distribution. A combined polling place must be at a location designated for use as a polling place by a county or municipality.

(d) In school districts that have organized into separate board member election districts under section 205A.12, a combined polling place for a school general election must be arranged so that it does not include more than one board member election district.

Subd. 2a. **Notice of special elections.** The school district clerk shall prepare a notice to the voters who will be voting in a combined polling place for a school district special election. The notice must include the following information: the date of the election, the hours of voting and the location of the voter's polling place. The notice must be sent by nonforwardable mail to every affected household in the school district with at least one

registered voter. The notice must be mailed no later than 14 days before the election. The mailed notice is not required for a school district special election that is held on the second Tuesday in August, the Tuesday following the first Monday in November, or for a special election conducted entirely by mail. A notice that is returned as undeliverable must be forwarded immediately to the county auditor.

**Subd. 3. Procedure.** The designation of a polling place pursuant to this section remains effective until a different polling place is designated. No designation of a new or different polling place becomes effective less than 90 days prior to an election, except that a new polling place may be designated to replace a polling place that has become unavailable for use. The school board must notify the county auditor within 30 days after the establishment of a polling place as provided in this section. The notice must include a list of the precincts that will be voting at each polling place. The school board must send the notice required by section 204B.16, subdivision 1a, after a polling place is established as provided in this section, but no additional notices of this kind are required for any subsequent similar elections until the location of the polling place or the combination of precincts voting at the polling place is changed. The secretary of state shall provide a single polling place roster for use in any polling place established as provided in this section. A single set of election judges must be appointed to serve in the polling place. The number of election judges required must be based on the total number of persons voting at the last similar election in all the precincts to be voting at the single polling place. A single ballot box may be provided for all the ballots.

Election.** Except in a school district located wholly or partly within a city of the first class, upon resolution of the board, made on its own motion or on presentation of a petition substantially in the form required in section 205A.13, signed by at least 50 electors of the district or ten percent of the number of votes cast in the most recent regular school board election, whichever is larger, the board shall adopt a proposal to divide the district into separate election districts. The proposal must designate one of the following options for election of members: single-member districts, from which one board member each must be elected; multimember districts, from which two or three members each must be elected; a combination of single-member and multimember districts; or a combination of single-member or multimember districts, or both, and election of one or more members at large. The proposal must be submitted to an election under this chapter. If there are as many election districts as there are members of the board, one and only one member of the board shall be elected from each election district. In school districts where one or more board members are elected by election districts, candidates must indicate on the affidavit of candidacy the number of the district from which they seek election or, if appropriate, that they seek election from one of the offices elected at large. If the election districts have two or three members each, the terms of the members must be staggered. Each board member must be a resident of the election district for which elected but the creation of an election district or a change in election district boundaries shall not disqualify a board member from serving for the remainder of a term.

No system may be adopted or used unless it has been approved by the secretary of state pursuant to section 206.57. The school district shall notify the secretary of state of its decision in compliance with section 206.58, subdivision 4.

Subd. 6. **Redefining election district boundaries.** The school board may by resolution redefine district boundaries after a school district general election. The board shall hold a public hearing on the proposed resolution before its adoption. One week's published notice of the hearing must be given. After the official certification of the federal decennial or special census, the school board shall either confirm the existing election district boundaries as conforming to the standards of subdivision 4 or redefine election district boundaries to conform to those standards as provided in section 204B.135, subdivision 2. If the school board fails to take either action within the time required, no further compensation may be paid to the school board members until the districts are either reconfirmed or redefined as required by this section. A resolution establishing election district boundaries pursuant to section 204B.135, subdivision 2, becomes effective on the date of the state primary election in the year ending in two. Election district boundaries established at other times become effective 90 days after the adoption of the resolution.

Subd. 7. **Dissolution of election districts.** The governing body of a school district that enters into a consolidation or cooperation and combination agreement may, by resolution, dissolve election districts previously established as provided in this section as part of the consolidation or cooperation and combination plan. The resolution must include a plan for the orderly transition to at-large elections of school board members.

Subdivision 1. **Official responsible for providing ballots.** (a) The official charged with providing paper ballots when they are used shall provide all ballot cards, sample ballots, precinct summary statements, and other necessary supplies needed for electronic voting systems, except as otherwise provided by this section.

(b) At general elections and primaries the county auditor of each county in which an electronic voting system is used shall provide all ballot cards and other necessary printed forms and supplies needed for the electronic voting system, including all forms needed for voting on candidates and questions, the ballots for which are required by the election laws to be provided by the state when paper ballots are used.

(c) In precincts using a ballot format as provided by section 206.80, paragraph (b), clause (2), item (ii), voters must be provided the option of voting with a regularly printed optical scan ballot.

#### Subd. 2. [Repealed, 1997 c 147 s 79]

Subd. 3. **Candidates' names.** Candidates' names may be set in as large type as the length of the majority of names on the ballot permits. The remaining candidates' names may be set in smaller sizes of type as the length of each name requires, in order to fit the available space on the ballot card.

Subd. 4. **Order of candidates.** On the "State Partisan Primary Ballot" prepared for primary elections, and on the state general election ballot prepared for the general election, the order of the names of nominees or names of candidates for election shall be the same as required for paper ballots. More than one column or row may be used for the same office or party. Electronic ballot display and audio ballot readers must conform to the candidate order on the optical scan ballot used in the precinct.

Subd. 5. **Alternation.** The provisions of the election laws requiring the alternation of names of candidates must be observed as far as practicable by changing the order of the names on an electronic voting system in the various precincts so that each name appears on the machines or marking devices used in a municipality substantially an equal number of times in the first, last, and in each intermediate place in the list or group in which they belong. However, the arrangement of candidates' names must be the same on all voting systems used in the same precinct. If the number of names to be alternated exceeds the number of precincts, the election official responsible for providing the ballots, in accordance with subdivision 1, shall determine by lot the alternation of names.

If an electronic ballot marker is used with a paper ballot that is not an optical scan ballot card, the manner of alternation of candidate names on the paper ballot must be as prescribed for optical scan ballots in this subdivision.

The rules adopted by the secretary of state for the rotation of candidate names must use the number of registered voters in each precinct as of 8:00 a.m. on May 1 of the year when the rotation will be made as the basis for determining the rotation of names.

Amendments are effective July 1, 2023.

~~Within 14~~ At least three days before ~~election day~~ voting equipment is used, the official in charge of elections shall have the voting system tested to ascertain that the system will correctly mark ballots using all methods supported by the system, including through assistive technology, and count the votes cast for all candidates and on all questions. The test must be observed by at least two election judges, who are not of the same major political party, and must be open to representatives of the political parties, candidates, the press, and the public. The test must be conducted by (1) processing a preaudited group of ballots punched or marked to record a predetermined number of valid votes for each candidate and on each question, and must include for each office one or more ballot cards which have votes in excess of the number allowed by law in order to test the ability of the voting system tabulator and electronic ballot marker to reject those votes; and (2) processing an additional test deck of ballots marked using the electronic ballot marker for the precinct, including ballots marked using the electronic ballot display, audio ballot reader, and any assistive voting technology used with the electronic ballot marker. If any error is detected, the cause must be ascertained and corrected and an errorless count must be made before the voting system may be used in the election. After the completion of the test, the programs used and ballot cards must be sealed, retained, and disposed of as provided for paper ballots.

### **206.86 COUNTING ELECTRONIC VOTING SYSTEM RESULTS.**

Addition of subd. 5a is effective July 1, 2023.

Subdivision 1. **At the voting location.** In precincts where an electronic voting system is used, as soon as the polls are closed the election judges shall secure the voting systems against further voting. They shall then open the ballot box and count the number of ballot cards or envelopes containing ballot cards that have been cast to

## 2023 MINNESOTA ELECTION LAWS

determine that the number of ballot cards does not exceed the number of voters shown on the election register or registration file. If there is an excess, the judges shall seal the ballots in a ballot container and transport the container to the county auditor or municipal clerk who shall process the ballots in the same manner as paper ballots are processed in section 204C.20, subdivision 2, then enter the ballots into the ballot counter. The total number of voters must be entered on the forms provided. The judges shall next count the write-in votes and enter the number of those votes on forms provided for the purpose.

**Subd. 2. Transportation of ballot cards.** The judges shall place all voted ballot cards, defective ballots, and damaged ballots in the container provided for transporting them to the counting center. The container must be sealed and delivered immediately to the counting center by two judges who are not of the same major political party. The judges shall also deliver to the counting center in a suitable container the unused ballot cards, the spoiled ballot envelope, and the ballot envelopes issued to the voters and deposited during the day in the ballot box.

**Subd. 3. Counting centers open; security.** Proceedings at the counting center are open to the public. They are under the direction of the official in charge of elections in each municipality where an electronic voting system is used and must be under the observation of at least two election judges who are not of the same major political party. Only persons employed and authorized for the purpose may touch any ballot card, ballot container, or statement of absentee ballot results.

**Subd. 4. Preliminary tabulation.** When the ballot cards arrive at a counting center where votes are counted by a multiple use computer, they must be given to the counting center election judges. For purposes of this subdivision a multiple use computer is automatic tabulating equipment which can perform functions other than counting votes. If the election judges at the precinct have determined that any ballot cards are not defective by reason of improper write-in votes, those ballot cards may be counted by the automatic tabulating equipment before inspection by the counting center election judges. The results of this preliminary tabulation may be made available to the public if the tabulation is clearly identified as unofficial.

After any preliminary tabulation has been made, the ballot cards must be returned to the counting center election judges who shall examine them for physical defects and prepare replacements, if necessary, as provided in subdivision 5.

**Subd. 5. Damaged, defective ballot cards.** If a ballot card is damaged or defective so that it cannot be counted properly by the automatic tabulating equipment, a true duplicate copy must be made of the damaged ballot card in the presence of two judges not of the same major political party and must be substituted for the damaged ballot card. Likewise, a duplicate ballot card must be made of a defective ballot card which may not include the votes for the offices for which it is defective. Duplicate ballot cards must be clearly labeled "duplicate," indicate the precinct in which the corresponding damaged or defective ballot was cast, bear a serial number which must be recorded on the damaged or defective ballot card, and be counted in lieu of the damaged or defective ballot card. If a ballot card is damaged or defective so that it cannot be counted properly by the automatic tabulating equipment, the ballot card must be tallied at the counting center by two judges not of the same major political party and the totals for all these ballot cards must be added to the totals for the respective precincts.

**Subd. 5a. Ballots in precincts with multiple styles of voting system.** In the event the results of a precinct are subject to a recount under section 204C.35 or 204C.36, or are subject to a postelection review under section 206.89, and a ballot format as provided in section 206.80, paragraph (b), clause (2), item (ii), was used by ten or fewer voters in the precinct, the election judges from that precinct are not eligible to participate in conducting a recount or postelection review in that precinct.

**Subd. 6. Final tabulation.** A final tabulation of ballots must be obtained from the automatic tabulating equipment after all damaged or defective cards have been replaced. The final tabulation, together with the returns of write-in and absentee votes and the precinct summary statements prepared in accordance with section 204C.24, constitute the official return of each precinct. Upon completion of the count the returns are

open to the public. The automatic tabulating equipment must be programmed to provide a complete recapitulation of all ballots processed. It may be programmed to provide information in addition to that required in the official return of each precinct, if the officials in charge of elections deem that advisable in order to provide election statistics to evaluate the performance of the electronic voting system or other aspects of the election.

**History:** 1984 c 447 s 28; 1997 c 147 s 68,69; 1999 c 132 s 38; 2023 c 42 art 4 s 119

### **206.87 CANVASSING BOARD DUTIES.**

In a municipality where an electronic voting system is used the canvassing board shall be constituted and shall perform the same duties as provided in sections 204C.32, 204C.33, and 204C.39 on the canvassing of paper ballots.

**History:** 1984 c 447 s 29

### **206.88 PARTIAL RECOUNTS ON ELECTRONIC VOTING SYSTEMS.**

The secretary of state may conduct a recount to verify the accuracy of vote counting and recording in one or more precincts in which an electronic voting system was used in the election. The results of the recount must be reported to the appropriate canvassing board. Time for notice of nomination, election, or contest for an office recounted pursuant to this section must begin upon certification of the results of the recount by the canvassing board.

**History:** 1989 c 291 art 1 s 27

### **206.89 POSTELECTION REVIEW OF VOTING SYSTEMS.**

Subdivision 1. **Definition.** For purposes of this section "postelection review official" means the county auditor, unless the county auditor designates the municipal clerk as the "postelection review official" within 24 hours after the canvass of the state general election.

Subd. 2. **Selection for review; notice.** At the canvass of the state primary, the county canvassing board in each county must set the date, time, and place for the postelection review of the state general election to be held under this section. The postelection review must not begin before the 11th day after the state general election and must be complete no later than the 18th day after the state general election.

At the canvass of the state general election, the county canvassing boards must select the precincts to be reviewed by lot. The ballots to be reviewed for a precinct include both the ballots counted at the polling place for that precinct and the absentee ballots counted centrally by a ballot board for that precinct. The county canvassing board of a county with fewer than 50,000 registered voters must conduct a postelection review of a total of at least two precincts. The county canvassing board of a county with between 50,000 and 100,000 registered voters must conduct a review of a total of at least three precincts. The county canvassing board of a county with over 100,000 registered voters must conduct a review of a total of at least four precincts, or three percent of the total number of precincts in the county whichever is greater. At least one precinct selected in each county must have had more than 150 votes cast at the general election.

The county auditor must notify the secretary of state of the precincts that have been chosen for review and the time and place the postelection review for that county will be conducted, as soon as the decisions are made. If the selection of precincts has not resulted in the selection of at least four precincts in each congressional district, the secretary of state may require counties to select by lot additional precincts to meet the congressional district requirement. The secretary of state must post this information on the office Web site.

Subd. 2a. **Exception.** No review is required under this section if the election for the office will be subject to a recount as provided in section 204C.35, subdivision 1.

## 2023 MINNESOTA ELECTION LAWS

Subd. 3. **Scope and conduct of review.** The county canvassing board shall appoint the post election review official as defined in subdivision 1. The post election review must be conducted of the votes cast for President or governor; United States Senator; and United States Representative. The post election review official may conduct postelection review of the votes cast for additional offices.

The postelection review must be conducted in public at the location where the voted ballots have been securely stored after the state general election or at another location chosen by the county canvassing board. The post election review official for each precinct selected must conduct the postelection review and may be assisted by election judges designated by the post election review official for this purpose. The party balance requirement of section 204B.19 applies to election judges designated for the review. The postelection review must consist of a manual count of the ballots used in the precincts selected and must be performed in the manner provided by section 204C.21. The postelection review must be conducted in the manner provided for recounts under section 204C.361 to the extent practicable. The review must be completed no later than two days before the meeting of the state canvassing board to certify the results of the state general election.

Subd. 4. **Standard of acceptable performance by voting system.** A comparison of the results compiled by the voting system with the postelection review described in this section must show that the results of the electronic voting system differed from the manual count of the offices reviewed by no more than two votes in a precinct where fewer than 1,200 voters cast ballots, three votes in a precinct where between 1,200 and 1,599 voters cast ballots, four votes in a precinct where between 1,600 and 1,999 voters cast ballots, or five votes in a precinct where 2,000 or more voters cast ballots. Valid votes that have been marked by the voter outside the vote targets or using a manual marking device that cannot be read by the voting system must not be included in making the determination whether the voting system has met the standard of acceptable performance for any precinct.

Subd. 5. **Additional review.** (a) If the postelection review in one of the reviewed precincts reveals a difference greater than the thresholds specified in subdivision 4, the postelection review official must, within two days, conduct an additional review of the races indicated in subdivision 3 in at least three precincts in the same jurisdiction where the discrepancy was discovered. If all precincts in that jurisdiction have been reviewed, the county auditor must immediately publicly select by lot at least three additional precincts for review. The postelection review official must complete the additional review within two days after the precincts are selected and report the results immediately to the county auditor. If the second review in any of the reviewed precincts also indicates a difference in the vote totals compiled by the voting system that is greater than the thresholds specified in subdivision 4, the county auditor must conduct a review of the ballots from all the remaining precincts in the county for the races indicated in subdivision 3. This review must be completed and the results must be reported to the secretary of state within one week after the second review was completed.

(b) If the results from the countywide reviews from one or more counties comprising in the aggregate more than ten percent of the total number of persons voting in the election clearly indicate that an error in vote counting has occurred, the secretary of state must notify the postelection review official of each county in the district that they must conduct a manual recounts of all the ballots in the district for the affected office using the procedure outlined in section 204C.35. The recount must be completed and the results reported to the appropriate canvassing board within two weeks after the postelection review official received notice from the secretary of state.

Subd. 6. **Report of results.** Upon completion of the postelection review, the post election review official must immediately report the results to the county auditor. The county auditor must then immediately submit the results of the postelection review electronically or in writing to the secretary of state not later than two days before the State Canvassing Board meets to canvass the state general election. The secretary of state shall report the results of the postelection review at the meeting of the State Canvassing Board to canvass the state general election.

## 2023 MINNESOTA ELECTION LAWS

Subd. 7. **Update of vote totals.** If the postelection review under this section results in a change in the number of votes counted for any candidate, the revised vote totals must be incorporated in the official result from those precincts.

Subd. 8. **Effect on voting systems.** If a voting system is found to have failed to record votes accurately and in the manner provided by the Minnesota election law, the voting system must not be used at another election until it has been examined and recertified by the secretary of state. If the voting system failure is attributable to either its design or to actions of the vendor, the vendor must forfeit the vendor bond required by section 206.57 and the performance bond required by section 206.66.

Subd. 9. **Costs of review.** The costs of the postelection review required by this section must be allocated as follows:

(1) the governing body responsible for each precinct selected for review must pay the costs incurred for the review conducted under subdivision 2 or 5, paragraph (a);

(2) the vendor of the voting system must pay any costs incurred by the secretary of state to examine and recertify the voting system; and

(3) the secretary of state must reimburse local units of government for the costs of any recount required under subdivision 5, paragraph (b).

Subd. 10. **Time for filing election contest.** The appropriate canvass is not completed and the time for notice of a contest of election does not begin to run until all reviews under this section have been completed.

### 206.895 SECRETARY OF STATE MONITOR.

The secretary of state must monitor and evaluate election procedures in precincts subject to the audit provided for in section 206.89 in at least four precincts in each congressional district. The precincts must be chosen by lot by the State Canvassing Board at its meeting to canvass the general election.

**History:** 2006 c 242 s 34

### 206.90 OPTICAL SCAN VOTING SYSTEMS.

Amendments to subd. 10 are effective July 1, 2023.

Subdivision 1. **Definition.** For the purposes of this section, "optical scan voting system" means an electronic voting system approved for use under sections 206.80 to 206.81 in which the voter records votes by marking with a pencil or other device, including an electronic ballot marker, a ballot on which the names of candidates, office titles, party designation in a partisan primary or election, and a statement of any question accompanied by the words "Yes" and "No" are printed.

Subd. 2. **Procedures.** To the extent possible, procedures for using an optical scan voting system must be the same as those used for other electronic voting systems, unless this section provides otherwise.

Subd. 3. **Availability of paper ballots.** At a state or county election where an optical scan voting system will be in use, the county auditor may provide ballot cards meeting the requirements of this section in lieu of paper ballots otherwise required to be prepared by the county auditor. In an election jurisdiction where an optical scan voting system has been adopted, the election official may provide paper ballots prepared in the same format used for the voting system.

Subd. 4. **Absentee voting.** An optical scan voting system may be used for absentee voting. The county auditor may supply an appropriate marking instrument to the voter along with the ballot.

Subd. 5. **Instruction of judges, voters.** In instructing judges and voters under section 206.84, subdivision 1, officials in charge of election precincts using optical scan voting systems shall include instruction on the proper mark for recording votes on ballot cards marked with a pencil or other writing instrument and the insertion by

## 2023 MINNESOTA ELECTION LAWS

the voter of the ballot card into automatic tabulating equipment that examines and counts votes as the ballot card is deposited into the ballot box.

Officials shall include instruction on the insertion by the voter of the ballot card into an electronic ballot marker that can examine votes before the ballot card is deposited into the ballot box.

Subd. 6. **Ballots.** In precincts using optical scan voting systems, a single ballot card on which all ballot information is included must be printed in black ink on white colored material except that marks not to be read by the automatic tabulating equipment may be printed in another color ink. In state elections, a single ballot title must be used, as provided in sections 204D.08, subdivision 6, and 204D.11, subdivision 1. When both municipal and school district offices or questions appear on the ballot, the single ballot title "City (or Town) and School District Ballot" must be used.

On the front of the ballot must be printed the words "Official Ballot" and the date of the election and lines for the initials of at least two election judges.

When optical scan ballots are used, the offices to be elected must appear in the following order: federal offices; state legislative offices; constitutional offices; proposed constitutional amendments; county offices and questions; municipal offices and questions; school district offices and questions; special district offices and questions; and judicial offices.

On optical scan ballots, the names of candidates and the words "yes" and "no" for ballot questions must be printed as close to their corresponding vote targets as possible.

The line on an optical scan ballot for write-in votes must contain the words "write-in, if any."

If a primary ballot contains both a partisan ballot and a nonpartisan ballot, the instructions to voters must include a statement that reads substantially as follows: "This ballot card contains a partisan ballot and a nonpartisan ballot. On the partisan ballot you are permitted to vote for candidates of one political party only." If a primary ballot contains political party columns on both sides of the ballot, the instructions to voters must include a statement that reads substantially as follows: "Additional political parties are printed on the other side of this ballot. Vote for one political party only." At the bottom of each political party column on the primary ballot, the ballot must contain a statement that reads substantially as follows: "Continue voting on the nonpartisan ballot." The instructions in section 204D.08, subdivision 4, do not apply to optical scan partisan primary ballots. Electronic ballot displays and audio ballot readers must follow the order of offices and questions on the optical scan or paper ballot used in the same precinct, or the sample ballot posted for that precinct.

Subd. 7. **Voting booths.** In precincts where an optical scan voting system is used, the number of voting booths must be sufficient to provide for the number of voters expected. Information needed to enable voters to mark ballot cards quickly and correctly must be posted in each voting booth.

Subd. 8. **Duties of election officials.** The official in charge of elections in each municipality where an optical scan voting system is used shall have the electronic ballot marker that examines and marks votes on ballot cards and the automatic tabulating equipment that examines and counts votes as ballot cards are deposited into ballot boxes put in order, set, adjusted, and made ready for voting when delivered to the election precincts. Whenever a ballot card created by an electronic ballot marker certified by the secretary of state is rejected by an optical scan voting system, two election judges who are members of different major political parties shall transcribe the votes on the ballot rejected by the optical scan voting system pursuant to the procedures set forth in section 206.86, subdivision 5.

Subd. 9. **Spoiled ballot cards.** Automatic tabulating equipment and electronic ballot markers must be capable of examining a ballot card for defects and returning it to the voter before it is counted and deposited into the ballot box and must be programmed to return as a spoiled ballot a ballot card with votes for an office or question which exceed the number which the voter is entitled to cast and at a primary a ballot card with votes for candidates of more than one party.

## 2023 MINNESOTA ELECTION LAWS

Subd. 10. **Counting write-in votes.** Notwithstanding section 204C.22, subdivision 4, in precincts using optical scan voting systems, the ballot must be marked in the oval or other target shape opposite the blank when a voter writes an individual's name on the line provided for write-in votes in order to be counted. The judges shall count the write-in votes and enter the number of those votes on forms provided for the purpose. When the write-in votes are recorded on a medium that cannot be examined for write-in votes by the automatic tabulating equipment or the automatic tabulating equipment does not reject, with respect to write-in votes, all votes for an office or question when the number of votes cast on it exceeds the number which the voter is entitled to count, all ballot envelopes or other medium on which write-in votes have been recorded must be serially numbered, starting with the number one and the same number must be placed on the ballot card of the voter. The judges shall compare the write-in votes with the votes cast on the ballot card. If the total number of votes for any office exceeds the number allowed by law, a notation to that effect must be entered on the back of the ballot card and the card must be returned to the counting center in an envelope marked "defective ballots"; however, valid votes on ballot cards containing invalid votes must be counted as provided in section 206.86, subdivision 5.

When the write-in votes are recorded on ballot cards that can be examined for write-in votes by the automatic tabulating equipment and the automatic tabulating equipment rejects all votes for an office or question when the number of votes cast on it exceeds the number which the voter is entitled to cast, the judges shall examine the ballot cards with write-in votes and count the valid write-in votes.

### **206.95 VOTING EQUIPMENT GRANT ACCOUNT.**

Subdivision 1. **Voting Equipment grant account.** A voting equipment grant account is established in the special revenue fund. Funds in the account are appropriated to the secretary of state to provide grants to political subdivisions as authorized by this section. Funds in the account are available until expended.

Subd. 2. **Authorized equipment.** A political subdivision may apply to receive a grant under this section for the purchase or lease of the following:

- (1) an electronic voting system, or any individual components of an electronic voting system as provided in section 206.56, subdivision 8;

- (4) any other equipment or technology approved by the secretary of state for use in conducting a state or local election in Minnesota consistent with the requirements of law.

Subd. 3. **Application.** (a) The secretary of state may make a grant from the account to a political subdivision only after receiving an application from the political subdivision. The application must contain the following information:

- (1) the date the application is submitted;
- (2) the name of the political subdivision;
- (3) the name and title of the individual who prepared the application;
- (4) the type of voting system currently used in each precinct in the political subdivision;

(9) the type of voting system to be acquired with the grant money and whether the voting system will permit individuals with disabilities to cast a secret ballot;

(10) the proposed schedule for purchasing and implementing the new voting system and the precincts in which the new voting system would be used;

(11) whether the political subdivision has previously applied for a grant from the account and the disposition of that application;

(12) a certified statement by the political subdivision that the grant will be used only to purchase authorized equipment under subdivision 2 of this section and that the political subdivision has insufficient resources to purchase the voting system without obtaining a grant from the account; and

(13) any other information required by the secretary of state.

(b) The secretary of state must establish a deadline for receipt of grant applications, a procedure for awarding and distributing grants, and a process for verifying the proper use of the grants after distribution.

Subd. 4. **Amount of grant.** A political subdivision is eligible to receive a grant of no more than 75 percent of the total cost of electronic roster equipment and 50 percent of the total cost of all other equipment or technology authorized for a grant under subdivision 2. In evaluating the application, the secretary of state shall consider only the information set forth in the application and is not subject to chapter 14. If the secretary of state determines that the application has been fully and properly completed, and that there is a sufficient balance in the account to fund the grant, either in whole or in part, the secretary of state may approve the application.

Subd. 5. **Report to legislature.** No later than January 15, 2018, and annually thereafter until the appropriations provided for grants under this section have been exhausted, the secretary of state must submit a report to the legislative committees with jurisdiction over elections policy on grants awarded by this section. The report must detail each grant awarded, including the jurisdiction, the amount of the grant, and the type of equipment purchased.

(b) The party chairs must jointly submit to the secretary of state, no later than March 1 in a year prior to a presidential election year, the single date on which the parties have agreed to conduct the presidential nomination primary in the next year. The date selected must not be the date of the town general election provided in section 205.075, subdivision 1. Subdivision 1. **Form.** (a) Except as provided by law, presidential nomination primary ballots shall be printed in the same manner as state primary ballots as far as practicable. A sufficient number of each ballot shall be printed for each precinct and ward in the state.

(b) There must be separate ballots for the names of the candidates of each participating political party. Each ballot must be headed by the words "Presidential Nomination Primary Ballot." The heading must also indicate the party that appears on the ballot.

(c) If requested by a party chair, the ballot for that participating party must contain a place for a voter to indicate a preference for having delegates to the party's national convention remain uncommitted. If requested by a party chair, the ballot for that participating party must contain a blank line printed below the other choices on the ballot so that a voter may write in the name of a person who is not listed on the ballot. A request under this paragraph must be submitted to the secretary of state no later than 63 days before the presidential nomination primary.

Subd. 2. **Candidates on the ballot.** (a) Each party participating in the presidential nomination primary must determine which candidates are to be placed on the presidential nomination primary ballot for that party. Court will not change political party or principle as stated on presidential elector nominating petition absent showing of significant degree of confusion. Mere similarity of party name is not sufficient. *Id.*

The secretary of state shall certify the names of all duly nominated presidential and vice-presidential candidates to the county auditors of the counties of the state. Each county auditor, subject to the rules of the secretary of state, shall cause the names of the candidates of each major political party and the candidates nominated by petition to be set in type of the same size and style as for candidates on the state general election ballot, before the party designation. To the left of, and on the same line with the names of the candidates for president and vice-president, near the margin, shall be placed an oval or similar target shape, in which the voters may indicate their choice.

The form for the presidential ballot and the relative position of the several candidates shall be determined by the rules applicable to other state officers. The state ballot, with the required heading, shall be printed on the same piece of paper and shall be below the presidential ballot with a blank space between one inch in width.

#### 208.04

Court would not mandate change of party or principle as stated upon nominating petitions for presidential electors, despite similarity to that of other candidates, absent showing of significant degree of confusion. *Scofield v. Kiffmeyer*, 620 N.W.2d 24 (Minn. 2000).

Write-in votes for presidential electors are authorized in this state even though M.S. 208.04 makes no provision for them, since that section's specific provisions must be held to assume the general law as it is declared by former M.S. 203A.12 and 206.07, which provide for blank spaces for write-ins on all general election ballots; including the presidential ballot. #### 208.05 STATE CANVASSING BOARD.

Amendments are effective July 1, 2023.

The State Canvassing Board at its meeting on the date provided in section 204C.33 shall open and canvass the returns made to the secretary of state for presidential electors and alternates, prepare a statement of the number of votes cast for the persons receiving votes for these offices, and declare the person or persons receiving the highest number of votes for each office duly elected, except that if the Agreement Among the States to Elect the President by National Popular Vote governs the appointment of presidential electors, the State Canvassing Board shall declare duly elected the candidates for presidential electors and alternates identified in accordance with the provisions of that agreement. When it appears that more than the number of persons to be elected as presidential electors or alternates have the highest and an equal number of votes, the secretary of state, in the presence of the board shall decide by lot which of the persons shall be declared elected, except that if the Agreement Among the States to Elect the President by National Popular Vote governs the appointment of presidential electors, no such drawing of lots shall be conducted. The governor shall transmit to each person declared elected a certificate of election, signed by the governor, sealed with the state seal, and countersigned by the secretary of state.

### NOTES AND DECISIONS

#### 208.05

Write-in votes for presidential candidates whose electors have not been certified as such to the secretary of state under M.S. 208.03 or former 202A.32, would be a nullity since the state canvassing board under the authority of M.S. 208.05 determines the election only of electors, but an effective write-in would either write in the office of presidential elector and names of as many as ten candidates for a presidential elector, or employ a sticker for the same purpose. Op. Atty. Gen. 28C-5, October 5, 1968.

#### 208.051 AGREEMENT AMONG THE STATES TO ELECT THE PRESIDENT BY NATIONAL POPULAR VOTE.

Addition of 208.051 is effective July 1, 2023.

The Agreement Among the States to Elect the President by National Popular Vote is enacted into law and entered into with all other states legally joining in it in substantially the following form:

##### Article I - Membership

Any state of the United States and the District of Columbia may become a member of this agreement by enacting this agreement.

## 2023 MINNESOTA ELECTION LAWS

### Article II - Right of the People in Member States to

#### Vote for President and Vice President

Each member state shall conduct a statewide popular election for president and vice president of the United States.

### Article III - Manner of Appointing Presidential Electors in Member States

Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each member state shall determine the number of votes for each presidential slate in each state of the United States and in the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes together to produce a national popular vote total for each presidential slate. The chief election official of each member state shall designate the presidential slate with the largest national popular vote total as the national popular vote winner. The presidential elector certifying official of each member state shall certify the appointment in that official's own state of the elector slate nominated in that state in association with the national popular vote winner. At least six days before the day fixed by law for the meeting and voting by the presidential electors, each member state shall make a final determination of the number of popular votes cast in the state for each presidential slate and shall communicate an official statement of such determination within 24 hours to the chief election official of each other member state. The chief election official of each member state shall treat as conclusive an official statement containing the number of popular votes in a state for each presidential slate made by the day established by federal law for making a state's final determination conclusive as to the counting of electoral votes by Congress. In event of a tie for the national popular vote winner, the presidential elector certifying official of each member state shall certify the appointment of the elector slate nominated in association with the presidential slate receiving the largest number of popular votes within that official's own state. If, for any reason, the number of presidential electors nominated in a member state in association with the national popular vote winner is less than or greater than that state's number of electoral votes, the presidential candidate on the presidential slate that has been designated as the national popular vote winner shall have the power to nominate the presidential electors for that state and that state's presidential elector certifying official shall certify the appointment of such nominees. The chief election official of each member state shall immediately release to the public all vote counts or statements of votes as they are determined or obtained. This article shall govern the appointment of presidential electors in each member state in any year in which this agreement is, on July 20, in effect in states cumulatively possessing a majority of the electoral votes.

### Article IV - Other Provisions

This agreement shall take effect when states cumulatively possessing a majority of the electoral votes have enacted this agreement in substantially the same form and the enactments by such states have taken effect in each state. Any member state may withdraw from this agreement, except that a withdrawal occurring six months or less before the end of a president's term shall not become effective until a president or vice president shall have been qualified to serve the next term. The chief executive of each member state shall promptly notify the chief executive of all other states of when this agreement has been enacted and has taken effect in that official's state, when the state has withdrawn from this agreement, and when this agreement takes effect generally. This agreement shall terminate if the electoral college is abolished. If any provision of this agreement is held invalid, the remaining provisions shall not be affected.

### **NOTES AND DECISIONS**

#### **208.46**

Action brought by presidential elector against Minnesota's Uniform Faithful Presidential Electors Act did not fall within mootness exception for cases capable of repetition yet evading review because elector waited until three weeks after claim arose to file, leaving just over two weeks for definitive expiration of his claim on date Congress counted elector votes. *Abdurrahman v. Dayton*, 903 F.3d 813 (8<sup>th</sup> Cir. 2018).

### **208.47 ELECTOR REPLACEMENT; ASSOCIATED CERTIFICATES.**

(b) The governor immediately shall deliver the signed amended certificate of ascertainment to the secretary of state and a signed duplicate original of the amended certificate of ascertainment to all individuals entitled to receive this state's certificate of ascertainment, indicating that the amended certificate of ascertainment is to be substituted for the certificate of ascertainment previously submitted.

(c) The secretary of state shall prepare a certificate of vote. The electors on the final list shall sign the certificate. The secretary of state shall process and transmit the signed certificate with the amended certificate of ascertainment under United States Code, title 3, section 9, 10, and 11.

**History:** 2015 c 70 art 2 s 12

### **208.48 UNIFORMITY OF APPLICATION AND CONSTRUCTION.**

In applying and construing sections 208.40 to 208.48, consideration must be given to the need to promote uniformity of the law with respect to their subject matter among states that enact the Uniform Faithful Presidential Electors Act or similar law.

Subdivision 1. **General.** Any eligible voter, including a candidate, may contest in the manner provided in this chapter: (1) the nomination or election of any person for whom the voter had the right to vote if that person is declared nominated or elected to the senate or the house of representatives of the United States, or to a statewide, county, legislative, municipal, school, or district court office; or (2) the declared result of a constitutional amendment or other question voted upon at an election. The contest may be brought over an irregularity in the conduct of an election or canvass of votes, over the question of who received the largest number of votes legally cast, over the number of votes legally cast in favor of or against a question, or on the grounds of deliberate, serious, and material violations of the Minnesota election law.

**NOTES AND DECISIONS****209.02**

Notice of election contest alleging violation by newspaper of Fair Campaign Practices Act is not justiciable. *Derus v. Higgins*, 555 N.W.2d 515 (Minn. 1996). Supreme Court lacked jurisdiction to issue binding decision on eligibility to seat in House of Representatives. *Scheibel v. Pavlak*, 282 N.W.2d 843 (Minn. 1979).

Strict compliance with procedural requirements necessary under this chapter. *O'Loughlin v. Otis*, 276 N.W.2d 38 (Minn. 1979).

Absent compliance with procedural requirements, court lacks power to entertain contest. *Schmitt v. McLaughlin*, 275 N.W. 2d 587 (Minn. 1979). See also *Petrafeso v. McFarlin*, 296 Minn. 120, 207 N.W. 2d 343 (1973); *Holmen v. Miller*, 296 Minn. 99, 206 N.W. 2d 916 (1973).

Right to contest election is purely statutory. *Schmitt v. McLaughlin*, 275 N.W. 2d 587 (Minn. 1979); *Mittelstadt v. Breider*, 286 Minn. 211, 175 N.W.2d 191 (1970).

Because the right to contest an election is purely statutory, the provisions of the statute relating to filing and serving notice of contest must be strictly followed. *Lebens v. Harbeck*, 308 Minn. 433, 243 N.W. 2d 128 (1976).

When contestant made no effort to perform his obligation to cause service of notice of contest and when contestee had no actual notice, there were no facts from which to infer a substantial attempt to conform to statutory requirements for commencement of an election contest even though it was the obligation of the auditor under this section to mail the notice to the contestee. In re *Johnson*, 231 N.W. 2d 926 (Minn. 1975).

## 2023 MINNESOTA ELECTION LAWS

Where contestant did not validly serve notice of contest upon contestee within seven days after completion of canvass, as required by state, trial court properly dismissed the proceeding for want of jurisdiction. *Id.*

Violation of statute regulating the conduct of an election is not fatal to the election in absence of proof that the irregularity affected the outcome or was produce of fraud or bad faith. *Hahn v. Graham*, 302 Minn. 407, 225 N.W. 2d 385 (1975).

Must be a clear abuse of discretion to void election. *Moulton v. Newton*, *Supra*; *Munell v. Rollette*, 275 Minn. 93, 145 N.W. 2d 531 (1966).

To sustain charge that contestee of election failed to make timely filing of financial statement, contestant must show that such omissions were deliberate, serious, and material violations of the provision of the election law. *Moulton v. Newton*, 274 Minn. 547, 144 N.W. 2d 706 (1966).

In absence of affidavits district court did not acquire jurisdiction of election contest. *Franson v. Carlson*, 272 Minn. 376, 137 N.W. 2d 835 (1965).

Notice of contest must state jurisdictional grounds, and a deficiency thereof cannot be supplied by amendment. *Hancock v. Lewis*, 265 Minn. 519, 122 N.W. 2d 592 (1963).

The bare allegation that possible errors could have occurred in counting of ballots does not establish jurisdiction in election contest. *Christenson v. Allen*, 264 Minn. 295, 119 N.W. 2d 35 (1963).

For discussion of this section see *Youngdale v. Eastvoid*, 232 Minn. 134, 44 N.W. 2d 459 (1950); *Phillips v. Erickson*, 248 Minn. 452, 80 N.W. 2d 513 (1957).

When members of an election board do not qualify as de jure officers but come into office under color of authority and are so held out to the public that the persons having occasion to deal with the board will recognize them as the official body assigned to handle the affairs of the election, the election board will be held to be de facto board. In *Re Contest of Election of Vetsch*, 245 Minn. 229, 72 N.W. 2d 652 (1955).

Since the purpose of the election laws is to assure an honest and fair election, an election will not necessarily be held to be valid in the absence of a showing of actual fraud if under certain circumstances the election is conducted in such manner as to provide an opportunity for fraud. Held, where in a given election precinct the violations of the election laws, even though they be only directory in nature, were so substantial and so numerous that doubt and suspicion were cast upon the election and the integrity of the voter therefrom was impeached, that the vote of the precinct was void, and the votes cast were properly rejected. *Id.*

It is the general rule that, before an election is held, statutory provisions regulating the conduct of the election will usually be treated as mandatory and their observance may be insisted upon and enforced. In *Re Order of Sammons*, 242 Minn. 345, 65 N.W. 2d 198 (1954).

After an election has been held, the statutory regulations are generally construed as directory and such rule of construction is in accord with the policy of this state, which from its beginning has been that, in the absence of fraud or bad faith or constitutional violation, an election which has resulted in a fair and free expression of the will of the legal voters upon the merits will not be invalidated because of a departure from the statutory regulations governing the conduct of the election except in those cases where the legislature has clearly and unequivocally expressed an intent that a specific statutory provision is an essential jurisdictional prerequisite and that a departure therefrom shall have the drastic consequences or invalidity. *Id.*

Absent fraud, bad faith or constitutional violation, expression of voters will not be invalidated on basis of deviation from non-jurisdictional statutory provisions. *Erickson v. Sammons*, 242 Minn. 345, 65 N.W.2d 198 (1954).

Where elections are fairly and honestly conducted without fraud or illegal voting, they will not be set aside for mere irregularities. *State ex rel. Burnquist v. Independent Consolidated Sch. District No. 46*, 242 Minn. 320, 65 N.W. 2d 117 (1954).

Proceedings brought to avoid an election for violation of Corrupt Practices statute is a special proceeding but is tried as a civil action and the usual rules governing the trial of civil action prevail. *Bank v. Egan*, 240 Minn. 192, 60 N.W. 2d 257 (1953). *But see O'Loughlin v. Otis*, 276 N.W. 2d 38 (Minn. 1979).

Election contest petitioner must prove allegations by a preponderance of evidence. *Bank v. Egan*, 240 Minn. 192, 60 N.W.2d 257 (1953).

State courts lack jurisdiction over congressional elections. In *re Youngdale*, 232 Minn. 134, 33 N.W.2d 459 (1950).

Court was without jurisdiction to entertain contest involving nomination or election to office of representative in Congress on grounds of near error. *Id.*

Failure to pursue election contest precludes collateral attack on election results. *Repsold v. Ind. Sch. Dist. No. 8*, 205 Minn. 316, 285 N.W. 827 (1939).

In election contest, burden is upon contestant to prove that ballots produced at trial are in same condition as when canvassed by precinct election board, and it is for trial court to determine that fact, before accepting results of a recount of such ballots. *Sullivan v. Ebner*, 195 Minn. 232, 262 N.W. 574 (1935).

Legislature has power to prohibit corrupt practices in elections. *Saari v. Gleason*, 126 Minn. 378, 148 N.W. 293 (1914).

Judicial election could not be set aside solely on basis of judicial code violations. *Burns v. Valen*, 400 N.W. 2d 123 (Minn. Ct. App. 1987).

Public utilities commission is not authorized to contest election or have recount, nor to pay for recount out of commission funds. *Op. Atty. Gen. 28A-3*, December 17, 1962.

Statements made in good faith, after investigation, and essentially true were proper and did not invalidate election. *Id.*

Where defects in election documents or procedure go to jurisdiction to hold election, or where defects and irregularities therein are so material that qualified voters are deprived of fair opportunity to vote, election proceedings will be held invalid and election results nullified. *Id.*

It is the duty of the city to defend declared result of local option election when contest is under this section. *Op. Atty. Gen. 218C-1*, March 21, 1947.

It is no part of the duty of the county attorney to begin proceedings to annul a nomination or an election. His duty is to prosecute for violation of the Fair Campaign Practices Act. *Op. Atty. Gen. 121B-9*, April 5, 1940.

Costs for board members' election contest not payable by school district. *Op. Atty. Gen. 1934*, No. 313, p. 506.

**209.021 NOTICE OF CONTEST.**

Amendments to subd. 2 are effective July 1, 2023.

Subdivision 1. **Manner; time; contents.** Service of a notice of contest must be made in the same manner as the service of summons in civil actions. The notice of contest must specify the grounds on which the contest will be made. The contestant shall serve notice of the contest on the parties enumerated in this section. Except as provided in section 204D.27, notice must be served and filed within five days after the canvass is completed in the case of a primary or special primary or within seven days after the canvass is completed in the case of a special or general election. If a contest is based on a deliberate, serious, and material violation of the election laws that was discovered from the statements of receipts and disbursements required to be filed by candidates and committees, the action may be commenced and the notice served and filed within ten days after the filing of the statements in the case of a general or special election or within five days after the filing of the statements in the case of a primary or special primary. If a notice of contest questions only which party received the highest number of votes legally cast at the election, a contestee who loses may serve and file a notice of contest on any other ground during the three days following expiration of the time for appealing the decision on the vote count.

Subd. 2. **Notice filed with court.** If the contest relates to a nomination or election for statewide office, the contestant shall file the notice of contest with the court administrator of district court in Ramsey county. For contests relating to any other office, the contestant shall file the notice of contest with the court administrator of district court in the county where the contestee resides maintains residence.

If the contest relates to a constitutional amendment, the contestant shall file the notice of contest with the court administrator of district court in Ramsey county. If the contest relates to any other question, the contestant shall file the notice of contest with the court administrator of district court for the county or any one of the counties where the question appeared on the ballot.

Subd. 3. **Notice served on parties.** In all contests relating to the nomination or election of a candidate, the notice of contest must be served on the candidate who is the contestee, a copy of the notice must be sent to the contestee's last known address by certified mail, and a copy must be furnished to the official authorized to issue the certificate of election. If personal or substituted service on the contestee cannot be made, an affidavit of the attempt by the person attempting to make service and the affidavit of the person who sent a copy of the notice to the contestee by certified mail is sufficient to confer jurisdiction upon the court to decide the contest.

If the contest relates to a constitutional amendment, notice of contest must be served on the secretary of state, who is the contestee. If a contest relates to a question voted on within only one county, school district, or municipality, a copy of the notice of contest must be served on the county auditor, clerk of the school district, or municipal clerk, respectively, who is the contestee. If the contest is upon the question of consolidation or reorganization of a school district, a copy of the notice of contest must be served on the county auditor authorized by law to issue the order.

To withstand motion to dismiss, notice of election contest must provide plain statement showing that contestant is entitled to decree changing election's declared result, including allegations that irregularities or errors affected outcome. *Bergstrom v. McEwen*, 960 N.W.2d 556 (Minn. 2021).

Invalid notice of contest cannot be validated after time for contest has passed. *Schmitt v. McLaughlin*, 275 N.W.2d 587 (Minn. 1979).

**209.03 CONTESTEE'S ANSWER.**

Subdivision 1. **Contest of vote count.** If a notice of contest questions only which of the parties to the contest received the highest number of votes legally cast at the election or the number of votes legally cast in favor of or against a question, the contestee need not file an answer, unless the contestee desires to raise issues not specified in the notice of contest.

Subd. 2. **Other contests.** For all other election contests the contestee's answer to the notice of contest must be filed and served on the contestant. The answer must so far as practicable conform to the rules for pleading in civil actions. If the contest relates to a primary or special primary, service of the answer must be made within the time fixed by the court, but no more than five days after service of the notice of contest. If the contest relates to a general or special election, service of the answer must be made within seven days after service of the notice of contest. The contestee's answer must be served in the same manner as the answer in a civil action or in the manner the court may order. #### NOTES AND DECISIONS

##### 209.065

For application of rules of civil procedure to contest, see *O'Loughlin v. Otis*, 276 N.W. 2d 38 (Minn. 1979).

Findings of fact, conclusions of law, and order for a judgment entered in an action contesting election of contestee to office of register of deeds of a county were not appealable orders. *Slowinski v. Ilse*, 278 Minn. 425, 154 N.W. 2d 819 (1967).

An election contest is an exclusive statutory proceeding, special and summary in nature, requiring strict observance of statute with respect to steps necessary to provide court with jurisdiction of the contest, and it is necessary that jurisdictional facts appear on the face of the contest notice. *Hancock v. Lewis*, 265 Minn. 519, 122 N.W. 2d 592 (1963).

Jurisdictional deficiencies in notice of election contest could not be supplied by amendment after time for filing the original notice of contest expired. *Christenson v. Allen*, 264 Minn. 395, 119 N.W. 2d 35 (1963).

### 209.07 MS 1957 [Repealed, 1959 c 675 art 13 s 1]

#### 209.07 RESULTS OF CONTEST.

Subdivision 1. **Generally.** If a nomination is contested, the court shall decide which candidate, if any, was nominated and is entitled to be named in print on the official ballots. When the court decides an election contest for any office other than state senator or state representative, and the time for appeal has expired or, in case of an appeal, if the contestant succeeds in the contest, the court may invalidate and revoke any election certificate which has been issued to the contestee. If the contest involved an error in the counting of ballots, the official authorized to issue the certificate of election shall issue the certificate to the person entitled to it, but if a contestant succeeds in a contest where there is no question as to which of the candidates received the highest number of votes cast at the election, the contestant is not, by reason of the disqualification of the contestee, entitled to the certificate of election.

Subd. 2. **Defective ballots.** In a contested election, if the court decides that a serious and material defect in the ballots used changed the outcome of the election for the contested office, the election must be declared invalid for that office.

Subd. 3. **Costs of contest.** If the contestee succeeds, costs of the contest must be paid by the contestant. If the contestant succeeds, costs of the contest must be paid by the contestee; except that if the contestee loses because of an error in the counting of ballots or canvass of the returns or because of any other irregularity in the election procedure, costs must be paid, in the discretion of the judge, by the election jurisdictions responsible for errors which resulted in the reversal of the prior results of the election.

## 2023 MINNESOTA ELECTION LAWS

Subd. 4. **School district board election; surety bond requirements.** If an election approving the issuance of bonds by a school district is contested, the contestant shall file in the district court a surety bond of at least \$5,000 or a greater amount determined necessary by the court to provide security for costs of the contest to the school district, including any additional costs that may be incurred by the school district if the bond issue is delayed. The court may waive the requirements of this subdivision to the extent it finds that there is a reasonable likelihood that the contestant will prevail and that filing the bond would impose an undue hardship. If the surety bond is not filed within the time allowed by the court, the contest shall be dismissed with prejudice.

Except for a statewide contest or a state legislative contest, the notice of appeal must be served and filed in the court of appeals in the case of a general or special election no later than ten days and, in the case of a primary or special primary, no later than five days after the entry of the district court's decision in the contest. The record on appeal must be made, certified, and filed in the court of appeals within 15 days after service of notice of appeal. Subdivision 1. **Notice in legislative contest.** In a legislative contest, the court administrator of district court, within three days of receipt of the notice of contest, shall submit one copy of it to the chief justice of the supreme court by certified mail. The court administrator shall also submit one copy of the answer, if any, to the chief justice by certified mail within three days of receipt.

Subd. 2. **Judge selection.** In cases where an unfair campaign practice is alleged, within five days of receipt of a notice of contest, the chief justice shall submit to the parties a list of all the district judges in the state, except those involved in a trial that would interfere with serving as a judge in the election contest and those

## 2023 MINNESOTA ELECTION LAWS

whose health precludes serving as judge in the election contest. Within two days after receiving the list of judges the parties shall meet together and, by alternating strikes they shall remove the names of all judges until only one remains. If no unfair campaign practice is alleged, the parties shall follow the same procedure using only the names of judges of the judicial district or districts covering the area served by the contested office. If the contestant does not proceed within the time provided for in this section, the action must be dismissed and the judge shall transmit a copy of the order for dismissal to the chief clerk of the house of representatives or the secretary of the senate, as appropriate.

Subd. 3. **Duties of court.** Within 15 days after notice of contest has been filed, the judge shall convene the proceeding at an appropriate place within the county, or, if the district includes all or portions of more than one county, a county within the legislative district, and hear testimony of the parties under the ordinary rules of evidence for civil actions. The judge shall decide the contest, issue appropriate orders, and make written findings of fact and conclusions of law. Unless the matter is appealed to the supreme court, the judge, by the first day of the legislative session, shall transmit the findings, conclusions, orders, and records of the proceeding to the chief clerk of the house of representatives or the secretary of the senate, as appropriate.

Subd. 4. **Appeal.** The judge's decision may be appealed to the supreme court no later than ten days after its entry in the case of a general election contest or five days after its entry in the case of a primary contest. The record on appeal must be made, certified, and filed in the supreme court within 15 days after service of notice of appeal. The appellant shall file in the district court a bond of \$500 for the payment of respondent's costs if appellant fails on appeal. The appeal from an election contest relating to the office of state senator or representative takes precedence over all other matters before the supreme court. A copy of the decision must be forwarded to the chief clerk of the house of representatives or the secretary of the senate, as appropriate.

Subd. 5. **Legislative hearing, procedure.** In hearing a contest, the house or senate shall proceed as follows:

(a) At the time appointed, the parties shall be called, and, if they appear, their appearance shall be recorded.

(b) If the presiding officer is a party, a speaker pro tem must be elected to preside.

(c) The contestant shall submit evidence first, followed by the contestee, and the contestant shall open the argument and close the argument after the contestee has been heard.

(d) The vote upon the contest must be viva voce, any member may offer reasons for an intended vote, and a majority of the votes given decides the issue. No party to the contest may vote upon any question relating thereto.

(e) The clerk or secretary shall enter the proceedings in the journal.

Subd. 6. **Not a limitation.** This chapter does not limit the constitutional power of the house of representatives and the senate to judge the election returns and eligibility of their own members.

### NOTES AND DECISIONS

#### 209.10

Absent showing of prejudice, district court's failure to give copy of notice of election contest to chief justice within three days after court received filing did not violate contestant's due process rights, because once the results of fair election have been canvassed and certified, most important consideration is to give effect to will of voters. *Bergstrom v. McEwen*, 960 N.W.2d 556 (Minn. 2021).

Except in cases of legislative elections, certificate of election may not issue until election contest is finally determined. *Matter of Ryan*, 303 N.W. 2d 462 (Minn. 1981).

Minnesota Supreme Court was without jurisdiction to issue final binding decision on legislative election contest. Its opinion on the matter was advisory to House of Representatives. *Schiebel v. Pavlak*, 282 N.W.2d 843 (Minn. 1979).

## 2023 MINNESOTA ELECTION LAWS

### 209.12 CONGRESSIONAL OFFICE.

When a contest relates to the office of senator or a member of the house of representatives of the United States, the only question to be decided by the court is which party to the contest received the highest number of votes legally cast at the election and is therefore entitled to receive the certificate of election. The judge trying the proceedings shall make findings of fact and conclusions of law upon that question. Evidence on any other points specified in the notice of contest, including but not limited to the question of the right of any person to nomination or office on the ground of deliberate, serious, and material violation of the provisions of the Minnesota election law, must be taken and preserved by the judge trying the contest, or by some person appointed by the judge for that purpose; but the judge shall make no findings or conclusion on those points.

After the time for appeal has expired, or in case of an appeal, after the final judicial determination of the contest, upon application of either party to the contest, the court administrator of the district court shall promptly certify and forward the files and records of the proceedings, with all the evidence taken, to the presiding officer of the senate or the house of representatives of the United States. The court administrator shall endorse on the transmittal envelope or container the name of the case and the name of the party in whose behalf the proceedings were held, and shall sign the endorsement.

#### NOTES AND DECISIONS

##### 209.12

Trial court order in contest of election for United States Senator, rejecting certain absentee ballots on basis that ballots did not strictly comply with one or more of the statutory requirements for voting by absentee ballot, did not violate contestant's substantive due process rights, because order did not represent a post-election change in standards by which the validity of absentee ballots were to be determined; strict compliance with the statutory requirements for absentee voting had always been required, because voting by absentee ballot was a privilege granted by the legislature. Order also did not violate contestant's equal protection rights, absent showing that trial court acted to intentionally or purposefully discriminate against an individual or class. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from State of Minnesota*, 767 N.W.2d 453 (Minn. 2009)

Evidence of differing practices for accepting absentee ballots used by local election officials in different parts of state was not admissible, in candidate's contest to election for United States Senator, even though some of the ballots for the precinct had been lost at some time after election day, because no evidence existed that ballots were lost due to foul play or misconduct. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from State of Minnesota*, 767 N.W.2d 453 (Minn. 2009).

Evidence of differing practices for accepting absentee ballots used by local election officials in different parts of state was not admissible, in candidate's contest to election for United States Senator, to show that candidate's equal protection rights were violated by officials' use of differing practices, because none of proffered evidence would have proven intentional or purposeful discrimination by officials. Election day returns from a particular precinct were properly included in the tally of legally cast votes in contest of election for United States Senator, even though some of the ballots for the precinct had been lost at some time after election day, because no evidence existed that ballots were lost due to foul play or misconduct. In re *Contest of General Election Held on November 4, 2008, for Purpose of electing a U.S. Senator from State of Minnesota*, 767 N.W.2d 453 (Minn. 2009)

Candidate for United States Senator could not challenge legality of absentee ballots after ballots had been deposited in ballot box, and thus absentee ballot return envelopes, which had been opened and the enclosed ballots removed and counted in election, were inadmissible, in candidate's contest of election, to show that local election officials had erroneously accepted and counted the ballots. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from State of Minnesota*, 767 N.W.2d 453 (Minn. 2009).

In order to sustain a substantive due process violation based on alleged change in election procedures, an election contestant must prove as a threshold matter that the post-election change about which he complains changed the procedures on which the voters relied on election day. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from State of Minnesota*, 767 N.W.2d 453 (Minn. 2009).

To prevail on a claim that a change in election standards violated substantive due process, the election contestant must show a change that is patently and fundamentally unfair; in other words, the contestant must show likely reliance by the voters on an existing election procedure and a change in that procedure that results in significant disenfranchisement of the voters. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from State of Minnesota*, 767 N.W. 2d 453 (Minn. 2009).

In an election contest challenging State Canvassing Board's certification of an election winner, contestant bears the burden of proof in the trial to show that the Board's certification was in error. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from the State of Minnesota*, 767 N.W.2d 453 (Minn. 2009).

Whether election contestant's right to substantive due process was violated during trial was a question of law, which the Supreme Court would review de novo on appeal. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from the State of Minnesota*, 767 N.W.2d 453 (Minn. 2009).

On appeal from an election contest challenging State Canvassing Board's certification of an election winner, the Supreme Court reviews a trial court's conclusions of law de novo. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from State of Minnesota*, 767 N.W.2d 453 (Minn. 2009).

On appeal from an election contest challenging State Canvassing Board's certification of an election winner, the Supreme Court gives the trial court's findings of fact the same weight as a trial court's findings of fact in any civil action and will not set aside those findings unless the appellant demonstrates

## 2023 MINNESOTA ELECTION LAWS

that they are clearly erroneous. In re *Contest of General Election Held on November 4, 2008, for Purpose of Electing a U.S. Senator from State of Minnesota*, 767 N.W.2d 453 (Minn. 2009).

State statute that precluded issuance of certificate of election until state courts had finally decided a pending election contest applied to elections for United States Senate; applicability of Statute's contest tolling provision, under which governor refused to issue certificate, was dependent upon existence of a court of proper jurisdiction which could finally determine the contest, and despite exclusive authority of Senate to decide contests initiated pursuant to general election laws of the state, in state courts. *Franken v. Pawlenty*, 762 N.W. 2d 558 (Minn. 2009).

##### 209.01

Procedures to be followed when a candidate claims that certain write-in votes were erroneously disregarded is set for in this chapter. Op. Atty. Gen. 64B, November 10, 1961.

##### 209.02

Absent compliance with procedural requirements, court lacks power to entertain contest. *Schmitt v. McLaughlin*, 275 N.W. 2d 587 (Minn. 1979). See also *Petrufeso v. McFarlin*, 296 Minn. 120, 207 N.W. 2d 343 (1973); *Holmen v. Miller*, 296 Minn. 99, 206 N.W. 2d 916 (1973).

Strict compliance with procedural requirements necessary under this chapter. *O'Loughlin v. Otis*, 276 N.W.2d 38 (Minn. 1979).

Statements made in good faith, after investigation, and essentially true were proper and did not invalidate election. Id.

Because the right to contest an election is purely statutory, the provisions of the statute relating to filing and serving notice of contest must be strictly followed. *Lebens v. Harbeck*, 308 Minn. 433, 243 N.W. 2d 128 (1976).

Where contestant did not validly serve notice of contest upon contestee within seven days after completion of canvass, as required by state, trial court properly dismissed the proceeding for want of jurisdiction. Id.

When contestant made no effort to perform his obligation to cause service of notice of contest and when contestee had no actual notice, there were no facts from which to infer a substantial attempt to conform to statutory requirements for commencement of an election contest even though it was the obligation of the auditor under this section to mail the notice to the contestee. In re *Johnson*, 231 N.W. 2d 926 (1975).

After an election has been held, the statutory regulations are generally construed as directory and such rule of construction is in accord with the policy of this state, which from its beginning has been that, in the absence of fraud or bad faith or constitutional violation, an election which has resulted in a fair and free expression of the will of the legal voters upon the merits will not be invalidated because of a departure from the statutory regulations governing the conduct of the election except in those cases where the legislature has clearly and unequivocally expressed an intent that a specific statutory provision is an essential jurisdictional prerequisite and that a departure therefrom shall have the drastic consequences or invalidity. Id. violation of statute regulating the conduct of an election is not fatal to the election in absence of proof that the irregularity affected the outcome or was produce of fraud or bad faith. *Hahn v. Graham*, 302 Minn. 407, 225 N.W. 2d 385 (1975).

To sustain charge that contestee of election failed to make timely filing of financial statement, contestant must show that such omissions were deliberate, serious, and material violations of the provision of the election law. *Moulton v. Newton*, 274 Minn. 547, 144 N.W. 2d 706 (1966).

Must be a clear abuse of discretion to void election. *Moulton v. Newton*, Supra; *Munell v. Rollette*, 275 Minn. 93, 145 N.W. 2d 531 (1966).

Notice of contest must state jurisdictional grounds, and a deficiency thereof cannot be supplied by amendment. *Hancock v. Lewis*, 265 Minn. 519, 122 N.W. 2d 592 (1963).

The bare allegation that possible errors could have occurred in counting of ballots does not establish jurisdiction in election contest. *Christenson v. Allen*, 264 Minn. 295, 119 N.W. 2d 35 (1963).

In absence of affidavits district court did not acquire jurisdiction of election contest. *Franson v. Carlson*, 272 Minn. 376, 137 N.W. 2d 835 (1965).

When members of an election board do not qualify as de jure officers but come into office under color of authority and are so held out to the public that the persons having occasion to deal with the board will recognize them as the official body assigned to handle the affairs of the election, the election board will be held to be defacto board. In Re *Contest of Election of Vetsch*, 245 Minn. 229, 72 N.W. 2d 652 (1955).

Since the purpose of the election laws is to assure an honest and fair election, an election will not necessarily be held to be valid in the absence of a showing of actual fraud if under certain circumstances the election is conducted in such manner as to provide an opportunity for fraud. Held, where in a given election precinct the violations of the election laws, even though they be only directory in nature, were so substantial and so numerous that doubt and suspicion were cast upon the election and the integrity of the voter therefrom was impeached, that the vote of the precinct was void, and the votes cast therat were properly rejected. Id.

It is the general rule that, before an election is held, statutory provisions regulating the conduct of the election will usually be treated as mandatory and their observance may be insisted upon and enforced. In Re *Order of Sammons*, 242 Minn. 345, 65 N.W. 2d 198 (1954).

Where elections are fairly and honestly conducted without fraud or illegal voting, they will not be set aside for mere irregularities. *State ex rel. Burnquist v. Independent Consolidated Sch. District No. 46*, 242 Minn. 320, 65 N.W. 2d 117 (1954).

Where defects in election documents or procedure go to jurisdiction to hold election, or where defects and irregularities therein are so material that qualified voters are deprived of fair opportunity to vote therat, election proceedings will be held invalid and election results nullified. Id.

Proceedings brought to avoid an election for violation of Corrupt Practices statute is a special proceeding but is tried as a civil action and the usual rules governing the trial of civil action prevail. *Bank v. Egan*, 240 Minn. 192, 60 N.W. 2d 257 (1953). But see *O'Loughlin v. Otis*, 276 N.W. 2d 38 (Minn. 1979).

For discussion of this section see *Youngdale v. Eastvold*, 232 Minn. 134, 44 N.W. 2d 459 (1950); *Phillips v. Erickson*, 248 Minn. 452, 80 N.W. 2d 513 (1957).

Court was without jurisdiction to entertain contest involving nomination or election to office of representative in Congress on grounds of near error. *Youngdale v. Eastvold*, 232 Minn. 134, 44 N.W. 2d, 459 (1950).

In election contest, burden is upon contestant to prove that ballots produced at trial are in same condition as when canvassed by precinct election board, and it is for trial court to determine that fact, before accepting results of a recount of such ballots. *Sullivan v. Ebner*, 195 Minn. 232, 262 N.W. 574 (1935).

**CHAPTER 211A - CAMPAIGN FINANCIAL REPORTS****211A.01 DEFINITIONS.**

Subdivision 1. **Application.** The definitions in chapter 200 and this section apply to this chapter.

Subd. 2. **Ballot question.** “Ballot question” means a proposition placed on the ballot to be voted on by the voters of one or more political subdivisions but not by all the voters of the state.

Subd. 3. **Candidate.** “Candidate” means an individual who seeks nomination or election to a county, municipal, school district, or other political subdivision office. This definition does not include an individual seeking a judicial office. For purposes of sections 211A.01 to 211A.05 and 211A.07, “candidate” also includes a candidate for the United States Senate or House of Representatives.

Subd. 4. **Committee.** “Committee” means a corporation or association or persons acting together to influence the nomination, election, or defeat of a candidate or to promote or defeat a ballot question. Promoting or defeating a ballot question includes efforts to qualify or prevent a proposition from qualifying for placement on the ballot.

Subd. 5. **Contribution.** “Contribution” means anything of monetary value that is given or loaned to a candidate or committee for a political purpose. “Contribution” does not include a service provided without compensation by an individual.

Subd. 6. **Disbursement.** “Disbursement” means money, property, office, position, or any other thing of value that passes or is directly or indirectly conveyed, given, promised, paid, expended, pledged, contributed, or lent. “Disbursement” does not include payment by a county, municipality, school district, or other political subdivision for election-related expenditures required or authorized by law.

Subd. 7. **Filing officer.** “Filing officer” means the officer authorized by law to accept affidavits of candidacy or nominating petitions for an office or the officer authorized by law to place a ballot question on the ballot.

**History:** 1988 c 578 art 2 s 1; 1990 c 453 s 22

**NOTES AND DECISIONS****211A.01**

A school district fairly informs voters about a levy question, and thus does not engage in promotion of levy questions for purposes of campaign-finance-reporting requirements, when it addresses the positive and negative consequences of the levy, not only the anticipated improvement in educational opportunities, but also the increased tax rate and such other less desirable consequences as may be foreseen. *Minnesota Voters Alliance v. Anoka-Hennepin Sch. Dist.*, 868 N.W.2d 703 (Minn. App. 2015).

School district was a corporation within the meaning of the Campaign Financial Reports Act and Fair Campaign Practices Act, and therefore could qualify as a committee subject to the campaign-finance reporting requirements of that chapter if the district acted “to promote or defeat a ballot question;” legislature had specifically designated school districts as public corporations, and the fact that the legislature used a broad term without limiting its scope in the Act was indicative of an intent to encompass all forms of corporate bodies, including public corporations such as school districts. *Abrahamson v. Saint Louis Cnty. Sch. Dist.*, 819 N.W.2d 129 (Minn. 2012).

**211A.02 FINANCIAL REPORT.**

**Amendments to subd. 1 are effective July 1, 2023.**

Subdivision 1. **When and where filed by committees.** (a) A committee or a candidate who receives contributions or makes disbursements of more than \$750 in a calendar year shall submit an initial report to the filing officer within 14 days after the candidate or committee receives or makes disbursements of more than \$750 and shall continue to make the reports listed in paragraph (b) until a final report is filed.

(b) the committee or candidate must file a report by January 31 of each year following the year when the initial report was filed and in a year when the candidate’s name or a ballot question appears on the ballot, the candidate or committee shall file a report:

## 2023 MINNESOTA ELECTION LAWS

(1) ten days before the primary or special primary. This report is required regardless of whether the candidate or issue is on the primary ballot or a primary is not conducted;

(2) ten days before the general election or special election; and

(3) 30 days after a general or special election.

Subd. 2. **Information required.** The report to be filed by a candidate or committee must include:

(1) the name of the candidate or ballot question;

(2) the printed name, address, telephone number, signature, and e-mail address, if available, of the person responsible for filing the report;

(3) the total cash on hand designated to be used for political purposes;

(4) the total amount of contributions and disbursements for the period from the last previous report to five days before the current report is due;

(5) the amount, date, and purpose for each disbursement; and

(6) the name, address, and employer, or occupation if self-employed, of any individual or committee that during the year has made one or more contributions that in the aggregate exceed \$100, and the amount and date of each contribution. The filing officer must restrict public access to the address of any individual who has made a contribution that exceeds \$100 and who has filed with the filing officer a written statement signed by the individual that withholding the individual's address from the financial report is required for the safety of the individual or the individual's family.

Subd. 3. **Municipal charter provisions and special laws saved.** The provisions of this section requiring the filing of reports are in addition to the provisions of any municipal charter requiring the filing of reports in connection with a municipal primary, general election, special primary, or special election, but they do not replace special laws providing filing requirements for a municipality.

Subd. 4. **Congressional candidates.** Candidates for election to the United States House of Representatives or Senate and any political committees raising money and making disbursements exclusively on behalf of any one of those candidates may file copies of their financial disclosures required by federal law in lieu of the financial statement required by this section. A candidate or committee whose report is published on the Federal Election Commission web site has complied with the filing requirements of this section.

Subd. 5. **Electronic reporting.** The reports required by this section may be filed electronically, subject to the approval of the filing officer.

Subd. 6. **Online accessibility; reports.** (a) The filing officer of a local government shall make all reports required to be filed with the local government under this section available on the local government's Web site, if the local government maintains a Web site. The filing officer must post the reports on the local government's Web site as soon as possible, but no later than 30 days after receipt of the report. The local government must make the reports available on the local government's Web site for four years from the date the report was posted to the Web site.

(b) The filing officer shall provide the Campaign Finance and Public Disclosure Board with the link to the section of the Web site where reports are made available pursuant to paragraph (a). The Campaign Finance and Public Disclosure Board shall publish on its Web site each link that a filing officer provides pursuant to this paragraph.

(c) This subdivision does not apply to a statutory or home rule charter city or town if the statutory or home rule charter city or town has fewer than 400 registered voters as of January 1 of the year in which the election is to be held.

### NOTES AND DECISIONS

Because a school district is a public corporation, it is subject to campaign-finance-reporting requirements if it acts to promote or defeat a ballot question. *Minnesota Voters Alliance v. Anoka-Hennepin Sch. Dist.*, 868 N.W.2d 703 (Minn. App. 2015).

Complaint alleging that school district and school board violated Campaign Financial Reports Act and Fair Campaign Practices Act by using public funds to promote the passage of bond issue ballot questions in referendum election was insufficient to set forth a prima facie violation, as required to entitle complainants to hearing; although complaint identified several expenditures for printing and video work that district had made during campaign period preceding election, and alleged that district superintendent and school principal had promoted passage of ballot questions, complaint failed to describe the content of any message communicated by district employees or board. *Barry v. St. Anthony-New Brighton Independent Sch. Dist.* 282, 781 N.W.2d 898 (Minn. App. 2010)

Administrative hearing process established to hear complaints alleging violations of statutes establishing financial-reporting requirements for political candidates and committees acting to influence elections and statutes regulating campaign practices did not violate the separation-of-powers doctrine and amount to an unconstitutional delegation of district court's original jurisdiction. *Riley v. Jankowski*, 713 N.W.2d 379 (Minn. App. 2006).

In bond referendum context, school district and its board members are neither a candidate nor a committee as defined by chapter 211A, and district is not required to report contributions or disbursements through the reporting requirements of chapter. "Disbursement," as used in statute, does not include payment by a county, municipality, school district, or other political subdivision for election related expenditures required or authorized by law. *Barry v. St. Anthony-New Brighton Independent School District 282*, OAH 3-6326-20564-CV (May 21, 2009).

Statute applied to candidate for mayor of municipality; candidate's failure to file complete and accurate campaign finance reports justified fine. *Osmek v. McKinley*, OAH 8-6326-20255-CV (April 8, 2009)

#### 211A.03 FINAL REPORT.

A candidate or committee may file a final report when all debts have been settled and all assets in excess of \$100 in the aggregate are disposed of. The final report may be filed at any time and must include the kinds of information contained in the financial statements required by section 211A.02 for the period from the last previous report to the date of the final report.

**History:** 1988 c 578 art 2 s 3

### NOTES AND DECISION

#### 211A.03

In bond referendum context, school district and its board members are neither a candidate nor a committee as defined by chapter 211A, and district is not required to report contributions or disbursements through the reporting requirements of chapter. *Barry v. St. Anthony-New Brighton Independent School District 282*, OAH 3-6326-20564-CV (May 21, 2009).

#### 211A.04 SECRETARY OF STATE'S DUTIES.

Subdivision 1. **Report forms.** The secretary of state shall prepare blanks for reports required by section 211A.02. Copies must be furnished through the county auditor or otherwise, as the secretary of state finds expedient, to a committee upon request or to a candidate upon filing for office.

**Subd. 2. [Repealed, 1992 c 513 art 3 s 79]**

**History:** 1988 c 578 art 2 s 4

#### 211A.05 FAILURE TO FILE STATEMENT.

Subdivision 1. **Penalty.** A candidate who intentionally fails to file a report required by section 211A.02 or a certification required by this section is guilty of a misdemeanor. The treasurer of a committee formed to promote or defeat a ballot question who intentionally fails to file a report required by section 211A.02 or a certification required by this section is guilty of a misdemeanor. Each candidate or treasurer of a committee formed to promote or defeat a ballot question shall certify to the filing officer that all reports required by section 211A.02 have been submitted to the filing officer or that the candidate or committee has not received contributions or made disbursements exceeding \$750 in the calendar year. The certification shall be submitted to the filing officer no later than seven days after the general or special election. The secretary of state shall prepare blanks for this certification. An officer who issues a certificate of election to a candidate who has not certified that all reports required by section 211A.02 have been filed is guilty of a misdemeanor.

## 2023 MINNESOTA ELECTION LAWS

Subd. 2. **Notice of failure to file.** If a candidate or committee has filed an initial report, but fails to file a subsequent report on the date it is due, the filing officer shall immediately notify the candidate or committee of the failure to file. If a report is not filed within ten days after the notification is mailed, the filing officer shall file a complaint under section 211B.32.

### NOTES AND DECISIONS

#### 211A.05

In bond referendum context, school district and its board members are neither a candidate nor a committee as defined by chapter 211A, and district is not required to report contributions or disbursements through the reporting requirements of chapter. *Barry v. St. Anthony-New Brighton Independent School District 282*, OAH 3-6326-20564-CV (May 21, 2009).

County auditor does not have authority to omit name of a nominee from general election ballot because affidavit of disbursements discloses disbursements in excess of amount allowed by law. Op. Atty. Gen. 627C-12, September 29, 1948

#### 211A.06 FAILURE TO KEEP ACCOUNT; PENALTY.

A treasurer or other individual who receives money for a committee is guilty of a misdemeanor if the individual:

- (1) fails to keep a correct account as required by law;
- (2) mutilates, defaces, or destroys an account record; or
- (3) in the case of a committee, refuses upon request to provide financial information to a candidate; and
- (4) does any of these things with the intent to conceal receipts or disbursements, the purpose of receipts or disbursements, or the existence or amount of an unpaid debt or the identity of the person to whom it is owed.

**History:** 1988 c 578 art 2 s 6

### NOTES AND DECISION

#### 211A.06

In bond referendum context, school district and its members are neither a candidate nor a committee as defined by chapter 211A, and district is not required to report contributions or disbursements through the reporting requirements of chapter. Time expended by school district employees who attended public or private meetings in support of referendum during business hours is not a reportable "contribution" because it is not a thing of value given or loaned to either a "candidate" or a "committee." *Barry v. St. Anthony-New Brighton Independent School District 282*, OAH 3-6326-20564-CV (May 21, 2009).

#### 211A.07 BILLS WHEN RENDERED AND PAID.

A person who has a bill, charge, or claim against a candidate's committee shall render it in writing to the committee within 60 days after the material or service is provided. A bill, charge, or claim that is not presented within 60 days after the material or service is provided must not be paid.

**History:** 1988 c 578 art 2 s 7

County attorney may proceed by complaint and information rather than impaneling grand jury. Op. Atty. Gen. 627B-1, August 18, 1966.

Attorney employed to assist county attorney is not required to conduct a private and independent investigation but may conduct same so as to enable attorney to present the county attorney relevant facts and names of witnesses capable giving competent testimony in proceeding. Op. Atty. Gen. 121A-1, September 26, 1952.

Duty of county attorney is to prosecute violations of Act, not to bring proceedings to annul election. Op. Atty. Gen. 121-B-9, April 5, 1940.

### **211A.09 FORFEITURE OF NOMINATION OR OFFICE.**

Subdivision 1. **Forfeiture required.** Except as provided in subdivision 2, if a candidate is convicted of violating a provision of this chapter or if an offense was committed by another individual with the knowledge, consent, or connivance of the candidate, the court, after entering the adjudication of guilty, shall enter a supplemental judgment declaring that the candidate has forfeited the nomination or office. If the court enters the supplemental judgment, it shall transmit to the filing officer a transcript of the supplemental judgment, the nomination or office becomes vacant, and the vacancy must be filled as provided by law.

Subd. 2. **Circumstances where nomination or office not forfeited.** In a trial for a violation of this chapter, the candidate's nomination or election is not void if the court finds that:

(1) an offense, though committed by the candidate or with the candidate's knowledge, consent, or connivance, was trivial; or

(2) an act or omission of a candidate arose from accidental miscalculation or other reasonable cause, but in any case not from a want of good faith, and that it would be unjust for the candidate to forfeit the nomination or election.

Neither of these findings is a defense to a conviction under this chapter.

**History:** 1988 c 578 art 2 s 9

#### **NOTES AND DECISIONS**

##### **211A.09**

To sustain charge under this section must show omissions were deliberate, serious, and material violations of election law. *Moulton v. Newton*, 274 Minn. 545, 144 N.W. 2d 706 (1966).

As to whether acts complained of are trivial or unimportant, see *Bank v. Egan*, 240 Minn. 192, 60 N.W. 2d 257 (1953).

### **211A.10 DISQUALIFIED INDIVIDUALS NOT TO HOLD VARIOUS POSITIONS.**

A candidate whose election to office has been set aside for a violation of this chapter may not be appointed, during the period fixed by law as the term of the office, to fill a vacancy that may occur in the office. A candidate or other individual who is convicted of a violation of this chapter may not be appointed, during the period fixed by law as the term of the office with respect to which the election was held and the offense was committed, to fill a vacancy in the office. An appointment to an office made contrary to this section is void.

A candidate or other individual who is convicted of a violation of this chapter is not qualified, during the period fixed by law as the term of the office with respect to which the election was held and the offense was committed, to fill a vacancy in an office for which the legislature may establish qualifications under article XII, section 3, of the Minnesota Constitution.

**History:** 1988 c 578 art 2 s 10

#### **NOTES AND DECISIONS**

##### **211A.10**

Legislature may regulate the exercise of the right to vote. This section held not to add to the constitutional qualifications for holding office. *Saari v. Gleason*, 126 Minn. 378, 148 N.W. 293 (1914).

### **211A.11 PENALTIES FOR VIOLATIONS.**

A violation of this chapter for which no other penalty is provided is a misdemeanor.

**History:** 1988 c 578 art 2 s 11

### **211A.12 CONTRIBUTION LIMITS.**

A candidate or a candidate's committee may not accept aggregate contributions made or delivered by an individual or committee in excess of \$600 in an election year for the office sought and \$250 in other years; except that a candidate or a candidate's committee for an office whose territory has a population over 100,000 may not accept aggregate contributions made or delivered by an individual or committee in excess of \$1,000 in an election year for the office sought and \$250 in other years.

## 2023 MINNESOTA ELECTION LAWS

The following deliveries are not subject to the bundling limitation in this section:

- (1) delivery of contributions collected by a member of the candidate's committee, such as a block worker or a volunteer who hosts a fundraising event, to the committee's treasurer; and
- (2) a delivery made by an individual on behalf of the individual's spouse.

Notwithstanding sections 211A.02, subdivision 3, and 410.21, this section supersedes any home rule charter.

**History:** 1993 c 318 art 2 s 46; 1997 c 224 s 1; 2014 c 265 s 2

### **211A.13 PROHIBITED TRANSFERS.**

A candidate for political subdivision office must not accept contributions from the principal campaign committee of a candidate as defined in section 10A.01, subdivision 34. A candidate for political subdivision office must not make contributions to a principal campaign committee, unless the contribution is made from the personal funds of the candidate for political subdivision office.

## CHAPTER 211B - FAIR CAMPAIGN PRACTICES

### 211B.01 DEFINITIONS.

Subdivision 1. **Application.** The definitions in chapter 200 and this section apply to this chapter.

Subd. 2. **Campaign material.** "Campaign material" means any literature, publication, or material that is disseminated for the purpose of influencing voting at a primary or other election, except for news items or editorial comments by the news media.

Subd. 3. **Candidate.** "Candidate" means an individual who seeks nomination or election to a federal, statewide, legislative, judicial, or local office including special districts, school districts, towns, home rule charter and statutory cities, and counties, except candidates for president and vice-president of the United States.

Subd. 4. **Committee.** "Committee" means two or more persons acting together or a corporation or association acting to influence the nomination, election, or defeat of a candidate or to promote or defeat a ballot question. Promoting or defeating a ballot question includes efforts to qualify or prevent a proposition from qualifying for placement on the ballot.

Subd. 5. **Disbursement.** "Disbursement" means an act through which money, property, office, or position or other thing of value is directly or indirectly promised, paid, spent, contributed, or lent, and any money, property, office, or position or other thing of value so promised or transferred.

Subd. 6. **Political purposes.** An act is done for "political purposes" when the act is intended or done to influence, directly or indirectly, voting at a primary or other election. This does not include news items or editorial comments published or broadcast by the news media.

**History:** 1988 c 578 art 3 s 1; 2004 c 293 art 3 s 1

#### NOTES AND DECISIONS

##### 211B.01

Because of potential chilling effect on free speech rights of chambers of commerce that operated as nonprofit corporations, chambers satisfied injury-in-fact requirement for Article III standing in action challenging constitutionality of statutes; case was ripe for review; and chambers had reasonable fear of prosecution under statute. *St. Paul Area Chamber of Commerce v. Gaertner*, 439 F.3<sup>rd</sup> 481 (8<sup>th</sup> Cir. 2006).

Previous provision of statute defining "campaign material" as any material that "tend(s) to influence voting at a primary or other election" was unconstitutionally vague under the First Amendment. *Minnesota Citizens Concerned for Life, Inc. v. Kelley*, 291 F.Supp.2d 1052 (D. Minn. 2003), affirmed in part and reversed in part on other grounds, 427 F.3d 1106 (8<sup>th</sup> Cir. 2005).

Fair Campaign Practices Act is directed to actions of candidate and persons for whom he is responsible; and where there is nothing to show that candidate sanctioned improper activities, that are not chargeable to him. *Munnell v. Rowlette*, 275 Minn. 94, 145 N.W. 2d 531 (1966).

To set forth a "prima facie case" on a complaint alleging a violation of Campaign Financial Reports Act or Fair Campaign Practices Act, the party must either submit evidence or allege facts that, if unchallenged or accepted as true, would be sufficient to prove that the party is entitled to the requested relief. *Abrahamson v. St. Louis County School Dist.*, 802 N.W.2d 393 (Minn. App. 2011).

Complaint alleging that school district and school board violated Campaign Financial Reports Act and Fair Campaign Practices Act, by using public funds to promote the passage of bond issue ballot questions in referendum election, was insufficient to set forth a prima facie violation, as required to entitle complainants to hearing; although complaint identified several expenditures for printing and video work that district had made during campaign period preceding election, and alleged that district superintendent and school Principal had promoted passage of ballot questions, complaint failed to describe the content of any message communicated by district employees or board. *Barry v. St. Anthony-New Brighton Independent Sch. Dist.* 282, 781 N.W.2d 898 (Minn. App. 2010).

Respondent's "legislative review," distributed as paid insert to local paper, constituted campaign material within the meaning of statute. *Gadsden v. Kiffmeyer*, OAH 3-0320-21609-CV (November 1, 2010).

Act applies to city charter election. Op. Atty. Gen. 627B-1, August 18, 1966.

Committee formed to support constitutional amendment must file statement of receipts and disbursements. Op. Atty. Gen. 627B-2, August 26, 1952.

The term "voluntary committee" is but another name for a political committee under this section. Such a committee may not be organized as a mere subterfuge to evade the Fair Campaign Practices Act. Op. Atty. Gen. 627C-7, August 30, 1946.

The Fair Campaign Practices Act applies to activities of which the purpose is to secure the adoption or defeat of a constitutional amendment. The act also applies to the activities of a committee formed for purpose of bringing about or preventing the adoption of an ordinance. Op. Atty. Gen. 627B-1, October 14, 1942.

### 211B.02 FALSE CLAIM OF SUPPORT.

A person or candidate may not knowingly make, directly or indirectly, a false claim stating or implying that a candidate or ballot question has the support or endorsement of a major political party or party unit or of an organization. A person or candidate may not state in written campaign material that the candidate or ballot question has the support or endorsement of an individual without first getting written permission from the individual to do so.

## 2023 MINNESOTA ELECTION LAWS

**History:** 1988 c 578 art 3 s 2

### NOTES AND DECISIONS

#### 211B.02

Action filed by political candidates, political associations, and individuals who engaged in political activities against county attorneys in their official capacities alleging that statutory provision prohibiting false claims of endorsement violated First Amendment did not fall within scope of *Ex part Young* exception to Eleventh Amendment immunity. *Minn. RFL Republican Farmer Labor Caucus v. Freeman*, 33 F.4th 985 (8th Cir. 2022).

Plaintiffs were not likely to succeed on merits of claim that statute barring false claims of support for political candidates violated First Amendment. *Minn. RFL Republican Farmer Labor Caucus v. Freeman*, No. 19-CV-1949, 2020 WL 5512509 (D. Minn. Sept. 14, 2020).

Campaign statute governing false claims of support, violated by Minnesota Supreme Court candidate who falsely claimed that a party's judicial-election committee endorsed her, was not overbroad in violation of the First Amendment; statute only prohibited a candidate from making a knowingly false claim, statute did not prohibit a candidate from truthfully reporting receipt of a party sub-unit's endorsement, and counter-speech, even media statements and retractions, was not an effective alternative means to combat false claims of support or endorsement. *Linert v. MacDonald*, 901 N.W.2d 664 (Minn. Ct. App. 2017).

Use of sample ballot falsely implied party endorsement. *Matter of Contest of Election in DFL Primary*, 344 N.W.2d 826 (Minn. 1983).

Prominent political leaders are not "units of political party." *Graves v. Meland*, 264 N.W.2d 401 (Minn. 1978).

Complainant demonstrated by a preponderance of the evidence that Respondent violated statute by falsely stating in written campaign material that Respondent had the endorsement of particular state legislators. *Forney v. Bourn*, OAH 11-0325-20954-CV (March 19, 2010).

Complainant failed to demonstrate by a preponderance of the evidence that Respondent violated statute by stating that Respondent had endorsement of union before endorsement was officially made; statute requires candidates to obtain written permission before claiming to have been endorsed by individuals, not organizations. *Bourn v. Forney*, OAH 11-0325-20954-CV (March 19, 2010).

Complainant failed to demonstrate by a preponderance of the evidence that Respondent violated statute where Respondent's website from a previous campaign, accessible only due to web-browser glitch, accurately described endorsements made in that campaign, and Respondent corrected error when she learned of it. *Bourn v. Forney*, OAH 11-0325-20954-CV (March 19, 2010)

Statute requires actual written permission of purported endorser in order to allow claim of endorsement; there is no exception for national political leaders, or for inferences drawn from leaders' public statements. *Repke v. Better Ballot Campaign*, OAH 3-0325-20939-CV (November 30, 2009)

Candidate's claim of endorsement from a person, published without the person's written permission, justified levying fine on candidate, even though person did in fact support candidate. *Bicking v. Rybak*, OAH 4-6326-20522-CV (July 28, 2009).

#### 211B.03 USE OF THE TERM REELECT.

A person or candidate may not, in the event of redistricting, use the term "reelect" in a campaign for elective office unless the candidate is the incumbent of that office and the office represents any part of the new district.

**History:** 1988 c 578 art 3 s 3

#### 211B.04 CAMPAIGN MATERIAL MUST INCLUDE DISCLAIMER

Subdivision 1. **Campaign material.** (a) A person who participates in the preparation or dissemination of campaign material other than as provided in section 211B.05, subdivision 1, that does not prominently include the name and address of the person or committee causing the material to be prepared or disseminated in a disclaimer substantially in the form provided in paragraph (b) or (c) is guilty of a misdemeanor.

(b) Except in cases covered by paragraph (c), the required form of disclaimer is: "Prepared and paid for by the ..... committee, .....(address)" for material prepared and paid for by a principal campaign committee, or "Prepared and paid for by the ..... committee, .....(address)" for material prepared and paid for by a person or committee other than a principal campaign committee. The address must be either the committee's mailing address or the committee's Web site, if the Web site includes the committee's mailing address. If the material is produced and disseminated without cost, the words "paid for" may be omitted from the disclaimer.

(c) In the case of broadcast media, the required form of disclaimer is: "Paid for by the ..... committee." If the material is produced and broadcast without cost, the required form of the disclaimer is: "The ..... committee is responsible for the content of this message."

Subd. 2. **Independent expenditures.** (a) The required form of the disclaimer on a written independent expenditure is: "This is an independent expenditure prepared and paid for by..... (name of entity participating in the expenditure), ..... (address). It is not coordinated with or approved by any candidate nor is any candidate responsible for it." The address must be either the entity's mailing address or the entity's Web site, if the Web site includes the entity's mailing address. When a written independent expenditure is produced and disseminated without cost, the words "and paid for" may be omitted from the disclaimer.

(b) The required form of the disclaimer on a broadcast independent expenditure is: "This independent expenditure is paid for by..... (name of entity participating in the expenditure). It is not coordinated with or approved by any candidate nor

## 2023 MINNESOTA ELECTION LAWS

is any candidate responsible for it.” When a broadcast independent expenditure is produced and disseminated without cost, the following disclaimer may be used: “..... (name of entity participating in the expenditure) is responsible for the contents of this independent expenditure. It is not coordinated with or approved by any candidate nor is any candidate responsible for it.”

Subd. 3. **Material that does not need a disclaimer.** (a) This section does not apply to fund-raising tickets, business cards, personal letters, or similar items that are clearly being distributed by the candidate.

(b) This section does not apply to an individual or association that is not required to register or report under chapter 10A or 211A.

(c) This section does not apply to the following:

(1) bumper stickers, pins, buttons, pens, or similar small items on which the disclaimer cannot be conveniently printed;

(2) skywriting, wearing apparel, or other means of displaying an advertisement of such a nature that the inclusion of a disclaimer would be impracticable; and

(3) online banner ads and similar electronic communications that link directly to an online page that includes the disclaimer.

(d) This section does not modify or repeal section 211B.06.

Subd. 4. **Web sites.** The requirements of this section are satisfied for an entire Web site or social media page when the disclaimer required in subdivision 1 or 2 appears once on the homepage of the site.

Subd. 5. **Font size.** For written communications other than an outdoor sign, Web site, or social media page, the disclaimer must be printed in 8-point font or larger.

**History:** 1988 c 578 art 3 s 4; 1991 c 227 s 24; 1998 c 376 s 2; 2004 c 293 art 3 s 2; 2010 c 397 s 15; 2015 c 73 s 22; 2018 c 119 s 33

### NOTES AND DECISIONS

#### 211B.04

Statute requiring campaign materials to include disclaimer regarding preparation of materials did not impermissibly restrict right to free speech, because statute expressly limited reach to political candidates and campaign committee. *Lewison v. Hutchinson*, 929 N.W.2d 444 (Minn. Ct. App. 2019).

Public display of political candidate’s lawn signs without required disclaimer to inform voters about election-related spending was continuing violation of statute requiring disclaimer, and thus applicable one-year limitations period for challenging violations of statute did not begin to run while signs remained up. *Lewison v. Hutchinson*, 929 N.W.2d 444 (Minn. Ct. App. 2019).

Respondent’s “legislative review,” distributed as paid insert to local paper, substantially complied with disclaimer requirement contained in statute. *Gadsden v. Kiffmeyer*, OAH 3-0320-221609-CV (November 1, 2010)

Former sections (a) and (b) of this section were unconstitutional pursuant to *McIntyre v. Ohio Elections Comm’n*, 514 U.S. 334, 115 S. Ct. 1511 (1994). Op. Atty. Gen. 82t, August 27, 1997.

Because disclaimer requirement in statute directly attacks core political speech unsupported by an interest in avoiding the appearance of corruption, statute violates the First Amendment. *Minnesota Citizens Concerned for Life, Inc. v. Kelley*, 291 F.Supp.2d 1052 (D. Minn. 2003), affirmed in part and reversed in part on other grounds, 427 F.3<sup>rd</sup> 1106 (8<sup>th</sup> cir. 2005).

Absence of authorship clause on cards held trivial. *Miske v. Fisher*, 193 Minn. 514, 259 N.W. 18 (1935).

Because disclaimer requirement in statute could be violated by completely truthful anonymous statements made by individuals acting independently from any candidate and using their own resources, and there were no overriding state interests that permitted statute to limit such political expression under the exacting scrutiny standard, disclaimer requirement was overbroad and unconstitutionally restricted pure speech in violation of the First Amendment. *Riley v. Jankowski*, 713 N.W.2d 379 (Minn. App. 2006).

If open letter is circulated in interest of better government and not for particular candidate, then section does not require, in addition to author’s name and address, name of any candidate. Op. Atty. Gen. 627J-3, October 6, 1948. See also Op. Atty. Gen. 627J-3, February 10, 1947 on the same issue.

Emery boards must bear name and address of author. Op. Atty. Gen. 627F-1, September 24, 1948.

Sticker with nothing more on it than the name of a person for whom votes are desired is not in effect a campaign card. Op. Atty. Gen. 627J-1, August 18, 1942.

Use of a patriotic poster with candidate’s solicitation of votes thereon must bear the name and address of the author. Op. Atty. Gen. 627F-1, August 18, 1942.

Name of person or persons on committee who authorize insertion of advertisement must be stated. Op. Atty. Gen. 627C-5, October 1, 1938.

Candidate for office may include word “lawyer” on campaign card but such a card must contain address of author, while card containing a mere statement that a person is a candidate for office without anything in the way of an appeal or argument does not need to state its authorship. Op. Atty. Gen. 627J-1, March 16, 1936.

### **211B.045 NONCOMMERCIAL SIGNS EXEMPTION.**

All noncommercial signs of any size may be posted in any number beginning 46 days before the state primary in a state general election year until ten days following the state general election. Municipal ordinances may regulate the size and number of noncommercial signs at other times.

**History:** 1990 c 585 s 30; 2004 c 142 s 1; 2010 c 184 s 42; 2013 c 131 art 2 s 74

### **211B.05 PAID ADVERTISEMENTS IN NEWS.**

Subdivision 1. **Acceptance of paid advertisements.** A newspaper, periodical, or magazine may not intentionally accept for insertion in the newspaper, magazine, or periodical a political advertisement unless the words "PAID ADVERTISEMENT," and the disclaimer required under section 211B.04 are included at the beginning or end of the advertisement. The disclaimer must be in a legible text size and font. A radio station, television station, or cable system may not accept for broadcast a political advertisement unless the words "PAID ADVERTISEMENT" are included at the beginning or end of the advertisement.

Subd. 2. **Advertising rates.** Rates charged for advertising to support or oppose a candidate or ballot question must be the same as the charges made for any other political candidate and may be no greater than charges made for any other comparable purpose or use according to the seller's rate schedule.

Subd. 3. **Compensation prohibited, except for paid advertisement.** An owner, publisher, editor, reporter, agent, broadcaster, or employee of a newspaper, periodical, magazine, radio or television broadcast station, or cable system may not directly or indirectly solicit, receive, or accept a payment, promise, or compensation, nor may a person pay or promise to pay or in any manner compensate an owner, publisher, editor, reporter, agent, broadcaster, or employee directly or indirectly for influencing or attempting to influence voting at an election or primary through printed material in the newspaper or periodical, or radio, television, or cable broadcast, except as a "PAID ADVERTISEMENT" as provided in this section.

Subd. 4. **Unpaid material identification.** Unpaid material published in a newspaper, magazine, or other publication that is: (1) in unique typeset or otherwise differentiated from other unpaid material, (2) designed to influence or attempt to influence the voting at any election or the passage or defeat of legislation, and (3) not placed on the editorial page must be clearly identified as an editorial opinion.

#### **NOTES AND DECISION**

#### **211B.05**

Newspaper's decision to reprint candidates' campaign ads due to errors in initial printing did not violate statute, even though reprinting, unlike initial printing, was in ad space usually costing more than candidates paid for initial printing. *Clausen v. Star Tribune*, OAH 3-0325-20975-CV (November 23, 2009).

### **211B.06 FALSE POLITICAL AND CAMPAIGN MATERIAL.**

Subdivision 1. **Gross misdemeanor.** A person is guilty of a gross misdemeanor who intentionally participates in the preparation, dissemination, or broadcast of paid political advertising or campaign material with respect to the personal or political character or acts of a candidate, or with respect to the effect of a ballot question, that is designed or tends to elect, injure, promote, or defeat a candidate for nomination or election to a public office or to promote or defeat a ballot question, that is false, and that the person knows is false or communicates to others with reckless disregard of whether it is false.

A person is guilty of a misdemeanor who intentionally participates in the drafting of a letter to the editor with respect to the personal or political character or acts of a candidate, or with respect to the effect of a ballot question, that is designed or tends to elect, injure, promote, or defeat any candidate for nomination or election to a public office or to promote or defeat a ballot question, that is false, and that the person knows is false or communicates to others with reckless disregard of whether it is false.

Subd. 2. **Exception.** Subdivision 1 does not apply to any person or organization whose sole act is, in the normal course of their business, the printing, manufacturing, or dissemination of the false information.

## 2023 MINNESOTA ELECTION LAWS

### NOTES AND DECISIONS

#### 211B.06

Statute making it a crime to make false statement about proposed ballot initiative was not narrowly tailored to meet any compelling government interest; statute was not actually necessary in that it tended to perpetuate the very fraud it was allegedly designed to prohibit, statute was simultaneously overbroad and underinclusive, and statute was not the least restrictive means of achieving the stated goals it allegedly advanced. *281 Care Comm. v. Arneson*, 766 F.3d 744 (8<sup>th</sup> Cir. 2014).

Claim that district court improperly refused to accept candidate's election contest filing because district court's decision was not a "duty concerning an election"; statute is not a broad vehicle through which any conduct with any relationship to an election, however tangential, can be challenged. *Carlson v. Ritchie*, 830 N.W.2d 887 (Minn. 2013).

Budget projection based on "worst case" scenario was not sufficient to establish actual malice, and therefore publication of projection in support of ballot question did not constitute publication of a false statement in connection with a ballot question; using "worst case" assumptions was more akin to producing a "slanted" statement than it was to producing a statement that was demonstrably false. *Abrahamson v. Saint Louis Cnty. Sch. Dist.*, 819 N.W.2d 129 (Minn. 2012).

Claim alleging a violation of statute that made it a criminal offense to publish a false statement to defeat a ballot question was required to be filed within one year of the publication of the statement. *Abrahamson v. Saint Louis Cnty. Sch. Dist.*, 819 N.W.2d 129 (Minn. 2012).

Advocacy organizations alleged injury in fact sufficient to support standing to bring free speech challenge to Minnesota statute making it a crime to make false statement about proposed ballot initiative, even though they did not allege that they wished to engage in conduct that actually violated statute, where they alleged that they wished to engage in conduct that could reasonably be interpreted as violating statute. *280 Care Committee v. Arneson*, 638 F.3d 621 (8<sup>th</sup> Cir. 2011).

As-applied constitutional challenge to election statute prohibiting false statements that hinged on party-endorsed candidate's being prosecuted for allegedly falsely claiming to be only party member who was candidate in county commissioner race was mooted when charges against candidate were dismissed with prejudice. *Republican Party of Minn., Third Congressional Dist. v. Klobuchar*, 381 F.3d 785 (8<sup>th</sup> Cir. 2004).

Violation of the statutory prohibition on false campaign material requires a finding of both a false statement and actual malice or reckless disregard. Statements criticizing official conduct do not lose constitutional protection merely because they are criticisms and effectively diminish an official's reputation. Statements in candidate's campaign flyer held to be false contentions of fact, rather than statements of opinion protected under the First Amendment. Penalty of \$800 for candidate's violation of statutory prohibition on false campaign material, based on candidate's willfulness and on gravity of violations, held valid. *Fine v. Bernstein*, 726 N.W.2d 137 (Minn. App. 2007)

Rights to jury trial of successful candidates in city council election were not violated by administrative hearing process that heard allegations by their opponents that they violated statutes establishing financial-reporting requirements for political candidates and committees acting to influence elections and statutes regulating campaign practices. *Riley v. Jankowski*, 713 N.W.2d 379 (Minn. App. 2006).

This section is not preempted by the Federal Election Campaign Act. However, it is unconstitutionally overbroad because it extends to statements not made with "actual malice." *State v. Jude*, 554 N.W.2d 750 (Minn. Ct. App. 1996).

Complainant failed to provide sufficient evidence to demonstrate that Respondent violated statute because evidence was insufficient to prove that the Respondent knew that his challenged statement in newspaper advertisement was false or that he communicated it with reckless disregard as to whether it was false. *Carpenter v. Walker*, OAH 8-0325-21583-CV (October 25, 2010).

Complainant failed to provide sufficient evidence to demonstrate that Respondent violated statute because evidence is insufficient to prove that Respondent knew that challenged statement in campaign materials was false or that he communicated it with reckless disregard as to whether it was false. *Fatland v. Smith*, OAH 8-0325-21219-CV (June 9, 2010).

Respondent's challenged statement in advertisement, while incomplete and somewhat misleading, was not false within meaning of statute. *Erickson v. Education Minnesota Local 1406*, OAH 15-0325-21158-CV (May 18, 2010).

Respondent's challenged statement in advertisement was not false within meaning of statute. *House Republican Campaign Comm. v. Alliance for a Better Minnesota*, OAH 3-0320-21132-CV (April 27, 2010).

Summary disposition for Respondent was appropriate because Complainant produced no evidence that Respondent's challenged statements were factually false or that Respondent disseminated them with reckless disregard as to whether they were false. *Thul v. Minnesota DFL Party*, OAH 11-0320-21159-CV (April 20, 2010).

Statute is directed against false statements of specific facts, and does not prohibit inferences or implications, even if misleading; moreover, statement that must be proved false is not necessarily the literal phrase published but rather what a reasonable reader would have understood the author to have said. *Hauer v. Katch*, OAH 8-0325-20710-CV (August 3, 2009).

Statute mandated fine be levied upon person who wrote letter to residents of city criticizing City Council and containing factual allegation writer knew to be false; letter constituted "campaign material" under meaning of statute. *Pahl v. Mucciacciaro*, OAH 8-6381-20067-CV (February 11, 2009).

#### 211B.07 UNDUE INFLUENCE ON VOTERS PROHIBITED.

A person may not directly or indirectly use or threaten force, coercion, violence, restraint, damage, harm, loss, including loss of employment or economic reprisal, undue influence, or temporal or spiritual injury against an individual to compel the individual to vote for or against a candidate or ballot question. Abduction, duress, or fraud may not be used to obstruct or prevent the free exercise of the right to vote of a voter at a primary or election, or compel a voter to vote at a primary or election. Violation of this section is a gross misdemeanor.

**History:** 1988 c 578 art 3 s 7

## 2023 MINNESOTA ELECTION LAWS

### NOTES AND DECISIONS

#### 211B.07

Campaign flyers distributed by city council candidate, stating that if recipients of the flyers did not remove lawn signs supporting opponent, that would "not go unnoticed in the future," did not threaten voters in violation of section of Fair Campaign Practices Act prohibiting exerting undue influence on voters; vaguely ominous-sounding language did not make any specific threat. *Menne v. Phillips*, 2008 WL 2102721 (Minn. App. May 20, 2008) (Unpublished Op.).

In absence of showing that incumbent municipal judge by his presence in courtroom on court business for some 1-1/2 hours during morning of election had interfered with conduct of election in adjacent polling place or had sought to influence voters or that he was aware that sticker campaign was being conducted for another candidate for his office, election of incumbent was not invalid on ground that he had violated election statutes. *Munnell v. Rowlette*, 275 Minn. 92, 145 N.W. 2d 531 (1966).

While action of police officer in interfering with campaign worker for sticker candidate for municipal judge was unwarranted where action was not that of opposing candidate and there was nothing to show that opponent had sanctioned such action, any violation of Corrupt Practices Act would be chargeable to opponent. *Id.*

Where it is customary for incumbent judge to release prisoners convicted of misdemeanors before Christmas each year so as to permit them to earn money for Christmas shopping, and there was no showing that prisoners released pursuant to that practice shortly before election in which incumbent was candidate where voters in village where election was to be held or had been directed or solicited to vote for incumbent in exchange for their freedom, there was nothing in such conduct to justify any invalidation of incumbent's reelection. *Id.*

Corrupt Practices Act is directed to actions of candidates for office and to persons for who he is responsible. *Id.*

Judgment that contestee's attempted coercion of voters on public relief by threats that he, as chairman of emergency relief board, would have them removed from relief if they did not support him in his campaign for county commissioner, was limited in character and that his election was free from offensive and illegal acts is reversed and judgment directed that contestee's election be annulled and set aside. *Fritz v. Hanfler*, 195 Minn. 640 263 N.W. 10 (1935).

Complainant failed to demonstrate by a preponderance of the evidence that Respondent sheriff threatened coercion, harm, or loss in order to compel him to cast a ballot for Respondent in the fall election. *Turcotte v. Dahl*, OAH 4-0325-21569-CV (October 25, 2010)

Statute requires showing that accused party used or threatened force, coercion, violence, harm, undue influence, or other similar tactics to compel a person to vote for him or another candidate; showing that accused told a person not to vote for another candidate; showing that accused told a person not to vote for another candidate is insufficient. *Smith v. Ewanika*, OAH 7-6347-20326-CV (April 1, 2009).

Standing in line by nonvoters and the abuse of the right to challenge voters constitute gross misdemeanors under Minnesota law. *Op. Atty. Gen.* 182, October 26, 1964.

### NOTES AND DECISIONS

#### 211B.08

Provision prohibiting religious, charitable, or educational organizations from requesting donations from candidates or committees was not narrowly tailored to serve state interest in prohibiting organizations from soliciting money from candidates in exchange for votes, and thus violated those organizations First Amendment right to solicit contributions. *Minnesota Citizens concerned for Life, inc. v. Kelley*, 427 F.3d 1106 (8<sup>th</sup> Cir. 2005), reversing 291 F.Supp.2d 1052 (D. Minn. 2003).

#### 211B.09 PROHIBITED PUBLIC EMPLOYEE ACTIVITIES.

An employee or official of the state or of a political subdivision may not use official authority or influence to compel a person to apply for membership in or become a member of a political organization, to pay or promise to pay a political contribution, or to take part in political activity. A political subdivision may not impose or enforce additional limitations on the political activities of its employees.

**History:** 1988 c 578 art 3 s 9

### NOTES AND DECISIONS

#### 211B.09

Display of campaign literature at courthouse not within meaning of "compel". *Burns v. Valen*, 400 N.W. 2d 123 (Minn. Ct. App. 1987).

#### 211B.10 INDUCING OR REFRAINING CANDIDACY; TIME OFF FOR PUBLIC OFFICE MEETINGS.

Subdivision 1. **Inducing or refraining from candidacy.** A person may not reward or promise to reward another in any manner to induce the person to be or refrain from or cease being a candidate. A person may not solicit or receive a payment, promise, or reward from another for this purpose.

Subd. 1a. **Prohibited activities of a political party.** A political party unit may not, through imposition or threatened imposition of any fine, sanction, or other penalty, attempt to coerce an individual who does not have the party unit's official endorsement as a means to prevent the individual from filing as a candidate for office.

Subd. 2. **Time off for public office meetings.** A person elected to a public office must be permitted time off from regular employment to attend meetings required by reason of the public office. The time off may be without pay, with pay, or made up with other hours, as agreed between the employee and employer. When an employee takes time off without pay, the employer shall make an effort to allow the employee to make up the time with other hours when the employee is available. No retaliatory action may be taken by the employer for absences to attend meetings necessitated by reason of the employee's public office.

### **NOTES AND DECISIONS**

#### **211B.11**

First Amendment's Free Speech Clause permits state to take reasonable steps to exclude some forms of advocacy from polling place to ensure that partisan discord not follow the voter up to the voting booth and distract from a sense of shared civic obligation at the moment it counts the most. *Minn. Voters Alliance v. Mansky*, 138 S.Ct. 1876 (2018).

Polling place in Minnesota qualifies as "nonpublic forum" for First Amendment free speech purposes because it is government-controlled property set aside for sole purpose of voting and as such is subject to rules that strictly govern who may be present, for what purpose, and for how long. *Minn. Voters Alliance v. Mansky*, 138 S.Ct. 1876 (2018).

Minnesota statute prohibiting any person from wearing political badge, political button, or other political insignia inside a polling place on election day pursued permissible objective under First Amendment but violated amendment's Free Speech Clause because statute did not define term "political," which could have expansive and indeterminate meaning. *Minn. Voters Alliance v. Mansky*, 138 S.Ct. 1876 (2018).

This section forbids erection of campaign sign before election day for display on election day within 100 feet of polling place. *State v. Zimmer*, Findings of Fact, Conclusions of Law and Order, No. T3-94-3002 (Mille Lacs Co. Dist. Ct., May 5, 1995).

Statute does not apply to private property or against a person who displays campaign material within a private business. Statute does apply to candidate who drove past polling place on election day in truck bearing campaign sign promoting his candidacy. *Schimming v. Riverblood*, OAH 7-6347-20326-CV (June 5, 2009).

Former subdivision 2 prohibiting election day campaigning was unconstitutional. Op. Atty. Gen. 627-h, August 28, 1989.

There is no provision of the Minnesota election law prohibiting the posting of signs within one hundred feet of a polling place except such posting may not be done on election day. Op. Atty. Gen. 627H, May 31, 1966.

Stickers may not be distributed at or within the polling place or within one hundred feet thereof on election day. Op. Atty. Gen. 627B-8, March 9, 1945. See M.R. 8230.1450 USE OF STICKERS PROHIBITED (May 26, 2010).

Stickers may not be left in an election polling place on election day. Op. Atty. Gen. 28A-8, August 7, 1942. See M.R. 8230.1450 USE OF STICKERS PROHIBITED (May 26, 2010).

#### **211B.12 LEGAL EXPENDITURES**

Use of money collected for political purposes is prohibited unless the use is reasonably related to the conduct of election campaigns, or is a noncampaign disbursement as defined in section 10A.01, subdivision 26. The following are permitted expenditures when made for political purposes:

- (1) salaries, wages, and fees;
- (2) communications, mailing, transportation, and travel;
- (3) campaign advertising;
- (4) printing;
- (5) office and other space and necessary equipment, furnishings, and incidental supplies;

(6) charitable contributions of not more than \$100 to any charity organized under section 501(c)(3) of the Internal Revenue Code annually, except that the amount contributed is not limited by this clause if the political committee, political fund, party unit, principal campaign committee, or campaign fund of a candidate for political subdivision office that made the contribution dissolves within one year after the contribution is made; and

The word "salary" is construed in an election contest as being used in broad sense of compensation embracing both "salary" and "fees". *Spokely v. Haaven*, 183 Minn. 467, 237 N.W. 11 (1931).

Evidence that Respondent city council member spent campaign funds on hairstyling and dry-cleaning services and AAA membership is sufficient to show violation of statute; such expenses were not reasonably related to Respondent's campaign, and personal benefits conferred upon Respondent were so disproportionate as to convert disbursements to personal use. *Kaari v. Johnson*, OAH 8-0325-20970-CV (March 2, 2010).

#### 211B.13 BRIBERY, TREATING, AND SOLICITATION.

This section does not prevent a candidate from stating publicly preference for or support of another candidate to be voted for at the same primary or election. Refreshments of food or nonalcoholic beverages having a value up to \$5 consumed on the premises at a private gathering or public meeting are not prohibited under this section.

District court did not abuse its discretion in denying preliminary injunction sought by Minnesota corporations to prevent enforcement of provision of Minnesota's Fair Campaign Practices law prohibiting corporate political contributions as in violation of their First Amendment speech rights. *Minnesota Citizens Concerned for Life, Inc. v. Swanson*, 692 F.3d 864 (8<sup>th</sup> Cir. 2012).

Statutory ban on direct corporate contributions to political candidates and affiliated entities, such as political parties, did not violate Equal Protection Clause; crucial differences existed between structure and functioning of corporations and unions that justified differential treatment under election laws. *Minnesota Citizens Concerned for Life, Inc. v. Swanson*, 640 F.3d 304 (8<sup>th</sup> Cir. 2011).

Corporations seeking preliminary injunction enjoining enforcement of Minnesota law precluding corporations from making direct contributions to candidates and political parties did not have likelihood of success on the merits of their claims that the law violated plaintiff's constitutional rights. *Minnesota Citizens Concerned for Life, Inc. v. Minnesota statute providing that a corporation may not make an independent expenditure or offer or agree to make an independent expenditure to promote or defeat the candidacy of an individual for nomination, election, or appointment to a political office prohibited independent and indirect corporate expenditures on political speech, in violation of the First Amendment. *Minnesota Chamber of Commerce v. Gaertner*, 710 F.Supp.2d 868 (D. Minn. 2010).

Because of potential chilling effect on free speech rights of chambers of commerce that operated as nonprofit corporations, chambers satisfied injury-in-fact requirement for Article III standing in action challenging constitutionality of statutes; case was ripe for review; and chambers had reasonable fear of prosecution under statute. *St. Paul Area Chamber of Commerce v. Gaertner*, 439 F.3d 481 (8<sup>th</sup> Cir. 2006).

Statute prohibiting corporate independent expenditures was unconstitutional as applied to certain nonprofit organizations. *Day v. Holohan*, 34 F.3d 1356 (8<sup>th</sup> Cir. 1994).

This section does not prohibit sponsorship of "conduit" or "nonpartisan" political action committees by a corporation. *Minnesota Association of Commerce and Industry v. Foley*, 316 N.W. 2d 524 (Minn. 1982).

Newspaper's decision to reprint candidates' campaign ads due to errors in initial printing did not violate statute, even though reprinting, unlike initial printing, was in ad space usually costing more than candidates paid for initial printing. *Clausen v. #### 211B.17 FORFEITURE OF NOMINATION OR OFFICE; CIRCUMSTANCES WHERE NOT FORFEITED.

Subdivision 1. **Forfeiture of nomination or office.** Except as provided in subdivision 2, if a candidate is found guilty of violating this chapter or an offense was committed by another individual with the knowledge, consent, or connivance of the candidate, the court, after entering the adjudication of guilty, shall enter a supplemental judgment declaring that the candidate has forfeited the nomination or office. If the court enters the supplemental judgment, it shall transmit to the filing officer a transcript of the supplemental judgment, the nomination or office becomes vacant, and the vacancy must be filled as provided by law.

## 2023 MINNESOTA ELECTION LAWS

Subd. 2. **Circumstances where nomination or office not forfeited.** In a trial for a violation of this chapter, the candidate's nomination or election is not void if the court finds that:

- (1) an offense, though committed by the candidate or with the candidate's knowledge, consent, or connivance, was trivial; or
- (2) an act or omission of a candidate arose from accidental miscalculation or other reasonable cause, but in any case not from a want of good faith; and the court also finds that it would be unjust for a candidate to forfeit the nomination or election. None of these findings is a defense to a conviction under this chapter.

Subd. 2. **Limitation on filing.** The complaint must be filed with the office within one year after the occurrence of the act or failure to act that is the subject of the complaint, except that if the act or failure to act involves fraud, concealment, or misrepresentation that could not be discovered during that one-year period, the complaint may be filed with the office within one year after the fraud, concealment, or misrepresentation was discovered.

Subd. 3. **Form of complaint.** The complaint must be in writing, submitted under oath, and detail the factual basis for the claim that a violation of law has occurred. The office may prescribe the form of a complaint.

Subd. 4. **Proof of claim.** The burden of proving the allegations in the complaint is on the complainant. The standard of proof of a violation of section 211B.06, relating to false statements in paid political advertising or campaign material, is

clear and convincing evidence. The standard of proof of any other violation of chapter 211A or 211B is a preponderance of the evidence.

**Subd. 5. Filing fee; waiver; refund.** (a) The complaint must be accompanied by a filing fee of \$50, unless filed by a filing officer under section 211A.05, subdivision 2.

(b) The office may waive the payment of the filing fee, if the individual seeking a waiver of the fee files with the office an affidavit stating that the individual is financially unable to pay the fee.

(c) The office may refund the filing fee of a complainant who prevails on the merits.

**Subd. 6. Service on respondent.** Upon receipt of the filed complaint, the office must immediately notify the respondent and provide the respondent with a copy of the complaint by the most expeditious means available.

### NOTES AND DECISIONS

#### 211B.32

On appeal of decision adjudicating claims of unfair campaign practices, appellate court presumes decisions of Office of Administrative Hearings are correct. *Lewison v. Hutchinson*, 929 N.W.2d 444 (Minn. Ct. App. 2019).

Claim alleging a violation of statute that made it a criminal offense to publish a false statement to defeat a ballot question was required to be filed within one year of the publication of the statement. *Abrahamson v. Saint Louis Cnty. Sch. Dist.*, 819 N.W.2d 129 (Minn. 2012).

Statutes that established administrative hearing process, which heard allegations filed by opponents of successful candidates in city council election that candidates violated statutes establishing financial-reporting requirements and statutes regulating campaign practices, did not unconstitutionally intrude on First Amendment rights of successful candidates, as statutes merely established a process to consider violations of election statutes and did not establish substantive law. *Riley v. Jankowski*, 713 N.W.2d 379 (Minn. App. 2006).

#### 211B.33 PRIMA FACIE REVIEW.

**Subdivision 1. Time for review.** The chief administrative law judge must randomly assign an administrative law judge to review the complaint. Within one business day after the complaint was filed with the office, when practicable, but never longer than three business days, the administrative law judge must make a preliminary determination for its disposition.

**Subd. 2. Recommendation.** (a) If the administrative law judge determines that the complaint does not set forth a prima facie violation of chapter 211A or 211B, the administrative law judge must dismiss the complaint.

(b) If the administrative law judge determines that the complaint sets forth a prima facie violation of section 211B.06 and was filed within 60 days before the primary or special election or within 90 days before the general election to which the complaint relates, the administrative law judge must conduct an expedited probable cause hearing under section 211B.34.

(c) If the administrative law judge determines that the complaint sets forth a prima facie violation of a provision of chapter 211A or 211B, other than section 211B.06, and that the complaint was filed within 60 days before the primary or special election or within 90 days before the general election to which the complaint relates, the administrative law judge, on request of any party, must conduct an expedited probable cause hearing under section 211B.34.

(d) If the administrative law judge determines that the complaint sets forth a prima facie violation of chapter 211A or 211B, and was filed more than 60 days before the primary or special election or more than 90 days before the general election to which the complaint relates, the administrative law judge must schedule an evidentiary hearing under section 211B.35.

**Subd. 3. Notice to parties.** The office must notify all parties of the determination made under subdivision 2. If the complaint is scheduled for hearing, the notice must identify the time and place of the hearing and inform all parties that they may submit evidence, affidavits, documentation, and argument for consideration by the administrative law judge.

**Subd. 4. Joinder and separation of complaints.** The chief administrative law judge may direct that two or more complaints be joined for disposition if the chief administrative law judge determines that the allegations in each complaint are of the same or similar character, are based on the same act or failure to act, or are based on two or more acts or failures to act constituting parts of a common scheme or plan. If one complaint contains two or more allegations, the chief administrative law judge may separate the allegations, if they are not of the same or similar character, if they are not based on the same act or failure to act, or if they are not based on two or more acts or failures to act constituting parts of a common scheme or plan. If the chief administrative law judge separates the allegations in a complaint, the assigned administrative law judge or judges may make separate recommendations under subdivision 2 for each allegation.

**History:** *2004 c 277 s 8*

### **211B.34 PROBABLE CAUSE HEARING.**

Subdivision 1. **Time for review.** The assigned administrative law judge must hold a probable cause hearing on the complaint no later than three business days after receiving the assignment if an expedited hearing is required by section 211B.33, except that for good cause the administrative law judge may hold the hearing no later than seven days after receiving the assignment. If an expedited hearing is not required by section 211B.33, the administrative law judge must hold the hearing not later than 30 days after receiving the assignment.

Subd. 2. **Disposition.** At the probable cause hearing, the administrative law judge must make one of the following determinations:

(a) The complaint is frivolous, or there is no probable cause to believe that the violation of law alleged in the complaint has occurred. If the administrative law judge makes either determination, the administrative law judge must dismiss the complaint.

(b) There is probable cause to believe that the violation of law alleged in the complaint has occurred. If the administrative law judge so determines, the chief administrative law judge must schedule the complaint for an evidentiary hearing under section 211B.35.

Subd. 3. **Reconsideration by chief administrative law judge.** (a) If the administrative law judge dismisses the complaint, the administrative law judge shall provide to the complainant written notice of the right to seek reconsideration of the decision on the record by the chief administrative law judge.

(b) A petition for reconsideration must be filed within two business days after the dismissal. The chief administrative law judge must make a decision on the petition within three business days after receiving the petition. If the chief administrative law judge determines that the assigned administrative law judge made a clear error of law and grants the petition, within five business days after granting the petition, the chief administrative law judge shall schedule the complaint for an evidentiary hearing under section 211B.35.

**History:** 2004 c 277 s 9

### **211B.35 EVIDENTIARY HEARING BY PANEL.**

Subdivision 1. **Deadline for hearing.** When required by section 211B.34, subdivision 2 or 3, the chief administrative law judge must assign the complaint to a panel of three administrative law judges for an evidentiary hearing. The hearing must be held within the following times:

(1) ten days after the complaint was assigned, if an expedited probable cause hearing was requested or required under section 211B.33;

(2) 30 days after the complaint was filed, if it was filed within 60 days before the primary or special election or within 90 days before the general election to which the complaint relates; or

(3) 90 days after the complaint was filed, if it was filed at any other time.

For good cause shown, the panel may extend the deadline set forth in clause (2) or (3) by 60 days.

Subd. 2. **Disposition of complaint.** The panel must determine whether the violation alleged in the complaint occurred and must make at least one of the following dispositions:

(a) The panel may dismiss the complaint.

(b) The panel may issue a reprimand.

(c) The panel may find that a statement made in a paid advertisement or campaign material violated section 211B.06.

(d) The panel may impose a civil penalty of up to \$5,000 for any violation of chapter 211A or 211B.

(e) The panel may refer the complaint to the appropriate county attorney.

Subd. 3. **Time for disposition.** The panel must dispose of the complaint:

(1) within three days after the hearing record closes, if an expedited probable cause hearing was required by section 211B.33; and

(2) within 14 days after the hearing record closes, if an expedited probable cause hearing was not required by section 211B.33.

## 2023 MINNESOTA ELECTION LAWS

Statutes that established administrative hearing process, which heard allegations filed by opponents of successful candidates in city council election that candidates violated statutes establishing financial-reporting requirements and statutes regulating campaign practices, did not unconstitutionally intrude on First Amendment rights of successful candidates, as statutes merely established a process to consider violations of election statutes and did not establish substantive law. *Riley v. Jankowski*, 713 N.W.2d 379 (Minn. App. 2006).

### 211B.36 PROCEDURES.

Subdivision 1. **Evidence and argument.** The administrative law judge or panel may consider any evidence and argument submitted until a hearing record is closed, including affidavits and documentation, or may continue a hearing to enable the parties to submit additional testimony.

Subd. 2. **Withdrawal of complaint.** At any time before an evidentiary hearing under section 211B.35 begins, a complainant may withdraw a complaint filed under section 211B.32. After the evidentiary hearing begins, a complaint filed under section 211B.32 may only be withdrawn with the permission of the panel.

Subd. 3. **Costs.** If the assigned administrative law judge or panel determines the complaint is frivolous, they may order the complainant to pay the respondent's reasonable attorney fees and to pay the costs of the office in the proceeding in which the complaint was dismissed.

Subd. 4. **Hearings public.** A hearing under section 211B.34 or 211B.35 may be conducted by conference telephone call or by interactive television. All hearings must be open to the public.

Subd. 5. **Judicial review.** A party aggrieved by a final decision on a complaint filed under section 211B.32 is entitled to judicial review of the decision as provided in sections 14.63 to 14.69; however, proceedings on a complaint filed under section 211B.32 are not a contested case within the meaning of chapter 14 and are not otherwise governed by chapter 14.

**History:** 2004 c 277 s 11

#### NOTES AND DECISIONS

##### 211B.36

On appeal of decisions adjudicating claims of unfair campaign practices, appellate court presumes decisions of Office of Administrative Hearings are correct. *Lewison v. Hutchinson*, 929 N.W. 2d 444 (Minn. Ct. App. 2019).

Statutes regulating campaign practices did not violate the separation-of-powers doctrine or amount to an unconstitutional delegation of district court's original jurisdiction. *Riley v. Jankowski*, 713 N.W.2d 379 (Minn. App. 2006).

### 211B.37 COSTS ASSESSED

Except as otherwise provided in section 211B.36, subdivision 3, the chief administrative law judge shall assess the cost of considering complaints filed under section 211B.32 as provided in this section. Costs of complaints relating to a statewide ballot question or an election for a statewide or legislative office must be paid from appropriations to the Office of Administrative Hearings for this purpose. Costs of complaints relating to any other ballot question or elective office must be paid from appropriations to the office for this purpose.

**History:** 1996 c 469 art 2 s 2; 1Sp2019 c 5 art 2 s 29

#### NOTES AND DECISIONS

##### 211C.01

Allegation of nonfeasance in performance of official duties by Secretary of State in relation to filing of oaths of office of members of legislature by filing them with chief clerk of House of Representatives and the Secretary of the Senate instead of with Secretary of State, and by refusing request to inspect oaths, failed to allege specific facts constituting grounds for recall. *In re Proposed Petition to Recall Kiffmeyer*, 673 N.W.2d 827 (Minn. 2004)

Proposed petition to recall Attorney General for allegedly failing to defend constitutionality of state sodomy statute presented claim of nonfeasance, even though language of petition indicated claim of both nonfeasance and malfeasance. *In re Proposed Petition to Recall Hatch*, 628 N.W.2d 125 (Minn. 2001).

### 211C.02 GROUNDS.

The grounds for recall of a judge shall be established by the supreme court. A state officer other than a judge may be subject to recall for serious malfeasance or nonfeasance during the term of office in the performance of the duties of the office or conviction during the term of office for a serious crime.

**History:** 1996 c 469 art 2 s 3

#### NOTES AND DECISIONS

##### 211C.02

Allegation that Governor committed nonfeasance in filing an oath of office while a member of the legislature prior to his election as governor failed to allege specific facts constituting grounds for recall of Governor. *In re Proposed Petition to Recall Pawlenty*, 673 N.W.2d 829 (Minn. 2004).

Allegation that there were legal defects in wording of oath of office signed by Secretary of State failed to allege specific facts constituting grounds for recall. *In re Proposed Petition to Recall Kiffmeyer*, 673 N.W.2d 827 (Minn. 2004).

Allegations of failure in an elected state officer’s duties “as a lawyer” are not valid grounds for the officer’s recall. *In re Proposed Petition to Recall Hatch*, 628 N.W.2d 125 (Minn. 2001).

### 211C.03 PETITION FOR RECALL; FORM AND CONTENT.

The secretary of state shall prescribe by rule the form required for a recall petition. Each page of the petition must contain the following information:

(1) the name and office held by the state officer who is the subject of the recall petition and, in the case of a representative, senator, or district judge, the district number in which the state officer serves;

(2) the specific grounds upon which the state officer is sought to be recalled and a concise, accurate, and complete synopsis of the specific facts that are alleged to warrant recall on those grounds;

## 2023 MINNESOTA ELECTION LAWS

(3) a statement that a recall election, if conducted, will be conducted at public expense;

(4) a statement that persons signing the petition:

(i) must be eligible voters residing within the district where the state officer serves or, in the case of a statewide officer, within the state;

(ii) must know the purpose and content of the petition; and

(iii) must sign of their own free will and may sign only once; and

(5) a space for the signature and signature date; printed first, middle, and last name; residence address, including municipality and county; and date of birth of each signer.

The secretary of state shall make available sample recall petition forms upon request.

**History:** 1996 c 469 art 2 s 4

### **211C.04 PROPOSED PETITION; SUBMITTAL.**

A petition to recall a state officer may be proposed by 25 or more persons, who must be eligible to sign and shall sign the proposed petition for the recall of the officer. The persons submitting the petition must designate in writing no more than three individuals among them to represent all petitioners in matters relating to the recall. The proposed petition must be submitted to the secretary of state in the manner and form required by the secretary of state and be accompanied by a fee of \$100. After the secretary of state issues a petition to recall a state officer under section 211C.06, the secretary of state may not accept a proposed petition to recall the same officer until either the earlier petition is dismissed by the secretary of state for a deficiency of signatures under section 211C.06, or the recall election brought about by the earlier petition results in the officer retaining the office. Upon receiving a proposed petition that satisfies the requirements of this section, the secretary of state shall immediately notify in writing the state officer named and forward the proposed petition to the clerk of the appellate courts for action under section 211C.05.

**History:** 1996 c 469 art 2 s 5

### **211C.05 SUPREME COURT REVIEW OF PROPOSED PETITION.**

Subdivision 1. **Assignment for hearing.** Upon receiving a proposed petition from the secretary of state, the clerk of the appellate courts shall submit it immediately to the chief justice of the supreme court, or, if the chief justice is the subject of the proposed petition, to the most senior associate justice of the supreme court. The persons proposing the petition shall provide to the reviewing judge any materials supporting the petition. The officer who is named in the proposed petition may submit materials in opposition. The justice, or a designee if the justice has a conflict of interest or is unable to conduct the review in a timely manner, shall review the proposed petition to determine whether it alleges specific facts that, if proven, would constitute grounds for recall of the officer under the Minnesota Constitution, article VIII, section 6, and section 211C.02. If it does not, the justice shall immediately issue an order dismissing the petition and indicating the reason for dismissal. If the proposed petition does allege specific facts that, if proven, would constitute grounds for recall, the justice shall assign the case to a special master for a public hearing. The special master must be an active or retired judge. The justice shall complete the review under this section and dismiss the proposed petition or assign the case for hearing within ten days.

Subd. 2. **Hearing; report.** A public hearing on the allegations of a proposed petition must be held within 21 days after issuance of the order of the justice assigning the case to a special master. The special master shall report to the court within seven days after the end of the public hearing. In the report, the special master shall determine:

## 2023 MINNESOTA ELECTION LAWS

(1) whether the persons proposing the petition have shown by a preponderance of the evidence that the factual allegations supporting the petition are true; and

(2) if so, whether the persons proposing the petition have shown that the facts found to be true are sufficient grounds for issuing a recall petition.

If the special master determines that these standards have been met, the report must include a statement of the specific facts and grounds for the recall petition.

Subd. 3. **Supreme court; decision.** The supreme court shall review the report of the special master and make a decision on the petition within 20 days. If the court decides that the standard expressed in subdivision 2 has not been met, the court shall dismiss the petition. If the court decides that the standard for decision expressed in subdivision 2 has been met, the court shall prescribe, by order to the secretary of state, the statement of the specific facts and grounds that must appear on the petition for recall issued under section 211C.06. If the court dismisses a petition under this section because the persons proposing the petition have acted in bad faith in violation of section 211C.09, the court may assess the persons proposing the petition for reasonable costs of conducting the proceeding.

**History:** 1996 c 469 art 2 s 6

### **211C.06 ISSUING, CIRCULATING, AND VERIFYING PETITION.**

Upon receipt of the order from the supreme court, the secretary of state shall issue a recall petition. When the required number of signatures on the petition have been secured, the petition may be filed with the secretary of state. The petition must be filed within 90 days after the date of issuance. Upon the filing of the petition, the secretary of state shall verify the number and eligibility of signers in the manner provided by the secretary of state. If the secretary of state determines that a petition has been signed by a sufficient number of eligible voters, the secretary of state shall certify the petition and immediately notify in writing the governor, the petitioners, and the state officer named in the petition. If the petition is not signed by a sufficient number of eligible voters, the secretary of state shall dismiss the petition.

**History:** 1996 c 469 art 2 s 7

### **211C.07 GOVERNOR; WRIT OF ELECTION; ELECTION.**

Within five days of receiving certification of a petition under section 211C.06, the governor shall issue a writ calling for a recall election, unless the election cannot be held before the deadline specified in the Minnesota Constitution, article VIII, section 6. A recall election must be conducted, and the results canvassed and returned, in the manner provided by law for the state general election.

**History:** 1996 c 469 art 2 s 8

### **211C.071 REMOVAL ELECTION FORM OF QUESTION.**

The form of the question under this chapter must be:

"Shall ..... (Name) elected (appointed) to the office of ..... (title) be removed from that office?"

**History:** 2014 c 264 s 25

### **211C.08 ELECTION RESULT; REMOVAL FROM OFFICE.**

If a majority of the votes cast in a recall election favor the removal of the state officer, upon certification of that result the state officer is removed from office and the office is vacant.

**History:** 1996 c 469 art 2 s 9

**211C.09 RECALL PETITION; CORRUPT PRACTICES.**

A person proposing a petition may not allege any material fact in support of the petition that the person knows is false or has alleged with reckless disregard of whether it is false. A person may not intentionally make any false entry on a petition or aid, abet, counsel, or procure another to do so. A person may not use threat, intimidation, coercion, or other corrupt means to interfere or attempt to interfere with the right of any eligible voter to sign or not to sign a recall petition of their own free will. A person may not, for any consideration, compensation, gift, reward, or thing of value or promise thereof, sign or not sign a recall petition.

The supreme court may dismiss a proposed petition for violation of this section. Notwithstanding section 645.241, the sole remedy for a violation of this section is dismissal of the petition by the supreme court.

**History:** 1996 c 469 art 2 s 10

## OTHER LAWS RELATED TO ELECTIONS

### CHAPTER 2 – TERRITORIAL DIVISIONS

#### 2.91 REDISTRICTING PLANS.

Subdivision 1. **Distribution.** Upon enactment of a redistricting plan for the legislature or for Congress, the Legislative Coordinating Commission shall deposit the plan with the secretary of state. The secretary of state shall provide copies of the relevant portions of the redistricting plan to each county auditor, who shall provide a copy of the relevant portions of the plan to each municipal clerk within the county. The secretary of state, with the cooperation of the commissioner of administration, shall make copies of the plan file, maps, and tables available to the public for the cost of publication. The revisor of statutes shall code a metes and bounds description of the districts in Minnesota Statutes.

Subd. 2. **Corrections.** The legislature intends that a redistricting plan encompass all the territory of this state, that no territory be omitted or duplicated, that all districts consist of convenient contiguous territory substantially equal in population, and that political subdivisions not be divided more than necessary to meet constitutional requirements.

Therefore, in implementing a redistricting plan for the legislature or for Congress, the secretary of state, after notifying the Legislative Coordinating Commission and the revisor of statutes, shall order the following corrections:

(a) If a territory in this state is not named in the redistricting plan but lies within the boundaries of a district, it is a part of the district within which it lies.

(b) If a territory in this state is not named in the redistricting plan but lies between the boundaries of two or more districts, it is a part of the contiguous district having the smallest population.

(c) If a territory in this state is assigned in the redistricting plan to two or more districts, it is part of the district having the smallest population.

(d) If a territory in this state is assigned to a district that consists of other territory containing a majority of the population of the district but with which it is not contiguous, the territory is a part of the contiguous district having the smallest population.

(e) If the description of a district boundary line that divides a political subdivision is ambiguous because a highway, street, railroad track, power transmission line, river, creek, or other physical feature or census block boundary that forms part of the district boundary is omitted or is not properly named or has been changed, or because a compass direction for the boundary line is wrong, the secretary of state shall add or correct the name or compass direction and resolve the ambiguity in favor of creating districts of convenient, contiguous territory of substantially equal population that do not divide political subdivisions more than is necessary to meet constitutional requirements.

Subd. 3. **Notice of corrections.** The secretary of state shall provide a copy of each correction order to each affected county auditor, municipal clerk, and candidate.

Subd. 4. **Recommendations to legislature.** The secretary of state and the revisor of statutes shall recommend to the legislature any additional technical corrections to the redistricting plan they deem necessary or desirable.

**History:** 1994 c 406 s 9; 1994 c 612 s 67

#### NOTES AND DECISIONS

##### 2.91

To utilize politically neutral redistricting principles that advanced the interests of collective public good and preserved public's confidence and perception of fairness in congressional redistricting process, judicially-appointed special redistricting panel would: (1) adhere to the United States Constitution; (2) adhere to the Voting Rights Act of 1965, as amended; (3) adhere to state's statutory requirements for congressional redistricting, such as drawing districts that comprised convenient, contiguous territory; (4) adhere to well-established redistricting principles, such as creating compact districts and preserving communities of interest; and (5) draw districts without the purpose of either protecting or defeating incumbents. *Hippert v. Ritchie*, 813 N.W.2d 374 (Minn. 2012).

## 2023 MINNESOTA ELECTION LAWS

Voter who argued that county redistricting, which gave the city majorities of voters in three of five commissioner districts despite the fact that city residents were not a majority in the county, impaired his fundamental right to vote by diluting the power of the rural voter, did not establish that the redistricting impacted a suspect class or a fundamental right, as required to raise a justiciable constitutional claim. *Krueger v. McLeod County*, 2006 WL 1390417 (Minn. App. May 23, 2006) (unpublished op.).

At least four months before the election, the attorney general shall furnish to the secretary of state a statement of the purpose and effect of all amendments proposed, showing clearly the form of the existing sections and how they will read if amended. If a section to which an amendment is proposed exceeds 150 words in length, the statement shall show the part of the section in which a change is proposed, both its existing form and as it will read when amended, together with the portions of the context that the attorney general deems necessary to understand the amendment.

## 2023 MINNESOTA ELECTION LAWS

### NOTES AND DECISIONS

#### 10A.01

Corporations seeking preliminary injunction against enforcement of Minnesota statute, which defined independent expenditures that corporations were allowed to make advocating the election or defeat of a clearly identified candidate, were not likely to succeed on the merits of their claim that the definition was impermissibly vague under the First Amendment; definition did not apply to expenditures for issue advocacy or advocacy that did not use the "magic words," such as "vote for," "elect," "support," "vote against," and "defeat," which the Supreme Court had recognized as constituting express advocacy. *Minnesota Citizens Concerned for Life, Inc. v. Swanson*, 741 F.Supp.2d 1115 (D. Minn. 2010).

In order to avoid invalidation of statute on grounds that it is vague, overbroad, and regulates political speech in violation of the First Amendment, phrase "to influence the nomination or election of a candidate" in subs. 27 and 28 must be construed so as to mean that "political committee" is organization whose major purpose is nomination or election of candidate and that "political fund" is fund used for express advocacy. *Minnesota Citizens Concerned for Life, Inc. v. Kelley*, 291 F.Supp.2d 1052 (D. Minn. 2003).

The procedures must provide public notice of the existence of recorded documents and certificates of title that are not publicly viewable and the provisions for viewing them under this subdivision. Notice that a document or certificate is private and viewable only under this subdivision or subdivision 4b is deemed constructive notice of the document or certificate.

(b) If the recipient of the real property notice is the county recorder, the county recorder shall notify the county's responsible authority and provide a copy to the secretary of state at the address specified in the notice. If the recipient of the notice is the responsible authority, the responsible authority shall provide a copy to the secretary of state at the address specified by the secretary of state in the notice.

**Subd. 4b. Notwithstanding subdivision 4a, or any law to the contrary, a party examining title may rely conclusively on the information contained in a written affirmation from the secretary of state.

(c) Location data disclosed under this subdivision may be used only for the purposes authorized in this subdivision and may not be further disclosed to any other person. A person receiving private data under this subdivision shall establish procedures to protect the data from further disclosure.

The county auditor accepting affidavits of candidacy shall forward copies of all affidavits filed by candidates for supervisor to the auditor of any other county in which the office is voted on.

Subd. 3. **Ballots.** Ballots shall be prepared by the county auditor. The names of candidates shall be placed on the state general election ballot. The office title printed on the ballot must be either "Soil and Water Conservation District Supervisor" or "Conservation District Supervisor," based upon the district from which the supervisor is to be elected.

Subd. 4. **Election.** Laws relating to elections for county office shall govern to the extent that they are consistent with this section and section 103C.311. The county auditor shall certify the result to the state board. If the district includes land in more than one county, the county auditor shall immediately certify to the state board the vote, as shown by the report of the county canvassing board, for candidates voted for in more than one county. In the latter case, the state board shall certify and publish the result.

Subd. 5. **Election within areas governed by Indian tribes.** In a district where a supervisor nomination district is entirely within lands of an American Indian tribe or band to which county election laws do not apply, a supervisor to represent the district shall be elected or appointed as provided by the governing body of the tribe or band.

Subd. 6. **Vacancy.** (a) If a vacancy occurs in the office of an elected supervisor more than 56 days before the next state primary, the district board shall fill the vacancy by appointment. The supervisor appointed shall hold office until the first Monday in January following the next general election. A successor shall be elected at the general election

following the appointment and hold office for the remainder of the term or for the next regular term, whichever is appropriate.

(b) If a vacancy occurs less than 56 days before the next state primary, the district board shall fill the vacancy by appointment. The appointed supervisor shall hold office until the expiration of the term or until the first Monday in January following the second succeeding general election, whichever is shorter. A successor shall be elected at the general election preceding expiration of the appointed term and hold office for the remainder of the term or for the next regular term, whichever is appropriate.

(c) All terms under this subdivision continue until a successor has been elected and has qualified.

Person must be legal voter of soil conservation district to be elected supervisor. Op. Atty. Gen. 705A-3, March 31, 1954.

### 103C.311 FORMATION OF SUPERVISOR DISTRICTS.

Subdivision 1. **Supervisors elected at large.** (a) The district board shall, with the approval of the state board, divide a district into supervisor districts for purposes of nomination for election. At each election after the division, one or more supervisors shall be nominated from each supervisor district. A supervisor must be a resident of the supervisor district to be elected.

(b) If the boundary of a soil and water conservation district has been substantially changed by a division of the district, the district shall be divided into supervisor districts for nomination purposes.

(c) Except for consolidation under section 103C.211, this subdivision does not disqualify a supervisor during the term for which the supervisor was elected or nominated for election. Supervisors nominated from the supervisor districts shall be included on the ballot for election from the entire area included in the soil and water conservation district.

(d) A certified copy of the minutes or the resolution of the supervisors establishing supervisor districts must be promptly filed by the chair of the district board with the county auditor of the counties where the district is located and with the state board.

Subd. 2. **Supervisors elected by districts.** (a) A district board in the seven-county metropolitan area shall by resolution provide that supervisors will be elected by supervisor districts as provided in this subdivision.

(b) A district board outside of the seven-county metropolitan area, with the approval of the state board, may by resolution provide that supervisors will be elected by supervisor districts as provided in this subdivision.

(c) The supervisor districts must be composed of precincts established by county and municipal governing bodies under section 204B.14. The districts must be compact, include only contiguous territory, and be substantially equal in population. The districts must be numbered in a regular series. The districts must be drawn by the county board of the county containing the largest area of the soil and water conservation district, in consultation with the district board and with the approval of the state board. The boundaries of the districts must be redrawn after each decennial federal census as provided in section 204B.135. A certified copy of the resolution establishing supervisor districts must be filed by the chair of the district board with the county auditor of the counties where the soil and water conservation district is located, with the state board, and with the secretary of state, and the filings must occur within 80 days of the time when the legislature has been redistricted or at least 15 weeks before the state primary election in a year ending in two, whichever comes first.

(d) Each supervisor district is entitled to elect one supervisor. A supervisor must be a resident of the district from which elected.

(e) The district board shall provide staggered terms for supervisors elected by district. After each redistricting, there shall be a new election of supervisors in all the districts at the next general election, except that if the change made in the boundaries of a district is less than five percent of the average population of all the districts, the

supervisor in office at the time of the redistricting shall serve for the full term for which elected. The district board shall determine by lot the seats to be filled for a two-year term, a four-year term, and a six-year term.

(b) Supervisors must be eligible voters residing in the district.

(c) In counties where the county board consists of seven members and districts have been divided into supervisor districts, under section 103C.311, subdivision 2, the county board may establish seven supervisor districts, elected or appointed as provided in sections 103C.201, subdivision 8; 103C.305; and 103C.311, subdivision 2.

Subd. 2. **Terms.** The supervisors appointed by the state board upon the establishment of a district serve terms ending as provided in section 103C.201, subdivision 8. Their successors shall be elected for terms of four years commencing on the first Monday in January and until a successor is elected or appointed and has qualified. Vacancies in the office of supervisor appointed by the state board shall be filled by the state board.

Subd. 3. **Quorum.** A majority of the supervisors is a quorum and the concurrence of a majority in any matter is required for its determination except as otherwise expressly provided.

Subd. 4. **Compensation.** A supervisor shall receive compensation for services up to \$125 per day, and may be reimbursed for expenses, including traveling expenses, necessarily incurred in the discharge of duties. A supervisor may be reimbursed for the use of the supervisor's own automobile in the performance of official duties at a rate up to the maximum tax-deductible mileage rate permitted under the federal Internal Revenue Code.

Subd. 5. **Removal of supervisor.** A supervisor may be removed from office in accordance with the procedures under sections 351.14 to 351.23 for malfeasance or nonfeasance in office, but for no other reason.

Subd. 6. **Compatible offices.** The office of soil and water conservation district supervisor and the offices of mayor, clerk, clerk-treasurer, or council member in a statutory or home rule charter city of not more than 2,500 population contained in whole or in part in the soil and water conservation district are compatible offices and one person may hold both offices. The office of soil and water conservation district supervisor and the office of town clerk or town supervisor in a town of not more than 2,500 population contained in whole or in part in the soil and water conservation district are compatible offices and one person may hold both offices. A person holding both offices shall refrain from voting or taking any other formal action on any matter coming before the soil and water conservation district board or the city council or town board that has a substantial effect on both the soil and water conservation district and the city or town. This subdivision does not apply to an office located in whole or in part in Anoka, Hennepin, Ramsey, or Washington county.

## CHAPTER 123A – SCHOOL DISTRICTS; FORMS OF ORGANIZING

### 123A.48 CONSOLIDATION.

Subd. 2. **Resolution.** (a) Upon a resolution of a board in the area proposed for consolidation or upon receipt of a petition therefor executed by 25 percent of the voters resident in the area proposed for consolidation or by 50 such voters, whichever is less, the county auditor of the county which contains the greatest land area of the proposed new district shall prepare a plat. The resolution or petition must show the approximate area proposed for consolidation.

(b) The resolution or petition may propose the following:

(1) that the bonded debt of the component districts will be paid according to the levies previously made for that debt under chapter 475, or that the taxable property in the newly created district will be taxable for the payment of all or a portion of the bonded debt previously incurred by any component district as provided in subdivision 18;

## 2023 MINNESOTA ELECTION LAWS

(2) that obligations for a capital loan or an energy loan made according to section 216C.37 or sections 298.292 to 298.297 outstanding in a preexisting district as of the effective date of consolidation remain solely with the preexisting district that obtained the loan, or that all or a portion of the loan obligations will be assumed by the newly created or enlarged district and paid by the newly created or enlarged district on behalf of the preexisting district that obtained the loan;

(3) that referendum levies previously approved by voters of the component districts pursuant to section 126C.17, subdivision 9, or its predecessor provision, be combined as provided in section 123A.73, subdivision 4 or 5, or that the referendum levies be discontinued;

(4) that the board of the newly created district consist of the number of members determined by the component districts, which may be six or seven members elected according to subdivision 20, or any number of existing school board members of the component districts, and a method to gradually reduce the membership to six or seven; or

(5) that separate election districts from which board members will be elected, the boundaries of these election districts, and the initial term of the member elected from each of these election districts be established.

The resolution must provide for election of board members from one of the following options: single-member districts; multimember districts; at large; or a combination of these options. The resolution must include a plan for the orderly transition to the option chosen.

A group of districts that operates a cooperative secondary facility funded under section 123A.443 may also propose a temporary board structure as specified in section 123A.443, subdivision 9.

If a county auditor receives more than one request for a plat and the requests involve parts of identical districts, the auditor shall prepare a plat which in the auditor's opinion best serves the educational interests of the inhabitants of the districts or areas affected.

(c) The plat must show:

(1) Boundaries of the proposed district, as determined by the county auditor, and present district boundaries,

(2) The location of school buildings in the area proposed as a new district and the location of school buildings in adjoining districts,

(3) The boundaries of any proposed separate election districts, and

(4) Other pertinent information as determined by the county auditor.

Subd. 3. **Designated county auditor duties.** The county auditor of the county containing the greatest land area of the area proposed to be consolidated shall perform the duties provided by this section.

Subd. 4. **Orderly reduction plan.** As part of the resolution required by subdivision 2, the board must prepare a plan for the orderly reduction of the membership of the board to six or seven members and a plan for the establishment or dissolution of election districts. The plan may shorten any or all terms of incumbent board members to achieve the orderly reduction. The plan must be submitted to the secretary of state for review and comment.

Subd. 10. **District board adoption of proposed plat.** The board of any independent district maintaining a secondary school, the board of any common district maintaining a secondary school, all or part of whose land is included in the proposed new district, must, within 45 days of the approval of the plat by the commissioner, either adopt or reject the plan as proposed in the approved plat. If the board of any such district entitled to act on the petition rejects the proposal, the proceedings are terminated and dismissed. If any board fails to act on the plat within the time allowed, the proceedings are terminated. If any school board is unable to obtain a majority of its members' votes to accept or reject the plat and plan, a petition of residents of the district unable to obtain a majority of votes equal to 20 percent of the votes cast in the last school district general election in that district may be submitted to the county auditor requesting a public vote to accept or reject the plat and plan. The vote shall be scheduled on the next available election date. The county auditor shall notify the commissioner of the scheduled vote, conduct the election in that district and certify the results of the election to the commissioner. Other affected school boards that approve the plat and plan may choose to hold an election. If elections are conducted in each affected school district, results shall be separate and a majority vote to approve the plat and plan must be reached in each of the affected districts. If the plat and plan are rejected by the voters, a new plat and plan cannot be

## 2023 MINNESOTA ELECTION LAWS

submitted, except by school board resolution in a district where the plat and plan were rejected, until January 1 of the year following the next school district general election.

Subd. 14. **Election.** The board shall determine the date of the election as authorized by section 205A.05, subdivision 1a, the number of boundaries of voting precincts, and the location of the polling places where voting shall be conducted, and the hours the polls will be open. The board shall also provide official ballots which must be used exclusively and shall be in the following form: "Shall the (name of school district) and the (name of school district) be consolidated as proposed? "Yes... No..."

The board must appoint election judges who shall act as clerks of election. The ballots and results must be certified to the board who shall canvass and tabulate the total vote cast for and against the proposal.

Subd. 19. **Bonds; election.** The board of the newly created district, when constituted as provided in Minnesota Statutes 1990, section 122.23, subdivision 17, may provide for an election of that district on the issuance of bonds. It may issue and sell bonds authorized at the election, or bonds authorized at an election previously held in any preexisting district wholly included within the newly created district, or bonds for a purpose for which an election is not required by law. The actions may be taken at any time after the date of the county auditor's order issued under Minnesota Statutes 1990, section 122.23, subdivision 17, and before or after the date upon which the consolidation becomes effective for other purposes, and taxes for the payment of the bonds shall be levied upon all taxable property in the newly created district. No bonds shall be delivered to purchasers until 30 days after the date of the county auditor's order. If within this period a notice of appeal from the county auditor's order to the district court is filed in accordance with section 123A.49, no bonds shall be delivered by the newly created district to purchasers unless: (1) the county auditor's order is affirmed by final order of the district court in the special proceeding, and a period of 30 days from the service of the final order expires without an appeal being commenced; or (2) if an appeal is taken, the order is affirmed and the time for petitioning for further review has expired. Notwithstanding the pendency of the appeal, if all of the territory of one and only one independent district maintaining a secondary school is included in the newly created district, and if the net tax capacity of taxable property in the territory comprises 90 percent or more of the net tax capacity of all taxable property in the newly created district, then the board may issue, sell, and deliver any bonds voted by the preexisting independent district and any bonds voted or otherwise authorized by the newly created district, and the bonds must be paid by the levy of taxes upon the property within the territory of the preexisting independent district and within the other areas, if any, that are finally determined to be properly included within the newly created district. In any election held in the newly created district as authorized in the preceding sentence, all qualified electors residing within the area of that district as defined in the county auditor's order shall be entitled to vote, but the votes cast by residents of former districts or portions of former districts included in the area, other than the independent district maintaining the secondary school, shall be received and counted separately. The bonds must not be issued and sold unless authorized by a majority of the votes cast thereon by electors of the independent district maintaining the secondary school, and also by a majority of the votes cast thereon by electors residing within the entire area of the newly created district.

### CHAPTER 123B – EDUCATION FUNDING

#### 123B.09 BOARDS OF INDEPENDENT SCHOOL DISTRICTS

Subdivision 1. **School board membership.** The care, management, and control of independent districts is vested in a board of directors, to be known as the school board. The term of office of a member shall be four years commencing on the first Monday in January and until a successor qualifies. The membership of the board shall consist of six elected directors together with such ex officio member as may be provided by law. The board may submit to the electors at any school election the question whether the board shall consist of seven members. If a majority of those voting on the proposition favor a seven-member board, a seventh member shall be elected at the next election of directors for a four-year term and thereafter the board shall consist of seven members.

Those districts with a seven-member board may submit to the electors at any school election at least 150 days before the next election of three members of the board the question whether the board shall consist of six members. If a majority of those voting on the proposition favor a six-member board instead of a seven-member board, three members instead of four members shall be elected at the next election of the board of directors and thereafter the board shall consist of six members.

Subd. 1a. **Sex offender school board ineligibility.** A sex offender who has been convicted of an offense for which registration under section 243.166 is required is ineligible to become a candidate for the office of school board member, as defined in subdivision 1. Ineligibility is determined by the registration requirements in effect at the time the offender files for office, not by the registration requirements, if any, that were in effect at the time the offender was convicted.

Subd. 3. **Causes for school board member vacancy.** A vacancy in any board occurs when a member (a) dies, (b) resigns, (c) ceases to be a resident of the district, or (d) is unable to serve on such board and attend its meetings for not less than 90 days because of illness or prolonged absence from the district.

Subd. 4. **Ill or absent member.** A vacancy caused by a member being unable to serve on such board and attend its meetings for not less than 90 days because of illness or prolonged absence from the district, may, after the board has by resolution declared such vacancy to exist, be filled by the board at any regular or special meeting thereof for the remainder of the unexpired term, or until such ill or absent member is again able to resume duties as a member of such board, whichever date is earliest. When the ill or absent member is able to resume duties as a member of the board, the board must by resolution so determine and declare such person to be again a member of the board, and the member appointed by the board to be no longer a member thereof.

**Subd. 5. [Repealed, 2015 c 70 art 1 s 63]**

**Subd. 5a. [Repealed, 2016 c 161 art 2 s 2]**

Subd. 5b. **Appointments to fill vacancies; special elections.** (a) Any vacancy on the board, other than a vacancy described in subdivision 4, must be filled by board appointment at a regular or special meeting. The appointment shall be evidenced by a resolution entered in the minutes and shall be effective 30 days following adoption of the resolution, subject to paragraph (b). If the appointment becomes effective, it shall continue until an election is held under this subdivision. All elections to fill vacancies shall be for the unexpired term. A special election to fill the vacancy must be held no later than the first Tuesday after the first Monday in November following the vacancy. If the vacancy occurs less than 90 days prior to the first Tuesday after the first Monday in November in the year in which the vacancy occurs, the special election must be held no later than the first Tuesday after the first Monday in November of the following calendar year. If the vacancy occurs less than 90 days prior to the first Tuesday after the first Monday in November in the third year of the term, no special election is required. If the vacancy is filled by a special election, the person elected at that election for the ensuing term shall take office immediately after receiving the certificate of election, filing the bond, and taking the oath of office.

(b) An appointment made under paragraph (a) shall not be effective if a petition to reject the appointee is filed with the school district clerk. To be valid, a petition to reject an appointee must be signed by a number of eligible voters residing in the district equal to at least five percent of the total number of voters voting in the district at the most recent state general election, and must be filed within 30 days of the board's adoption of the resolution making

## 2023 MINNESOTA ELECTION LAWS

the appointment. If a valid petition is filed according to the requirements of this paragraph, the appointment by the school board is ineffective and the board must name a new appointee as provided in paragraph (a).

Subd. 6. **Meetings.** A majority of the voting members of the board shall constitute a quorum. No contract shall be made or authorized, except at a regular meeting of the board or at a special meeting at which all members are present or of which all members have had notice. Special meetings may be called by the chair or clerk or any three members upon notice mailed to each member at least three days prior thereto.

Subd. 9. **Removing board members.** The board may remove, for proper cause, any member or officer of the board and fill the vacancy; but such removal must be by a concurrent vote of at least four members, at a meeting of whose time, place, and object the charged member has been duly notified, with the reasons for such proposed removal and after an opportunity to be heard in defense against the removal.

**History:** *Ex1959 c 71 art 4 s 15; 1965 c 434 s 1; 1967 c 176 s 2; 1967 c 713 s 1; 1973 c 263 s 1,2; 1973 c 690 s 1; 1974 c 82 s 1,2; 1975 c 162 s 24; 1983 c 314 art 7 s 16,17; 1984 c 543 s 6; 1985 c 122 s 1; 1986 c 444; 1987 c 42 s 1; 1987 c 266 art 2 s 9; 1989 c 329 art 9 s 7; 1990 c 562 art 7 s 3; art 8 s 20; 1992 c 499 art 9 s 2; 1993 c 224 art 7 s 6; 1993 c 374 s 17; 1994 c 646 s 2; 1Sp1995 c 3 art 16 s 13; 1998 c 397 art 6 s 45-53,124; art 11 s 3; 1999 c 101 s 1; 2000 c 467 s 4; 2014 c 279 s 3; 2015 c 70 art 1 s 1, 2; 2016 c 161 art 2 s 1, 2; 2017 c 92 art 1 s 8*

## CHAPTER 126C – SCHOOL DISTRICTS; FORMS OF ORGANIZING

### 126C.17 REFERENDUM REVENUE.

Amendments to subd. 9b are effective the day following final enactment (May 24, 2023).

Subdivision 1. **Referendum allowance.** (a) A district's initial referendum allowance for fiscal year 2021 and later equals the result of the following calculations:

- (1) subtract \$424 from the district's allowance under Minnesota Statutes 2018, section 126C.17, subdivision 1, paragraph (a), clause (5);
- (2) if the result of clause (1) is less than zero, set the allowance to zero;
- (3) add to the result in clause (2) any new referendum allowance authorized between July 1, 2013, and December 31, 2013, under Minnesota Statutes 2013, section 126C.17, subdivision 9a;
- (4) add to the result in clause (3) any additional referendum allowance per adjusted pupil unit authorized between January 1, 2014, and June 30, 2019;
- (5) subtract from the result in clause (4) any allowances expiring in fiscal year 2016, 2017, 2018, 2019, or 2020;
- (6) subtract \$300 from the result in clause (5); and
- (7) if the result of clause (6) is less than zero, set the allowance to zero.

(b) A district's referendum allowance equals the sum of the district's initial referendum allowance, plus any new referendum allowance authorized after July 1, 2019, minus any allowances expiring in fiscal year 2021 or later, plus any inflation adjustments for fiscal year 2021 and later approved by the voters prior to July 1, 2019, provided that the allowance may not be less than zero. For a district with more than one allowance for fiscal year 2015 that expires in the same year, the reduction under paragraph (a), clauses (1) and (6), shall be made first from any allowances that do not have an inflation adjustment approved by the voters.

Subd. 2. **Referendum allowance limit.** (a) Notwithstanding subdivision 1, for fiscal year 2021 and later, a district's referendum allowance must not exceed greater of:

- (1) the product of the annual inflationary increase as calculated under paragraph (b), and \$2,079.50, minus \$300;

## 2023 MINNESOTA ELECTION LAWS

(2) the product of the annual inflationary increase as calculated under paragraph (b), and the referendum allowance limit the district would have received for fiscal year 2021 under Minnesota Statutes 2018, section 126C.17, subdivision 4 2, paragraph (a) clause (2), minus \$300;

(3) for a newly reorganized district created on July 1, 2020, the referendum revenue authority for each reorganizing district in the year preceding reorganization divided by its adjusted pupil units for the year preceding reorganization, minus \$300; or

(4) for a newly reorganized district created after July 1, 2020, the referendum revenue authority for each reorganizing district in the year preceding reorganization divided by its adjusted pupil units for the year preceding reorganization.

(b) For purposes of this subdivision, for fiscal year 2022 and later, "inflationary increase" means one plus the percentage change in the Consumer Price Index for urban consumers, as prepared by the United States Bureau of Labor Statistics, for the current fiscal year to fiscal year 2021.

**Subd. 3. Sparsity exception.** A district that qualifies for sparsity revenue under section 126C.10 is not subject to a referendum allowance limit.

**Subd. 4. Total referendum revenue.** The total referendum revenue for each district equals the district's referendum allowance times the adjusted pupil units for the school year.

**Subd. 5. Referendum equalization revenue.** (a) A district's referendum equalization revenue equals the sum of the first tier referendum equalization revenue and the second tier referendum equalization revenue.

(b) A district's first tier referendum equalization revenue equals the district's first tier referendum equalization allowance times the district's adjusted pupil units for that year.

(c) A district's first tier referendum equalization allowance equals the lesser of the district's referendum allowance under subdivision 1 or \$460.

(d) A district's second tier referendum equalization revenue equals the district's second tier referendum equalization allowance times the district's adjusted pupil units for that year.

(e) A district's second tier referendum equalization allowance equals the lesser of the district's referendum allowance under subdivision 1 or 25 percent of the formula allowance, minus the sum of \$300 and the district's first tier referendum equalization allowance.

(f) Notwithstanding paragraph (e), the second tier referendum allowance for a district qualifying for secondary sparsity revenue under section 126C.10, subdivision 7, or elementary sparsity revenue under section 126C.10, subdivision 8, equals the district's referendum allowance under subdivision 1 minus the district's first tier referendum equalization allowance.

**Subd. 6. Referendum equalization levy.** (a) A district's referendum equalization levy equals the sum of the first tier referendum equalization levy, and the second tier referendum equalization levy.

(b) A district's first tier referendum equalization levy equals the district's first tier referendum equalization revenue times the lesser of one or the ratio of the district's referendum market value per resident pupil unit to \$510,000.

(c) A district's second tier referendum equalization levy equals the district's second tier referendum equalization revenue times the lesser of one or the ratio of the district's referendum market value per resident pupil unit to \$290,000.

**Subd. 7. Referendum equalization aid.** (a) A district's referendum equalization aid equals the difference between its referendum equalization revenue and levy.

(b) If a district's actual levy for first-, or second tier referendum equalization revenue is less than its maximum levy limit for that tier, aid shall be proportionately reduced.

(c) Notwithstanding paragraph (a), the referendum equalization aid for a district must not exceed: (1) 25 percent of the formula allowance minus \$300; times (2) the district's adjusted pupil units. A district's referendum levy is increased by the amount of any reduction in referendum aid under this paragraph.

## 2023 MINNESOTA ELECTION LAWS

Subd. 7a. **Referendum tax base replacement aid.** For each school district that had a referendum allowance for fiscal year 2002 exceeding \$415, for each separately authorized referendum levy, the commissioner of revenue, in consultation with the commissioner of education, shall certify the amount of the referendum levy in taxes payable year 2001 attributable to the portion of the referendum allowance exceeding \$415 levied against property classified as class 2, noncommercial 4c(1), or 4c(4), under section 273.13, excluding the portion of the tax paid by the portion of class 2a property consisting of the house, garage, and surrounding one acre of land. The resulting amount must be used to reduce the district's referendum levy or first tier local optional levy amount otherwise determined, and must be paid to the district each year that the referendum or first tier local optional authority remains in effect, is renewed, or new referendum authority is approved. The aid payable under this subdivision must be subtracted from the district's referendum equalization aid under subdivision 7. The referendum equalization aid and the first tier local optional aid after the subtraction must not be less than zero.

Subd. 7b. **Referendum aid guarantee.** (a) Notwithstanding subdivision 7, the sum of a district's referendum equalization aid and location equity aid under section 126C.10, subdivision 2e, for fiscal year 2015 must not be less than the sum of the referendum equalization aid the district would have received for fiscal year 2015 under Minnesota Statutes 2012, section 126C.17, subdivision 7, and the adjustment the district would have received under Minnesota Statutes 2012, section 127A.47, subdivision 7, paragraphs (a), (b), and (c).

(b) Notwithstanding subdivision 7, the sum of referendum equalization aid and location equity aid under section 126C.10, subdivision 2e, for fiscal year 2016 and later, for a district qualifying for additional aid under paragraph (a) for fiscal year 2015, must not be less than the product of (1) the sum of the district's referendum equalization aid and local optional aid under section 126C.10, subdivision 2e, for fiscal year 2015, times (2) the lesser of one or the ratio of the sum of the district's referendum revenue and local optional revenue for that school year to the sum of the district's referendum revenue and local optional revenue for fiscal year 2015, times (3) the lesser of one or the ratio of the district's referendum market value used for fiscal year 2015 referendum equalization calculations to the district's referendum market value used for that year's referendum equalization calculations.

Subd. 8. **Unequalized referendum levy.** Each year, a district may levy an amount equal to the difference between its total referendum revenue according to subdivision 4 and its referendum equalization revenue according to subdivision 5.

Subd. 9. **Referendum revenue.** (a) The revenue authorized by section 126C.10, subdivision 1, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the board. The referendum must be conducted one or two calendar years before the increased levy authority, if approved, first becomes payable. Only one election to approve an increase may be held in a calendar year. Unless the referendum is conducted by mail under subdivision 11, paragraph (a), the referendum must be held on the first Tuesday after the first Monday in November. The ballot must state the maximum amount of the increased revenue per adjusted pupil unit. The ballot may state a schedule, determined by the board, of increased revenue per adjusted pupil unit that differs from year to year over the number of years for which the increased revenue is authorized or may state that the amount shall increase annually by the rate of inflation. For this purpose, the rate of inflation shall be the annual inflationary increase calculated under subdivision 2, paragraph (b). The ballot may state that existing referendum levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring referendum levy authority. The ballot must designate the specific number of years, not to exceed ten, for which the referendum authorization applies. The ballot, including a ballot on the question to revoke or reduce the increased revenue amount under paragraph (c), must abbreviate the term "per adjusted pupil unit" as "per pupil." The notice required under section 275.60 may be modified to read, in cases of renewing existing levies at the same amount per pupil as in the previous year:

"BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING TO EXTEND AN EXISTING PROPERTY TAX REFERENDUM THAT IS SCHEDULED TO EXPIRE."

The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the revenue proposed by (petition to) the board of ....., School District No. ..., be approved?"

## 2023 MINNESOTA ELECTION LAWS

If approved, an amount equal to the approved revenue per adjusted pupil unit times the adjusted pupil units for the school year beginning in the year after the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The board must deliver by mail at least 15 days but no more than 45 days before the day of the referendum to each taxpayer a notice of the referendum and the proposed revenue increase. The board need not mail more than one notice to any taxpayer. For the purpose of giving mailed notice under this subdivision, owners must be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer is deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice for a referendum may state that an existing referendum levy is expiring and project the anticipated amount of increase over the existing referendum levy in the first year, if any, in annual dollars for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes." However, in cases of renewing existing levies, the notice may include the following statement: "Passage of this referendum extends an existing operating referendum at the same amount per pupil as in the previous year."

(c) A referendum on the question of revoking or reducing the increased revenue amount authorized pursuant to paragraph (a) may be called by the board. A referendum to revoke or reduce the revenue amount must state the amount per adjusted pupil unit by which the authority is to be reduced. Revenue authority approved by the voters of the district pursuant to paragraph (a) must be available to the school district at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.

(d) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(e) At least 15 days before the day of the referendum, the district must submit a copy of the notice required under paragraph (b) to the commissioner and to the county auditor of each county in which the district is located. Within 15 days after the results of the referendum have been certified by the board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district must notify the commissioner of the results of the referendum.

Subd. 9a. **Board-approved referendum allowance.** Notwithstanding subdivision 9, a school district may convert up to \$300 per adjusted pupil unit of referendum authority from voter approved to board approved by a board vote. A district with less than \$300 per adjusted pupil unit of referendum authority after the local optional revenue subtraction under subdivision 1 may authorize new referendum authority up to the difference between \$300 per adjusted pupil unit and the district's referendum authority. The board may authorize this levy for up to five years and may subsequently reauthorize that authority in increments of up to five years.

Subd. 9b. **Renewal by school board.** (a) Notwithstanding the election requirements of subdivision 9, a school board may renew an expiring referendum by board action if:

(1) the per pupil amount of the referendum is the same as the amount expiring, or for an expiring referendum that was adjusted annually by the rate of inflation, the same as the per-pupil amount of the expiring referendum, adjusted annually for inflation in the same manner as if the expiring referendum had continued;

(2) the term of the renewed referendum is no longer than the initial term approved by the voters;

(3) the school board, having taken a recorded vote, has adopted a written resolution authorizing the renewal after holding a meeting and allowing public testimony on the proposed renewal; and

(4) the expiring referendum has not been previously renewed under this subdivision.

## 2023 MINNESOTA ELECTION LAWS

(b) The resolution must be adopted by the school board by June 15 of any calendar year and becomes effective 60 days after its adoption.

(c) A referendum expires in the last fiscal year in which the referendum generates revenue for the school district. A school board may renew an expiring referendum under this subdivision not more than two fiscal years before the referendum expires.

(d) A district renewing an expiring referendum under this subdivision must submit a copy of the adopted resolution to the commissioner and to the county auditor no later than September 1 of the calendar year in which the written resolution is adopted.

**Subd. 10. School referendum levy; market value.** A school referendum levy must be levied against the referendum market value of all taxable property as defined in section 126C.01, subdivision 3. Any referendum levy amount subject to the requirements of this subdivision must be certified separately to the county auditor under section 275.07.

**Subd. 11. Referendum date.** (a) Except for a referendum held under paragraph (b), any referendum under this section held on a day other than the first Tuesday after the first Monday in November must be conducted by mail in accordance with section 204B.46. Notwithstanding subdivision 9, paragraph (b), to the contrary, in the case of a referendum conducted by mail under this paragraph, the notice required by subdivision 9, paragraph (b), must be prepared and delivered by first-class mail at least 20 days before the referendum.

(b) In addition to the referenda allowed in subdivision 9, paragraph (a), the commissioner may grant authority to a district to hold a referendum on a different day if the district is in statutory operating debt and has an approved plan or has received an extension from the department to file a plan to eliminate the statutory operating debt.

(c) The commissioner must approve, deny, or modify each district's request for a referendum levy on a different day within 60 days of receiving the request from a district.

### **NOTES AND DECISIONS**

#### **126C.17**

School district's act of placing levy questions on the ballot was not an act to "promote" the levy questions, which would invoke campaign finance reporting requirements, but was instead an independent placement of a proposition on the ballot, as authorized by election law and education-code provisions. In seeking voter approval of a levy ballot question, a school district has the obligation and discretionary authority to explain to voters the purposes and anticipated impact of the proposed levy. *Minnesota Voters Alliance v. Anoka-Hennepin Sch. Dist.*, 868 N.W.2d 703 (Minn. App. 2015).

(d) Except as otherwise provided in this chapter, the effect of any of its provisions may be varied by agreement. (a) Unless otherwise agreed between the sender and the recipient, an electronic record is sent when it:

(2) is in a form capable of being processed by that system; and

(c) Paragraph (b) applies even if the place the information processing system is located is different from the place the electronic record is deemed to be received under paragraph (d).

(g) If a person is aware that an electronic record purportedly sent under paragraph (a), or purportedly received under paragraph (b), was not actually sent or received, the legal effect of the sending or receipt is determined by other applicable law. (4) any other required attributes for electronic records which are specified for corresponding nonelectronic records or reasonably necessary under the circumstances.

#### 340A.416 LOCAL OPTION ELECTION

Subdivision 1. **Petition.** Upon receipt of a petition signed by 30 percent of the persons voting at the last city election or 200 registered voters residing in the city, whichever is less, a statutory city or home rule charter city of the fourth class shall place before the voters of the city the question of whether the city will issue intoxicating liquor licenses.

Subd. 2. **Ballot question.** The form of the question of the referendum under this section must be either “Shall the city issue... intoxicating liquor licenses?” or “Shall the city discontinue issuing intoxicating liquor licenses?”

Subd. 3. **Effect of election results.** If a majority of persons voting on the referendum question vote to discontinue issuing licenses, the city may not issue intoxicating liquor licenses until the results of the referendum have been reversed at a subsequent election where the question has been submitted as provided in this section.

Subd. 4. **Certification.** The clerk or recorder must certify results of a referendum held under this section within ten days of the election.

Subd. 5. **Challenge of election.** Where the results of a referendum under this section are challenged by any voter, the county attorney of the county where the election was held must appear in defense of the validity of the election.

- (1) between 2:00 a.m. and 8:00 a.m. on the days of Monday through Saturday;
- (2) after 2:00 a.m. on Sundays, except as provided by subdivision 3.

Subd. 2a. **Certain dispensing exempt.** Where a hotel possessing an on-sale intoxicating liquor license places containers of intoxicating liquor in cabinets in hotel rooms for the use of guests staying in those hotel rooms, and a charge is made for withdrawals from those cabinets, the dispensing of intoxicating liquor from those cabinets does not constitute a sale for purposes of subdivision 2.

Subd. 3. **Intoxicating liquor; Sunday sales; on-sale.** (a) A restaurant, club, bowling center, or hotel with a seating capacity for at least 30 persons and which holds an on-sale intoxicating liquor license may sell intoxicating liquor for consumption on the premises in conjunction with the sale of food between the hours of 8:00 a.m. on Sundays and 2:00 a.m. on Mondays.

(b) An establishment serving intoxicating liquor on Sundays must obtain a Sunday license. The license must be issued by the governing body of the municipality for a period of one year, and the fee for the license may not exceed \$200.

(c) A city may issue a Sunday intoxicating liquor license only if authorized to do so by the voters of the city voting on the question at a general or special election. A county may issue a Sunday intoxicating liquor license in a town only if authorized to do so by the voters of the town as provided in paragraph (d). A county may issue a Sunday intoxicating liquor license in unorganized territory only if authorized to do so by the voters of the election precinct that contains the licensed premises, voting on the question at a general or special election.

(d) An election conducted in a town on the question of the issuance by the county of Sunday sales licenses to establishments located in the town must be held on the day of the annual election of town officers.

## 2023 MINNESOTA ELECTION LAWS

(e) Voter approval is not required for licenses issued by the Metropolitan Airports Commission or common carrier licenses issued by the commissioner. Common carriers serving intoxicating liquor on Sunday must obtain a Sunday license from the commissioner at an annual fee of \$75, plus \$30 for each duplicate.

Subd. 4. **Intoxicating liquor; off-sale.** (a) No sale of intoxicating liquor may be made by an off-sale licensee:

- (1) on Sundays, except between the hours of 11:00 a.m. and 6:00 p.m.;
- (2) before 8:00 a.m. or after 10:00 p.m. on Monday through Saturday;
- (3) on Thanksgiving Day;
- (4) on Christmas Day, December 25; or
- (5) after 8:00 p.m. on Christmas Eve, December 24.

(b) No delivery of alcohol to an off-sale or on-sale licensee may be made by a wholesaler or accepted by an off-sale or on-sale licensee on a Sunday. No order solicitation or merchandising may be made by a wholesaler on a Sunday.

Subd. 5. **Bottle clubs.** No establishment licensed under section 340A.414, may permit a person to consume or display intoxicating liquor, and no person may consume or display intoxicating liquor between 1:00 a.m. and 12:00 noon on Sundays, and between 1:00 a.m. and 8:00 a.m. on Monday through Saturday.

Subd. 6. **Municipalities may limit hours.** A municipality may further limit the days or hours of on and off sales of alcoholic beverages, provided that further restricted on-sale hours for intoxicating liquor must apply equally to on-sale hours of 3.2 percent malt liquor. A city may not permit the sale of alcoholic beverages during hours when the sale is prohibited by this section.

Subd. 7. **Sales after 1:00 a.m.; permit fee.** (a) No licensee may sell intoxicating liquor or 3.2 percent malt liquor on-sale between the hours of 1:00 a.m. and 2:00 a.m. unless the licensee has obtained a permit from the commissioner. Application for the permit must be on a form the commissioner prescribes. Permits are effective for one year from date of issuance. For retailers of intoxicating liquor, the fee for the permit is based on the licensee's gross receipts from on-sales of alcoholic beverages in the 12 months prior to the month in which the permit is issued, and is at the following rates:

- (1) up to \$100,000 in gross receipts, \$300;
- (2) over \$100,000 but not over \$500,000 in gross receipts, \$750; and
- (3) over \$500,000 in gross receipts, \$1,000.

For a licensed retailer of intoxicating liquor who did not sell intoxicating liquor at on-sale for a full 12 months prior to the month in which the permit is issued, the fee is \$200. For a retailer of 3.2 percent malt liquor, the fee is \$200.

(b) The commissioner shall deposit all permit fees received under this subdivision in the general fund.

CHAPTER 351 – RESIGNATIONS, VACANCIES, REMOVALS

351.01 RESIGNATIONS.

Amendments to subd. 2 are effective July 1, 2023.

Subdivision 1. **To whom made.** Resignations shall be made in writing signed by the resigning officer:

(1) By incumbents of elective offices, to the officer authorized by law to fill a vacancy in such office by appointment, or to order a special election to fill the vacancy;

(2) By appointive officers, to the body, board, or officer appointing them, unless otherwise specially provided.

Subd. 2. **When effective.** Except as provided by subdivision 3 or other express provision of law or charter to the contrary, a resignation is effective when it is received by the officer, body, or board authorized to receive it. In the case of a position appointed by the governor under section 15.0597, the resignation must be submitted to the governor.

Subd. 3. **Contingent resignations prohibited; exception.** (a) Except as provided in paragraph (b), no resignation may be made to take effect upon the occurrence of a future contingency. Statements explaining the reasons for a resignation must not be considered to be contingencies unless expressly stated as contingencies.

(b) A resignation may be made expressly to take effect at a stated future date. Unless it is withdrawn as provided under subdivision 4, a resignation is effective at 12:01 a.m. on the stated date.

Subd. 4. **Withdrawal of resignation.** A prospective resignation permitted by subdivision 3 may only be withdrawn by a written statement signed by the officer and submitted in the same manner as the resignation, and may only be withdrawn before it has been accepted by resolution of the body or board or before a written acceptance of the resignation by an officer authorized to receive it.

**History:** (6952) *RL s 2666; 1987 c 200 s 2; 2004 c 293 art 2 s 44; 2023 c 52 art 19 s 18*

351.02 VACANCIES.

Every office shall become vacant on the happening of either of the following events, before the expiration of the term of such office:

(1) The death of the incumbent;

(2) The incumbent's resignation;

(3) The incumbent's removal;

(4) The incumbent's ceasing to be an inhabitant of the state, or, if the office is local, of the district, county or city for which the incumbent was elected or appointed, or within which the duties of the office are required to be discharged;

(5) The incumbent's conviction of any infamous crime, or of any offense involving a violation of the official oath;

(6) The incumbent's refusal or neglect to take the oath of office, or to give or renew the official bond, or to deposit or file such oath or bond within the time prescribed;

(7) The decision of a competent tribunal declaring the incumbent's election or appointment void;

(8) The death of the person elected or appointed to fill a vacancy, or for a full term, before the person qualifies, or before the time when by law the person should enter upon the duties of the office, in which case the vacancy shall be deemed to take place at the time when the term of office would have begun had the person lived.

**History:** (6953) *RL s 2667; 1973 c 123 art 5 s 7; 1986 c 444*

NOTES AND DECISIONS

351.02

Because district court judgeship is a statewide office, as opposed to a local office, for purposes of statute, district court judge's failure to reside in district during a three-month period preceding defendant's criminal trial in which she still resided in state did not render that office vacant at time of defendant's trial or render her without authority to conduct that trial. *State v. Irby*, 848 N.W.2d 515 (Minn. 2014).

Judge, who had ceased to be a de jure judge when she resided outside of her judicial district, remained a de facto judge, and did not automatically forfeit her office, and thus reversal was not warranted of criminal convictions of defendant whose trial occurred after judge's violation of residency requirement. *State v. Irby*, 820 N.W.2d 30 (Minn. App. 2012).

### **351.05 VACANCY DURING RECESS OF LEGISLATURE.**

When a vacancy occurs during the recess of the legislature, in any office which the legislature, or the governor by and with the advice and consent of the senate, or of both branches of the legislature, is authorized to fill by appointment, unless otherwise specially provided, the governor may appoint some suitable person to perform the duties of such office for the time being. The person so appointed, before proceeding to execute the duties, shall qualify in the manner required by law of the officer in whose place the person is appointed and hold office until the vacancy is regularly filled, as provided by law.

**History:** (6956) RL s 2670; 1986 c 444

### **351.055 PREPARATIONS FOR SPECIAL ELECTIONS.**

If a future vacancy becomes certain to occur and the vacancy must be filled by a special election, the appropriate authorities may begin procedures leading to the special election so that a successor may be elected at the earliest possible time. For prospective vacancies that will occur as a result of a resignation, preparations for the special election may begin immediately after the written resignation is received by the official provided in section 351.01, subdivision 1.

**History:** 1987 c 175 s 17; 1999 c 132 s 40

### **351.06 APPOINTMENT; CONTINUANCE OF TERM; IMPEACHMENT.**

Unless otherwise provided for, when a vacancy in an elective office is authorized to be filled by appointment, such appointment shall continue until the next general election occurring after there is sufficient time to give the notice prescribed by law, and until a successor is elected and has qualified. The special master shall dismiss the petition at any time if it appears that this standard has not been met.

### CHAPTER 375 – COUNTY BOARDS

#### 375.025 COMMISSIONER DISTRICTS.

Subdivision 1. **Standards.** The redistricting plan in use in a county shall be used until a new plan is adopted in accordance with this section. Each county shall be divided into as many districts numbered consecutively as it has members of the county board. Commissioner districts shall be bounded by town, municipal, ward, or precinct lines. Each district shall be composed of contiguous territory as regular and compact in form as practicable, depending upon the geography of the county involved and shall be as nearly equal in population as possible. No district shall vary in population more than ten percent from the average for all districts in the county, unless the result forces a voting precinct to be split. A majority of the least populous districts shall contain not less than a majority of the population of the county. A county may be redistricted by the county board after each federal census. When it appears after a federal census that the districts of the county are not in accord with the standards set forth in this subdivision, the county shall be redistricted by the county board within the times set in section 204B.135, subdivision 2. Before acting to redistrict, the county board, or a redistricting commission if one is appointed, shall publish three weeks' notice of its purpose, stating the time and place of the meeting where the matter will be considered, in the newspaper having the contract to publish the commissioners' proceedings for the county for the current year.

Subd. 2. **Voters rights.** Any qualified voter may apply to the district court of the county for a writ of mandamus (a) requiring the county to be redistricted if the county board has not redistricted the county within the time specified in subdivision 1, or (b) to revise the redistricting plan. Any application for revision of a redistricting plan filed with the county auditor that seeks to affect elections held in a year ending in two must be filed with the district court no later than one week before the first day to file for office in the year ending in "2". The district court may direct the county board to show cause why it has not redistricted the county or why the redistricting plan prepared by it should not be revised. On hearing the matter it may allow the county board additional time in which to redistrict the county or to correct errors in the redistricting plan. If it appears to the court that the county board has not been sufficiently diligent in performing its redistricting duties, the court may appoint a redistricting commission to redistrict the county in accordance with the standards set forth in subdivision 1 and any other conditions the court shall deem advisable and appropriate. If a redistricting commission is appointed, the county board shall be without authority to redistrict the county.

Subd. 3. **Redistricting commission.** The redistricting commission shall be composed of not less than five nor more than nine residents of the county. No officer or employee of county or local government except notaries public shall be eligible for membership. Members of the commission shall not be eligible for election to the county board until two years after the redistricting in which they participated becomes effective. Members shall serve without pay but may be reimbursed their necessary expenses in the conduct of the business of the commission. The county board shall provide for the necessary expenses of the commission.

Subd. 4. **Redistricting plan; election following redistricting.** A redistricting plan whether prepared by the county board or the redistricting commission shall be filed in the office of the county auditor. A redistricting plan shall be effective on the 31st day after filing unless a later effective date is specified but no plan shall be effective for the next election of county commissioners unless the plan is filed with the county auditor not less than two weeks before the first date candidates may file for the office of county commissioner. One commissioner shall be elected in each district who, at the time of the election, is a resident of the district. A person elected may hold the office only while remaining a resident of the commissioner district or, after the last day to file for office during a year ending in "2", while remaining a resident of the county. The county board or the redistricting commission shall determine the number of members of the county board who shall be elected for two-year terms and for four-year terms to provide staggered terms on the county board. Thereafter, all commissioners shall be elected for four years. When a county is

## 2023 MINNESOTA ELECTION LAWS

redistricted, there shall be a new election of commissioners in all the districts at the next general election except that if the change made in the boundaries of a district is less than five percent of the average of all districts of the county, the commissioner in office at the time of the redistricting shall serve for the full period for which elected.

Vacancies of less than one year; appointment option.** Except as provided in subdivision 3, and as an alternative to the procedure provided in subdivisions 1 and 2, any other vacancy in the office of county commissioner may be filled by board appointment at a regular or special meeting. The appointment shall be evidenced by a resolution entered in the minutes and shall continue until an election is held under this subdivision. All elections to fill vacancies shall be for the unexpired term. If one year or more remains in the unexpired term, a special election must be held under subdivision 1. If less than one year remains in the unexpired term, the county board may appoint a person to fill the vacancy for the remainder of the unexpired term, unless the vacancy occurs within 90 days of the next county general election, in which case an appointment shall not be made and the vacancy must be filled at the general election. The person elected to fill a vacancy at the general election takes office immediately in the same manner as for a special election under subdivision 1, and serves the remainder of the unexpired term and the new term for which the election was otherwise held.

**Subd. 5. County boards vacancy appointment; public hearing.** Before making an appointment to fill a vacancy under subdivision 4, the county board must hold a public hearing not more than 30 days after the vacancy occurs with public notice given in the same manner as for a special meeting of the county board. At the public hearing the board must invite public testimony from persons residing in the district in which the vacancy occurs relating to the qualifications of prospective appointees to fill the vacancy. Before making an appointment, the board also must notify public officials in the affected district on the appointment, including town board and city council members, and must enter into the record at the board meeting in which the appointment is made the names and addresses of the public officials notified. If after the public hearing, the board is unable or decides not to make an appointment under subdivision 4, it must hold a special election under subdivision 1, but the time period in which the election must be held begins to run from the date of the public hearing.

### 375.20 BALLOT QUESTIONS.

If the county board may do an act, incur a debt, appropriate money for a purpose, or exercise any other power or authority, only if authorized by a vote of the people, the question may be submitted at a special or general election, by a resolution specifying the matter or question to be voted upon. If the question is to authorize the appropriation of money, creation of a debt, or levy of a tax, it shall state the amount. Notice of the election shall be given as in the case of special elections. If the question submitted is adopted, the board shall pass an appropriate resolution to carry it into effect. In the election the form of the ballot shall be: "Shall (here state the substance of the resolution to be submitted)?, Yes ..... No.....;". The county board may call a special county election upon a question to be held within 74 days after a resolution to that effect is adopted by the county board. Upon the adoption of the resolution the county auditor shall post and publish notices of the election, as required by section 204D.22, subdivisions 2 and 3. The election shall be conducted and the returns canvassed in the manner prescribed by sections 204D.20 to 204D.27, so far as practicable.

**CHAPTER 375A – OPTIONAL FORMS OF COUNTY GOVERNMENT**

**375A.10 OPTIONS RELATING TO CERTAIN COUNTY OFFICES.**

Subd. 2. **Certain offices.** In addition to the other options provided by sections 375A.01 to 375A.13, any county may institute one or more of the following options; except that a county which has adopted the auditor-administrator plan may not provide for the appointment of the auditor or the consolidation of the offices of auditor and treasurer while the auditor-administrator plan is in force:

- (a) provide for the appointment of one or more of the following offices if they have not been abolished by the adoption of other options: County auditor, county treasurer, sheriff, or county recorder;
- (b) provide for the office of county civil counsel;
- (c) consolidation of the offices of county auditor and treasurer.

Subd. 5. **Auditor-treasurer.** In any county exercising the option provided in subdivision 2, clause (c), the office shall be known thereafter as the office of auditor-treasurer, if the office is to remain elective. If the board chooses to make the office of auditor-treasurer elective, and not require a referendum, it must act with the concurrence of at least 80 percent of its members.

In the exercise of this option, the county board shall direct which of the offices of auditor or treasurer shall be terminated for the purpose of providing for the election to the single office of auditor-treasurer. The duties, functions and responsibilities which have been heretofore and which shall hereafter be required by statute to be performed by the county auditor and the county treasurer shall be vested in and performed by the auditor-treasurer without diminishing, prohibiting or avoiding those specific duties required by statute to be performed by the county auditor and the county treasurer.

Nothing in this subdivision shall preclude the county from exercising the option to make the combined office of auditor-treasurer appointive as if it had been specifically enumerated in subdivision 2. If the combined office is to be appointive, a referendum under section 375A.12 shall be necessary, except as provided by section 375A.1205.

If the combined office is to be elective, a referendum under section 375A.12 shall be necessary if:

- (a) the county board requires a referendum; or
- (b) a referendum is required by a petition of a number of voters equal to ten percent of those voting in the county at the last general election that is received by the county auditor within 30 days after the second publication of the board resolution that orders the combination.

The persons last elected to the positions of auditor and treasurer before adoption of the resolution shall serve in those offices and perform the duties of those offices until the completion of the terms to which they were elected.

**375A.12 HOW, WHEN TO ADOPT, ABANDON OPTIONS.**

Subdivision 1. **This section governs; exceptions.** Except as otherwise provided in sections 375A.01 to 375A.13 the options provided in sections 375A.01 to 375A.10 shall be adopted in the manner and at the times specified in this section.

Subd. 2. **Form of government options.** Except as provided in section 375A.1205 or by special law, the options provided in sections 375A.01 to 375A.10 shall be adopted in any county only after an affirmative vote of the voters in the county on the question of the adoption of the option. Except as provided in section 375A.01, only one such plan may be submitted at any one election.

Subd. 3. **Referenda; procedure.** Any referendum required to be held as a condition of the adoption of an option may be initiated by a resolution by the county board, a recommendation of a county government study commission or a petition signed by voters equal in number to five percent of the electors voting at the last previous election for the office of governor requesting that a referendum be held on the adoption of one or more of the options provided in sections 375A.01 to 375A.10. If a study commission has been established, a referendum on an option may not be initiated by a resolution of the county board or a petition of voters until after the study commission has completed its study provided for in section 375A.13, subdivision 3.

Subd. 4. **Conduct of election.** When a referendum is required to be held, the county auditor shall conduct the referendum following the procedures provided in section 375.20, as far as practicable, and not inconsistent with

sections 375A.01 to 375A.10. The referendum may be held at any primary, general or special election held not less than 30 days before the first day on which candidates may file for county office.

Subd. 5. **Form of ballot.** In the submission of any proposal pursuant to subdivision 2 the ballot shall be substantially in the following form:

"Shall the office(s) of..... be appointed rather than elected at the expiration of the(ir) current terms(s)?"

Subd. 6. **Optional forms; abandonment.** Any optional plan or other option provided for in sections 375A.01 to 375A.13 may be abandoned by the same procedures required for the adoption of the optional plan or the option. Except as otherwise provided in sections 375A.01 to 375A.13 any plan or option shall remain in effect until abandoned or another plan or option is adopted, but a plan or option shall remain in effect not less than three years after its adoption before proceedings to abandon may be commenced, except that options consistent with the at-large chair plan and the administrator plan may be adopted at any time after either the at-large chair plan or the administrator plan has been adopted.

### NOTES AND DECISIONS

#### 375A.

County board could not consolidate offices of auditor and treasurer without voter approval. Op. Atty. Gen. 125a-69, May 5, 1981.

### 375A.1205 APPOINTING COUNTY OFFICERS.

Subdivision 1. **Authority to appoint certain officers.** A county board may appoint the county auditor, county treasurer, or county recorder under section 375A.10, subdivision 2, or the auditor-treasurer under section 375A.10, subdivision 5, by following the process outlined in this section. Notwithstanding section 375A.12, a referendum is not required if the appointment is made pursuant to this section. A county board shall only use the authority to appoint under the following circumstances:

(1) there is a vacancy in the office as provided in section 351.02;

(2) the current office holder has notified the county board that the officer will not file for the office, as provided in subdivision 2; or

(3) there is a signed contract with the county board and the incumbent auditor, treasurer, auditor-treasurer, or recorder that provides that the incumbent officer will be appointed to the position and retain tenure, pay, and benefits equal to or greater than length of service.

Subd. 2. **Responsibility of county officer.** At least 104 days before the filing date for office under section 204B.09, an elected county officer must notify the county board in writing whether the officer will be filing for another term. If the officer indicates in writing that the officer will not file for the office and the county board has passed a resolution under subdivision 6, affidavits of candidacy will not be accepted for that office, and the office will not be placed on the ballot.

Subd. 3. **Board controls; may change as long as duties done.** Upon adoption of a resolution by the county board of commissioners and subject to subdivisions 5 and 6, the duties of an elected official required by statute whose office is made appointive as authorized by this section must be discharged by the county board of commissioners acting through a department head appointed by the board for that purpose. Reorganization, reallocation, delegation, or other administrative change or transfer does not diminish, prohibit, or avoid the discharge of duties required by statute.

Subd. 4. **Discharge or demotion.** (a) A county auditor, county treasurer, county auditor-treasurer, or county recorder who was elected at the most recent election for that office prior to a county board resolution to make the office an appointed position, and the elected official is subsequently appointed by the county board to the office, may not be involuntarily demoted or discharged except for incompetency or misconduct.

(b) Prior to demoting or discharging an office holder under this subdivision, the board must notify the office holder in writing and state its grounds for the proposed demotion or discharge in reasonable detail. Within ten days after receipt of this notification, the office holder may make a written request for a hearing before an arbitrator and

## 2023 MINNESOTA ELECTION LAWS

the request must be granted before final action is taken. Failure to request a hearing before an arbitrator during this period is considered acquiescence to the board's action. The board may suspend an office holder with pay pending the conclusion of the hearing and determination of the issues raised in the hearing after charges have been filed which constitute grounds for demotion or discharge. If an office holder has been charged with a felony and the underlying conduct that is the subject of the felony charge is grounds for a proposed discharge, the suspension pending the conclusion of the hearing and determination of the issues may be without pay. If a hearing under this subdivision is held, the board must reimburse the office holder for any salary or compensation withheld if the final decision of the arbitrator does not result in a penalty or discharge of the office holder.

(c) If the office holder and the board are unable to mutually agree on an arbitrator, the board must request from the Bureau of Mediation Services a list of seven persons qualified to serve as an arbitrator. If the office holder and the board are unable to mutually agree on an arbitrator from the list provided, the parties shall alternately strike names from the list until the name of one arbitrator remains. The person remaining after the striking procedure must be the arbitrator. If the parties are unable to agree on who shall strike the first name, the question must be decided by a flip of a coin. The office holder and the board must share equally the costs and fees of the arbitrator except as set forth in paragraph (g).

(d) The arbitrator shall determine, by a preponderance of the evidence, whether the grounds for discharge or demotion exist to support the proposed discharge or demotion. A lesser penalty than demotion or discharge may be imposed by the arbitrator only to the extent that either party proposes such lesser penalty in the proceeding. In making the determination, the arbitration proceeding is governed by sections 572B.15 to 572B.28.

(e) An arbitration hearing conducted under this subdivision is a meeting for preliminary consideration of allegations or charges within the meaning of section 13D.05, subdivision 3, paragraph (a), and must be closed, unless the office holder requests it to be open.

(f) The arbitrator's award is final and binding on the parties, subject to sections 572B.18 to 572B.28.

(g) In the event the arbitrator rules not to demote or discharge the office holder, the board shall pay all of the costs and fees of the arbitrator and the attorney fees of the office holder.

**Subd. 5. Incumbents to complete term.** The person elected at the last general election to an office made appointive under this section must serve in that capacity and perform the duties, functions, and responsibilities required by statute until the completion of the term of office to which the person was elected, or until a vacancy occurs in the office, whichever occurs earlier.

**Subd. 6. Publishing resolution; petition; referendum.** (a) Before the adoption of the resolution to provide for the appointment of an office as described in subdivision 1, the county board must publish a proposed resolution notifying the public of its intent to consider the issue once each week, for two consecutive weeks, in the official publication of the county. Following publication and prior to formally adopting the resolution, the county board shall provide an opportunity at its next regular meeting for public comment relating to the issue. After the public comment opportunity, at the same meeting or a subsequent meeting, the county board of commissioners may adopt a resolution that provides for the appointment of the office or offices as permitted in this section. The resolution must be approved by at least 80 percent of the members of the county board. The resolution may take effect 30 days after it is adopted, or at a later date stated in the resolution, unless a petition is filed as provided in paragraph (b).

(b) Except when an office is made appointive under subdivision 1, clause (3), within 30 days after the county board adopts the resolution, a petition requesting a referendum may be filed with the county auditor. The petition must be signed by at least ten percent of the registered voters of the county. The petition must meet the requirements of the secretary of state, as provided in section 204B.071, and any rules adopted to implement that section. If the petition is sufficient, the county board resolution is rescinded.

**Subd. 7. Reverting to elected offices.** (a) The county board may adopt a resolution to provide for the election of an office that was made an appointed position under this section, but not until at least three years after the office was made an appointed position. The county board must publish a proposed resolution notifying the public of its intent to consider the issue once each week, for two consecutive weeks, in the official publication of the county. Following publication and before formally adopting the resolution, the county board must provide an opportunity at its next regular meeting for public comment relating to the issue. After the public comment opportunity, at the same

## 2023 MINNESOTA ELECTION LAWS

meeting or a subsequent meeting, the county board of commissioners may adopt the resolution. The resolution must be approved by at least 60 percent of the members of the county board and is effective August 1 following adoption of the resolution.

(b) The question of whether an office that was made an appointed position under this section must be made an elected office must be placed on the ballot at the next general election if (1) the position has been an appointed position for at least three years; (2) a petition signed by at least ten percent of the registered voters of the county is filed with the office of the county auditor by August 1 of the year in which the general election is held; and (3) the petition meets the requirements of the secretary of state, as provided in section 204B.071, and any rules adopted to implement that section. If a majority of the voters of the county voting on the question vote in favor of making the office an elected position, the election for that office must be held at the next regular or special election.

Cities are hereby divided, for legislative purposes, into classes as follows:

First class — Those having more than 100,000 inhabitants provided that once a city is defined to be of the first class, it shall not be reclassified unless its population decreases by 25 percent from the census figures which last qualified the city for inclusion in the class;

410.12 AMENDMENTS.

Subdivision 1. **Proposals.** The charter commission may propose amendments to such charter and shall do so upon the petition of voters equal in number to five percent of the total votes cast at the last previous state general election in the city. Proposed charter amendments must be submitted at least 17 weeks before the general election. Only registered voters are eligible to sign the petition. All petitions circulated with respect to a charter amendment shall be uniform in character and shall have attached thereto the text of the proposed amendment in full; except that in the case of a proposed amendment containing more than 1,000 words, a true and correct copy of the same may be filed with the city clerk, and the petition shall then contain a summary of not less than 50 nor more than 300 words setting forth in substance the nature of the proposed amendment. Such summary shall contain a statement of the objects and purposes of the amendment proposed and an outline of any proposed new scheme or frame work of government and shall be sufficient to inform the signers of the petition as to what change in government is sought to be accomplished by the amendment. The summary, together with a copy of the proposed amendment, shall first be submitted to the charter commission for its approval as to form and substance. The commission shall within ten days after such submission to it, return the same to the proposers of the amendment with such modifications in statement as it may deem necessary in order that the summary may fairly comply with the requirements above set forth.

Subd. 1a. **Alternative methods of charter amendment.** A home rule charter may be amended only by following one of the alternative methods of amendment provided in subdivisions 1 to 7.

Subd. 2. **Petitions.** The signatures to such petition need not all be appended to one paper, but to each separate petition there shall be attached an affidavit of the circulator thereof as provided by this section. A petition must contain each petitioner’s signature in ink or indelible pencil and must indicate after the signature the place of residence by street and number, or other description sufficient to identify the place. The foregoing affidavit shall be strictly construed and any affiant convicted of swearing falsely as regards any particular thereof shall be punishable in accordance with existing law.

**Subd. 3. May be assembled as one petition.** All petition papers for a proposed amendment shall be assembled and filed with the charter commission as one instrument. Within ten days after such petition is transmitted to the city council, the city clerk shall determine whether each paper of the petition is properly attested and whether the petition is signed by a sufficient number of voters. The city clerk shall declare any petition paper entirely invalid which is not attested by the circulator thereof as required in this section. Upon completing an examination of the petition, the city clerk shall certify the result of the examination to the council. If the city clerk shall certify that the petition is insufficient the city clerk shall set forth in a certificate the particulars in which it is defective and shall at once notify the committee of the petitioners of the findings. A petition may be amended at any time within ten days after the making of a certificate of insufficiency by the city clerk, by filing a supplementary petition upon additional papers signed and filed as provided in case of an original petition. The city clerk shall within five days after such amendment is filed, make examination of the amended petition, and if the certificate shall show the petition still to be insufficient, the city clerk shall file it in the city clerk's office and notify the committee of the petitioners of the findings and no further action shall be had on such insufficient petition. The finding of the insufficiency of a petition shall not prejudice the filing of a new petition for the same purpose.

**Subd. 4. Election.** Amendments shall be submitted to the qualified voters at a general or special election and published as in the case of the original charter. The form of the ballot shall be fixed by the governing body. The statement of the question on the ballot shall be sufficient to identify the amendment clearly and to distinguish the question from every other question on the ballot at the same time. If 51 percent of the votes cast on any amendment are in favor of its adoption, copies of the amendment and certificates shall be filed, as in the case of the original charter and the amendment shall take effect in 30 days from the date of the election or at such other time as is fixed in the amendment.

**Subd. 5. Amendments proposed by council.** The council of any city having a home rule charter may propose charter amendments to the voters by ordinance. Any ordinance proposing such an amendment shall be submitted to the charter commission. Within 60 days thereafter, the charter commission shall review the proposed amendment but before the expiration of such period the commission may extend the time for review for an additional 90 days by filing with the city clerk its resolution determining that an additional time for review is needed. After reviewing the proposed amendment, the charter commission shall approve or reject the proposed amendment or suggest a substitute amendment. The commission shall promptly notify the council of the action taken. On notification of the charter commission's action, the council may submit to the people, in the same manner as provided in subdivision 4, the amendment originally proposed by it or the substitute amendment proposed by the charter commission. The amendment shall become effective only when approved by the voters as provided in subdivision 4. If so approved it shall be filed in the same manner as other amendments. Nothing in this subdivision precludes the charter commission from proposing charter amendments in the manner provided by subdivision 1.

**Subd. 6. Amendments, cities of the fourth class.** The council of a city of the fourth class having a home rule charter may propose charter amendments by ordinance without submission to the charter commission. Such ordinance, if enacted, shall be adopted by at least a four-fifths vote of all its members after a public hearing upon two weeks' published notice containing the text of the proposed amendment and shall be approved by the mayor and published as in the case of other ordinances. The council shall submit the proposed amendment to the people in the manner provided in subdivision 4, but not sooner than three months after the passage of the ordinance. The amendment becomes effective only when approved by the voters as provided in subdivision 4. If so approved, it shall be filed in the same manner as other amendments.

**Subd. 7. Amendment by ordinance.** Upon recommendation of the charter commission the city council may enact a charter amendment by ordinance. Such an ordinance, if enacted, shall be adopted by the council by an affirmative vote of all its members after a public hearing upon two weeks' published notice containing the text of the proposed amendment and shall be approved by the mayor and published as in the case of other ordinances. An ordinance amending a city charter shall not become effective until 90 days after passage and publication or at such later date as is fixed in the ordinance. Within 60 days after passage and publication of such an ordinance, a petition

requesting a referendum on the ordinance may be filed with the city clerk. The petition must be signed by registered voters equal in number to at least five percent of the registered voters in the city or 2,000, whichever is less. If the requisite petition is filed within the prescribed period, the ordinance shall not become effective until it is approved by the voters as in the case of charter amendments submitted by the charter commission, the council, or by petition of the voters, except that the council may submit the ordinance at any general or special election held at least 60 days after submission of the petition, or it may reconsider its action in adopting the ordinance. As far as practicable the elements of subdivisions 1 to 3 apply to petitions submitted under this section, to an ordinance amending a charter, and to the filing of such ordinance when approved by the voters.

## 2023 MINNESOTA ELECTION LAWS

Subd. 2a. **Vacancy.** Except as otherwise provided in subdivision 2b, a vacancy in an office shall be filled by council appointment until an election is held as provided in this subdivision. In case of a tie vote in the council, the mayor shall make the appointment. If the vacancy occurs before the first day to file affidavits of candidacy for the next regular city election and more than two years remain in the unexpired term, a special election shall be held at or before the next regular city election and the appointed person shall serve until the qualification of a successor elected at a special election to fill the unexpired portion of the term. If the vacancy occurs on or after the first day to file affidavits of candidacy for the regular city election or when less than two years remain in the unexpired term, there need not be a special election to fill the vacancy and the appointed person shall serve until the qualification of a successor. The council must specify by ordinance under what circumstances it will hold a special election to fill a vacancy other than a special election held at the same time as the regular city election.

All of the provisions of the Minnesota Election Law are applicable to special elections as far as practicable.

Subd. 2b. **Inability or refusal to serve.** A vacancy in the office of mayor or council member may be declared by the council when the officeholder is unable to serve in the office or attend council meetings for a 90-day period because of illness, or because of absence from or refusal to attend council meetings for a 90-day period. If any of the preceding conditions occurs, the council may, after it has by resolution declared a vacancy to exist, fill the vacancy at a regular or special council meeting for the remainder of the unexpired term, or until the person is again able to resume duties and attend council meetings, whichever is earlier. When the person is again able to resume duties and attend council meetings, the council shall by resolution remove the temporary officeholder and restore the original officeholder.

Subd. 3. **Clerk, treasurer combined; audit standards.** In cities operating under the standard plan of government the council may by ordinance adopted at least 60 days before the next regular city election combine the offices of clerk and treasurer in the office of clerk-treasurer, but such an ordinance shall not be effective until the expiration of the term of the incumbent treasurer or when an earlier vacancy occurs. After the effective date of the ordinance, the duties of the treasurer and deputy treasurer as prescribed by this chapter shall be performed by the clerk-treasurer or a duly appointed deputy. The offices of clerk and treasurer may be reestablished by ordinance. If the offices of clerk and treasurer are combined as provided by this section and the city's annual revenue for all governmental and enterprise funds combined is more than \$100,000, the council shall provide for an annual audit of the city's financial affairs by the state auditor or a public accountant in accordance with minimum auditing procedures prescribed by the state auditor. If the offices of clerk and treasurer are combined and the city's annual revenue for all governmental and enterprise funds combined is \$100,000 or less, the council shall provide for an audit of the city's financial affairs by the state auditor or a public accountant in accordance with minimum audit procedures prescribed by the state auditor at least once every five years, which audit shall be for a one-year period to be determined at random by the person conducting the audit.

### CHAPTER 447 – HOSPITALS, WELFARE ACTIVITIES

#### 447.32 OFFICERS AND ELECTIONS.

**Amendments to subd. 4 are effective July 1, 2023.**

Subdivision 1. **Terms of office.** Each hospital district shall be governed by a hospital board composed of one member elected from each city and town in the district and one member elected at large. A member's term of office is four years commencing on the first Monday in January and until a successor qualifies. At the first election, however, members must be elected for terms set by the governing body calling the election, so that half the terms, as nearly as may be, expire on the first Monday in January of the next odd-numbered year and the remaining terms expire two years from that date. After that, before a member's term expires, a new member shall be elected for a term of four years from the expiration date.

If a member dies, resigns, fails to qualify, or moves from the hospital district, a successor may be appointed by a majority of the remaining members of the board. The successor shall hold office until the first Monday in January after the next regular hospital district election. At the election a successor must be elected to fill the unexpired term.

When an additional city or town is annexed to the district, in accordance with section 447.36, its governing body shall by resolution appoint a member to the board. The member shall hold office until the first Monday in January after the next regular hospital district election. At the election a successor must be elected for a term of either two or four years, to be set by the hospital board so that the number of members of the board whose terms expire in any later year will not exceed one-half of the members plus one.

Subd. 2. **Elections.** Except as provided in this chapter, the Minnesota Election Law applies to hospital district elections, as far as practicable. Regular elections must be held in each hospital district at the same time, in the same election precincts, and at the same polling places as general elections of state and county officers. It may establish the whole district as a single election precinct or establish two or more different election precincts and polling places for the elections. If there is more than one precinct, the boundaries of the election precincts and the locations of the polling places must be defined in the notice of election, either in full or by reference to a description or map on file in the office of the clerk.

## 2023 MINNESOTA ELECTION LAWS

Special elections may be called by the hospital board to vote on any matter required by law to be submitted to the voters. A special election must be held on a date authorized by section 205.10, subdivision 3a. Special elections must be held within the election precinct or precincts and at the polling place or places designated by the board. In the case of the first election of officers of a new district, precincts and polling places must be set by the governing body of the most populous city or town included in the district.

Advisory ballots may be submitted by the hospital board on any question it wishes, concerning the affairs of the district, but only at a regular election or at a special election required for another purpose.

Subd. 3. **Election notices.** At least two weeks before the first day to file affidavits of candidacy, the clerk of the district shall publish a notice stating the first and last day on which affidavits of candidacy may be filed, the places for filing the affidavits and the closing time of the last day for filing. The clerk shall post a similar notice in at least one conspicuous place in each city and town in the district at least ten days before the first day to file affidavits of candidacy.

At least 74 days prior to every hospital district election, the hospital district clerk shall provide a written notice to the county auditor of each county in which the hospital district is located. The notice must include the date of the election, the offices to be voted on at the election, and the title and language for each ballot question to be voted on at the election. The county auditor shall immediately provide a notice to the secretary of state in a manner and including information prescribed by the secretary of state.

The notice of each election must be posted in at least one public and conspicuous place within each city and town included in the district at least two weeks before the election. It must be published in the official newspaper of the district or, if a paper has not been designated, in a legal newspaper having general circulation within the district, at least two weeks before the election. Failure to give notice does not invalidate the election of an officer of the district. A voter may contest a hospital district election in accordance with chapter 209. Chapter 209 applies to hospital district elections.

Subd. 4. **Candidates; ballots; certifying election.** A person who wants to be a candidate for the hospital board shall file an affidavit of candidacy for the election either as member at large or as a member representing the city or town where the candidate ~~resides~~ maintains residence. The affidavit of candidacy must be filed with the city or town clerk not more than 98 days nor less than 84 days before the first Tuesday after the first Monday in November of the year in which the general election is held. The city or town clerk must forward the affidavits of candidacy to the clerk of the hospital district or, for the first election, the clerk of the most populous city or town immediately after the last day of the filing period. A candidate may withdraw from the election by filing an affidavit of withdrawal with the clerk of the district no later than 5:00 p.m. two days after the last day to file affidavits of candidacy.

Voting must be by secret ballot. The clerk shall prepare, at the expense of the district, necessary ballots for the election of officers. Ballots must be prepared as provided in the rules of the secretary of state. The ballots must be marked and initialed by at least two judges as official ballots and used exclusively at the election. Any proposition to be voted on may be printed on the ballot provided for the election of officers. The hospital board may also authorize the use of voting systems subject to chapter 206. Enough election judges may be appointed to receive the votes at each polling place. The election judges shall act as clerks of election, count the ballots cast, and submit them to the board for canvass.

After canvassing the election, the board shall issue a certificate of election to the candidate who received the largest number of votes cast for each office. The clerk shall deliver the certificate to the person entitled to it in person or by certified mail. Each person certified shall file an acceptance and oath of office in writing with the clerk within 30 days after the date of delivery or mailing of the certificate. The board may fill any office as provided in subdivision 1 if the person elected fails to qualify within 30 days, but qualification is effective if made before the board acts to fill the vacancy.

Subd. 5. **Board meetings.** Regular meetings of the hospital board must be held at least once a month, at a time and place the board sets by resolution. A hospital board which no longer operates a district hospital shall meet annually, or more frequently as determined by the board. Special meetings may be held:

- (1) at any time upon the call of the chair or of any two other members;
- (2) upon written notice mailed to each member three days before the meeting;

## 2023 MINNESOTA ELECTION LAWS

(3) upon other notice as the board by resolution may provide; or

(4) without notice if each member is present or files with the clerk a written consent to holding the meeting. The consent may be filed before or after the meeting. Any action within the authority of the board may be taken by the vote of a majority of the members present at a regular or adjourned regular meeting or at a duly called special meeting, if a quorum is present. A majority of all the members of the board constitutes a quorum, but a lesser number may meet and adjourn from time to time and compel the attendance of absent members.

Subd. 6. **Officers' election.** At its first regular meeting after each regular election, the board shall elect one of their number as chair. They shall also select a clerk and treasurer who may be members of the board or others. The chair, clerk, and treasurer shall hold office at the pleasure of the board, subject to the terms of any contract of employment that the board may enter into with the clerk or treasurer.

Subd. 7. **Officers' duties.** The chair shall preside at all meetings of the board, shall sign orders upon the treasurer for claims allowed by the board, and shall perform all duties usually incumbent upon a presiding officer. The clerk shall record the minutes of all meetings of the board, shall countersign all orders upon the treasurer, and shall be the custodian of district books and records. The treasurer shall be the custodian of all money received by the district, and shall pay out money only on orders signed by the chair and clerk. Each order must state the nature of the claim for which it is issued, the name of the payee, and the fund on which it is drawn. It may be drawn so that when signed by the treasurer in an appropriate place it becomes a check on the depository of funds of the hospital district. In case of absence, inability, or refusal of the chair, clerk, or treasurer to execute and disburse orders in payment of a claim duly allowed by the hospital board, the board may declare any of their offices vacant and fill them by appointment. The board may also appoint a deputy to perform the functions of the officers, subject to the officers' supervision and control.

Subd. 8. **Compensation.** The members of the hospital board shall receive the compensation fixed by the board. Each board member may also be reimbursed for actual and necessary expenses incurred in the performance of official duties as provided for state employees, except that mileage must be compensated under section 471.665, subdivision 1.

Subd. 9. **Liability for damages.** Except as otherwise provided in this subdivision, no person who serves without compensation as a member of the board of a hospital district created or organized under sections 447.31 to 447.37 shall be held civilly liable for an act or omission by that person if the act or omission was in good faith, was within the scope of the person's responsibilities as a member of the board and did not constitute willful or reckless misconduct. This subdivision does not apply to:

- (1) an action or proceeding brought by the attorney general for a breach of a fiduciary duty as a director;
- (2) a cause of action to the extent it is based on federal law; or
- (3) a cause of action based on the board member's express contractual obligation.

Nothing in this subdivision shall be construed to limit the liability of a member of the board for physical injury to the person of another or for wrongful death which is personally and directly caused by the board member.

For purposes of this subdivision the term "compensation" means anything of value received for services rendered, except:

- (1) reimbursement for expenses actually incurred;
- (2) a per diem in an amount not to exceed the per diem authorized for state advisory councils and committees pursuant to section 15.059, subdivision 3; or
- (3) payment by the hospital district of insurance premiums on behalf of a member of the board.

If the municipality elects not to submit the question to the voters, the municipality shall not propose the issuance of bonds under this section for the same purpose and in the same amount for a period of 365 days from the date of receipt of the petition. If the question of issuing the bonds is submitted and not approved by the voters, the provisions of section 475.58, subdivision 1a, shall apply.

School district did not abandon bond referendum's broad purpose of using funds for betterment of school facilities when it decided to close schools and cancel scheduled improvements, and thus, district's changes in plans for using bond proceeds did not require voter approval and did not violate statute requiring it to spend bond proceeds for purposes stated in ballot language; ballot language did not specifically require district to improve any of the schools it planned to close, and project modifications were minor in scope. *Douglas v. ### 609.165 RESTORATION OF CIVIL RIGHTS; POSSESSION OF FIREARMS AND AMMUNITION.

Amendments to subd. 1 are effective June 1, 2023, and applies to the right to vote at elections conducted on or after that date.

Subdivision 1. **Restoration.** When a person has been deprived of civil rights by reason of conviction of a crime and is thereafter discharged, such discharge shall restore the person to all civil rights and to full citizenship, ~~with full right to vote and hold office,~~ the same as if such conviction had not taken place, and the order of discharge shall so provide.

Subd. 1a. **Certain convicted felons ineligible to possess firearms or ammunition.** The order of discharge must provide that a person who has been convicted of a crime of violence, as defined in section 624.712, subdivision 5, is not entitled to ship, transport, possess, or receive a firearm or ammunition for the remainder of the person's lifetime. Any person who has received such a discharge and who thereafter has received a relief of disability under United States Code, title 18, section 925, or whose ability to possess firearms and ammunition has been restored under subdivision 1d, shall not be subject to the restrictions of this subdivision.

Subd. 1b. **Violation and penalty.** (a) Any person who has been convicted of a crime of violence, as defined in section 624.712, subdivision 5, and who ships, transports, possesses, or receives a firearm or ammunition, commits a felony and may be sentenced to imprisonment for not more than 15 years or to payment of a fine of not more than \$30,000, or both.

(b) A conviction and sentencing under this section shall be construed to bar a conviction and sentencing for a violation of section 624.713, subdivision 2.

(c) The criminal penalty in paragraph (a) does not apply to any person who has received a relief of disability under United States Code, title 18, section 925, or whose ability to possess firearms and ammunition has been restored under subdivision 1d.

Subd. 1d. **Judicial restoration of ability to possess firearms and ammunition by a felon.** A person prohibited by state law from shipping, transporting, possessing, or receiving a firearm or ammunition because of a conviction or a delinquency adjudication for committing a crime of violence may petition a court to restore the person's ability to possess, receive, ship, or transport firearms and otherwise deal with firearms and ammunition.

The court may grant the relief sought if the person shows good cause to do so and the person has been released from physical confinement.

If a petition is denied, the person may not file another petition until three years have elapsed without the permission of the court.

Subd. 2. **Discharge.** The discharge may be:

- (1) by order of the court following stay of sentence or stay of execution of sentence; or
- (2) upon expiration of sentence.

Subd. 3. **Applicability.** This section does not apply to a forfeiture of and disqualification for public office as provided in section 609.42, subdivision 2.

**History:** 1963 c 753 art 1 s 609.165; 1973 c 654 s 15; 1975 c 271 s 6; 1978 c 723 art 1 s 15; 1986 c 444; 1987 c 276 s 1; 1994 c 636 art 3 s 9; 1996 c 408 art 4 s 7; 1998 c 376 s 5; 2003 c 28 art 3 s 3-5; 2005 c 83 s 1; 2015 c 65 art 3 s 18; 2023 c 12 s 7

#### NOTES AND DECISIONS

##### 609.165

Statute that restored felon's right to vote upon the expiration of sentence did not violate right-to-vote provisions in state constitution; no language in constitution provided that felon's civil rights were restored by release from incarceration, phrase "unless restored to civil rights" in constitution demonstrated that framers generally understood civil rights of felons were restored only by executive or legislative action, and felons challenging

## 2023 MINNESOTA ELECTION LAWS

constitutionality of statute failed to identify any law under which felons' civil rights were restored automatically upon release from incarceration. *Schroeder v. Simon*, 962 N.W.2d 471 (Minn. Ct. App. 2021).

Statute that restored felon's right to vote upon the expiration of sentence did not violate equal protection because felons who were completing their sentences on probation, parole, or supervised release and who were consequently ineligible to vote were not similarly situated to persons who had been discharged from their sentences, neither strict nor heightened scrutiny applied, and statute was rationally related to legislature's legitimate policy goal to promote felon's rehabilitation and active return to community. *Schroeder v. Simon*, 962 N.W.2d 471 (Minn. Ct. App. 2021).

Firearm prohibition statute was applicable to defendant, who had been convicted of felony second-degree burglary, even though his conviction was later deemed a misdemeanor; conviction, even if subsequently deemed a misdemeanor, was a "crime of violence" for purposes of firearm prohibition statute. *State v. Anderson*, 733 N.W.2d 128 (Minn. 2007).

### **609.43 MISCONDUCT OF PUBLIC OFFICER OR EMPLOYEE.**

(1) Intentionally fails or refuses to perform a known mandatory, nondiscretionary, ministerial duty of the office or employment within the time or in the manner required by law; or

(2) In the capacity of such officer or employee, does an act knowing it is in excess of lawful authority or knowing it is forbidden by law to be done in that capacity; or

(3) Under pretense or color of official authority intentionally and unlawfully injures another in the other's person, property, or rights; or

**645.15 COMPUTATION OF TIME.**

Where the performance or doing of any act, duty, matter, payment, or thing is ordered or directed, and the period of time or duration for the performance or doing thereof is prescribed and fixed by law, the time, except as otherwise provided in sections 645.13 and 645.14, shall be computed so as to exclude the first and include the last day of the prescribed or fixed period or duration of time. ## STATEWIDE REGISTRATION SYSTEM

### 8200.9305 ADMINISTRATION OF STATEWIDE REGISTRATION SYSTEM.

The secretary of state shall develop and operate a centralized database of all registered voters in the state of Minnesota. The database must be available to each county in the state through a statewide registration system provided by the secretary of state. The registration system must allow the secretary of state and the county auditors to add or modify information from the system in order to maintain an accurate database of registrants. The system must provide all county auditors and the secretary of state and, within a reasonable time after the system is initially implemented, municipal and school district clerks, with a method to view and search registration information.

A county auditor must use the statewide registration system to execute the duties of chief registrar of voters and chief custodian of registration records in the auditor's county.

**Statutory Authority:** *MS s 14.388; 201.022; 201.221*

**History:** *19 SR 593; 29 SR 155*

### 8200.9310 TREATMENT OF VOTER REGISTRATION APPLICATIONS.

Subpart 1. **Transmission of voter registration applications.** A completed voter registration application may be submitted to any state agency or county auditor. The secretary of state shall provide training to state agencies on the proper forwarding of voter registration applications. Voter registration applications submitted to the secretary of state must be forwarded to the appropriate county auditor for entry into the statewide registration system. With the approval of the appropriate county auditor, the secretary of state shall enter the registration applications into the statewide registration system for that county.

## 2023 MINNESOTA ELECTION LAWS

The secretary of state may electronically transmit the information on the voter registration applications to the appropriate county auditor. The county auditor shall promptly enter the information into the statewide registration system. The original applications submitted to the secretary of state must be maintained either by the secretary of state or by the appropriate county auditor. Voter registration applications must be stored in either paper, microfilm, or electronic format.

The secretary of state shall have full access to all functions of the statewide registration system.

Subp. 2. **Verification; defined; notification.** A. Verification means:

(1) that the information provided by the applicant on the voter registration application for all of the following categories matches the information in the same categories of the database maintained by the Department of Public Safety or in the database of the Social Security Administration if the applicant has no driver's license or identification card:

(a) name;

(b) date of birth;

(c) Minnesota driver's license or Minnesota state identification card number; or

(d) last four digits of Social Security number, if the applicant has not been issued a Minnesota driver's license or Minnesota state identification card.

If a voter has not been issued a Minnesota driver's license, a Minnesota state identification card, or a Social Security number, and the voter has so indicated on the voter's voter registration application, units (c) and (d) are inapplicable and the registration is verified; or

(2) that if after matching the information listed in subitem (1), even though the information may not be an exact match, the county auditor can still reasonably conclude that the information in the database of the Department of Public Safety, or in the database of the Social Security Administration if the applicant has no driver's license or identification card, and the information provided by the applicant on the voter registration application, relate to the same person, in which case the county auditor shall note in the statewide registration system the basis for the conclusion.

B. The secretary of state must attempt to verify information entered into the voter registration system as a result of new voter registration applications by comparing the information stored by the voter registration system with information contained in the database maintained by the Department of Public Safety. The secretary of state must provide reports on attempted verifications that show the information of record in each database and that list:

(1) voter registration applications that match the information in the Department of Public Safety database or, in the case of an applicant who does not have a Minnesota driver's license or Minnesota identification card in the database of the Social Security Administration, and that are therefore verified;

(2) voter registration applications that cannot be verified with certainty against the information in the Department of Public Safety database or, in the case of an applicant who does not have a Minnesota driver's license or Minnesota identification card, in the database of the Social Security Administration. The report must match and contrast the information contained in the several databases; and

(3) voter registration applications with Minnesota drivers' license numbers, Minnesota identification card numbers, or if the applicant has no driver's license or identification card, the last four digits of the applicant's Social Security number that do not match the numbers of record in the Department of Public Safety database or, in the case of an applicant who does not have a Minnesota driver's license or Minnesota identification card, in the database of the Social Security Administration.

The reports prepared by the secretary of state must include a separate list of potential matches for incomplete mail-in registrations described in Minnesota Statutes, section 201.061, subdivision 1a.

## 2023 MINNESOTA ELECTION LAWS

C. The county auditor must review the reports provided by the secretary of state of records that have not been verified with certainty within ten days after the reports become available in the statewide voter registration system. The auditor must attempt to match the information on the voter registration application with the information in the database maintained by the Department of Public Safety or, in the case of an applicant who does not have a Minnesota driver's license or Minnesota identification card, in the database of the Social Security Administration, to permit the auditor to verify the information supplied on the voter registration application. The auditor shall attempt to obtain from the applicant any needed information by mail or, if a telephone number or an e-mail address was provided by the applicant, by telephone or e-mail. The auditor must record on the voter record in the statewide voter registration system each registration verified in this manner.

If the auditor cannot verify information for a registration, the auditor must record that the information supplied on the voter registration application could not be verified and is incomplete pursuant to Minnesota Statutes, section 201.121, subdivision 1.

Subp. 3. **Correction.** If a Minnesota driver's license number or Minnesota state identification card number supplied by the applicant cannot be verified because it does not exist in the Department of Public Safety database, the secretary of state or the county auditor shall correct the voter record to indicate that the number must not be used as the verification number on the voter record. In the case of an applicant who does not have a Minnesota driver's license number, Minnesota identification card number, or Social Security number that can be verified by comparison with the Department of Public Safety database, or in the database of the Social Security Administration, if the applicant has no Minnesota driver's license or Minnesota identification card, the unique voter record number generated by the statewide voter registration system must be used as the verification number for the record.

**Subp. 4. [Repealed, 31 SR 350]**

Subp. 5. **Updates.** A. A voter with an active voter registration may change the information on record by submitting a voter registration application meeting all the requirements for a new voter registration application.

B. If, after matching the updated information with the information contained in the Department of Public Safety database or, in the case of an applicant who does not have a Minnesota driver's license or Minnesota identification card, in the database of the Social Security Administration, the accuracy of the updated information cannot be verified, the county auditor must send a notice to the voter whose information cannot be verified and request that the voter provide the information or contact the registration office.

If the discrepancy cannot be resolved, the county auditor must challenge the voter in the statewide voter registration system and may refer the matter to the county attorney. If during the verification process the Department of Public Safety provides information that indicates that the voter is ineligible to vote, the county auditor must challenge the voter in the statewide voter registration system and refer the matter to the county attorney.

### **8200.9315 PROCEDURE FOR ENTERING DATA INTO STATEWIDE VOTER REGISTRATION SYSTEM.**

When entering information from a voter registration application into the statewide registration system, the secretary of state or county auditor shall:

- A. conduct a statewide search of the registration database to determine if the applicant has previously registered in Minnesota;
- B. assign the applicant to the proper voting precinct for the address provided on the application;
- C. determine all election districts in which the applicant will be eligible to vote;

## 2023 MINNESOTA ELECTION LAWS

D. assign the registration record a unique identification number, and date the record as to when the registration was entered into the registration database;

E. maintain a record of voting history of the registrant for at least the previous six calendar years and a record of previous registrations and changes to voter status in the state for at least two years; and

F. provide information on prior registrations in other states. At periodic intervals, the secretary of state shall notify the chief election officials of other states of persons who have registered to vote in Minnesota and who indicated a prior registration in their state.

The secretary of state shall establish a precinct finder that must be maintained by each county auditor. The precinct finder must identify the voting precinct that will be assigned to the applicant. For the purposes of redistricting, the secretary of state shall include geographical data from the United States Census Bureau in the precinct finder.

### **8200.9320 INTERACTION WITH DEPARTMENT OF PUBLIC SAFETY.**

The Secretary of State, in cooperation with the commissioner of public safety, shall develop a single unified application for use by the Department of Public Safety to permit eligible voters who have indicated they wish to register to vote to simultaneously register to vote and apply for a driver's license or state identification card. The Secretary of State and the commissioner of public safety may access a common database of information entered from this application.

The information from the unified application for voter registration and a driver's license or state identification card must be transferred electronically from the commissioner of public safety to the Secretary of State. The Secretary of State shall make available to each county auditor the data necessary to add or update a voter record on the statewide registration system. The county auditor shall process the data in the manner provided in part 8200.9315.

All authorized users of the statewide registration system must be identified uniquely in the manner provided by the Secretary of State. No access to the statewide registration system will be allowed to any person not identified as an authorized user of the system.

To ensure that information obtained from the statewide registration system is being used in the manner provided by law, the Secretary of State shall insert verification records into the statewide registration system. The verification records must not be included on any master list or polling place roster. If the Secretary of State has reason to believe that information obtained from the statewide registration system was used in a manner inconsistent with Minnesota Statutes, section 201.091, a report must be immediately transmitted to the appropriate county attorney.

If the secretary of state determines that the petition was not filed within 90 days after the date of issuance, the secretary shall dismiss the petition and notify the petitioners of the reason for dismissal.

C. The secretary of state shall inspect each petition to determine whether it has been signed by a number of persons eligible to vote in the district served by the state officer subject to the recall petition that is equal to at least 25 percent of the number of votes cast at the most recent general election for the office held by the state officer subject to the recall petition. If the petition has not been signed by the required number of eligible voters and the 90-day time limit has expired during the verification process, the secretary shall dismiss the petition and notify the petitioners of the reason for the dismissal. (5) The secretary shall determine what percentage of the signatories in the sample are eligible voters.

**8210.2200 DUTIES OF COUNTY AUDITOR OR MUNICIPAL CLERK UPON RECEIPT OF ABSENTEE BALLOT RETURN ENVELOPE.**

Subpart 1. **Personal delivery.** Absentee ballot return envelopes that are delivered in person by an absent voter or an agent must be received by the county auditor or municipal clerk by 3:00 p.m. on election day. Ballots received by personal delivery after 3:00 p.m. on election day shall be marked as received late by the county auditor or municipal clerk, and must not be delivered to the ballot board.

Subp. 2. **Inspecting for seal.** Before accepting an absentee ballot return envelope that is hand delivered by an absent voter or an agent, the county auditor or municipal clerk shall inspect the envelope to verify that it is sealed and that the absent voter's certificate is properly completed.

When an absent voter hand delivers an envelope which is unsealed or has an improperly completed absent voter's certificate, the absent voter shall be allowed to seal the envelope and correct or complete the certificate.

When an agent hand delivers a sealed envelope with an improperly completed absent voter's certificate, the agent may return the envelope to the absent voter for correction or completion in compliance with the time requirements in subpart 1.

When an agent hand delivers an envelope that is not sealed or which the auditor or clerk has reason to believe has been tampered with, the envelope shall not be accepted. ### **8210.2450 DUTIES OF BALLOT BOARD MEMBERS WHEN EXAMINING RETURN ENVELOPES UNDER MINNESOTA STATUTES, SECTION 203B.121.**

Subpart 1. **Review.** Two or more ballot board members from different major political parties must review the absentee ballots returned for the precinct under Minnesota Statutes, section 203B.121, unless they are deputy county auditors or deputy city clerks who have received training in the processing and counting of absentee ballots, or are exempt from that requirement under Minnesota Statutes, section 205.075, subdivision 4, or Minnesota Statutes, section 205A.10, subdivision 2.

Subp. 2. **Name, address, and signature review.** The voter's name and address on the absentee ballot application must match the voter's name and address on the signature envelope. Use of, or lack of, full names, nicknames, abbreviations, or initials on either document are not a reason for rejection.

Ballot board members must determine whether the signature envelope was signed by the voter. Use of, or lack of, full names, nicknames, abbreviations, or initials within either signature are not a reason for rejection. A signature is considered the voter's even if a voter uses a signature mark on either or both documents, or if a voter has another individual or different individuals sign the voter's name in their presence on either or both the application and the signature envelope in accordance with Minnesota Statutes, section 645.44, subdivision 14. A ballot must be rejected under this subpart on the basis of the signature if the name signed is clearly a different name than the name of the voter as printed on the signature envelope. This is the only circumstance under which a ballot may be rejected on the basis of signature under this subpart.

Subp. 3. **Identification number review.** Ballot board members must determine whether the identification number provided by the voter on the certificate is the same as the identification number provided by the voter on the absentee ballot application or the voter's record in the statewide voter registration system.

If the numbers do not match or the voter did not provide identification numbers on both documents, the ballot board members must compare the signatures on the absentee ballot application and on the signature envelope to determine whether the ballots were returned by the same person to whom they were transmitted. Use of, or lack of, full names, nicknames, abbreviations, or initials within either signature are not a reason for rejection. A signature is considered the voter's even if a voter uses a signature mark on either or both documents, or if a voter has another individual or different individuals sign the voter's name in their presence on either or both the application and the return envelope in accordance with Minnesota Statutes, section 645.44, subdivision 14.

Subp. 4. **Voter's registration status.** A. Ballot board members must determine the voter is registered under the name and at the address on the signature envelope by using the statewide voter registration system, or a master list or polling place roster produced from the statewide voter registration system. A voter who is not registered, whose registration is inactive, or whose registration is challenged, must include a properly completed voter registration application within the absentee return envelope pursuant to Minnesota Statutes, section 203B.04, subdivision 4, or the ballot must be rejected. If the voter was sent nonregistered absentee materials and the voter is not registered to vote and a voter registration application is not found in the return envelope, the ballot board members shall open the signature and ballot envelope and, without examining or removing the

## 2023 MINNESOTA ELECTION LAWS

ballot, remove any voter registration application from the signature and ballot envelope. The ballot board members must immediately reseal the ballot envelope with the ballot enclosed, initialing across the seal and noting on the ballot envelope the purpose for which it was opened.

B. A voter registration application returned separately from an absentee return envelope after the voter registration deadline in Minnesota Statutes, section 201.061, subdivision 1, is a late registration and may not be used as a registration for the current election pursuant to Minnesota Statutes, section 201.054, subdivision 1, clause (3).

Subp. 5. **Witness eligibility.** An absentee ballot may not be rejected for lack of an eligible witness, if a witness has signed the statement required from a witness by part 8210.0600, subpart 1a or 1b, and:

- A. has provided a Minnesota address as part of the witness's certification on the return envelope;
- B. has provided the title indicating that they are eligible to administer oaths; or
- C. has affixed a notarial stamp.

Subp. 6. **Ballot already cast.** Ballot board members must use the statewide voter registration system or available polling place rosters to determine whether another ballot from the voter has been accepted. If a ballot is received before the close of business on the seventh day before the election, any ballot that has been previously received from that voter and has not been rejected is deemed spoiled and must not be counted. If a ballot is received after the close of business on the seventh day before the election and another absentee ballot has been accepted for that voter, the return envelope must be marked "rejected."

### **8210.2500 MAIL PICKUP.**

Each municipal clerk shall communicate with the United States postal service facility serving the municipality with regard to the handling of absentee ballot return envelopes received by the post office on election day. The municipal clerk shall take all reasonable steps to ensure that all return envelopes received by the post office before 4 p.m. on election day are delivered before the closing of the polls to the ballot board. Absentee ballots returned by mail delivery and received after election day shall be marked as received late by the county auditor or municipal clerk, and must not be delivered to the ballot board.

**History:** *17 SR 1279; 38 SR 1368; 40 SR 1553*

### **8210.2600 REPLACEMENT BALLOTS.**

Subpart 1. **Voter request.** The auditor or clerk must promptly provide a replacement ballot to a voter who requests one because the voter's ballot was lost, spoiled, or never received. The transmittal envelope must be labeled "REPLACEMENT BALLOT" in at least 18-point type. The auditor or clerk must record the following information on the voter's absentee ballot application: the date of the voter's request, the date that a replacement ballot was issued to the voter, and the reason that the voter requested a replacement. If a voter returns a spoiled ballot to the election official, the auditor or clerk must put the returned ballot in a spoiled ballot envelope.

Subp. 2 **Ballot rejected by absentee ballot board.** The auditor or clerk must send a replacement ballot to a voter whose absentee ballot is rejected more than five days before an election, along with an explanation of why the ballot was rejected. The secretary of state must provide election officials with a sample notice with a list of the possible reasons that a ballot could be rejected for use by absentee ballot boards. The transmittal envelope must be labeled "REPLACEMENT BALLOT" in at least 18-point type. The election official must record the following information on the voter's absentee ballot application: the date that the voter's ballot was rejected, the date that a replacement ballot was issued to

the voter, and the reason that the previous ballot was rejected. Rejected absentee ballots must be kept in a separate sealed container.

### **8210.2700 RECEIPT OF FEDERAL WRITE-IN ABSENTEE BALLOTS.**

Subpart 1. **If Federal Post Card Application was received.** If a voter submits a Federal Write-in Absentee Ballot for which a Federal Post Card Application is received, the county auditor must accept or reject the ballot in accordance with Minnesota Statutes, section 203B.24 and 203B.25.

Subp. 2. **If Federal Post Card Application was not received.** If a voter submits a Federal Write-in Absentee Ballot for which a Federal Post Card Application was not received, the Federal Write-in Absentee ballot serves as a voter registration, for voters who are eligible to register, in lieu of the voter's Federal Post Card Application. The Federal Write-in Absentee Ballot also serves as an absentee ballot request for absentee ballots in subsequent elections during the period required by Minnesota Statutes, section 203B.17, subdivision 1, paragraph (d). If the voter provided an e-mail address, then the county auditor must record e-mail as the voter's preferred method of delivery. The county auditor must not send a ballot to the voter for the election for which the voter submitted the Federal Write-in Absentee Ballot. If the voter has not already voted and the accompanying certificate is properly completed, the absentee ballot board must accept the Federal Write-in Absentee Ballot.

## **MAIL BALLOTS**

### **8210.3000 MAIL BALLOTING.**

Subpart 1. **Scope.** This part applies to mail balloting conducted under Minnesota Statutes, sections 204B.45 and 204B.46. Except as otherwise provided in this part, parts 8210.0200 to 8210.2700 also apply to mail balloting. In unorganized territory, the county auditor shall perform the duties specified for the municipal clerk.

Subp. 2. **Authorization.** The municipal governing body, school board, or county board may authorize mail balloting by resolution adopted no later than 90 days prior to the first election at which mail balloting will be used. If mail balloting is adopted pursuant to Minnesota Statutes, section 204B.45, the resolution remains in effect for all subsequent state and county elections until revoked. Revocation of the resolution may occur no later than 90 days before the next affected election. Authorization to conduct a special election pursuant to Minnesota Statutes, section 204B.46, expires after completion of the election.

Subp. 3. **Notice.** The municipal clerk or school district clerk shall notify the county auditor of the adoption or discontinuance of mail balloting no later than two weeks after adoption or revocation of the resolution. The county auditor shall send a similar notice to the secretary of state for elections authorized pursuant to Minnesota Statutes, section 204B.45. - B. the date of the election and the dates that ballots will be mailed;
- C. a statement that each voter registered by the 21st day before the election will be mailed a ballot;
- D. the times, places, and manner in which voted ballots can be returned;
- E. an explanation of how an eligible voter who is not registered may apply for a ballot and how a registered voter who will be absent from the precinct may apply to receive the ballot at a temporary address;
- F. the place and time for counting of ballots; and
- G. the name and address or telephone number of the official or office where additional information can be obtained.

Before the first election at which mail balloting will be used or discontinued, notice must also be given by one or more of the following means: publication in a newspaper of general circulation, posting of notice at public locations within each precinct, dissemination of information through the media or at public meetings, or mailed notice to registered voters.

**Subp. 4. Mailing ballots.** The county auditor, municipal clerk, or school district clerk shall mail ballots to the voters registered in the municipality or unorganized territory. A ballot mailing must be sent to each registered voter no earlier than 46 or later than 14 days prior to the election if mail balloting in the voter's precinct is proceeding pursuant to Minnesota Statutes, section 204B.45. No later than 14 days before the election, the auditor must make a subsequent mailing of ballots to those voters who register to vote after the initial mailing but before the 20th day before the election.

A ballot mailing must be sent no earlier than 46 or later than 14 days prior to the election if a mail election is being conducted in the jurisdiction pursuant to Minnesota Statutes, section 204B.46. No later than 14 days before the election, the auditor or clerk must make a subsequent mailing of ballots to those voters who register to vote after the initial mailing but before the 20th day before the election.

No ballot may be mailed to a challenged voter. A notice must be transmitted to challenged voters with an explanation of the challenge and with instructions on how they may apply for an absentee ballot if they believe their registration was challenged in error.

The mail balloting process for voters whose registrations are incomplete under Minnesota Statutes, section 201.061, subdivision 1a, or 201.121, must be administered as if the voter were not registered to vote. A notice must be transmitted to voters with incomplete registrations with instructions on how they may apply for an absentee ballot.

Ballots must be sent by nonforwardable mail. Ballots for eligible voters who reside in health care facilities may be delivered as provided in Minnesota Statutes, section 203B.11. The ballot mailing must be addressed to the voter at the voter's residence address as shown on the registration file unless the voter completes an absentee ballot request as provided in Minnesota Statutes, section 203B.04 or 203B.16.

A return envelope, a ballot secrecy envelope, and instructions for marking and returning mail ballots must be included with the ballots. The instructions must include a telephone number or electronic mail address which voters can call or write for help in mail voting. The instructions must also include a privacy notice that complies with Minnesota Statutes, section 13.04. At the request of the secretary of state, a survey card that the voter can return to the secretary of state must also be included. The ballot return envelope must be printed with the mail voter's certificate. The ballot return envelope must be addressed for return to the county auditor, municipal clerk, or school district clerk that is conducting the election. ### **Subp. 6a. [Repealed, 34 SR 1561]**

If the auditor, municipal clerk, or school district clerk is able to verify the voter's residence at that address, the ballot may be reissued. A ballot undeliverable to the voter at the address of registration must be considered a returned notice of verification and the voter's registration must be treated as provided in Minnesota Statutes, section 201.12. The official conducting the election shall maintain a record of all undeliverable ballots.

If the ballot is returned by the post office prior to 20 days before the election with notification of the voter's new address within a jurisdiction holding a mail election, the auditor or clerk shall resend a ballot to the voter along with a return envelope. If the ballot is returned by the post office within 20 days before the election with notification of the voter's new address within a jurisdiction holding a mail election, the auditor or clerk shall transmit instructions on how the voter may apply for an absentee ballot.

If the ballot is returned by the post office within 20 days before the election with notification of the voter's new address within a jurisdiction holding a nonmail election, the auditor or clerk must transmit a notice via nonforwardable mail to the voter of how to register and vote at the proper polling location. This notice must be treated as a notice of late registration under part 8200.5100, subpart 1.

The auditor or clerk shall keep a list of individuals who are sent the second mailing after the rosters are printed and must provide a copy of that list to the ballot board for use in processing the returned ballots.

**Subp. 7a. Voter registration applications after ballots have been mailed.** When a voter registration application is processed on a voter record where a ballot has been previously mailed, the original mail ballot record must be marked as "Spoiled" and the voter must be notified that the original mail ballot cannot be counted.

If the application is processed prior to 20 days before an election, a voter in a jurisdiction holding a mail election must also be provided a replacement ballot.

If the application is processed within 20 days prior to the election, a voter in a jurisdiction holding a mail election must be sent a notice of late registration that includes a notification that the original mail ballot cannot be counted and instructions on how the voter may apply for an absentee ballot.

If the application is processed within 20 days before an election, the notice of late registration sent to a voter in a jurisdiction holding a nonmail election must be notified that the original mail ballot cannot be counted and how to register and vote at the proper polling location.

## 2023 MINNESOTA ELECTION LAWS

Subp. 8. **Returning ballots.** Mail ballots may be returned to the official conducting the election by mail, in person, or by designated agent. The official conducting the election must accept ballots returned in person, or by designated agent, until 8:00 p.m. on the day of the election. Ballots received after 8:00 p.m. on election day shall be marked as received late by the official conducting the election. An individual shall not be the designated agent of more than three absentee or mail voters in one election.

Subp. 9. **Polling place and election judges.** The only polling place required for mail balloting is the office of the election official conducting the election. The number of voting stations set up in the office of the official conducting the election must be sufficient to accommodate the number of voters expected to vote in person on election day. On election day, the official conducting the election shall provide one or more secure drop boxes where voters can deposit return envelopes containing ballots. The governing body of the jurisdiction conducting the election shall designate a suitable location where the election judges can meet on election day to receive and count ballots. The location must be open for public observation of the counting of ballots. The governing body of the jurisdiction conducting the election shall appoint election judges as provided in Minnesota Statutes, sections 204B.19 to 204B.21. For state elections, the county auditor shall appoint election judges for mail ballot precincts and shall apportion the cost of the election judges among the precincts voting by mail in that election. The county auditor may delegate the authority to appoint election judges for precincts voting by mail in state elections to the municipal clerk. During the day of the election at least two election judges must be present at the office of the official conducting the election to accept mail ballots delivered in person and to process persons registering on election day. Additional judges may be appointed as needed. If the ballots are to be counted by hand and there are more than two questions or one office to be voted on, at least one judge must be appointed for the counting of ballots for every 500 persons from whom ballots are expected to be returned.

Subp. 10. **Receiving and counting ballots.** On or before election day, the ballot board shall receive from the county auditor, municipal clerk, or school district clerk, returned ballots and applications for absentee ballots, records of replacement ballots, and the list of voters sent a second mailing of the ballot. The ballot board shall arrange to receive from the election official any additional ballots received in the mail or returned by a voter prior to 8:00 p.m. on election day. Ballots must be transported to the location where ballot processing and counting will occur in a sealed transfer case by two or more election judges of different major political parties unless the election judges are municipal clerks or deputy clerks, or the judges are exempt from this requirement pursuant to Minnesota Statutes, section 205.075, subdivision 4, or 205A.10, subdivision 2. During the receiving and counting of ballots, the ballots must at all times remain in the custody of two or more election judges of different major political parties, unless the election judges are municipal clerks or deputy clerks, or the election is exempt from this requirement pursuant to Minnesota Statutes, section 205.075, subdivision 4, or 205A.10, subdivision 2.

The secretary of state must provide a sample notice with a list of the possible reasons that a mail ballot may be rejected. The election official must keep a record of the date that the voter's ballot was rejected, the date the replacement ballot was issued to the voter, and the reason that the previous ballot was rejected. Rejected envelopes must be kept in a separate sealed container.

Subp. 11. **Challenges.** Challengers appointed under Minnesota Statutes, section 204C.07 may be present while the election judges are examining and accepting or rejecting the return envelopes. Challenges must be made and determined as provided in Minnesota Statutes, section 204C.13, subdivision 6.

Subp. 12. **Costs.** The governing body authorizing mail balloting shall pay the costs of the mailing. Costs of mailing include postage costs and the costs of printing required envelopes, instructions, affidavits, and mailing labels. Subp. 3. **Forfeiture of bond.** If the secretary of state determines that a vendor has offered for sale or use at an election a voting system in a manner other than that required by chapters 8220 and 8230 or any conditions under which the system was certified, the bond required by subpart 1, item E, must be forfeited. The secretary of state shall notify the vendor of the intent to forfeit the bond in writing and provide the vendor an opportunity to furnish a written explanation to the secretary of state prior to forfeiture. No system may be subsequently offered for sale or use at an election by the vendor who has received a notice of intent to forfeit the bond or whose bond has been forfeited, until the vendor has submitted an additional bond in the amount of \$50,000. The secretary of state shall notify each official on the user list of a receipt, forfeiture, or restoration of these bonds.

### **8220.0700 REEXAMINATION AND RECERTIFICATION OF HARDWARE AND SOFTWARE.**

After an electronic voting system has been certified by the secretary of state, the hardware and software necessary to operate the voting system, tabulate votes, and prepare ballot styles must be reexamined and recertified under part 8220.0650, subpart 1, by the secretary of state at any time that, in the opinion of the secretary of state, changes in Minnesota election law require reexamination of the voting system to determine continued compliance.

A modification to hardware or software of an electronic voting system which has been certified by the secretary of state must be submitted for reexamination and be recertified under part 8220.0650 unless the modification has been determined to be de minimis by an independent testing authority.

The vendor must notify the secretary of state of all de minimis modifications, provide the de minimis determination from an independent testing authority and receive a letter of acceptance of the de minimis modifications from the secretary of state before the modified electronic voting system may be used in an election.

**Statutory Authority:** *MS s 206.57; 206.81; 206.82*

## **PREPARATION AND TESTING OF ELECTION PROGRAMS**

### **8220.0750 PREPARATION OF COMPUTER PROGRAMS.**

Computer programs must be prepared so as to tabulate accurately each voter's choices for all candidates, offices, and measures for which the voter is lawfully entitled to vote in conformity with chapters 8220 and 8230 and the laws of Minnesota.

Computer programs must require an electronically readable precinct identifier or ballot style indicator on all ballots.

The vote tabulation portion of the computer program must be prepared as follows:

A. The computer program must reflect the rotation sequence of the candidates' names as they appear on the ballots in the various precincts.

B. The computer program must reflect the offices and questions to be voted on in the order that they appear on the ballots in the various precincts.

## 2023 MINNESOTA ELECTION LAWS

C. The computer program must count valid votes cast by a voter for candidates for an office.

D. The computer program must count valid votes cast by a voter for or against any question.

E. The computer program must not count the votes cast by a voter for an office or question if the number of votes cast exceeds the number which the voter is entitled to vote for on that office or question, but it must record that there is an overvote condition as referred to in part 8220.0450, item C.

F. The computer program must ignore stray marks on a ballot; these marks must have no effect on any portion of the ballot.

G. For the purpose of programming, the partisan, nonpartisan, and proposal sections of the ballot are independent ballots; no action of a voter on one section of the ballot may affect the voter's action on another section of the ballot.

H. In partisan primary elections, the computer program must count the votes recorded by a voter for candidates in one political party only and reject all of the partisan section of the ballot if votes are cast for candidates of more than one political party, but count valid votes in the nonpartisan section of the ballot.

I. In partisan primary elections the computer program must check for the situation of a voter casting votes for candidates of more than one political party prior to checking for overvote conditions.

J. If the counting equipment can examine and return a ballot to the voter before counting it, the computer program must check for and reject without counting any ballot with an overvote or, at a partisan primary, with votes cast for candidates of more than one party. When the ballot is returned to a voter, an error message must indicate the type of defect and may indicate the specific office or question where the defective condition was found. The error message must print on a paper tape or display electronically.

K. A mark indicating a write-in is a vote for the purpose of determining if an overvote condition exists. Except where an overvote condition for the office exists, the computer program must record that a write-in has been indicated. The program must count and record valid votes on the ballot for all other offices and questions before a ballot with a write-in recorded is separated from ballots with no write-ins recorded. The program must report, by office, the total number of write-ins recorded.

### **8220.0800 PROGRAM PREPARATION BONDS.**

Subpart 1. **Amount of bonds.** Each vendor preparing programs for use with an electronic voting system shall deposit a bond with the secretary of state in the amount of \$5,000. The form of the bond must be acceptable to the secretary of state. Bonds must be issued by corporations authorized to contract as a surety in Minnesota. This bond is not in lieu of any right of action by the purchaser or the state of Minnesota against the vendor or the surety. The bond is required until the adoption, use, or purchase of the system or program is discontinued in Minnesota.

Subp. 2. **Forfeiture of bonds.** If the secretary of state determines that a program used with an electronic voting system was not prepared in the manner required by chapters 8220 and 8230 and the written instructions of the official responsible for preparation of the ballots, the bond must be forfeited to the extent necessary to cover actual expenses resulting from the failure of the program. The secretary of state shall determine within 45 days after receiving notification of the failure of a program and a request for reimbursement of expenses resulting from the failure of the program from the appropriate election officials, what actual costs were incurred as a result of the program failure. The secretary of state shall notify the vendor of the intent to forfeit the bond in writing and provide the vendor an opportunity to furnish a written explanation to the secretary of state prior to forfeiture. If required to meet actual expenses in excess of the amount of the bond posted under subpart 1, the secretary of state shall use, to the extent necessary, any bond posted by the vendor under part 8220.0650 as

### **8220.0825 CANDIDATE ROTATION ALGORITHM.**

Subpart 1. **Base rotation.** The secretary of state shall determine the base rotation of candidates' names for partisan offices voted on at the state primary election. The county auditor shall determine the base rotation of candidates' names for all other offices for which rotation is required. The county auditor may delegate the authority to determine the base rotation of candidates' names for municipal and school district offices to the municipal and school district clerks, respectively. The base rotation must be determined by assigning the initial order of the candidates' names by lot.

Subp. 2. **Base number of registered voters.** For purposes of the rotation algorithm, the county auditor shall determine the number of registered voters in each precinct as of 8:00 a.m. on May 1 of the election year.

Subp. 3. **Algorithm.** The algorithm in items A to F must be used to determine the rotation sequence for each race for which rotation is required.

A. Determine the base rotation.

B. Determine which precincts belong to the race being rotated.

C. Arrange the precincts in order of the number of registered voters, from largest number to smallest.

D. Calculate the number of rotations needed by determining the number of candidates for the office.

E. Starting with the largest precinct, assign a precinct to each rotation. If there are more candidates than precincts, stop after the last precinct has been assigned and go on to item F. If there are more precincts than candidates, keep a running subtotal of the total registered voters assigned to each rotation. After each rotation has been assigned one precinct, assign the next largest precinct to the rotation with the lowest subtotal. Continue assigning the next largest precinct to the rotation with the lowest subtotal until all precincts for that race have been assigned.

F. Print a report by race showing rotation subtotals.

### **8220.0850 SCHEDULE FOR COMPLETING PROGRAMS.**

No later than five days after candidates' names are certified by the secretary of state, the election jurisdiction responsible for requesting the computer program must supply any information such as candidates' names and base rotation and the order of offices and questions to be voted on to the individuals designated to prepare the computer program. The official conducting the election also shall supply the programmers with the rotation algorithm in part 8220.0825 or other instructions regarding the proper rotation sequence for the ballots.

The computer program for any election and an exact duplicate of the program for use as backup must be completed and delivered to the election jurisdiction or the county auditor in charge of a common central counting center at least 21 days prior to the election.

**8220.1050 PREPARATION OF TEST DECK.**

The election jurisdiction requesting the computer program must prepare a test deck of ballots to be used to determine that the voting system and the computer program will correctly mark or count the votes cast for all offices and all proposals in compliance with the Minnesota election law.

The test deck must conform to part 8220.1150. A test deck must be prepared specifically for each election.

The test deck prepared must consist of a preaudited configuration of ballots to record a predetermined number of valid votes for each candidate and issue.

**8220.1150 TEST BALLOTS.**

All test ballots must be marked "TEST."

Ballots must be prepared having votes in excess of the number allowed by law for each office and proposal appearing on the ballot.

For district offices in which the number of candidates appearing on the ballot for that office varies by district, test ballots must be prepared with the number of votes allowed by law for that office in that district.

In partisan primary elections test ballots must be prepared to check the program for splitting tickets. Test ballots must be prepared with votes appearing in the same ballot for candidates of opposite political parties, nonpartisan candidates, and proposals. At least one ballot must be prepared with votes for one party and including votes for a nonpartisan office in excess of the number permitted by law.

In preparing the test deck, a number of the ballots must be voted to include valid votes in the partisan, nonpartisan, and proposal sections of the ballot. The test deck must include ballots involving no overvotes or marks in unassigned locations, valid votes for each candidate and ballot question, overvotes, undervotes, and invalid votes in many different combinations.

At least one test ballot must be prepared in which marks appear in the precinct identifier or ballot style indicator.

Blank ballots in which no positions have been voted must be included in the test deck.

When required to be used in an election pursuant to Minnesota Statutes, section 206.57, subdivision 5, the test deck must include a number of ballots marked by an electronic ballot marker sufficient to have marked all vote targets on the ballot in every precinct.

The election jurisdiction shall compare the zero tape with the ballots of all precincts to ascertain that the appropriate ballots are in each precinct and that the offices and questions to be voted on and the candidates' names are in the order that they appear on the ballots for each precinct. Each election jurisdiction shall make a certificate as to the above matters and file it with the county auditor.

The test must be conducted using the test deck prepared under the direction of the election jurisdiction, and the results must be compared against the predetermined results of the test deck.

The public accuracy test must be conducted according to Minnesota Statutes, section 206.83.

The time and place of the public accuracy test must be designated by the election jurisdiction providing the computer program, which must give at least 48 hours' public notice of the time and place of the test by publication in official newspapers and by posting a notice in the office of the county auditor and each local election official conducting the test.

The test must be open to the public. At least two election judges of different political parties must witness the test. The chief election official of the election jurisdiction shall explain the methods and test procedures used to determine the accuracy of the computer programs. This will include submitting as public record the certificate prepared in accordance with part 8220.1450 that all precincts have been tested using the test deck prepared under the direction of the election jurisdiction.

## 2023 MINNESOTA ELECTION LAWS

The sealed container containing the computer programs, test deck, and predetermined results must be opened and the computer programs tested to determine their accuracy on the voting systems on which they are to be used on election day. The testing of the voting systems and programs must be with the test deck prepared under the direction of the election jurisdiction. In election jurisdictions with three or fewer precincts, all the precincts must be tested. In election jurisdictions with more than three precincts, a minimum of three precincts must be tested. One precinct from each congressional district, legislative district, county commissioner district, ward, and school district on the ballot must be tested. The official conducting the election shall select the precincts to be tested.

If an error is detected in any part of the testing, the cause must be ascertained, the error corrected, and an errorless count must be made on all precincts. At the discretion of the election jurisdiction, the meeting may be adjourned to a time and date certain.

The election judge shall not deliver a ballot to a voter until the judge has received a voter receipt. The voter receipt may contain an example of the target used on the ballot. The election judge must state or demonstrate how to complete the target as the ballot is handed to the voter. A writing instrument without an eraser that will produce marks that can be accurately read by the ballot counter must be provided to each voter.

Upon being issued a ballot and offered a ballot secrecy cover, the voter shall go to an unoccupied voting station and vote.

Upon leaving the voting station, the voter shall insert the ballot into the ballot counter or ballot box. The voter may choose to hand the ballot to an election judge who shall insert the ballot into the ballot counter or ballot box.

## 2023 MINNESOTA ELECTION LAWS

### PROCEDURES FOR CENTRAL COUNT

#### OPTICAL SCAN VOTING SYSTEMS

##### **8230.2010 APPLICABILITY.**

Parts 8230.2010 to 8230.4150 apply to central count optical scan voting systems used in central counting centers.

**Statutory Authority:** *MS s 206.57; 206.81*

**History:** *23 SR 459*

##### **8230.2020 ELECTION JUDGE DUTIES.**

The vote totals for central count optical scan voting systems may be certified by either the election judges who served in the precinct or a set of election judges specifically appointed to serve at the central counting center. When the polling place closes, the election judges designated by the official conducting the election shall complete the steps in parts 8230.2030 to 8230.4150. If the vote totals are to be certified by the central counting center election judges, all processing of the ballots and certification of the returns at the central counting center must be done by the central counting center judges.

**Statutory Authority:** *MS s 206.57; 206.81*

**History:** *23 SR 459*

##### **8230.2030 POLLING PLACE PROCEDURES.**

A. At the polling place after voting hours have ended, the election judges shall open the ballot box, remove the ballots, and determine the total number of ballots in the box. If the number of ballots is greater than the number of persons voting and it is impossible to reconcile the numbers, the ballots must be replaced in the ballot box and one of the election judges shall publicly draw out a number of ballots equal to the excess. The excess ballots must be marked "excess" and placed in an envelope. The envelope then must be sealed. The judges shall write "excess ballots" on the outside of the envelope and put it in the transfer case. A notation of the pertinent facts must be made on the incident report. If the number of ballots counted is less than the number of persons voting, the reason for the discrepancy must be noted in the incident report. If the judges are unable to explain the discrepancy, they shall so state in the incident report.

B. The election judges must identify ballots that will need to be duplicated at the central counting center or process ballots requiring duplication prior to transporting them to the central counting center. Ballots requiring duplication must be duplicated as provided in part 8230.3850.

**Statutory Authority:** *MS s 206.57; 206.81*

**History:** *23 SR 459*

##### **8230.2040 RECORDING VALID WRITE-IN VOTES.**

If a valid write-in vote exists, the election judges shall determine whether the write-in vote has caused an overvote. If the write-in vote has caused an overvote, the ballot is defective for that office only.

If the write-in vote does not cause an overvote for that office, the election judges shall enter the candidate's name and the office on the write-in vote tally sheet. The ballot must be placed with the other valid ballots for tabulation.

If the write-in vote causes an overvote for that office and the target next to the write-in vote is not completed, the election judges shall place the ballot in the envelope marked "ballots for which duplicates were or are to be made." The manner of duplication is prescribed in part 8230.3850.

## 2023 MINNESOTA ELECTION LAWS

At the discretion of the county auditor, the processing of write-in ballots may be done at the central counting center or at the office of the local election official or county auditor rather than at the precinct polling place.

**Statutory Authority:** *MS s 206.57; 206.81*

**History:** *23 SR 459*

Subp. 3. **Other containers.** Any materials not listed in subpart 1 that the official conducting the election has designated for return to the official conducting the election or the central counting center must be placed in a separate container for delivery.

**Statutory Authority:** *MS s 206.57; 206.81*

**History:** *10 SR 1690; 23 SR 459*

### **8230.2100 [Repealed, 10 SR 1690]**

### **8230.2150 CERTIFICATE OF ELECTION JUDGES.**

The election judges shall sign a "certificate of election judges." The certificate must state:

### **8230.2250 DELIVERY OF TRANSFER CASE.**

Subpart 1. **Seal and certificate.** The transfer case must be sealed with a seal so that it is impossible to open the case or insert or remove ballots without breaking the seal. Within or attached to the transfer case must be a certificate signed by the judges indicating its content, the precinct name, and the number of any seal used to seal the case.

Subp. 2. **Delivery by two election judges.** The transfer case containing the required items as identified in part 8230.2050 must be delivered to the official conducting the election, central counting center, or collection point for transportation to the official conducting the election or central counting center by two election judges, not of the same political party.

The transfer case must then be opened and checked to see that it contains the ballots and all other material required by parts 8230.0050 to 8230.4150. Authorized central counting center personnel must then sign a certificate acknowledging receipt of all materials delivered by the election judges.

Subp. 2. **Delivery to central counting center.** The transfer case containing the ballots must then be delivered to the proper central counting center personnel for preparation for tabulation. The election official in charge of the central counting center shall provide adequate security at the central counting center.

**Subp. 3. [Repealed, 23 SR 459]**

Subp. 4. **Sealing after count.** Immediately upon the completion of the counting of a precinct, all ballots for the precinct must be returned to the transfer case or other suitable container and sealed as to make it impossible to open the case without breaking the seal. The number of any seal used on a container must be written on the summary statement.

Subp. 5. **Verifying number of ballots.** The election official in charge of the central counting center shall determine whether the number of ballots tabulated by the central count voting system agrees with the number of ballots submitted by the election judges at the precinct. If a discrepancy exists, authorized central counting center personnel shall correct it. In the event the discrepancy cannot be resolved, a notation must be made of the pertinent facts on the statement of returns.

**8230.3850 DUPLICATION OF BALLOTS.**

Any ballots requiring duplication at the polling place or central counting center must be duplicated in the following manner:

A. Whenever a ballot is required to be duplicated, the duplication process must be performed by two election judges not of the same political party.

B. Whenever it is necessary to duplicate a ballot, the duplicate ballot and the original ballot must be identified with a single number written on both ballots. The number on the duplicate ballot must be the same number as on the original. When more than one ballot is being duplicated in a precinct, the numbering must be serial.

C. The reason for duplication must be written on the duplicate ballot. The election judges duplicating the ballot shall initial the duplicated ballot and the original ballot.

D. When duplicating a ballot, one election judge shall call from the original ballot the valid selections of the voter; another election judge shall prepare the duplicate ballot with the voter's valid selections. The duplicate ballot must be compared against the original ballot to ensure it has been accurately duplicated.

## 2023 MINNESOTA ELECTION LAWS

E. All original ballots which require duplication must be placed in an envelope marked “ballots for which duplicates were or are to be made.” The duplicate ballot must be placed with the other valid ballots to be tabulated.

### PROCEDURES FOR PRECINCT COUNT

#### OPTICAL SCAN VOTING SYSTEMS

##### **8230.4325 APPLICABILITY.**

Parts 8230.4325 to 8230.4395 apply to precinct count optical scan voting systems used in precinct counting centers.

##### **8230.4350 [Repealed, 23 SR 459]**

##### **8230.4355 BALLOT BOXES FOR PRECINCT COUNTING CENTERS.**

Ballot boxes used with precinct count voting systems may be separate or part of the ballot counting equipment provided that the ballot is fed directly into a locked or sealed ballot box. The ballot box may contain a compartment that receives ballots on which all votes have been counted except those for offices for which the write-in target has been completed. An auxiliary ballot box, that may be separate or an additional compartment, must be supplied to be used if the voting system fails to function or for ballots that cannot be read by the ballot counter.

**History:** *23 SR 459; 38 SR 1368*

##### **8230.4360. [Repealed, 40 SR 1553]**

##### **8230.4365 PRECINCT COUNT VOTING SYSTEM EQUIPMENT AND PROCEDURES.**

###### **Subpart 1. Number of ballot counters and memory units.**

A. At least one precinct count voting system and at least one memory unit must be used in each precinct. One precinct count voting system and one memory unit may be used to count ballots for combined precincts.

B. Results must be produced for each precinct by either (1) printing a separate summary statement for each precinct, or (2) producing segregated results for each precinct that can be identified and attached individually as part of a complete summary statement for each precinct. The voted ballots must be separated and sealed by precinct.

Subp. 2. **Procedure before polls open.** Each ballot counter must be tested to ensure that the components are operating properly. The election judges shall verify that the ballot counter at the precinct polling place has the correct seal number and certify the seal number on the summary statement.

Before opening the polls, the election judges shall initialize the ballot counter in accordance with the manufacturer's instructions. The judges shall verify that the initial counts are zero, that the public counter is set at zero, and that the order of the offices and questions to be voted on and the candidates' names on the zero tape is the same as their order on the ballot for that precinct.

Subp. 3. **Procedures during voting hours.** Ballot counters must be programmed to return to the voter a ballot having an overvote or votes for candidates of more than one political party in a partisan primary election. Ballot counters must be programmed to print a message describing the error on a paper tape or to display the error message electronically. If the voting system is capable of emitting an audible signal while electronically displaying the error message, it must do so. The election judges shall read the error message to the voter and may explain the conditions that cause a ballot to be rejected, but the judges shall not examine the voted ballot

## 2023 MINNESOTA ELECTION LAWS

unless the voter requests assistance or it is necessary to determine what style of replacement ballot must be given to the voter.

If the voter wants to change the rejected ballot, the election judge shall treat the rejected ballot as a spoiled ballot, place the rejected ballot in the spoiled ballot envelope, and issue the voter a new ballot.

If the voter does not want to change the rejected ballot, the election judge shall override the rejection of the ballot. No means of overriding the rejection of a ballot having defects may be used that does not meet the conditions in items A to C.

A. The override must be protected against being inadvertently activated.

B. The override must not allow more than one ballot to be processed each time it is operated.

C. An override message must be printed on the results tape, or be displayed electronically while the voting system emits an audible signal, each time the override is operated.

Subp. 4. **Error messages.** The following messages are sufficient for optical scan voting systems to print or display for the described errors or actions:

A. overvote for (voting system will supply and print the name of the overvoted office);

B. overvote for multiple offices;

C. crossover vote; and

D. ballot overridden.

Subp. 5. **Opening ballot box during voting hours.** Two election judges of different political parties may open the ballot boxes on election day to straighten or remove the voted ballots but they shall not count or inspect the ballots. If removing ballots, the election judges shall put the ballots taken from the ballot box's main compartment into containers and seal them. If the ballot box contains a compartment for write-in ballots, the judges shall put the ballots taken from the ballot box's write-in compartment into containers separate from the other ballots and seal them. The judges shall label the ballot containers and store them in a secure location. The judges shall note on the incident report the fact that the ballot box was opened, the time the box was opened, and, if applicable, the numbers of any seals used to seal the ballot containers.

Subp. 6. **Procedures after voting has ended.** As soon as voting has ended, the election judges shall process any ballots in the auxiliary ballot box and then secure the ballot counter against receiving any more ballots. The election judges must inspect the seals on each ballot counter to ensure that they have not been altered and are intact and that the seal numbers agree with the numbers as verified at the opening of the polls. Any discrepancy must be noted in the incident report.

**History:** *23 SR 459; 25 SR 616; 34 SR 1561; 38 SR 1368; 40 SR 1553*

### **8230.4370 COUNTING BALLOTS.**

The election judges shall open the ballot box and any overflow containers, remove the ballots, and determine the total number of ballots. If the election judges determine that the total number of ballots is greater than the number of persons voting and that it is impossible to reconcile the numbers, the judges shall follow the procedures in Minnesota Statutes, section 206.86.

**Statutory Authority:** *MS s 206.57; 206.81*

**History:** *23 SR 459*

**8230.4375 WRITE-IN VOTES.**

A. At a general election, after the ballot counter has been secured against receiving additional ballots, election judges shall determine if a write-in vote exists.

B. If a valid write-in vote exists, the election judges shall determine whether the write-in vote has caused an overvote. If the write-in vote has caused an overvote, the ballot is defective for that office only.

C. If a write-in vote is determined to be valid and no overvote condition exists, the election judges shall enter the candidate's name and the office on the write-in vote tally sheet.

D. At the discretion of the county auditor, the processing described in items B and C may be done at the office of the local election official or county auditor rather than at the precinct polling place.

**Statutory Authority:** *MS s 206.57; 206.81*

**History:** *23 SR 459; 38 SR 1368*

**8230.4380 SUMMARY STATEMENT.**

One unbroken tape that includes the zero report at the opening of the polls, messages printed during the hours of voting, and the first printout of results must be certified to the official conducting the election. In the event of equipment or power failure, the election judges and any technicians working on the equipment shall make entries on the tape of initials and time of occurrence to indicate the points at which the equipment failed and was returned to service. If the tape has been broken, the election judges shall seal the parts together and sign over the seal so that it cannot be broken without disturbing the continuity of the signatures. The election judges shall prepare the number of summary statements directed by the official conducting the election. The official conducting the election may authorize the printing of copies of the summary statement for public information purposes. The official conducting the election shall prepare copies of any additional forms required by the secretary of state.

**8230.4385 TRANSFER CASE PROCEDURES.**

Subpart 1. **Content.** The election judges shall place in the transfer case for delivery to the official conducting the election all of the following items:

- A. valid voted ballots;
- B. envelope containing spoiled ballots;
- C. envelope containing ballots for which duplicates were made; and
- D. envelopes with notations concerning any other issued ballots contained which are not to be counted.

Subp. 2. **Second transfer case.** If space in the transfer case is inadequate, then a second ballot box, transfer case, or container of a type approved by the election jurisdiction for storage of ballots must be used and the sealing and security handled in the same manner as the transfer case.

Subp. 3. **Other containers.** The summary statement, incident report, write-in vote tally sheet if write-in votes were counted at the polling place, and any materials not listed in subpart 1 that the official conducting the election has designated for return to the official must be placed in a separate container or containers for delivery.

Subp. 4. **Sealing transfer case.** A transfer case must be sealed with a seal so that it is impossible to open the case or to insert or remove ballots without breaking the seal. Within or attached to the transfer case must be a certificate signed by the judges indicating its contents, the precinct name, and the number of any seals used to seal the case or cases.

### **8230.4390 CERTIFICATE OF ELECTION JUDGES.**

The election judges shall sign a “certificate of election judges.” The certificate must state:

- A. the number of persons voting as shown on the summary statement;
- B. that the order of the offices and questions to be voted on and the candidates’ names on the ballots was the same on the zero tape and the sample ballot;
- C. the number of ballots in the transfer case;

- G. that the number of write-in votes for each office has been properly recorded, if this process was done at the polling place;
- H. that all ballots used in the election and all ballots that have been duplicated have been placed in the transfer case and the case was securely sealed with an official seal in such a manner as to render it impossible to open the case without breaking the seal; and
- I. the numbers of any seals used to seal the transfer cases.

**CHAPTER 8235 - RECOUNTS****8235.0200 RECOUNTS.**

This chapter establishes procedures for the conduct of all publicly funded and discretionary recounts provided for in Minnesota Statutes, sections 204C.35 and 204C.36. The secretary of state or secretary of state's designee is the recount official for recounts conducted by the State Canvassing Board. The county auditor or auditor's designee is the recount official for recounts conducted by the county canvassing board. The county auditor or auditor's designee shall conduct recounts for county offices. The municipal clerk or clerk's designee is the recount official for recounts conducted by the municipal governing body. The school district clerk or clerk's designee is the recount official for recounts conducted by the school board, or by a school district canvassing board as provided in Minnesota Statutes, section 205A.10, subdivision 5. A recount official may delegate the duty to conduct a recount to a county auditor or municipal clerk by mutual consent. When the person who would otherwise serve as recount official is a candidate or is the spouse, child, parent, grandparent, grandchild, stepparent, stepchild, sibling, half-sibling, or stepsibling of a candidate for the office to be recounted, the appropriate canvassing board shall select a county auditor or municipal clerk from another jurisdiction to conduct the recount. "Legal adviser" means counsel to the recount official and the canvassing board for the office being recounted. The scope of a publicly funded or discretionary recount is limited to the recount of the ballots cast and the declaration of the person nominated or elected. The ballots in the envelope labeled "Original ballots from which duplicates are to be or were made" are not within the scope of the recount and this envelope must not be opened during the recount.

**Statutory Authority:** *MS s 204C.361*

**History:** *8 SR 1348; 12 SR 2215; 17 SR 8; 34 SR 1561; 38 SR 1368*

**8235.0300 NOTICE.**

Within 24 hours after determining that an automatic recount is required or within 48 hours of receipt of a written request for a recount and filing of a security deposit if one is required, the official in charge of the recount shall send notice to the candidates for the office to be recounted and the county auditor of each county wholly or partially within the election district. The notice must include the date, starting time, and location of the recount, the office to be recounted, and the name of the official performing the recount. The notice must state that the recount is open to the public, and in case of an automatic recount, that the losing candidate may waive the recount.

**Statutory Authority:** *MS s 204C.361*

**History:** *8 SR 1348; 19 SR 593; 38 SR 1368*

**8235.0400 SECURING BALLOTS AND MATERIALS.**

The official who has custody of the voted ballots is responsible for keeping secure all election materials. Registration cards of voters who registered on election day may be processed as required by part 8200.2700. All other election materials must be kept secure by precinct as returned by the election judges until all recounts have been completed and until the time for contest of election has expired.

**Statutory Authority:** *MS s 204C.361*

**History:** *8 SR 1348; 34 SR 1561*

**8235.0500 [Repealed, 34 SR 1561]**

**8235.0600 FACILITIES AND EQUIPMENT.**

All recounts must be accessible to the public. In a multicounty recount the secretary of state may locate the recount in one or more of the election jurisdictions or at the site of the canvassing board. Each election jurisdiction where a recount is conducted shall make available without charge to the recount official or body conducting the recount adequate accessible space and all necessary equipment and facilities.

**Statutory Authority:** *MS s 204C.361*

**History:** *8 SR 1348; 34 SR 1561*

**8235.0700 GENERAL PROCEDURES.**

At the opening of a recount the recount official or legal adviser shall present the procedures contained in this rule for the recount. The custodian of the ballots shall make available to the recount official the precinct summary statements, the precinct boxes or the sealed containers of voted ballots, and any other election materials requested by the recount official. If the recount official needs to leave the room for any reason, the recount official must designate a deputy recount official to preside during the recount official's absence. A recount official must be in the room at all times. The containers of voted ballots must be unsealed and resealed within public view. No ballots or election materials may be handled by candidates, their representatives, or members of the public. There must be an area of the room from which the public may observe the recount. Cell phones and video cameras may be used in this public viewing area, as long as their use is not disruptive. The recount official shall arrange the counting of the ballots so that the candidates and their representatives may observe the ballots as they are recounted. Candidates may each have one representative observe the sorting of each precinct. One additional representative per candidate may observe the ballots when they have been sorted and are being counted pursuant to part 8235.0800, subpart 2. Candidates may have additional representatives in the public viewing area of the room. If other election materials are handled or examined by the recount officials, the candidates and their representatives may observe them. The recount official shall ensure that public observation does not interfere with the counting of the ballots. The recount official shall prepare a summary of the recount vote by precinct.

**Statutory Authority:** *MS s 204C.361*

**History:** *8 SR 1348; 34 SR 1561*

**8235.0800 COUNTING AND CHALLENGING BALLOTS.**

Subpart 1. **Breaks in counting process.** Recount officials may not take a break for a meal or for the day prior to the completion of the sorting, counting, review, and labeling of challenges, and secure storage of the ballots for any precinct. All challenged ballots must be stored securely during breaks in the counting process.

Subp.2. **Sorting ballots.** Ballots must be recounted by precinct. The recount official shall open the sealed container of ballots and recount them in accordance with Minnesota Statutes, section 204C.22. The recount official must review each ballot and sort the ballots into piles based upon the recount official's determination as to which candidate, if any, the voter intended to vote for: one pile for each candidate that is the subject of the recount and one pile for all other ballots (those for other candidates, overvotes, undervotes, etc.). During the sorting, a candidate or candidate's representative may challenge the ballot if he or she disagrees with the recount official's determination of for whom the ballot should be counted and whether there are identifying marks on the ballot. At a recount of a ballot question, the manner in which a ballot is counted may be challenged by the person who requested the recount or that person's representative. Challenges may not be automatic or frivolous and the challenger must state the basis for the challenge pursuant to Minnesota Statutes, section 204C.22. Challenged ballots must be placed into separate piles, one for ballots challenged by each candidate. A challenge is frivolous if it is based upon an alleged identifying mark other than a signature or an identification number written anywhere on the ballot or a name written on the ballot completely outside of the space for the name of a write-in candidate.

## 2023 MINNESOTA ELECTION LAWS

Subp. 3. **Counting ballots.** Once ballots have been sorted, the recount officials must count the piles using the stacking method described in Minnesota Statutes, section 204C.21. A candidate or candidate's representative may immediately request to have a pile of 25 counted a second time if there is not agreement as to the number of votes in the pile.

Subp. 4. **Reviewing and labeling challenged ballots.** After the ballots from a precinct have been counted, the recount official may review the challenged ballots with the candidate or the candidate representative. The candidate representative may choose to withdraw any challenges previously made. The precinct name, the reason for the challenge, and the name of the person challenging the ballot (or the candidate that person represents), and a sequential number must be marked on the back of each remaining challenged ballot before it is placed in an envelope marked "Challenged Ballots." After the count of votes for the precinct has been determined, all ballots except the challenged ballots must be resealed in the ballot envelopes and returned with the other election materials to the custodian of the ballots. The recount official may make copies of the challenged ballots. After the count of votes for all precincts has been determined during that day of counting, the challenged ballot envelope must be sealed and kept secure for presentation to the canvassing board.

The candidate or candidate representative who made the challenge may present the basis for the challenge to the canvassing board. The canvassing board shall rule on the challenged ballots and incorporate the results into the summary statement. The canvassing board shall certify the results of the recount. When a bond, cash, or surety for recount expenses is required by Minnesota Statutes, section 204C.35 or 204C.36, the governing body or recount official shall set the amount of security deposit at an amount which will cover expected recount expenses. In multicounty districts, the secretary of state shall set the amount taking into consideration the expenses of the election jurisdictions in the district and the expenses of the secretary of state. The security deposit must be filed during the period for requesting a discretionary recount. In determining the expenses of the recount, only the actual recount expenditures incurred by the recount official and the election jurisdiction in conducting the recount may be included. General office and operating costs may not be taken into account.

### **8290.0300 CERTIFICATION OF PROGRAM PARTICIPANT.**

Subpart 1. **Certification.** An eligible person or a minor child residing at the residential address for whom a properly completed application or renewal is filed shall be certified by the secretary of state as a program participant.

Subp. 2. **Duration.** A program participant is certified for four years following the date the application or renewal is certified unless the certification is canceled or withdrawn before that date.

Subp. 3. **Duties of secretary of state and program participant.** Upon certification, the secretary of state shall, within three business days, issue and mail a Safe at Home card to the program participant's mailing address with instructions on how to use the Safe at Home card. **8290.0400 DESIGNATED ADDRESS.**

Subpart 1. **Address and program status.** Every public or private person or entity shall accept the designated address as the true address of the program participant. Presentation of the Safe at Home card creates a rebuttable presumption that the individual listed on the card is a program participant. A program participant is not required to respond to any question a public or private person puts to the program participant about the details or circumstances of the person's inclusion in the program. The public or private person or entity may contact the secretary of state for information on the program.

Subp. 2. **Request.** The program participant, and not the secretary of state, is responsible for requesting the use of the designated address by any public or private person or entity as the address of the program participant.

Subp. 3. **Secretary of state as agent.** The secretary of state is the agent for receipt of all mail sent by public and private persons and entities to the program participants at the designated address.

Subp. 4. **Mail to be forwarded.** All mail specifically addressed to the program participant at the designated address must be forwarded at least every second business day to the participant at the participant's mailing address. Envelopes containing the mail being forwarded must be marked "Return Service Requested." The secretary of state is not required to forward mail if the mail is not specifically addressed to a program participant.

Subp. 5. **Short-term mail hold.** The secretary of state may hold a participant's mail for up to three days upon request of the program participant. The secretary of state may hold a participant's mail for up to a total of three weeks if the participant has sent a signed, written mail hold request to the secretary of state that includes a telephone number at which the participant can be reached. Upon receipt of a written request, the secretary of state must compare the signature of the program participant or applicant on the request with the signature on the original application or on any other document on file with the secretary of state and conclude that the signatures are the same. The mail hold is effective the date the secretary of state receives the request, unless the participant has indicated an alternate effective future date.

Subp. 6. **Limited circumstances of use of actual address.**

A. In cases in which a public or private person or entity must under federal law obtain a program participant's actual address, the program participant must provide the program participant's actual address, in addition to the designated address.

B. For those services delivered to an actual address or tied to residency in a particular jurisdiction, the public or private person must request only that portion of the actual address required in order to provide those services, in addition to the designated address.

C. A program participant who is subject to criminal justice system management must, upon request, supply the program participant's actual address to the participant's supervising person, in addition to the designated address, if there are specific court-ordered conditions related to the participant's actual address as part of the supervision.

D. In cases in which all or part of the actual address has been disclosed pursuant to item A, B, or C, the designated address must be used as the address of the program participant by the public or private person or entity for all purposes where the actual address is not specifically required.

E. The secretary of state, upon request of the public or private person, shall suggest measures that shall assist in protecting the actual address and the program participant's name against disclosure in any way. Measures may include, but are not limited to, assigning a pseudonym to the program participant; suppressing the program participant's name on records; keeping the actual address in the program participant's paper file, but not entering it into a database; and making the records password protected and limiting access to them to a small pool of staff.

### **8290.0500 SERVICE OF PROCESS.**

Subpart 1. **Secretary of state as agent.** The secretary of state shall be an agent of the program participant upon whom any summons, writ, notice, demand, or process may be served. The secretary of state shall not charge a fee for accepting service. The secretary of state ceases to be agent when a program participant is canceled or withdraws from program participation.

Subp. 2. **Service by mail.** Service on the secretary of state of any such summons, writ, notice, demand, or process must be made by mailing the summons, writ, notice, demand, or process to the participant, including the participant's first and last name, at the participant's designated address. If an envelope enclosing the summons, writ, notice, demand, or process is clearly labeled as service of process on the outside of the envelope and is served by first class or certified mail on the secretary of state, the secretary of state shall forward the service to the program participant no later than the next business day unless the program participant has requested a mail hold or is in a pending cancellation status due to undeliverable mail. If the secretary of state receives service for a program participant in pending cancellation status due to undeliverable mail, the secretary of state must attempt to contact the participant through alternative means and obtain a current mailing address. If the secretary of state cannot obtain an alternative mailing address within two business days of the receipt of service, the secretary of state must forward the service to the program participant at the address on file with the secretary of state. As the secretary of state is the agent for service of process, the signed receipt of certified mail by the secretary of state constitutes proof of service on the program participant and commences the time in which responsive pleadings must be filed.

Subp. 3. **Service in person.** In the event that personal service of any document is required by law, that document may be served by delivering the document to any public counter of the Office of the Secretary of State. In order for the secretary of state to accept service on a participant, the service documents must indicate the program participant's first and last name and lot number. The secretary of state must forward the service to the program participant no later than the next business day unless the program participant has requested a mail hold or is in a pending cancellation status due to undeliverable mail. If the secretary of state receives service for a program participant in pending cancellation status due to undeliverable mail, the secretary of state must attempt to contact the participant through alternative means and obtain a current mailing address. If the secretary of state cannot obtain an alternative mailing address within two business days of the receipt of service, the secretary of state must forward the service to the program participant at the address on file with the secretary of state. As the secretary of state is the agent for service of process, an affidavit of service on the secretary of state constitutes proof of service on the program participant and commences the time in which responsive pleadings must be filed.

Subp. 4. **Record.** The secretary of state shall maintain, in the program participant's file, a record of services served upon the secretary of state for that participant. The secretary of state shall include in the file the action taken on that service, including the name of the program participant to whom the service is directed, the date of receipt, the date of mailing, and whether the mailing was returned to the secretary of state as undeliverable.

The notice must provide instructions to the program participant on what actions to take upon attaining the age of majority if the program participant does not submit a certification continuance form, including the return of the Safe at Home card and notification to public and private persons of the actual address, and that the designated address is no longer the address of the program participant. If the secretary of state has not received a certification continuance form within 30 days after the program participant reaches the age of 18, the secretary of state must mail a notice to the program participant stating that the program participant is in pending cancellation status and the program participant's certification shall be canceled if the participant fails to submit the certification of continuance within ten days.

Subp. 1a. **Voter registration information.** Along with the certification continuance form sent 30 days prior to expiration, the secretary of state must also offer the program participant the opportunity to register to vote as an ongoing absentee voter with the secretary of state, pursuant to part 8290.1300 and Minnesota Statutes, section 5B.06.

Subp. 1b. **Certification continuance.** The secretary of state shall renew the certification of a program participant when the secretary of state receives a certification continuance from that program participant. The certification continuance must contain the same information required in the application as specified in part 8290.0200, subpart 1, except the certification continuance need not contain the signature of an application assistant.

Subp. 2. **Responsibility for information changes.** An individual who became a program participant as a minor child assumes responsibility for information changes pursuant to part 8290.0700 and renewal pursuant to part 8290.1100 when the individual reaches the age of 18.

Subp. 3. **Address change; reapplication or withdrawal.** A program participant who reaches the age of 18 must reapply or withdraw if the participant establishes a new residence separate from the adult participant who applied for certification on the participant's behalf when the program participant was a minor.

Subp. 5. **Change in identity.** On or before the effective date of a change in identity, a program participant or an applicant, if different, must withdraw from Safe at Home pursuant to part 8290.1000. ### **8290.1300 VOTING BY PROGRAM PARTICIPANT.**

Subpart 1. **Internal procedures.** The secretary of state shall establish internal procedures designed to facilitate voting by program participants that minimize the number of persons with access to program participant data while maintaining the integrity of the election process.

Subp. 2. **Permanent absentee voter status.** A program participant who is eligible to vote may register to vote with the secretary of state as a permanent absentee voter pursuant to Minnesota Statutes, section 5B.06. The secretary of state shall maintain a record of each program participant registering to vote as a permanent absentee voter. If a program participant withdraws or is canceled from the program, the individual loses eligibility to vote through Safe at Home. In order to comply with the Help America Vote Act when registering to vote, the program participant must provide a copy of a photo identification with the combined voter registration and permanent absentee ballot request form if:

- A. it was not submitted by an application assistant;
- B. the statewide voter registration system indicates that the program participant voter has not previously voted in a federal election in Minnesota;
- C. the application states that the participant possesses photo identification; and
- D. the program participant voter has not already provided the secretary of state with a photocopy of photo identification.

Subp. 2a. **Review and removal from voter registration system.** Upon certification of an application, the secretary of state must suppress any record for a program participant found in the system. When a program participant withdraws or is canceled from the program, the secretary of state must unsuppress any voter record for the program participant in the statewide voter registration system.

## 2023 MINNESOTA ELECTION LAWS

### Subp. 2b. **Challenging voter records.**

A. If a program participant or applicant provides information to the secretary of state that indicates that a program participant voter is not eligible to vote, or if the secretary of state is able to determine from information provided by the commissioner of corrections, the state court administrator, or the Department of Public Safety that the program participant voter is not eligible to vote, then the secretary of state must mark the voter's record as challenged.

B. If the secretary of state is able to determine from information provided by any of the sources in item A that a program participant whose voter record was challenged has become eligible to vote, the secretary of state must remove the challenge from the program participant's voter record.

Subp. 2c. **Updates to voter records.** If a program participant or applicant submits notification in accordance with part 8290.0700 that the program participant voter has moved or the voter's name has changed, the secretary of state must update the program participant's voter record.

Subp. 3. **Identification of program participant voters.** Whenever the secretary of state is notified that an election will be taking place, the secretary of state must, at least 60 days before the election, or in the case of a special election, within two business days after it is scheduled, identify all program participant voters who live in the jurisdiction.

### Subp. 4. **[Repealed, 39 SR 392]**

Subp. 5. **Requesting absentee ballots.** The secretary of state must communicate to the appropriate election administrator of each jurisdiction the number of ballots necessary for each jurisdiction to provide ballots to program participant voters whose records are not challenged. Notwithstanding part 8210.0200, the election administrator must provide the appropriate ballots for that election to the secretary of state.

Subp. 6. **Ballot distribution.** The secretary of state must forward ballots to each program participant whose voter record is not challenged by first class mail, accompanied by a notice of the criteria for being eligible to vote in Minnesota, absentee ballot instructions, a ballot envelope, a signature envelope, and a return envelope addressed to the secretary of state.

Subp. 6a. **Notice to challenged voters.** The secretary of state must send a notice to program participants whose voter records are challenged to explain the basis of the challenge and that the program participant will not be provided with a ballot unless the program participant returns a signed statement swearing or affirming that the program participant is eligible to vote. If the program participant returns the signed statement, the secretary of state must remove the challenge from the program participant's voter record, request a ballot for the program participant, and forward it to the program participant by first class mail.

Subp. 7. **Return of unvoted ballots.** The secretary of state must return unvoted absentee ballots to the appropriate county auditor in cases in which:

A. they are returned by the United States Postal Service; or

B. the program participant is canceled or withdraws from the program after the ballots were requested, but before they were mailed; or

C. the program participant's residential address is updated on the program participant's voting record in accordance with subpart 2c after the ballots were requested, but before they were mailed; or

D. the program participant's voter eligibility is challenged in accordance with subpart 2b after the ballots were requested, but before they were mailed; or

E. the program participant dies after the ballots were requested, but before they were mailed.

### Subp. 8. **Ballot handling.**

A. Notwithstanding part 8210.0500, program participants must submit their return envelopes to the secretary of state.

## 2023 MINNESOTA ELECTION LAWS

B. If the program participant submits a signature envelope, the secretary of state must review the signature envelope and the program participant voter's record to determine whether the secretary of state is satisfied that:

(1) the individual has not withdrawn or been canceled from Safe at Home;

(2) the program participant's voter record is not challenged;

(3) the program participant's name and identification number or signature on the signature envelope appear in substantially the same form as on the absentee ballot request form described in subpart 2; and

(4) the certificate on the signature envelope is properly executed.

C. The secretary of state must remove the ballot envelope from the signature envelope received from the program participant and transfer the ballot envelope to an envelope with the verification certificate printed on it. The secretary of state must complete and sign the verification certificate. The verification certificate includes the county, municipality, ward, and precinct/school district combination and states that the ballot is provided for a Safe at Home participant, and whether or not all of the following are true:

(1) the individual is an active program participant;

(2) the program participant's voter record is not challenged;

(3) the secretary of state is satisfied that the program participant's name and identification number or signature on the signature envelope appear in substantially the same form as on the permanent absentee ballot request form described in subpart 2; and

(4) whether the certificate on the signature envelope is properly executed. The secretary of state must then forward these materials to the county auditor by first class mail.

Subp. 9. **County auditor to forward ballot.** The county auditor shall forward the envelope bearing the verification certificate to the appropriate absentee ballot board.

Subp. 10. **Receipt and counting of ballots.** The absentee ballot board must review the verification certificate and may only reject the absentee ballot if the verification certificate indicates that the secretary of state was not satisfied that the program participant met the requirements of this part or if the secretary has subsequently notified the county auditor that the ballot should be rejected, in accordance with subpart 10e. If the absentee ballot board accepts the ballot, the election judges must write "SAH" followed by a sequential number for each Safe at Home ballot processed and "AB" on the election day registration roster page. An accepted ballot is counted as any other registered absentee ballot for statistical purposes.

Subp. 10a. **Replacement ballots.** If the secretary of state forwards a certification envelope to a county auditor at least five days before the election that indicates that the ballot should be rejected because of reasons identified in subpart 8, item C, subitem (3) or (4), the secretary of state must request a replacement ballot from the county auditor for the program participant. The county auditor must promptly fulfill this request and the secretary of state must forward it to the program participant by first class mail.

Subp. 10b. **Notice of rejected ballot.** If within five days before the election the secretary of state forwards a certification envelope to a county auditor that indicates that the ballot should be rejected because of reasons identified in subpart 8, item C, subitem (3) or (4), the secretary of state must attempt to contact the program participant by telephone to notify the program participant that the ballot will be rejected.

Subp. 10c. **Notice to canceled or withdrawn program participants who were sent ballots.** If, after a ballot was sent to a program participant for an upcoming election, the program participant withdraws or is canceled from the program, the secretary of state must inform the former program participant that the former program participant is no longer eligible to vote through Safe at Home. If the program participant was canceled from the program due to mail returned as undeliverable, the secretary of state is exempt from the requirement to provide the former program participant with the written notice required by this subpart or any other written notice required by this part.

## 2023 MINNESOTA ELECTION LAWS

### Subp. 10d. **Challenges after ballots were sent.**

A. If, after a ballot was sent to a program participant for an upcoming election, the program participant's voter record is challenged in accordance with subpart 2b, the secretary of state must notify the program participant in writing that the ballot will not be counted unless the program participant returns a signed statement swearing or affirming that the program participant is eligible to vote.

B. If the challenged program participant returns the signed statement swearing or affirming that the program participant is eligible to vote, the secretary of state must remove the challenge from the program participant's voter record and process any returned ballot in accordance with subpart 8.

C. If the secretary of state has already forwarded the challenged program participant's ballot to the county auditor when the secretary of state receives a signed statement swearing or affirming that the program participant is eligible to vote and the verification certificate indicates that the ballot should be rejected, the secretary of state must provide the county auditor with a replacement verification certificate. The absentee ballot board must review the replacement verification certificate to determine whether the program participant's ballot should be accepted.

Subp. 10e. **Participant moved after ballots were sent.** If, prior to the time frame for processing ballots in accordance with Minnesota Statutes, section 203B.121, subdivision 4, a program participant's residential address is updated on the program participant's voting record in accordance with subpart 2c, then the secretary of state must mark the voter's record of the ballot as "spoiled."

If the secretary of state has not received the voted ballot from the program participant, the secretary of state must notify the program participant that the program participant should destroy the ballot and dispose of the other ballot materials and that the ballot will not be counted if it is returned.

If the program participant's ballot was forwarded to the county auditor and otherwise would have been accepted, then the secretary of state must promptly notify the county auditor in writing that the ballot board should reject the ballot.

The secretary of state must request a replacement ballot for the voter from the appropriate county auditor. Before sending the new ballot to the participant, the secretary of state must print the words "Replacement Ballot" on the signature envelope.

Subp. 10f. **Ineligibility after ballot is forwarded to county.** If, after a ballot was forwarded to the county auditor that otherwise would have been accepted,

- A. a program participant withdraws or is canceled from the program; or
- B. the program participant's voter record is challenged in accordance with subpart 2b; or
- C. the program participant dies,

then the secretary of state must promptly notify the county auditor in writing that the ballot board should reject the ballot if the ballot board has not already processed the ballot in accordance with Minnesota Statutes, section 203B.121, subdivision 4.

Subp. 10g. **Notice of ballot disposition.** Within six to ten weeks after the election, the secretary of state must send a notice to a program participant if the absentee ballot board was instructed to reject the program participant's ballot.

Subp. 11. **Review and determination by secretary of state.** By March 31 of each year, the secretary of state must determine whether any program participants who cast ballots in the preceding 12-month period are recorded in the statewide voter registration system as having both a record of casting a ballot under this part and also voting in the same election. If it is found that a program participant voter casting a ballot under this part also has a voting history record for the same election in the statewide voter registration system, the secretary of state shall notify the appropriate county attorney of that fact.

## 2023 MINNESOTA ELECTION LAWS

Subp. 12. **Cessation of permanent absentee voter status.** The secretary of state must revoke the program participant's permanent absentee voter status under this part until the county attorney confirms that the issue has been resolved in favor of the program participant if voting records under this part and voting history records in the statewide voter registration system show that the program participant has not only cast a ballot under this part but also voted in the same election by other means.

Subp. 13. **Record keeping.** The secretary of state must maintain a record for each election with the number of ballots requested by precinct/school district combinations, blank ballots received from each county auditor, assembled ballots sent to program participants, unvoted ballots returned to the county auditors, ballot envelopes returned by program participants to the secretary of state, and certification envelopes forwarded to county auditors.

Subp. 14. **Biennial report.** By April 30 of each odd-numbered year, the secretary of state shall issue a report on the activities of program participants during the period of two calendar years ending on December 31 preceding the report date.

B. the community-based program confirms that the application assistant is employed by the community-based program and agrees to designate a contact for the community-based program. The program must have a person authorized to act on behalf of the organization execute the application in order for it to be accepted by the secretary of state.

Subp. 3. **Employment status.** The application assistant performing the duties under this chapter is not deemed to be an employee of the Office of the Secretary of State or of the state of Minnesota or an agent of the secretary of state in any manner whatsoever. The application assistant shall not hold out as, nor claim to be, an officer or employee of the Office of the Secretary of State or of the state of Minnesota simply because the person is an application assistant, and shall not make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the Office of the Secretary of State or of the state of Minnesota.

Subp. 4. **Term of accreditation.** An application assistant's accreditation is ongoing as long as the application assistant maintains employment at the community-based organization named on the application, completes a periodic review approved by the secretary of state at least once every three years, and, in addition, completes any other training deemed necessary by the secretary of state.

Subp. 5. **Termination.** An application assistant's accreditation may be terminated by the secretary of state for failing to abide by any requirement in this chapter or for failing to act in accordance with requirements of the secretary of state. Subp. 6. **Employment with another community-based organization.** If an application assistant changes employment, leaving employment at one community-based organization and gaining employment at another, the application assistant may apply to become accredited again after the new community-based organization confirms the person is an employee and agrees to designate a contact for the community-based program. The secretary of state will determine what training, if any, is necessary to fully renew the application assistant's accreditation status.

Subp. 7. **Access to application assistants.** The secretary of state shall make available a list of the names and telephone numbers of community-based programs at which accredited application assistants may be found.

Subp. 8. **Records.** An application assistant shall forward the completed application materials required by this chapter to the secretary of state.
